The Stated Clerk presented to the Assembly a paper with reference to the late Permanent Clerk of the General Assembly, the Rev. William B. Noble, D.D., which was approved, as follows:

The Stated Clerk reports to the General Assembly the departure from this life, on August 5, 1915, at Buffalo, N. Y., of his esteemed fellow-laborer, the Rev. William Brown Noble, D.D., LL.D., Permanent Clerk of the General Assembly, in the 75th year of his age. It is recommended that a Committee, consisting of three ministers and two ruling elders, be appointed to prepare an appropriate minute commemorative of the life and services of Dr. Noble.

The Stated Clerk asked the Assembly what should be done, *pro tem.*, as to the Permanent Clerkship, and action was taken as follows:

Resolved, That the Assistant Clerk act as Permanent Clerk until the Assembly has acted on the Report of the Committee on Bills and Overtures upon the Overtures on this subject.

The Stated Clerk announced that the Overtures, Blue Books, Reports of the Boards, and other documents would be distributed Friday morning.

The Rules for Judicatories were adopted as the Rules for this Assembly.

The Assembly adjourned until to-morrow morning at 9 o'clock, and was closed with prayer.

FRIDAY, May 19, 9 o'clock A.M.

The Assembly met, and was opened with devotional exercises.

The Minutes of yesterday's sessions were read and approved.

The Permanent Committee on Commissions reported that the following additional Commissioners were duly enrolled: *Ministers*—Reuben H. Hartley, D.D., Rushville Presbytery; Arthur B. McCormick, Binghamton Presbytery; John E. Carver, Ogden Presbytery; *Ruling Elders*—Samuel S. Childs, Elizabeth Presbytery; James DeWitt Andrews, LL.D., New York Presbytery, and John Miles, Shenango Presbytery.

The Stated Clerk presented the Docket, which was approved, and made the customary distribution, to Commissioners, of the Blue Book, Manual, Reports of the Boards, and such Overtures as were in printed form, and also gave notice that all papers to come before the Assembly should be immediately placed in his hands.

The Stated Clerk also reported to the Assembly that, in accordance with the resolution found on p. 287 of the *Minutes* for 1915, he had transmitted the papers of a judicial character in his hands to the Permanent Judicial Commission, being the papers connected with the Barker Case, he being of the opinion that the said papers were in order.

The Reports of the Boards, and of the Theological Seminaries, etc., were referred to the appropriate Committees.

It was agreed by a resolution, duly adopted, that the business of the Assembly shall hereafter begin at 9 o'clock A.M., and that the last half-hour of each morning session, instead of the first half-hour, shall be given to devotional exercises, and especially to the making of intercessions for the nations now at war and for the cause of universal peace. The Stated Clerk was authorized to change the hours of assignments on the Assembly's Docket in accordance with this rule.

The Chairman of the Permanent Judicial Commission submitted a Report, which was adopted, and is as follows:

Judicial Case No. 1—Percival H. Barker *vs.* The Presbytery of Neosho.

The Permanent Judicial Commission of the General Assembly hereby certifies that it has duly examined all the papers, documents and records filed with it by the Stated Clerk of the Assembly in the within case, and finds that all steps have been taken which are required by the laws of the Church in order to proceed properly with the hearing of this appeal—this report being made in accordance with the resolution adopted by the General Assembly of 1915 (see p. 287 of *Minutes* of General Assembly).

(5) To furnish, through the office of the Committee, assistance to pastors and churches in their evangelistic work, by securing and disseminating trustworthy information concerning approved evangelistic methods and effective evangelistic leaders.

(6) To continue the direction of evangelistic work in Presbyterian Colleges and to share in the expense of this work, as heretofore, in coöperation with the Board of Education, through the Joint Committee on College Visitation.

(7) To coöperate with the Evangelistic Commission of the Federal Council of the Churches of Christ in America, and to call upon Presbyterial Evangelistic Committees to seek federation with Evangelistic Committees of other ecclesiastical bodies in their territory, to the end that the churches may develop a more thorough and systematic direction and control of evangelistic work.

Resolved, 3. That the Assembly rejoices in the fact that so large a proportion of our churches have supplemented their stated work and worship with special evangelistic services in the course of the year, and in view of the fact that such services have been generally followed by large increases in membership, the Assembly recommends that all the churches shall set apart certain seasons for such work.

Resolved, 4. That the Assembly urges Presbyteries and Synods to establish and strengthen the Committees appointed to supervise their work of evangelism, and to make an appropriation for the necessary expenses of these Committees, in order that they may be able effectively to assist all the pastors and churches in their fields.

Resolved, 5. (*a*) That the Assembly notes with satisfaction the increasing measure of financial support given by the churches to the Permanent Committee on Evangelism, as indicated by the report of its treasurer, and, in view of the demands which will be made upon the Committee during the coming year, recommends that the churches generally place the Committee on their benevolent lists, in accordance with the recommendations of the Executive Commission. (*b*) That the Trustees of the General Assembly be and hereby are authorized to receive and hold for the Permanent Committee on Evangelism such sums as may be given or bequeathed to it for the purposes of the Committee, and to pay the income therefrom to the Permanent Committee on Evangelism from year to year.

Resolved, 6. That the Assembly recognizes the fact that during the past year God has placed the seal of approval on the work of many faithful evangelists, and hereby expresses its gratitude for the effective service which they have rendered to so many of our churches.

Resolved, 7. That the Committee be authorized to appoint a sub-Committee on Coöperation with other Presbyterian and Reformed Churches, and that the Rev. J. Wilbur Chapman, D.D., for so many years the Committee's honored Secretary, be appointed representative-at-large for the Committee.

Resolved, 8. That the Moderator and the Stated Clerk of the General Assembly be *ex-officio* members of the Committee, and that the Committee be authorized to appoint Special Representatives to coöperate with it in its work throughout the Church.

In behalf of the Committee,
CHARLES L. HUSTON, *Chairman*.

FRIDAY, May 19, 1916, 3 o'clock P.M.

The Assembly met, and was opened with prayer.

The Committee on the Centennial of the American Bible Society, through its Chairman, Rev. Maitland Alexander, D.D., presented its Report, which was amended and adopted.

The Chairman made suitable remarks, addresses were delivered by Rev. Arthur Taylor, M.A., Secretary of the British and Foreign Bible Society, London, England, and by Rev. John Fox, D.D., Secretary of the American Bible Society, appropriate music was rendered, and prayer was offered by Rev. Robert Johnston, D.D., President of the Montreal Auxiliary of the British and Foreign Bible Society. The Report is as follows:

The Committee on the Centennial of the American Bible Society, appointed by the General Assembly of 1915, respectfully reports as follows:

The American Bible Society was organized May 8, 1816, in the Garden Street Dutch Reformed Church, New York City. The Constitution of the Society was adopted and officers chosen, on May 13, 1816, in what was then the new City Hall, in the lower part of the city. The organization was the result of the coming together of local Bible Societies in a number of the States of the Union.

The first President was the Rev. Elias Boudinot, who was President of the United States Congress in 1783, and who for a considerable period was President of the Board of Trustees of this General Assembly.

During the one hundred years of its existence the Society has published the Bible in one hundred and fifty languages, and to the extent of one hundred and fifteen millions of copies. Last year it distributed six and one-half millions of copies. In its work the Society has been a bond of union between all the Christian denominations, has been a power to bring closer together in fellowship the different nations of the world, and it has been always the earnest and efficient co-laborer with the Foreign Mission Societies. It can well be said that there is no Christian Society which has done more than it for the spread of the Gospel, the advance of civilization, and the promotion of the true social welfare of mankind in all nations and lands.

At present, it has more than two thousand workers in its agencies in the United States and other lands, and covers, with its undertakings, five continents. Its expenditures last year amounted to $750,000, the total for the one hundred years being over $38,000,000.

One notable feature of its work has been this—that it has circulated the Holy Scriptures, without note or comment, and without distinction as to denominational, national or race lines. The Committee recommends the adoption of the following Resolutions:

Resolved, 1. That the hour for the Assembly's celebration be Saturday, May 20, from 10 to 11 A.M., and that addresses be delivered by speakers appointed by the Committee.

Resolved, 2. That the General Assembly rejoices with the American Bible Society in celebrating the completion of a century of labor in securing the translation, publication and circulation of the Holy Scripture.

Resolved, 3. That the Assembly has heard with profound pleasure the address of the Rev. Arthur Taylor, M.A., London, England, the Secretary of the British and Foreign Bible Society, who has crossed the ocean to represent that Society in the centennial of its younger sister, the American Bible Society, and who has presented to this Assembly very felicitously the unity of these two great societies in faith and works. It has also heard the statements of the Rev. Dr. John Fox, Secretary of the American Bible Society, as to the condition and needs of our own Society. It has proved its right to be called our own by its fidelity in the fulfillment of the high task committed to it by the common consent of the churches.

Resolved, 4. That this Assembly reaffirms with increased emphasis the duty of our own churches to contribute of their means abundantly to supply the treasury of the Society with the funds necessary to meet the needs of our own missions at home and abroad, and to join in the circulation of the Bible everywhere.

Resolved, 5. That the Assembly strongly recommends every church to make an annual offering to the Society, and we commend it to the special consideration of those able to give largely. We do this the more earnestly because we learn that at the very time the Society is rejoicing with us in observing this festival of commemoration it has been compelled to suspend some of its most useful activities.

Resolved, 6. That we pray God to awaken the old spirit that moved the founders of the Society, so that their children may enable it to begin the new century, not with retrenchment, but with a forward movement.

Respectfully submitted,
MAITLAND ALEXANDER, *Chairman*.

The Special Committee on Christian Life and Work, through its Chairman, Rev. J. Ross Stevenson, D.D., presented its Report, which was accepted. The several parts were adopted:

In adopting Section XV (Blue Book, p. 47), the Assembly granted power to the Special Committee on Christian Life and Work to make minor changes in the form of the Congregational Narrative there presented.

Section IV, on Synodical Narratives, and Section XVI, on Statistical Reports, were referred to the Standing Committee on the Narrative of Christian Life and Work. The full text of the Report is printed in the Appendix.

The Special Committee on Coöperation and Union, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted unanimously as a whole, and is as follows:

The Committee on Church Coöperation and Union respectfully presents to the General Assembly its Report, arranged under the following heads:

I. The Presbyterian Church and Other Churches.
II. Meetings.
III. The Federal Council of the Churches of Christ in America.
IV. The Disciples of Christ.
V. The Cumberland Presbyterian Church, Colored.
VI. The Plan of Union of all the Churches of the Presbyterian Household in the U. S. A.
VII. The World Conference on Faith and Order.

I. The Presbyterian Church and Other Churches.

The Committee draws attention again to the following declaration of the Assembly, setting forth in clear terms the attitude of the Presbyterian Church towards other Churches:

"The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him, as the only Head of the Church Universal, to work together in harmony and love for the extension of His Kingdom and the good of the world; and this Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization."

The Committee has endeavored in all its work to advance the high ideals expressed in this deliverance of the General Assembly, remembering the words of the Holy Ghost through the Apostle Paul, "There is one body, and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all."

II. Meetings.

The Committee has held two meetings during the year. The first meeting was held at Garden City, Long Island, January 4 to 6, 1916, and was a part of the North American Conference in preparation for the World Conference on Faith and Order. At this meeting the Committee was honored by having, as Chairman of the Business Committee of the North American Conference, its own Chairman. The Committee also was privileged to meet the representatives of the Presbyterian Church in the U. S., at the Conference, the Rev. Russell Cecil, D.D., Richmond, Va., with the Rev. William H. Marquess, of New York City, and, in addition, the Rev. Thomas H. McMichael, D.D., Moderator of the General Assembly of the United Presbyterian Church, and the Rev. James E. Walker, D.D., of Chicago, Ill., of the same Church.

The second meeting was held at Philadelphia, Pa., March 23, 1916, and included a conference with the Committee on Christian Union of the Disciples of Christ.

At this meeting, the following action was unanimously taken, which, by order of the Committee, was directed to be included in the Report to the Assembly:

"The Committee on Church Coöperation and Union desires to express its great indebtedness to our Chairman for the manner in which he has presided over our deliberations. His devotion to the matters of business we have had before us, has kept us thoroughly informed and wisely advised as to our course, and we have found our way to our conclusions well prepared for us, so that our business has been so facilitated that we could accomplish much within a brief time. As a result, the expense of the Committee to the Assembly has been greatly limited."

III. The Federal Council of the Churches of Christ in America.

The regular annual meeting of the Executive Committee of the Federal Council of the Churches of Christ in America was held at Columbus, Ohio, December 8–10, 1915. The number of members of the Executive Committee present was 65, representing twenty-eight denominations. There were also present 107 corresponding members connected with twelve commissions of the Council, and in addition twelve secretaries and associate secretaries.

The annual report from the Secretary of the Federal Council is presented in separate form (see p. 59), and in addition contains the Proceedings of the Executive Committee for the year 1915. Inasmuch as the General Assembly has made this Committee on Church Coöperation and Union its representative on all matters contained in the affairs of the

Federal Council, the appointment of members of the Executive Committee included, the Committee asks particular attention to the following items in the Report.

1. Commissions, their Relation to the Churches.—The limitations of the Commissions are practically the same as those of the Federal Council itself, as set forth in the Constitution in the following terms:

"This Federal Council shall have no authority over the constituent bodies adhering to it; but its province shall be limited to the expression of its counsel, and the recommending of a course of action in matters of common interest to the churches, local councils, and individual Christians.

"It has no authority to draw up a common creed, or form of government, or of worship, or in any way to limit the full autonomy of the Christian bodies adhering to it."

In harmony with the general principles governing the Federal Council, Commissions are appointed, in accordance with the by-laws, in such a manner as to give adequate and proportional representation to the constituent bodies and their various boards and departments, on each Commission, to which are added as members-at-large, persons especially qualified for the particular work of each Commission.

In the statement of principles adopted by the Executive Committee in 1913 the following statements appear:

"These principles of policy apply to the various Commissions appointed by the Council. They act always as agents of the Council, and distinctly represent themselves as such. They also hold themselves as subject to the Executive Committee of the Council in accordance with the by-laws of the Council.

"The matter of coöperation between the Commissions and bodies outside the Federal Council, more especially ecclesiastical bodies, is one which calls for much discretion. Inasmuch as the Commissions are sometimes called upon to create movements which appropriately extend beyond the Evangelical Churches, sometimes beyond all the Churches, precautions should be taken to make necessary distinctions. In appointing sub-committees of the Commissions it is clearly expedient that there should be a clear understanding as to their limitations. Constituent bodies of the Council are not likely to tolerate any violation of their constitutional principles by a Commission any more than they would by a like action of the Council itself. It would, therefore, seem wise for the officers of the Commissions to acquaint themselves with the constitutional principles of the constituent bodies, especially as to questions of the relation between Church and State."

The above statements clearly define the limitations upon all the Commissions, and show that they are to be auxiliary to denominational activities along similar lines, and by coöperative and not by independent action.

2. Peace and Arbitration.—This Commission has been coöperating with the Commissions on Christian Education and on Relations with Japan, and also with the Special Committee on the American Peace Centenary. Dr. Gulick, who is Associate Secretary of the Commission, has conducted in various ways an educational movement in behalf of International Friendship. One of the important tasks of the Commission is appropriate coöperation with all large international movements seeking to bring to bear the influence of the Churches upon international relations. Much time and effort has been given to following up the work instituted by the Peace Conference at Constance, Germany, which was ended suddenly August 1, 1914, by the outbreak of the war, but which was continued in part at London, England. Correspondence has been conducted in the interest of International Friendship with several of the Church leaders in Europe, and it is believed that the Churches of Christ are likely to exert a wide influence in favor of arbitration, as a future method of settling international differences. This Commission has sent out, in the interest of its work, during one year, 373,169 pamphlets and 4,000 copies of Dr. Gulick's book, entitled, "The Fight for Peace."

3. Federated Movements.—This Commission was established by virtue of action taken at the meeting of the Executive Committee of the Federal Council at Richmond, Va., in December, 1914. It reported to the Executive Committee at Columbus, Ohio, in December, 1915. The sphere of its activities extends primarily to such organizations as the Young Men's Christian Association, the United Society of Christian Endeavor, the International Sunday School Association, the Layman's Missionary Movement, The Religious Press Association—in short, organizations which, though voluntary, are yet composed of members of all denominations associated for general religious welfare. A Conference in connection with it was held at Atlantic City in June, 1915, and another has been called to meet on June 1, 1916, at the same place. It is expected that there will be present not only representatives of general voluntary organizations, but also of the Commissions of the Council. The Secretary of this Commission is the Rev. Roy B. Guild, and the report made at Columbus, Ohio, gives promise of large results in the future.

4. Panama-Pacific Exposition.—Evangelistic services at

the Panama-Pacific Exposition were in charge of a Committee of One Hundred, with the Rev. H. H. Bell, D.D., as Executive Secretary. In connection with the evangelistic services, an exhibit of the work of the Churches was made in the Palace of Education, and it is said to have been the best Christian exhibit made at any great exposition. The attendance at the evangelistic services in the Tabernacle, erected for the purpose, were conducted for five months, with a total attendance of 450,000, and it is estimated that the conversions were about 3,500. There were also six great and well-attended congresses held there, viz., "The Social Congress"; "The Women's Missionary Congress"; "The Immigrant Congress"; "The World's Battle Congress"; "The Young People's Congress," and the "International Peace Congress." The amount of funds expended was in the neighborhood of $18,000. The work of this Committee is highly to be commended, and especially the skill and efficiency of the Secretary.

5. The Church and Country Life.—The Commission on the Church and Country Life was established by the Executive Committee of the Federal Council, at its meeting in December, 1914, at Richmond, Va. The first general meeting of the Commission was held December 8 to 10, 1915, at Columbus, Ohio. A Conference of representatives and delegates from various sections of the country was called to meet with the Commission, was largely attended, and was a striking feature of the meeting of the Executive Committee. Among the speakers was the President of the United States, whose address is published in full in the report of the Federal Council for the year 1915. The following quotations are made from his address:

"I am hoping that the outcome of this Conference, and all that we say and do about this important matter, may be to remind the Church that it is put into this world not only to save the individual soul, but to save society also, and it has got to go to work in society in one sense, with a greater sense of the exigency of the thing than in the case of the individual, because you have got to save society in this world, not in the next. We may have something to do with the individual soul in the next world by getting it started for the next world, but we have nothing to do with the organization of society in the next world. We have got to save society, so far as it is saved, by the instrumentality of Christianity in this world. . . . . The proof of Christianity is written in the biography of the saints—and by the saints I do not mean the technical saints, but the people whose individual lives have been transformed by Christianity. It is the only force in the world that I have ever heard of that does actually transform life; and the proof of that transformation is to be found all over the Christian world, and is multiplied and repeated as Christianity gains territory in the heathen world. Men begin suddenly to erect great spiritual standards over the little personal standards which they heretofore professed, and will walk smiling to the stake in order that their souls may be true to themselves. There isn't anything else that does that.

"Surely this is the instrumentality by which rural communities may be transformed, and led to the things that are great, and surely there is nothing in the rural community in which the rural church ought not to be the leader and in which it ought not to be the vital actual centre."

The general impression made by the Conference was excellent, and it is hoped that the result will be a larger attention to the needs of rural districts than has been recently given. The tendency of population in the United States is to draw vitality from the countryside and to centre life in the cities. It is not more than a generation since our country was practically rural, and the changes which have come need the close attention of the Church, and should be more and more in the thought of those who are in charge of organized ecclesiastical agencies.

6. TEMPERANCE.—The Commission on Temperance of the Federal Council has two offices, one in Pittsburgh, Pa., by the courtesy of the Presbyterian Board of Temperance, with Professor Charles Scanlon as Secretary in charge, the other in the Widener Building, in Philadelphia, Pa., under the supervision of the Chairman of the Commission, the Rev. Rufus W. Miller, D.D., of the Reformed Church in the U. S. A noteworthy feature of the progress made by this Commission has been the organization of the National Temperance Union, whose purpose is to present a comprehensive educational programme, which has as its constant aim to stress voluntary personal abstinence. The first mass meeting in connection with this movement was held on March 15, 1915, in the "Sunday" Tabernacle, at Philadelphia, Pa., when 16,000 persons listened to an address by the Hon. William J. Bryan, and thousands signed the "pledge." One of the methods of work of the union is to coöperate with the heads of great industrial plants and likewise with the officers in charge of the welfare and health departments of municipalities and railroads. Further, literature has been and will be disseminated in the interest of temperance among the foreign-speaking population of our cities.

In this connection it is to be noted that the Christian people of this country annually contribute upwards of

$1,500,000 to the cause of Temperance education and legislation, in addition to what is given through Church agencies. The Church, however, must lead in this work, for the success of the temperance cause depends largely upon Christian principles and conscience. Emphasis is laid on the fact that the National Temperance Union, in its comprehensive purposes, does not propose to interfere in any way with the work of existing agencies, nor to take up their particular operations. It seeks to coöperate with them and to aid them in their respective fields of activity. Attention is drawn to the following resolution adopted by the Council:

"*Resolved,* That all Churches of the Council, through their ministers and the several agencies, observe unitedly the World's Temperance Sunday, in November, 1916, and by sermons, Bible lessons, temperance instruction and pledge signing, challenge the attention of all persons to the fundamental importance of this commanding question of our time."

It is hoped that this Commission will be able to bring to the Temperance movements an increasing unity of purpose and of efficiency.

7. EVANGELISM.—The work of the Commission on Evangelism is in charge of an Executive Committee of twelve members. The Secretary, the Rev. William E. Biederwolf, D.D., has carried forward the work of organization in a most efficient manner. Attention is drawn to the fact that twenty-five of the Churches in the Federal Council, at the suggestion of the Commission, have appointed Denominational Committees on Evangelistic Work. This is an indication not only of a desire for concerted action on Evangelism, but of what is far more important, a united conviction as to the vital relation of Evangelism to the purposes of the Church, and to the fundamental thought of its Divine Founder and Head in relation to the primal needs of the world for which He died. Among other matters to be noted is the fact that the Committee on Literature of the Commission has a number of manuscripts, which are ready for the press, and which it is hoped to publish in a short time. Among these is a Manual on Evangelism. The Secretary, further, has gathered together a library on Evangelism, which is now stationed at the headquarters in Chicago in the Lakeside Building, and in behalf of which assistance is requested by the gift of books and of money for the purchase of books.

It is clearly to be understood that the Commission on Evangelism represents the endeavor to bring into coöperation in evangelistic work the denominational Churches. Each denomination will be expected, whatever plan of coöperation is adopted, to carry out evangelistic work according to its own methods, and under the direction of its own denominational Committee. It is all important, in the judgment of the Commission, if, from the human side, success is to be hoped for, to have each denomination work in its own way, and yet in full fellowship with other denominations, in any given field.

The Commission desires further to emphasize the judgment both of its Chairman and its Secretary, that the time has come, to arrange carefully for a nation-wide evangelistic campaign. It is believed that this campaign is required by the situation within our own borders as a nation, and also by world conditions throughout the world. Men everywhere now appear to be more deeply impressed with the value of spiritual realities than for two generations.

These conditions controlled the General Convention of the Protestant Episcopal Church in the United States at its last meeting, when it adopted the following resolution:

"*Resolved*, The House of Bishops concurring, That this Church, in General Convention assembled, registers its desire and will to undertake a preaching mission of nation-wide proportions, that in its scope shall be inclusive of the Church at large, and whose sole purpose and aim shall be the salvation of men through Him whose Name is above every name."

This preaching mission is in active operation, and other denominations are moving in the same line, realizing the opportunities of the time.

The following resolutions, adopted on the recommendation of the Commission by the Executive Committee of the Federal Council at Columbus, are submitted for approval:

Resolved, 1. That the national denominational committees lend themselves to the organization of evangelistic committees in the various districts, conferences and synods, with a view both to furthering the work of their own denomination, and to the federation of the forces for concerted evangelistic work in their own territory.

Resolved, 2. That the various national denominational committees seriously and prayerfully consider whether the hour is not about upon us for the inauguration and promotion of a country-wide movement of evangelistic endeavor of such a character as will meet with the approval and appreciation of the united ministry of our land.

8. Delegates to Third Council.—The Committee was authorized, by the General Assembly of 1915, to name the delegates, both principals and alternates, to the Third Quadrennial Meeting of the Federal Council, to be held at St. Louis, Mo., December, 1916, reporting the members of

the Committee as a part of the delegation. The number of principal delegates to which this General Assembly is entitled is thirty-four. After careful consideration by a sub-committee and by the general committee, the following persons were named as delegates. The addresses are given in each case, in order that the wide geographical distribution of the appointees may be evident.

Frederick A. Wallis, Esq.	New York, N. Y.

The following resolutions are submitted for adoption:

Resolved, 1. That the General Assembly reaffirms its sympathy with the purposes of the Federal Council of the Churches of Christ in America.

Resolved, 2. That the General Assembly again advises its representatives on the Federal Council to advocate caution in connection with action upon all subjects which are upon the border line of the jurisdiction of the State and the Church, in particular, as there is present need for this caution owing to the international complications of the great war.

Resolved, 3. That the General Assembly again declares that, in view of the doctrinal basis of the Federal Council, and of the agreement of the constituent Churches as to fundamentals, the representatives and the officers of the

Council should not criticise in public the distinctive doctrines of the several constituent Churches or the doctrines which they hold in common.

Resolved, 4. That the Committee on Church Coöperation and Union is hereby authorized, as during past years, to represent the General Assembly in all matters dealing with the affairs of the Federal Council, and, in particular, to fill vacancies in the membership of the Council.

IV. The Disciples of Christ.

The Commission on Christian Union of the Disciples of Christ met with the Committee on Church Coöperation and Union at Philadelphia, Pa., on March 17, at 11 A.M. There was a full representation present of said Commission, of which the Rev. Peter Ainslie, D.D., has been the efficient chairman for a number of years. After consultation, extending over a considerable period of time, and after fellowship one with another, at a common meal, the following declaration of principles was unanimously adopted, as exhibiting points of agreement between the Disciples of Christ and the Presbyterian Church in the U. S. A. It is submitted for the information of the Assembly and has been signed by the twenty-seven members of the Commission of the Disciples. The document is likewise approved for purposes of fellowship by the members of this Committee:

A Declaration as to Points of Agreement between the Disciples of Christ and the Presbyterian Church in the U. S. A.

"The Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A. and the Commission on Christian Union of the Disciples of Christ unite in this joint declaration and agreement as to matters of common interest.

1. Both Churches admit to the Lord's Table all persons who have made profession of faith in and obedience to Jesus Christ as the only Divine Saviour, and have been baptized in the name of the Father, the Son and the Holy Ghost.

2. Both Churches recognize the right of each Church to ordain persons to the ministry of the Word in accordance with the conditions named by each Church respectively, and maintain that the ministry of the Word is an office of the Church Universal. They further unite in the judgment that ministers of the Word have the right to perform the functions of their sacred office as opportunity may afford.

3. Both Churches hold that the officers of a local church are elders and deacons.

4. Both Churches hold that all persons who believe in,

follow, and obey Jesus Christ as the Divine Lord and Saviour, are members of the Christian Church Universal and Catholic.

5. Both Churches hold that the Holy Scriptures are the only infallible rule of faith and practice. Where the Scriptures speak, we speak. Where the Scriptures are silent, we are silent."

The following Resolution is submitted for adoption:

Resolved, That the General Assembly authorizes the Committee on Church Coöperation and Union to continue to confer with the Commission on Christian Unity of the Disciples of Christ, with a view to closer relations.

V. THE CUMBERLAND PRESBYTERIAN CHURCH, COLORED.

This organization, composed solely of colored ministers and members, came into existence as an organized Church in 1869, by an act of the General Assembly of the Cumberland Presbyterian Church. Its General Assembly was not organized until May, 1874. It consists to-day of four Synods, 200 ministers, 300 congregations and about 20,000 communicants.

The Committee on Church Coöperation and Union considered the question whether the time had come to take up the question as to whether this Church was prepared to become a part of the Presbyterian Church in the U. S. A., thus carrying forward the work of union among American Presbyterians. The matter was referred, for consideration and report, to a sub-Committee consisting of Rev. William H. Black, D.D., Rev. William J. Darby, D.D., and E. E. Beard, Esq. Correspondence was had further in this matter with the Secretary of the Board of Missions for Freedmen. In a letter written recently the Secretary states that the best educational institution of the Cumberland Presbyterian Church, Colored, has been aided quite liberally by the Board, namely, the Bowling Green Academy, of Bowling Green, Ky. The Secretary adds that, "Should steps for union be taken in an orderly way, without contention and without division of sentiment, the Board would have no disposition to shrink from the additional obligations this movement would put upon us, provided the Church at large would stand by us in our efforts to carry this additional work."

No resolution in connection with this matter is submitted, it being felt that it is sufficient, at present, simply to submit the above statement for the information of the Assembly. It certainly would be advantageous to colored Presbyterians if they could be brought into unity under the plan of organization found in our Form of Government, which authorizes them to have their own Presbyteries and Synods.

VI. THE PLAN OF UNION OF ALL THE CHURCHES OF THE PRESBYTERIAN HOUSEHOLD IN THE U. S. A.

The present proposal for closer union between the several Churches of the Presbyterian household in the United States of America, is dependent upon the action of at least four Churches that are in the membership of the Council of the Reformed Churches in America holding the Presbyterian System. We are gratified to report that the following five supreme judicatories have agreed to the proposal for closer coöperation made by the said Council to them, as follows:

General Assembly of the Presbyterian Church in the U. S. A.
General Assembly of the Presbyterian Church in the U. S.
General Assembly of the United Presbyterian Church.
General Synod of the Reformed Church in the U. S.
Associate Reformed Presbyterian Synod.

The Overture which was sent down by the Council and was approved by the supreme judicatories empowers the Council:

"To give careful and full attention to the whole subject of closer relations and more effective administrative coöperation between the several Presbyterian and Reformed Churches represented in the Council, with particular reference to the formulation of an effective federation of their plans, work, and executive or administrative agencies, both in the home and foreign fields."

As will be found from the report of the Council of the Reformed Churches, submitted to the several supreme judicatories, the Council at its last meeting authorized a Committee of Eleven, which it had appointed, to proceed with the consideration of the subject of closer relations during the present Church year, the subject of effective administrative coöperation having been already taken up and considered. The adoption of the following resolution is recommended:

Resolved, That the Committee on Church Coöperation and Union is hereby authorized and directed to conduct negotiations with the Committee of the Council of the Reformed Churches in America holding the Presbyterian System, and with Committees appointed by other Churches of the Presbyterian household with a view to closer relations between the Churches.

VII. THE WORLD CONFERENCE ON FAITH AND ORDER.

The North American Section of this Conference met at Garden City, Long Island, New York, January 4 to 6, 1916, and was well attended both as to numbers and as to denominations represented. There were present representatives of eighteen denominational Churches in the United States and Canada, in all sixty-two ministers and laymen.

I. Churches.—The movement for this Conference is, from the doctrinal view-point, of such importance that it will be helpful to the understanding of its significance, to print in full a list of the Churches which have agreed to its assembling. II. Proceedings.—Two members of the delegation from this Church, the Rev. Drs. McKibbin and Moffat, have prepared the following statements with reference to its spirit and work:

The members of the North American Conference, in preparation for the World Conference on Faith and Order, were fully and officially qualified to represent the Churches which had sent them. They gathered to discharge duties and exercise functions which had been assigned to them by the constituent bodies from which they came. The basis upon which they met was clearly understood; to use the language of Mr. Robert H. Gardiner, secretary of the Protestant Episcopal Commission: "The restriction of the Conference to those Communions throughout the world which confess our Lord Jesus Christ as God and Saviour must be made plain," and the reason for such a basis was an "attempt not simply to promote kindly feeling, or good fellowship, or even good works, but to reunite all Christians in the one living Body of the one Lord, both God and Man, incarnate, crucified, risen from the dead, and ascended on high, living to-day, the Head over all things to the Church, which is His body, the fullness of Him that filleth all in all."

The Churches represented were there without any abatement in their loyalty to their peculiar convictions. To use the language of Bishop Vincent, of the Protestant Episcopal Church: "I know that the Episcopal Church can do no less than to go into such a Conference with the spirit of absolute loyalty to our own convictions and principles, as you will to yours, and others will do to theirs; but God only knows where we will come out of that Conference, dear brothers."

The first step in the realization of the ends of the Conference was to have, so far as practicable, each of the Christian Commissions throughout the world frankly state what hindrances, in their judgment, are in the way of the unity of the Christian Church throughout the world.

The information obtained by the Episcopal Commission disclosed many significant facts, among which are noted the following:

1. That the desire for unity was wide-spread and increasing.
2. That there is very little agreement as to what unity is, and a wide-spread impression, transcending Roman Catholic lines, that it is not uniformity.
3. There is a pronounced sentiment that some Churches feel that the happy solution would be that all the others should unite with them, while some regard denominationalism as not only inevitable, but desirable.

It should be noted that the Conference did not undertake to do more toward the unification of the Christian Churches than to determine how its committees should prepare the way for the creation of a World Conference, and the general principles for the conduct of its deliberations. It provided for:

1. A Council of Commissions, the Council to be composed of one delegate for each commission of the constituent Churches, and one additional delegate for each half million of communicants.
2. That each Commission should commit to such committee as it may appoint, the task of formulating the propositions of Faith and Order which it considers to be held in common by its own Communion and the rest of Christendom, and those which it considers as its special trust, and the ground upon which it stands apart from other Communions.
3. That the Council of Commissions is to appoint a Board of Advisors, in which "the several families of Christian Faith and Order shall be adequately and justly represented," to which the propositions of Faith and Order formulated by the several commissions are to be referred; the Board of Advisors being instructed to "deduce the points that appear to be held substantially in common, and those which appear to be regarded as grounds for separate organization." The Board of Advisors are also to have the right to state questions of Faith and Order for the consideration of the World Conference. The designation of time and place and the making of necessary arrangements for the Conference is assigned to the Council.

The chief business of the World Conference when it meets is thus stated:

"The questions formulated for the consideration of the Conference shall there be discussed with a view to bringing about an effectual mutual understanding of existing agreements and differences between Christian Communions, concerning questions of Faith and Order as the next step toward unity."

III. DOCUMENTS.—The Documents approved tentatively by the North American Conference are the following:

A. Declaration.

"Five years ago the plan of a World Conference of Christian Churches was first proposed. We did not dream then that nation was about to rise against nation and that there would be the present great tribulation such as hath not been from the beginning of the world until now. The catastrophe which has fallen upon modern civilization may be hastening the time for a united Church to come forth as one power and with one obedience to make the rule of Christianity the law of the nations. For this end we may devoutly trust that beyond all foresight of men a higher leading may prove to have been in the call for a gathering of representatives of Christian Churches of every name and from all lands as the next step towards unity. Its appointed hour shall come when the war shall have burnt itself out. In the new age, born of the travail of the nations, shall be found the new occasion for the Christian reconstruction of society. The vastness of the opportunity is the measure of the obligation of the Church of Christ. It is now the bounden duty of organized Christianity, in repentance for its sins, and with an entire devotion, to make ready the way of the Lord. For the American Churches this supreme obligation begins at home. To do our full part we must study seriously, as we never have done before, the things that make for peace. In the profound humility of the highest and hence broadest vision of the Church of God and its world-wide mission in this generation, as representatives of our respective Communions we would here renew our mutual assurances of coöperation in promoting the ends of the World Conference, and declare our earnest expectation that through the way of conference, which we have entered, we may be led to know what is the good and acceptable and perfect will of God for His Church throughout the world."

B. Spiritual Basis of the World Conference.

"I. The basis of the proposed World Conference is the faith of the whole Church, as created by Christ, resting on the Incarnation, and continued from age to age by His indwelling Life until He comes.

II. The invitation of the World Conference appeals directly to the Christian conviction of the essential and indestructible wholeness of the one Church of God throughout the world. "I am the vine, ye are the branches," said the Lord to His disciples. "Christ's Body, the fullness of Him that filleth all in all," said the Apostle to the Gentiles. "Fellowship with us in the life that was manifested," declared St. John. This primitive Christian consciousness of the oneness of the Church found expression in the earliest use of the word Catholic: "Wherever Jesus Christ is, there is the Catholic Church," said Ignatius at the beginning of the first century after Christ. This abiding consciousness of the oneness of the Church was confessed in the creeds of the ancient Catholic Church. It remains alike in the faith of the Holy Orthodox Eastern Churches and the Roman Catholic Church. Notwithstanding the controversies of the period of the Reformation, these great words are ever repeated throughout the confessions and declarations of faith of the different Communions, "One holy universal Church, the communion and assembly of all the saints,—the unity of the Catholic Church" (1); "One catholic or universal Church" (2); "Which Kirk is catholic, that is, universal" (3); "The catholic or universal Church" (4); "One Church in the world" (5); "The holy universal Christian Church" (6); "The visible Catholic Church of Christ" (7); "I believe in the holy Catholic Church" (8); "Also they believe and teach that one Holy Church is to continue forever" (9).

III. The call of the Spirit of Christianity for a World Conference at this epochal hour is given in our Lord's new commandment of love; it is the call of Christ's Love for a whole Church to carry salvation to the whole world.

IV. The Method of Conference. It is simple as it is most Christian. It is for each Communion to think and to act in terms of the whole. It is positive; for in and through our relation to the whole Church may we rightly and finally determine our relations to one another. It is negative only in so far as it protests against the fact of continued schism."

C. The Place and Function of the North American Preparatory Conference.

"This work is initiative and preparatory, but not final or determinative for the North American Preparatory Conference or other Conferences. No action taken by this Conference should be construed as in any way limiting the power of the Council of Commissions, when it is appointed, to arrange for and conduct the proposed World Conference."

D. The Preparation for the World Conference.

"The measures which require determination and the means to be adopted for the ends desired may be summarized as follows:

I. The Preparation of the Subject Matter for the World Conference.

We have to consider what we may do to secure the contributions to it from all the Communions participating in the World Conference. These will comprise statements of the general agreements and chief divisive differences, the reconciling principles and all possible working plans and approximations towards unity.

In general, the larger questions for conference in them are related to these subjects:

I. The Church, its nature and functions.

II. The Catholic Creeds, as the safeguard of the Faith of the Church.

III. Grace and the Sacraments in general.

IV. The Ministry, its nature and functions.

V. Practical questions connected with the missionary and other administrative functions of the Church.

We are not prepared to discuss these problems until diligent search shall have been made in all directions for the ways and means of reconciliation. Not to set our most competent men at this work together, would be for us to be found wanting in the Church statesmanship which existing conditions require. For the World Conference to meet without such preparation might be for it to end in confusion of tongues. It is desirable that some initiative in this direction should be no longer delayed."

E. North American Preparation Committee.

"The members resident in North America of the Coöperating Committee in conjunction with the Commission of the Protestant Episcopal Church shall appoint:

I. A Committee of five or more of its members who shall appoint as soon as possible a Preparation Committee of theologians, canonists and other persons, who need not be members of the Coöperating Committee. The Preparation Committee shall be deemed a sub-Committee of the Coöperating Committee. Vacancies may be filled and additional members may be appointed by the Chairman of the Coöperating Committee on the recommendation of the Preparation Committee.

II. It shall be the duty of the Preparation Committee to secure from each of the Commissions in North America the following data:

(1) A formulation of questions touching Faith and Order, in accordance with the provisions of Section 3 of the general Plan, which reads as follows:

"3. Each Commission, Committee or other official representative shall proceed, with such expert assistance as it may think fit, to formulate the propositions of Faith and Order which it considers to be

(*a*) Held in common by its own Communion and the rest of Christendom, and

(*b*) Held by its own Communion as its special trust, and the ground upon which it stands apart from other Communions."

Two or more Commissions, Committees or other official representatives may unite in formulating propositions.

(2) To compile with respect to each Communion a bibliography of works of recognized value tending to expound its teachings;

(3) To prepare a report exhibiting the agreements and the differences between the several Communions;

(4) To enlist the coöperation of each Commission;

(5) To report to the coöperating Committee from time to time.

III. The Preparation Committee shall be at liberty to suggest such topics, propositions or questions touching Faith and Order as in the light of its studies it may think suitable for consideration by the World Conference.

IV. The material collected by the Preparation Committee shall be at the disposal of the Council of Commissions whenever it shall be organized.

The Preparation Committee may also appoint such committees as it may deem advisable.

V. The Preparation Committee may promote conferences of representative men of different Communions in the interests of the World Conference.

VI. The Preparation Committee may appoint a Publication Committee.

VII. The Preparation Committee shall convene meetings of the North American Preparatory Conference whenever it shall deem it expedient."

F. Plan for the World Conference.

The North American Conference meeting at Garden City, January 4–6, 1916, adopts the following plan of procedure in preparation for the World Conference on Faith and Order.

"1. A Council of the Commissions or Committees or other official representatives of the participating Communions shall be formed.

Each Commission or Committee or other authority shall be entitled to appoint one delegate, and, in the first instance or from time to time, to appoint one additional delegate for each half million communicants of its own Communion, not to exceed fifty delegates in all; provided, that the common convenience be consulted by appointing no more delegates than are deemed necessary to adequate representation. Each Commission or Committee or other authority shall provide for filling vacancies in its own delegation.

2. The Convener of the Council shall be the delegate, or, if more than one delegate be appointed, the senior delegate of the Commission of the Episcopal Church in the United States, unless otherwise ordered by that Commission. Whatever number of delegates respond to the call shall be competent for the transaction of business. The Council shall organize, elect officers and appoint committees, and adopt rules of procedure, as it shall think fit. Any Commission from time to time may appoint any person not a member of the Council, to act in place of any representative of such Commission not able to attend any meeting or meetings.

Absolute unanimity shall not be necessary to the determinations of the Council; but, after the analogy of the ancient canons, it shall endeavor to act, as far as practicable, with substantial unanimity.

3. Each Commission, Committee or other official representative shall proceed, with such expert assistance as it may think fit, to formulate the propositions of Faith and Order which it considers to be

(*a*) Held in common by its own Communion and the rest of Christendom, and

(*b*) Held by its own Communion as its special trust, and the ground upon which it stands apart from other Communions.

Two or more Commissions, Committees or other official representatives may unite in formulating propositions.

4. The Council shall select a Board of Advisers. Care shall be taken that the several families of Christian Faith and Order be adequately and justly represented on the Board; not necessarily that one or more Advisers be chosen from each Communion of Christendom, but that one or more shall be chosen from at least each of the generic groups into which Christendom is divided.

The propositions of Faith and Order formulated by the several Commissions, Committees or other official representatives shall be referred to the Board of Advisers, who shall deduce the points that appear to be held substantially in common and those which appear to be regarded as grounds for separate organization. The Council may also appoint such other committees as it may deem advisable.

5. As each successive Communion associates itself with the movement for a World Conference, its Commission or

Committee or other official representatives shall proceed to formulate its own propositions. The Council (which from time to time will be augmented by the addition of representatives of other Communions as they come in) will increase the number of members of the Board of Advisers as circumstances require; and this Board shall continue to coördinate the propositions of the several Communions as they are received.

6. Whenever the Council shall deem it opportune, the Board of Advisers shall be invited to state questions of Faith and Order for the consideration of the World Conference. Upon their reports the questions shall be formulated by the Council, subject to revision and amendment by its authority as circumstances shall require.

7. The Council shall have power to designate the time and place for holding the Conference and to make the necessary arrangements. The Call of the Conference, and other communications relative to it, shall be issued to the participating Communions by the Council, or under its authorization.

8. Each participating Communion shall appoint its own deputies to the Conference in its own way. The basis of representation in the Conference shall be determined by the Council at the time of the call thereof.

9. The questions formulated for the consideration of the Conference shall there be discussed with a view to bringing about an effectual mutual understanding of existing agreements and differences between Christian Communions concerning questions of Faith and Order as the next step towards unity.

10. Amendments to this plan may be proposed to the Council by any Commission or Committee or other official representative; and if approved by the Council, either in the form proposed or with variations, they shall take effect and the plan shall thereupon be amended accordingly.

The North American Preparatory Conference directs the Secretary to transmit the above plan to the several Commissions, Committees or other official representatives of the several Communions, either already or hereafter appointed, with the request that they take such action as is provided for in the plan. All Communications from the several Commissions, Committees or other official representatives shall then be transmitted by the Secretary to the Coöperating Committee until the Council is fully organized."

It is proper in connection with the above Declaration and Plans to draw attention to the fact that very close consideration was given to them. They were considered sentence by sentence, and often word by word. Some important modifications were made. For instance, the expression in the Spiritual Basis with reference to schism, read at first, "the sin of continued schism," and the chairman of this Committee moved that it be changed to "the fact of continued schism," for the reason that "there are Churches which are heartily in this movement that have no apology to offer for the Protestant Reformation." (See this Report, p. 45.)

Another important change suggested and accepted was in the following sentence as to the discussions of the Conference: "to ascertain whether the doctrines of Faith and Order which they severally embody stand in the way of *an organic* union of Christendom." For the words "an organic union" was substituted the word "the unity." These changes show that there is a sincere desire on the part of the representatives of the Churches to come to a clear understanding of the general situation as to their relations, and a clear determination to avoid all expressions and statements which would in any way reflect upon the character of any organized body of believers in Christ.

Further, while immediate large results which can be formulated were not secured and were not expected, the meeting disclosed and fed a spirit of unity in experience, and in reliance upon God's Spirit, that was most marked, and which itself answers in part and prepares the way for answering fully our Lord's prayer for His disciples that they might "all be one."

The following resolutions are offered for adoption:

Resolved, 1. The Assembly approves of the steps thus far taken by the Committee on Church Coöperation and Union, in the matter of the movement for the World Conference on Faith and Order proposed by the Protestant Episcopal Church in the U. S., provided, however, that any agreement made by the Committee shall not be binding upon the Presbyterian Church in the U. S. A., until there shall have been report made thereon to the General Assembly and its approval secured.

Resolved, 2. That the General Assembly advises that the Committee should continue to decline to determine any questions as to Faith and Order, but should deal only with plans and methods preparatory to the World Conference.

Resolved, 3. That, pending the continuance of the movement for a World Conference on Faith and Order under the direction of the Protestant Episcopal Church in the United States, that it is unwise for any other body to take steps for an official World Congress of all Christian Churches.

Resolved, 4. That the General Assembly again entrusts the negotiations with the view to the proposed World Conference and all matters connected with the preparations therefor, expenses included, to the Committee on Church Coöperation and Union, as the authorized representative of the Assembly.

The Committee in closing its Report emphasizes the great significance of the persistent trend among all the Christian Churches towards a more definite manifestation of their fellowship in Jesus Christ as the Saviour of men and the Great Head of His Church. Despite wars and rumor of war, we look forward with confident hope to the not far distant time when His prayer for the unity of His people shall be completely answered, and every knee shall bow and every tongue confess Him as Lord of all.

In behalf of the Committee,

WM. H. ROBERTS, *Chairman.*

The Committee on *The Assembly Herald* reported through Mr. William H. Scott, and the Report was adopted and is as follows:

The Committee on *The Assembly Herald* respectfully reports as follows:

Since the establishment of *The Assembly Herald* by the Assembly of 1898, it has been the pleasure and privilege of the present Committee to oversee its management. A pleasure because by personal observation our convictions of the necessity for the magazine have become continually stronger and because during these sixteen years of service we have seen its usefulness very greatly extended. We are glad to devote ourselves earnestly and prayerfully to the task imposed upon us by the Assembly and to submit herewith our Sixteenth Annual Report covering the year ending December 31, 1915.

Nineteen hundred and fifteen was a good year and a very encouraging year for *The Assembly Herald*—this in the face of poor and discouraging business conditions.

Good from the standpoint of *circulation.* The year began with 54,817 paid subscriptions and closed with 57,572—an increase for the year of 2,765, showing a continuation of the steady advance of the last four years. The total increase in circulation under the present management is over 22,000.

Good from the standpoint of *subject-matter.* Not in the history of the magazine has as good material been furnished or as much thought in its preparation been given as during 1915. During the year numberless expressions of approval from all sections have been given. Here is one from the Rev.

Jesse Halsey, pastor Seventh Presbyterian Church, Cincinnati, Ohio, under date of January 13, 1916:

"For a month I have been going to write you in commendation of the December *Herald.* I believe the Home Mission section in that number more nearly fills the wants of the general reader than any section of equal length I have ever seen in *The Herald.*"

Good from the standpoint of *advertisements.* Housecleaning in this department has been thorough, and while for the time being a loss of income has resulted, yet on the other hand subscribers have had placed before them useful, clean advertisements, as evidenced by the entire absence of adverse criticism of any business advertisement.

Good because of increased *coöperation* on the part of the various agencies of the Church, especially along the lines of their interest in the magazine and in the publicity they have sought to give it.

Financially, we are not as well off as in our "banner financial year"—1915. The increased deficit was due mostly to the decrease in advertising patronage. All classes of publications have suffered largely owing to the business depression, but religious papers probably most of all. The deficit for the year was $3,278.58.

While we feel sincere encouragement, due to the continued increase in circulation of *The Assembly Herald,* yet the Church may feel that a much larger total should be reached and quickly. We agree that this might be accomplished, but it would have to be through the medium of paid agents or by the use of expensive premiums. Sensational efforts along these lines would undoubtedly result in an expansion, but the end would not be satisfactory, because the subscriptions obtained would not be permanent, and each year the same methods, with more strength to them, would have to be used, with a consequent heavy enlargement of the annual deficit. Subscriptions secured by correspondence, which might be termed "a patient, plodding way," is, to our mind, the best plan to pursue, under present conditions at least.

The year 1915 was begun by making the January issue a special feature, in the interest of the "*Every-member Plan,*" as in 1914, and the edition proved a complete success—19,231 copies at 5c. each being ordered over and above the regular subscription list. Part of the expense of this issue was borne by the Joint Executive Committee.

We are loath to quote testimonials, but nevertheless feel that we can in no way tell the story of the esteem in which *The Herald* is held, nor its value, better than by reciting a few recent expressions which have come to us in the mail. We could quote almost indefinitely, but these few will answer the purpose:

Dr. E. C. Ray, a conservative, critical observer, just at the close of the year wrote a most encouraging letter, in which were these words: "Nothing I read except the Gospels seems to get me closer to our Lord."

Dr. Ralph Davy, pastor Succasunna Church, New Jersey, wrote: "I should feel it a very serious loss indeed to be deprived of a single issue of *The Herald* with its fund of information and inspiration."

Rev. T. N. Hunt, of the First Presbyterian Church, Salem, Mo., says: "I am glad to be able to bear testimony to the fact that those who have already been subscribers to *The Herald* from Salem are reading it and are becoming more efficient Christians by reason of this fact."

Rev. E. P. Herrick, Matanzas, Cuba, writes: "I enjoy *The Assembly Herald* and do not see how any Presbyterian can take an intelligent interest in his church without reading it."

Rev. F. G. Knauer, First Church, Nelson, Neb., writes: "I feel that *The Assembly Herald* is indispensable to a Presbyterian home, so I preach it and talk it and you see the response." (Fifty-two subscriptions out of a membership of one hundred and seventy.)

Referring again to the matter of circulation, we emphasize what we have said in one way or another in previous Reports, viz., that the work of interesting people in *The Assembly Herald*, the "official magazine of our Church," properly belongs to the pastor and his Session, and that not until their duty and responsibility toward the publication is recognized in all the churches can we hope to have the number of subscribers we should, nor can we expect the magazine to be as useful as it ought to be by right.

It is not by any means our thought that the pastor or a member of his Session should necessarily go from house to house or from person to person, asking for subscriptions. We cannot in this Report give suggestions as to the manner in which the work of securing subscriptions should be carried on. Churches which have been successful in raising large clubs pursue different methods, the pastor in each case, however, being the guiding spirit. In the smaller churches one person can readily do the work, following announcement by the pastor, while in larger churches it is sometimes best to have a Committee or several individuals appointed to do the canvassing. One of the most encouraging features connected with the subscription work of *The Assembly Herald* is that between 75 and 80 per cent. of its subscriptions are renewed.

Obtaining subscriptions is one thing, but having the magazine read is quite another. We sympathize with the average person when he tells us that there is so much reading matter that he cannot find time to read but a fractional part of it.

People make a selection and read more or less thoroughly certain books, magazines, etc. A splendid work for the pastor and one very greatly to the interest of our Church is to influence people to select *The Assembly Herald* as one publication which they will read. How can this be done? Well, one good way is to call attention to its coming each month. Make the statement that *The Assembly Herald* has arrived and in it will be found such and such interesting and informing articles. Then it should be used in the monthly missionary concert. Repeating the announcement month by month and using *The Herald* publicly will establish an interest in it and formulate the habit of reading its message.

We appeal to the pastors and elders present at this Assembly and to the Church, to promote the widest possible use of *The Assembly Herald*. Believe in it because it is a necessity, because it is doing a world of good in advertising the Church's work and because its possibilities, as an instrument of usefulness in the Church, are almost unlimited.

The Committee on Bills and Overtures, having received from the Stated Clerk of the Assembly the list of Overtures so far as printed, and also additional Overtures received from the Presbyteries and in other communications, submits the entire list to the Assembly, as follows:

"1. To rescind the action of the General Assembly of 1915, approving that part of the Report of its Special Committee on Union Theological Seminary which declares the Compact of 1870, between Union Theological Seminary and the General Assembly, and the other theological seminaries of our Church, 'null and void,' and to seek in the civil courts, which have sole jurisdiction of the questions involved, by friendly proceedings, if possible, a determination of the validity of said compact, and the rights and obligations arising therefrom, that will be binding upon the General Assembly and all the theological seminaries which are parties thereto.

"2. That the General Assembly seek in like manner to secure the enforcement of the trusts imposed upon the funds of Union Theological Seminary, so fully and clearly set forth in the same Report, as having been given and received, 'to uphold and teach' 'the Confession of Faith of the Presbyterian Church in the United States of America, as containing the system of doctrine taught in the Holy Scriptures.'

"3. That the Assembly use whatever constitutional power it possesses to exclude from the ministry of our Church those who are assailing the fundamental truths of the Gospel, especially those charged with the instruction of the candidates for our ministry."

Overture No. 23, from Cincinnati Presbytery, relating to New York Presbytery, as follows:

"The Presbytery of New York, being guilty of deliberate and long-continued disloyalty to the doctrinal standards of the Presbyterian Church, and being persistently disobedient to the mandates of the General Assembly, the General Assembly is requested by the Presbytery of Cincinnati to take such steps as may be necessary to cut off from the Presbyterian Church in the United States of America the Presbytery of New York, if no other methods will prevail."

Overture No. 24, from Fort Wayne Presbytery, relating to New York Presbytery, as follows:

"*Resolved*, That Fort Wayne Presbytery overtures the General Assembly of the Presbyterian Church in the U. S. A. to take such action as its wisdom may suggest, looking to the censure of the Presbytery of New York, for its reported act in admitting to the ministry of the Presbyterian Church candidates whose views on questions of vital importance are not in harmony with the statements of the Confession of Faith, and earnestly requests the General Assembly to take such steps as may seem best to end a situation which is intolerable."

Overture No. 25, from Northumberland Presbytery, relating to New York Presbytery, as follows:

"We hereby earnestly protest against the continued action of the New York Presbytery in receiving and licensing candidates for the Gospel ministry whose theological beliefs do not accord with the doctrinal standards of our Church, particularly with reference to our Lord's birth, the miracles He performed, and His resurrection."

Overture No. 26, from Nashville Presbytery, relating to New York Presbytery, asking the Assembly "for a deliverance declaring that it is not only discourteous and unwarranted, but also unchristian and subversive of proper discipline, for one Presbytery to assert that the ministers of another Presbytery or Presbyteries are untrue to their ordination vows."

Overture No. 28, from Chicago Presbytery, on Training Schools for Lay Workers, asking the Assembly to refer the matter of such schools to its Executive Commission, with instructions that report be made to a subsequent Assembly upon the following and any other particulars which the consideration of the subject may suggest:

Overture No. 34, from St. Louis Presbytery, on "Children's Day," asking that the name be changed to "Sunday School Day," for the following reason:

"In the estimate of many people, the term 'Children's Day' no longer designates the day properly; that it does not indicate clearly just what the meaning of the day is, because 'Children' cannot be regarded as including all the school as it is now constituted—from Cradle Roll to Adult Bible Class."

"WHEREAS, There is a marked tendency to-day for men to leave the pastorate in the Presbyterian Church and enter the field of Special Evangelistic Work.

"WHEREAS, This ever-increasing number of evangelists in some instances are using financial methods which are commercializing the movement, and thus bringing the work into disrepute, and endangering the best interests of the Kingdom of Christ.

"WHEREAS, The amount of money paid these evangelists is out of all proportion to the services rendered, unfair and unjust in comparison to the services paid regular pastors, including specially Home Missionaries and Foreign Missionaries. Therefore, be it

"1. When a church or congregation under the care of Presbytery is without a regularly constituted Session, either because it has not yet become a fully organized church by reason of the lack of suitable persons to serve as its elders, or because, having once been fully organized, it has lost all of its elders by death, removal or resignation, and cannot find suitable persons to fill the vacancies thus made, is such a church or congregation possessed of the right and qualification to elect and call a minister to the pastoral office therein, and to have the pastoral relation with such minister duly consummated?"

What Chapter and Sections of the Form of Government shall be interpreted as applying to a pastor resigning a charge, who is not accepting a call to another congregation, and who remains a member of the Presbytery in which he last held a charge, provided that Chapter XVII, Sections 1 and 2 of the Form of Government do not apply?"

"4. Is any exception to be allowed to the rule requiring the presence of some neighboring minister to assist in conducting the election contemplated, unless highly inconvenient on account of distance, as provided in Chapter XV, Section 2, of the Form of Government? Has a congregation the right to ask a non-communicant member, or any other member, to preside in place of a 'neighboring minister'?"

"5. Who can preside at the meeting of the congregation, for the election of Elders and Deacons in a church already organized? What Chapter and Sections of the Form of Government apply?"

"In view of the death of the Permanent Clerk of the Assembly, Rev. W. B. Noble, D.D., and in view of the fact that there are employed by the Assembly a Stated Clerk, an Assistant Clerk, a Permanent Clerk and a Treasurer at considerable expense for salaries, that additional though necessary expense is incurred to pay for clerical help and other office expenses, that additional expenses are incurred by the Executive Commission of the Assembly and that the apportionment laid upon the Presbyteries for the Assembly expenses is considerable of a burden to the Presbyteries; therefore, the Presbytery of Portland hereby overtures the Assembly not to elect a successor to Dr. Noble, but to direct the Assistant Clerk to act as Permanent Clerk *pro tem.* and to direct the Executive Commission to investigate the whole question of the clerical force of the Assembly to present to the next Assembly a plan whereby there shall be only three paid officers of the Assembly, viz., a Stated Clerk, to perform the duties of the Stated Clerk in receiving all papers for the Assembly and preparing the docket for the Assembly, preparing the record of the Assembly for publication and to act as Secretary of the Executive Commission and of such Committees of the Assembly as may be requested by the Assembly; a Statistical Clerk to collect and prepare for publication the Statistical Reports of the Churches and perform such other duties as may be assigned him; and a Treasurer, either an individual or a corporation, to be Treasurer of the Assembly and of the Board of Trustees of the Assembly and perform such other duties as may be assigned him; provision to be made for such office expense for each department as may be wise and necessary; and to report upon a plan whereby the Boards and Permanent Committees of the Assembly shall publish their respective Annual Reports and send them down to the churches and ministers; and to report fully to the Assembly upon the question of having all official reports published by the Westminster Press, and in case this cannot be done advisedly to give the reasons."

Rev. Judson Swift, D.D., Secretary of the American Tract Society, addressed the Assembly in the interest of the work of said Society. The following resolutions were adopted:

The General Assembly believes that the work of the American Tract Society has an important and vital relation to the progress of the Kingdom of our Lord. Organized ninety-one years ago, for the purpose of diffusing, by means of the printed page, a knowledge of Christ as the Redeemer of sinners, it has issued the Gospel message in one hundred and seventy-eight languages and dialects. The Assembly is deeply impressed by the fact that its publications in all languages now total the vast number of seven hundred and ninety-four million copies, the circulation of which has extended to the mission fields of the world.

Resolved, That the General Assembly commends the Tract Society for its generous supply of Christian literature in the Spanish and Portuguese languages, and notes with interest that its publications in the above languages total more than fourteen million copies, at a value of $633,546, and urges that the Society be heartily supported in its earnest effort to multiply many-fold this indispensable service in behalf of the moral and spiritual needs of the peoples of Latin America.

Resolved, That the General Assembly recognizes in the Tract Society a most helpful agency for proclaiming the Gospel, through missionary colporteurs, to the millions of the non-Church-going population in the homeland, and an indispensable agent in creating Christian literature in the vernacular at the mission stations in the non-Christian world, and the Assembly earnestly prays that the American Tract Society's work be given a larger place in the hearts and gifts of our people, and specifically requests pastors and

Sessions to give the Tract Society a place in their benevolent budget for an annual offering.

The following telegram was received from the General Conference of the Methodist Episcopal Church, in session at Saratoga, N. Y., and answer was made as given below:

The Committee on Editions of the Constitution presented its Report, which was adopted, and is as follows:

The Committee on Editions of the Constitution respectfully reports that the Board of Publication and Sabbath School Work has issued, under the supervision of the Committee, an edition of the Constitution, including all amendments made up to June 1, 1915. The Committee desires to place on record its appreciation of the prompt and excellent work done by the Board of Publication from year to year in connection with the Constitution.

For the Committee,
WM. H. ROBERTS, *Stated Clerk.*

The Committee on the Two Hundredth Anniversary of the General Synod, through Rev. William H. Roberts, D.D., by request of the Chairman, presented its Report, which was adopted and is as follows:

The Committee on the Two Hundredth Anniversary of the General Synod respectfully reports as follows:

The Assembly of 1914 received *Overtures* from the Presbyteries of New Brunswick, New Castle, New York, and Philadelphia, relating to a celebration of the first meeting of the General Synod of the Presbyterian Church in the United States of America, asking the Assembly to appoint a Committee to make arrangements for such a celebration. (See *Minutes*, 1915, p. 57.)

The Committee on Bills and Overtures reported on these Overtures, recommending that "the Assembly concur in this matter, and that the Moderator and Stated Clerk of the General Assembly be made the Assembly's Committee thereon, and be empowered to take such action as may be necessary to the proper observance of the same." The report was approved. (See *Minutes*, 1915, p. 94.)

Attention is drawn to the following facts connected with the General Synod:

The General Synod of the Presbyterian Church in the American Colonies was constituted by a Presbytery designated properly as the "General Presbytery," and meeting at Philadelphia, Pa., in September, 1716. This Presbytery itself was constituted by a meeting of seven ministers at Philadelphia, Pa., in March, 1706, a number of ruling elders being also present. The first page of the *Minutes* of this Presbytery, however, has been lost, and the names of the elders cannot be recovered. The General Presbytery, meeting at Philadelphia, Pa., on Tuesday, September 18, 1716, took action on Thursday, September 20, establishing our subordinate Presbyteries or meetings, namely, at Philadelphia, New Castle, Snow Hill and Long Island, and then constituted itself a Synod. On Friday, September 21, the Presbytery had its closing session, and the following record is important as related to the Synod which it had become by its own act. The record reads:

"Our next meeting being appointed as a Synod, it is ordered that the present Moderator open the same by preaching; and that the Moderator of the last Synod open the next by preaching always for the time coming upon the first Tuesday of our meeting, at 10 o'clock.

"Ordered, That the business of further Overtures be continued, to be brought in to our next Annual Synod.

"Appointed, that the first meeting of our said Synod be at Philadelphia, on the third Tuesday of September, in the year 1717.

"Adjourned till the third Tuesday of September, in the year 1717."

It is to be noted that the General Presbytery regarded itself and was acknowledged by both ministers and churches as being the supreme judicatory of the Church, and that it not only declared that it had become a Synod, but also adjourned as a Synod, to meet on the day appointed for the meeting of Synod, namely, the third Tuesday of September, in the year 1717.

In connection with this historic Anniversary it is recommended that the following Resolutions be adopted:

Resolved, 1. That the Assembly commemorate by special services the first meeting of the General Synod, on the evening of Thursday, May 24, 1917; that the Moderator for the Assembly of that year shall preside; and that the programme shall be prepared by the Committee, due regard being had by it to the representation of the Synods and Presbyteries, historically related to the Anniversary.

Resolved, 2. That it be recommended to the Presbyteries of New Brunswick, New Castle, New York and Philadelphia, and to the Synods of New York, New Jersey, Pennsylvania and Baltimore, being the Presbyteries and Synods historically related to the Anniversary, that they observe it by special services at their meetings in the fall of 1917, and that other Synods, together with all the Presbyteries, and such congregations as may so choose, take steps for its appropriate observance.

In behalf of the Committee,

J. Ross Stevenson, *Chairman.*

The Committee on the Digest, presented its Report, which was adopted, and is as follows:

The Committee on the Digest respectfully reports as follows:

The subject of the Digest, as stated in a previous Report, was referred to the Executive Commission by the General Assembly of 1914, and the Commission directed, and the Assembly of 1915 ordered, that the Digest be issued as soon as practicable. The Board of Publication, in consultation with the Committee, has advised that the issue of the Digest be postponed until after the meeting of the present General Assembly, in order that the decisions of the Assembly may be included in the volume. Further, the Committee has to state that the text of the Digest is in part in proof. Some hesitancy as to the present expediting of the work has arisen because of the current high price of printers' materials, nevertheless, it is the expectation of the Committee and of the Board of Publication, that the Digest will be issued at an early date. The editor of the Digest is the Rev. Wm. H. Roberts, D.D., and the work is under his direction. The members of the Committee are the Stated Clerk of the

Assembly, with the Secretary of the Board of Publication; and, to act in relation to matters connected with the records of the Cumberland Presbyterian Church, the Rev. John V. Stephens, D.D.

Respectfully submitted,
Wm. H. Roberts, *Chairman.*

The Committee on Christian Education in Coöperation with the Council of the Reformed Churches in America submitted a Report, which was accepted, and the Resolutions were adopted. The Report is as follows:

Your Committee, appointed to coöperate with the Committee of the Council of the Reformed Churches in America holding the Presbyterian System in matters relating to Christian Education, would respectfully report as follows:

The Council, at its meeting in Philadelphia, March, 1916, *reënacted* the following resolutions:

(1) That the Council appoint a committee to consider, formulate and report to the Council plans for the introduction of moral and religious training in our public schools, plans which, without violating any phase of the great and cherished principles of government by which Church and State are separated in our land, may yet be systematic and competent.

(2) That the Council request each of the judicatories to appoint a committee to coöperate with the Committee of the Council, both in securing facts and formulating plans.

In addition to the foregoing resolutions, the Council enlarged the scope of its Committee's work by adopting an additional resolution as follows:

Resolved, That the Council, in appointing the Committee with reference to the formulation of plans for the introduction of moral and religious training in our public schools, also requests the Committee to consider the entire question of Christian Education of the children and young people in and through Church agencies, this Committee to seek the coöperation of the Church Boards of Education, the Committee on Christian Education of the Federal Council of the Churches of Christ in America and all other bodies working to the same end.

The following excerpts, taken from the Report of the Committee on Christian Education to the Council of the Reformed Churches in America, are appended to indicate the lines along which the Committee has been working:

(1) The possibility of improving the value of the Sunday-school and holding the interest of pupils to a more mature age than is now done by introducing into the curriculum the study of Church history is worthy of careful consideration.

(2) The subject of the denominational college has received attention, but not in proportion to its importance. Concerning this the Report says:

"When the young man goes from the Christian home and the Sunday-school to a great State university, or even to a great university founded by the sacrifice and faith of Christian men and women, but now self-divorced from the religious control and traditions of the past, his time and mind are preëmpted by secular studies and an atmosphere surrounds him that would be purely secular were it not for the relatively feeble influence of the college Young Men's Christian Association or of the occasional denomination pastor. Nor is this all. In many of these institutions the restriction felt by the teacher who is a positive Christian is not felt by the teacher who is a rationalist or even an agnostic. The result in the student's religious life and in his character is almost always fatal to anything that the Christian can regard as true success in life. The Church must arouse herself to the danger of this situation and make every effort to eradicate it. In no other way open to her, perhaps, can she Christianize the educational world than by nourishing her own institutions of higher education so that they may be equipped by adequate curricula and efficient teaching not only to compete with secular institutions, but also to compel reaction in them from the narrow and inadequate ideals too widely prevalent in the educational world, to recognize that character and not the mastery of a little knowledge is the true end in education."

(3) Relating to the supply of ministers, the Report says:

"The problem of the adequate supply of ministers of the right mental and spiritual stature, which has been a serious one for some years, has entered upon a more hopeful phase because of the widespread revival in spiritual life throughout the churches of the land. It is to be devoutly desired that the future shall see the promise of the present fulfilled. If believingly we pray to the Lord of the harvest, it will be. But the new day apparently dawning will bring its special problems, minor in contrast with the one the Lord Himself is answering, but problems still. Many men, not really young, many not prepared technically for seminary work, are feeling a strong impulse to give their lives to His ministry. A high standard of preparation for the ministry is a precious tradition among all our Churches. We must not forget this. Nor must we forget that "not many wise" are called, and that there are tongues other than the academic one through which the Spirit of God has spoken and is speaking to-day the Word of Life."

Your Committee, at this time, therefore, can do no more than report progress and request

(1) That the Assembly approve the enlarged field of the Committee's work, and,

(2) That the Assembly continue its Committee to carry forward its investigations in coöperation with the Committee of the Council, with power to correspond with all interested parties.

Respectfully submitted for the Committee,
Wm. P. Fulton, *Chairman.*

The Committee on Legal Matters connected with Reunion, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted, and is as follows:

The Special Committee on Legal Matters connected with the Reunion of 1906 presents its Report to the General Assembly as follows:

By action of the Assembly, this Committee was continued, with the same general powers it has had in the previous years of its existence.

During the past year, there have been no changes in the Committee's membership, organization, or policy; and, as usual, its affairs have been managed chiefly by its Executive Committee.

The following matters are reported upon:

1. Educational Society.—By action of the last Assembly, the Committee was "authorized" and empowered, in conjunction with the officers of the Educational Society of the Cumberland Presbyterian Church, to take such steps as might be necessary "to dissolve said Educational Society, if and when the way be clear and counsel so advises." This matter has been duly considered, and the Committee reports that it does not yet deem it advisable to effect a dissolution of said Society.

2. Missouri Suits.—In the Committee's last Report, it was stated that, in the Missouri litigation, a decision had been rendered by the United States Circuit Court of Appeals, Eighth Circuit, in favor of the Reunited Church. That litigation is still pending, as the period within which an appeal may be made to the United States Supreme Court does not expire until September, 1916.

3. Appointment of the Committee.—As this Committee is now approaching the end of a period of nine years of service, and is hoping soon to see the termination of this litigation, it seems fitting that a brief review of the Committee's appointment and work shall be here presented.

The Committee was appointed by the General Assembly of 1907, the first Assembly of the Reunited Church. Referring to the "Committee on Pastoral Oversight," that had been appointed by the General Assembly of 1906 of the Cumberland Presbyterian Church, the Assembly declared that "the interests committed to the care of that Committee are now the interests of the reunited Church," and then ordered, "That the Moderator be authorized to appoint a Committee of eleven, five ministers and six elders, of which the Moderator shall be Chairman, which Committee shall succeed the Committee on Pastoral Oversight, appointed by the Decatur Assembly of the Cumberland Presbyterian Church, and shall have charge of all legal matters, arising out of the Reunion."

4. MEMBERSHIP OF THE COMMITTEE.—The members chosen to serve upon the Committee were as follows: Rev. William H. Roberts, D.D., Philadelphia, Pa.; Rev. Ira Landrith, D.D., Nashville, Tenn.; Rev. James E. Clarke, D.D., Nashville, Tenn.; Rev. William P. Fulton, D.D., Philadelphia, Pa.; Rev. Baxter P. Fullerton, D.D., St. Louis, Mo.; John E. Parsons, Esq., New York City, N. Y.; Ben Eli Guthrie, Esq., Macon, Mo.; Hon. Foster V. Brown, Chattanooga, Tenn.; Carroll Robbins, Esq., Trenton, N. J.; S. Spencer Chapman, Esq., Philadelphia, Pa.; and Bernard Gilpin, Esq., Philadelphia, Pa. With two exceptions, there have been no changes in the membership of the Committee since its appointment. Two members have passed away: Carroll Robbins, Esq., soon after his appointment, in 1910, in whose place Rudolph Schick, Esq., of Philadelphia, Pa., was appointed, and John E. Parsons, Esq., within the past year deceased and whose place has not been filled. The Committee hereby places on record its deep appreciation of the valuable services rendered by Mr. Parsons in connection with its work.

5. THE EXECUTIVE COMMITTEE.—In the interests of economy, and for the more speedy dispatching of business, it was agreed, through correspondence, that the members of the Committee who resided in Philadelphia and its vicinity, should constitute an Executive Committee, to advise with the other members, by correspondence, and act for the Committee as a whole.

Rev. J. M. Hubbert, D.D., was elected Secretary and Agent of the Executive Committee, to serve under its directions.

6. GENERAL COUNSEL.—John M. Gaut, Esq., of Nashville, Tenn., who had served as counsel for the Cumberland Presbyterian General Assembly's Committee on Pastoral Oversight, with salary of $2,500 per annum and necessary expenses,

was retained as General Counsel for the Executive Committee, on the same terms. Judge Gaut, realizing the importance of the interests involved, met the responsibilities of his position with such professional ability, skill, energy, industry, and fidelity, that the Committee has been pleased to give expression repeatedly to its appreciation of his faithful, continuous and successful labors, and to say that the Committee, as well as the Church at large, owe to Judge Gaut a debt which cannot well be estimated.

7. MEETINGS.—The Committee has held sixty-nine meetings of record. Besides these, there have been many informal meetings and conferences, and much time and labor, on the part of the Chairman and those who have served on sub-Committees, have been cheerfully given to the work entrusted to the Committee. At some of the meetings held in Philadelphia and in connection with meetings of the General Assembly, members were present other than those of the Executive Committee. And at some meetings invitations were extended to interested brethren, connected with this litigation in different parts of the Church, to sit with the Committee in counsel.

8. GENERAL POLICY.—The Committee having come into being as the successor of the Cumberland Presbyterian General Assembly's "Committee on Pastoral Oversight," it has been deemed wise to reaffirm and pursue the policy of said Committee, in the following particulars:

(1) That the Assembly's Committee would be responsible for the salary and legitimate expenses of its General Counsel.

(2) That interested parties in communities where litigation might arise would be expected to provide necessary counsel for their local suits, in addition to that engaged by the Assembly's Committee.

(3) That only in special cases, and by previous agreement, would the Assembly's Committee be responsible for fees of local counsel, in addition to General Counsel employed by the Committee.

In pursuance of this adopted policy, with the Assembly's approval, the Executive Commission and the Legal Committee, found it wise to make a distinction between "local" and "general" litigation, "not authorizing appropriations or the expenses of litigation which involved only the ownership of local church property." This policy has found expression in a definite resolution, annually submitted, and approved by the Assembly. (See Resolution No. 3, p. 84.)

9. FINANCIAL FEATURES.—In the beginning of this litigation, the Chairman and the Secretary and Agent of the Executive Committee were empowered to deal with matters

relating to the Committee's expenses, and they solicited contributions, chiefly by correspondence. Gratifying responses were made to this call by persons in various parts of the Church.

But it soon became manifest that it would be imperative to make a wider and stronger appeal for necessary funds. The Committee thought it proper to call upon the several Boards of the Church, in view of their vital relations to the interests involved and the benefits to be derived by them, and the Chairman was authorized by the Committee to request contributions from these sources. In response to this appeal, the Boards of Education, Ministerial Relief, Publication and Sabbath School Work, Colleges, and Church Erection made contributions. These actions were confirmed afterwards by the General Assembly.

Further, in view of the heavy expenses entailed by the protracted litigation, in State and Federal Courts, requiring funds in excess of what could be raised by voluntary contributions, the Assembly of 1910 appropriated $5,000 out of its Contingent Fund for the use of the Committee. The Assemblies of 1911, 1914 and 1915, also, on the joint recommendation of the Assembly's Executive Commission and the Legal Committee, ordered an apportionment on the Presbyteries, for the creation of a "Legal Fund" which might be used in meeting expenses in this connection. The Presbyteries generally paid the apportionments thus made. This action on the part of the Assembly and Presbyteries resulted in great relief to the congregations interested, especially in Missouri and Tennessee.

The entire amount of expenditures for the Reunion Litigation through the Committee up to date is as follows:

1907–1912, voluntary contributions	$4,777 34
Tennessee sub-Committee	2,624 55
1910–11	7,953 53
1911–12	2,709 79
1912–13	3,509 79
1913–14	4,577 31
1914–15	10,073 60
Total	$36,225 91

Last year the Presbyteries contributed the sum of $10,292.72. Out of this has been paid the fee of Frank Hagerman, Esq., of $10,000, for services rendered in the Federal District Court at Kansas City, Mo., with $73.60 for expenses. There is due to Mr. Hagerman the sum of $2,000 for services rendered in the Federal Circuit Court at Kansas City, Mo., with $134.71 for expenses. This leaves a balance of $1,915.59 to be provided for. A resolution is submitted on this matter at the close of the Report, in which the Executive Commission concurs.

It is proper to add that all the above expenditures were duly audited.

10. Coöperating Agencies.—With many suits pending simultaneously in several States, it would have been impracticable for the Committee to give the necessary attention in detail to all the cases. Therefore it was found expedient to request Synodical and local committees to assume such responsibilities in this business as the respective situations required.

The Committee makes grateful acknowledgment of the valuable aid it has had from these coöperating committees, as well as from many individuals in those sections of the Church where there have been cases of litigation. In this connection special acknowledgment is made of the important, faithful and devoted service rendered in the Missouri cases, through many years, by the Rev. Samuel J. Niccolls, D.D., LL.D., recently departed this life.

By direction of the General Assembly, the Legal Committee has also had the helpful coöperation of the Assembly's Executive Commission. The Legal Committee has regularly made reports to the Commission, asking its approval in questions dealing with the institution of suits, appropriations for suits, and in other matters connected with litigation. And the Legal Committee and the Executive Commission, acting under authority given by the Assembly, have found it expedient to appoint, in some States, commissions, consisting of ministers or lay members of the Church, with authority, after consultation with, and approval by, the Committee on Legal Matters, to institute as well as to defend suits, "to protect the contract of union, to prevent the misinterpretation of our doctrinal standards, to preserve our ecclesiastical authority and to defend our property rights."

11. Extent and Importance of this Litigation.—In the course of this litigation, there have been suits in thirteen different States. The properties involved have been of various kinds—houses of worship, manses, college and seminary buildings and endowments, holdings and claims of benevolent Boards, and the Cumberland Presbyterian Publishing House plant, at Nashville, Tenn.

With reference to the character and importance of this litigation, we would repeat, in this connection, the following statement from a communication which John M. Gaut, Esq., as General Counsel, addressed to the Committee:

"As you doubtless realize, the litigation to which we have sustained a mutual relation must be recorded in history as the most remarkable known to the judicial history of any country. The United Brethren cases originated in eight States of this Union, and involved much property and questions of great importance. The litigation with which we have been connected arose in thirteen States, involved directly and indirectly probably not less than six millions of dollars of property, affected a very large number of people, and involved questions of great importance. It called for a judicial determination of the relation, in this country, between Church and State, between ecclesiastical and civil courts, the fundamental nature of ecclesiastical government, and the powers of all ecclesiastical judicatories. A serious indictment was brought against the doctrines of the Presbyterian Church in the U. S. A., materially affecting the Church's theological standing. It is evident that by this litigation the law of this country relating to the subjects above indicated will be thoroughly settled, and much light from it will radiate across the seas to foreign countries. Many fundamental principles of law affecting religious societies will be established, which are of vital importance to all Churches in the United States, and of great importance to Churches throughout the world."

Speaking of one of the Missouri cases in the Federal Courts, one of the attorneys says: "It has proved, and will in the future prove, to be one of the most interesting and far-reaching decisions ever handed down respecting ecclesiastical organizations and their rights over property."

12. Some Results of the Litigation.—Aside from the declaration or announcement of the principles involved, decisions sustaining the validity of the Union have been delivered by the courts of last resort in Alabama, Arkansas, California, Georgia, Illinois, Indiana, Kentucky, Mississippi, Missouri, Oklahoma, and Texas; and in these eleven States the church property that had been menaced by suits in the lower courts was secured to the Reunited Church. There was a suit in Colorado Springs, Colo., where the decision by the lower court was in favor of the Union, and although an appeal was granted, it was never perfected, and this ended litigation in that State.

In Tennessee, and then in Missouri, the Supreme Courts rendered decisions adverse to the Union. This Tennessee decision entailed the loss of property to the United Church in that State. Not so in Missouri, for subsequently the Supreme Court of that State reversed itself. This leaves the Supreme Court of Tennessee as the only court of last resort which held the Union to be illegal and invalid. Since this adverse decision by the Tennessee Supreme Court, that tribunal has decided two cases in favor of the Unionists, giving them the church property, on the ground that the members renouncing the Union were so few, and the amount of money they contributed was so trivial, that it would be unconscionable for a court of equity to give them the property.

The Federal Courts in Tennessee upheld the title of the Reunited Church to the Publishing House in Nashville, Tenn., worth at least $200,000; the Memphis Church property, worth about $100,000, and the Grace house of worship in Nashville, and the houses of worship in Columbia and Springfield.

Suits involving property belonging to the Cumberland Presbyterian Educational Society, located at Nashville, Tenn., and to the Theological Seminary at Lebanon, Tenn., were settled by agreement.

Pending litigation in the Missouri Supreme Court, two suits were brought by the Unionists, in the Federal District Court, at Kansas City, Mo., one involving several church properties menaced by claims set up under the adverse decision of the Missouri Supreme Court, the other involving Missouri Valley College, at Marshall, Mo. In both these cases, decisions were rendered in favor of the Union, which judgments were confirmed by the United States Circuit Court of Appeals, Eighth Circuit, and it remains to be seen whether these cases will be carried by appeal to the United States Supreme Court.

Judge John M. Gaut, former General Counsel of the Committee, has prepared an admirable paper containing citations of the various cases with which the Committee and he have been connected, also an enumeration of the most important principles of law that have been set forth by the courts in the course of this litigation. This paper was considered with reference to the advisability of making it a part of this Report, but the conclusion was reached that, in view of litigation still pending, the presentation of it should be postponed until the next General Assembly.

13. The following Resolutions are recommended for adoption:

Resolved, 1. That the payment out of the funds of the General Assembly of the sum of $1,915.59, in final settlement with Frank Hagerman, Esq., for his services and expenses, up to and including March 31, 1916, is hereby authorized.

Resolved, 2. That should an appeal be taken from the decision of the United States Circuit Court, Kansas City Mo., in the cases which were argued by Mr. Hagerman, the Committee on Legal Affairs connected with Reunion is hereby authorized to employ counsel to appear in the cases before the U. S. Supreme Court, on such terms as to payment as to it may seem best, subject to the provisions of Resolutions six and seven below.

Resolved, 3. That the Committee on Legal Matters and the Executive Commission of the General Assembly are hereby authorized, in their discretion, to make provision, in behalf of the General Assembly, to assist in meeting the expenses of law suits where general questions are involved, but this Resolution shall not be construed as authorizing provision for the expenses of litigation which involves only the ownership of local church property.

Resolved, 4. That the Committee on Legal Matters and the Executive Commission be authorized, when deemed advisable, to appoint a commission, consisting of one or more ministers or lay members of the Church, with authority, after consultation with, and approval by, the Committee on Legal Matters, to institute as well as to defend suits for the above purposes, to wit, to protect the contract of Union, to prevent the misinterpretation of our doctrinal standards, to preserve our ecclesiastical authority and to defend our property rights, provided the Committee on Legal Matters shall have power to determine the amount of expenses to be incurred.

Resolved, 5. That the Committee be continued, with power as to all general litigation now in progress, in connection with the Reunion of 1906, but that no new suits be approved by the Committee, except after the consent of the Executive Commission of the General Assembly shall have been obtained.

Resolved, 6. That no appropriations for expenses in connection with any law suits shall be regarded as final, and as involving obligations on the Church at large, except as first approved by the Committee on Legal Matters and the Executive Commission.

Resolved, 7. That the Chairman, Dr. Wm. H. Roberts, and S. Spencer Chapman, Esq., be empowered to retain counsel in case any appeals be made in pending litigation, and said sub-Committee is the exclusive representative of the Committee in the matter of retaining counsel, all previous authorizations by previous Assemblies for such purposes being hereby revoked.

Respectfully submitted in behalf of the Committee,
Wm. H. Roberts, *Chairman.*

It was agreed that Commissioners shall retain their seats in the electing sections during the Assembly's sittings.

The Special Committee on Sabbath Observance, through its Chairman, Mr. James Yereance, presented its Report, which, after addresses by Rev. H. L. Bowlby, General Secretary of the Lord's Day Alliance of the United States, and Rev. John Timothy Stone, D.D., was adopted, with the exception of the last resolution (14th), which was referred to the Committee on Bills and Overtures. The Report is as follows:

"They are killing our Sunday of long ago—
The good old Sunday we used to know;
The day of quiet when everywhere
The spirit of peace pervaded the air,
And the whole world, wearing its Sunday best,
Sat down by the roadside of life to rest.

"They are killing our Sunday, not with a blow,
To end it suddenly, but sure and slow,
As they did the martyrs who suffered shame
On the wheel and the rack and in the flame.

"They are killing our Sunday, and when it is dead,
When the last, last drop of its blood is shed,
And its spirit has gone from the knowledge of men
In their world-weary struggle for pleasure—what then?"

Brethren:—Twenty-five years of faithful service is the record with which this Committee greets you to-day. A quarter of a century has been spanned since it was called into being, and these years have been big with destiny—this mighty cause of the Church we represent attended alike with omens good and ill; great victories won, some important battles lost. Perils gathering about this "day of days" have been watched with eagle eye and contended against with "the perseverance of the saints." There have been times of rejoicing and seasons for weeping. The years have witnessed immeasurable changes of attitude on this great question, presented many opportunities for intelligent and effective service, and the attending responsibilities have been heavy. As "new occasions teach new duties" so new conditions call for serious study and action wisely and well directed. Your Committee has been alert and active.

Before launching into a *résumé* of the year's work, we cannot too forcefully state our conviction that the primary and pressing need of our churches to-day is a better understanding of the Christian Sabbath, a regular and systematic teaching of our young people on this subject and a practice of the rightful use of the day by the adult membership of the Church. With the commendable emphasis laid on well-organized evangelistic efforts to-day, we are persuaded that much of the fruit of those labors is lost because so often little emphasis is laid upon the obligation of every Christian and convert to use the Sabbath as a day set apart for holy time, consecrated for holy ends.

Very serious attention is necessary right now, and even great victories may be but temporary, if the churches of all denominations are not thoroughly awake and ably reënforcing the workers representing them on these mighty battle fronts. We must not only say, "We stand at Armageddon," but, also, "and the battle is the Lord's."

Very recently, on the folder of one of our strong and influential Presbyterian Churches, appeared this statement: "The divine institution of the Sabbath is the basis of all our religious work in all the world."

This being true, it will readily be seen that not only does the work of our churches chiefly rest on our Christian Sabbath, but that the great work of Home and Foreign Missions must necessarily fail if our Sabbath is not wisely defended and most carefully preserved to posterity.

The Church's Duty.—That the churches and various denominations must give more attention to this great question of the Christian Sabbath in the immediate future than has been given it in several generations past, is plainly evident to every pastor who is wrestling with the great present-day problems. At the Twenty-seventh Anniversary Exercises of the Lord's Day Alliance of the United States, on November 7 last, the Rev. David James Burrell, D.D., preaching that anniversary sermon, took occasion to make these significant statements:

"In the year 1846, when Louis Agassiz came to America, he was asked what he regarded as our most striking national characteristic, and his answer was, 'The quiet of your Sabbaths.' We have been moving a long way from the Sabbath as *dies non.* They say, 'the Sabbath is going,' and it looks that way. The Panama Exposition, which secured its franchise with the clear understanding that its doors were to be closed on the Sabbath, was wide open every Lord's Day. In our national capital there are social functions of every description on the Lord's Day. In our great cities the saloons and theatres and dance-halls are generally open and unchallenged on the Lord's Day. Can this go on forever? Is Jehovah blind that He cannot see, or indifferent that He should not care?"

Modern Inventions and Motion Pictures.—Your Committee would call particular attention at this time to the fact that with the modern inventions of the automobile and motion pictures, there is grave danger that, added to the perils of our Christian Sabbath, the Sunday automobile and Sunday motion picture shows will increasingly add their tremendous influence to the mighty combination of powers already at work against this Divine institution and work incalculable harm to the Sabbath, the churches and the cause of Christ. It is not as alarmists that we insist that the crisis has come and must be promptly and perseveringly met by the churches, and that unless it is done immeasurable evil will be wrought; but rather in order to awaken our Church to the absolute necessity of doing all within her power to stem this worldly tide of influences beating against the gates of the Lord's Day.

Nation-wide Observations—Kinds of Sabbath Desecration.—It is worth while to mention some of the observations of the General Secretary of the Lord's Day Alliance of the United States, which represents our Church in the Department of Sabbath Observance, as he made them on his trip across the country last summer to attend the International Lord's Day Congress and to make a survey of Sabbath Observance conditions in the United States. In his annual report to the Board of Managers, last fall, he said in part: "Everywhere we found the problem of Sabbath desecration one of serious proportions. Great are the inroads on the day set apart for rest and worship. Business, pleasure, the open saloon, theatre, moving picture houses, divers sports, such as baseball, golf and automobiling for pleasure, the Sunday newspaper, Sunday excursions, concerts, social dinners, entertainments—practically all things that desire to have their way on the Lord's Day, enter with little or no protest. What twenty years ago would have been regarded as an outrage against the Day is looked upon to-day by many within the churches as well as without, as a matter of course. We are very sure that a new and clearer call to the colors of Christianity is sorely needed and that a ringing reveille for an obedience to the laws of the Christian Sabbath ought to be sounded from every pulpit in the land."

Must Recognize and Solve Problems.—It will be seen from the above that the conditions recited cannot be disregarded. It is most encouraging to state here that, knowing these conditions, this great organization is now pushing on with greater determination than ever to overcome wisely and efficiently these great forces that are moving with such power against this bulwark of our faith. We believe it to be in order here to record some of the victories of the past year and to note some of the signs of the times which point to a return, at least in places, to a more proper use and rightful observance of the day, and especially to show what has been done to bring relief from Sunday work to multitudes of toilers both in this and other countries, by organizations whose object is to defend the Christian Sabbath and to secure the proper weekly rest-day rights to employés who otherwise must continue under this form of oppression.

VICTORIES.

Closing Chicago Saloons.—Among the outstanding victories for the year, in the United States, we mention the closing, last fall, of the saloons in Chicago on Sunday, for the first time in more than forty years. Mayor Thompson's order affected 7,152 saloons. Mr. Healy, chief of police, announced that the first Sunday the order went into effect marked the lowest crime record for a single day in the history of the police department. Saloon-keepers have estimated that they lose about $400,000 every Sunday since the saloons have been closed.

Motion Pictures.—The closing, last December, of the motion-picture shows in Jersey City on Sunday, following a public debate on the question, in which a leading minister of that city, Rev. M. W. Womer, represented the Church forces, and was assisted by the counsel of the Lord's Day Alliance of the United States, is notable. The instructions of Judge Swayze, of New Jersey, to the grand jury on this question, a few days prior, helped along the movement. This eminent judge said: "I do not see how a moving-picture show can be said to be a work of necessity. It is not the mere necessity of making money or making a living by its proprietors or employés that will justify its running on Sunday; there must be some public necessity. Such a show is not a necessity; it is at best a means of amusement."

The decision of Supreme Court Justice Irving R. Devendorf, at Syracuse, N. Y., on motion pictures, rendered February of this year, holds "that labor performed in connection with a moving-picture show is not needful for the good order, health or comfort of the community." This, again, is a most important ruling on this prominent question.

It is encouraging to note that almost without exception the bills introduced in our legislatures during the present sessions have been defeated. Occasionally a bill has gone through with a "rider," as, for instance, one recently in New England to legalize the sale of "gasolene oil and tires" on Sunday. Wherever strong State and district Sabbath organizations are located, a successful defense is maintained and safe and progressive measures at times are put through. For illustration, we mention New England, New York, New Jersey, Pennsylvania, Wisconsin and Maryland, which report all battles won this year.

The one day of rest in seven laws are in force in

Massachusetts, Connecticut and New York, and secure a weekly rest day to laborers in manufacturing plants and continuously operating establishments. These laws do not supplant, but simply supplement the Sunday laws. It is hoped to extend them to cover transportation lines by some effective inter-State measure to be acted on by Congress.

Customs' Guards.—Especially significant is the coöperation of several departments of the national Government with the Sabbath forces for effecting the six-day week for their employés. Another great victory here is the correction of rest-day conditions among the hundreds of customs' guards in the port of New York. Hon. Thomas E. Rush, surveyor of the port, coöperated with the General Secretary in effecting these changes, and since then "sickness has fallen off among the employés from 10 per cent. to 2 per cent." Some men had worked as many as 110 days at a stretch without a rest day. Now they all have one in every ten days, and it is soon to be one in seven. This department recently declared itself one of the strongest advocates for the weekly rest day and similar reforms.

Corporations and Six-day Week.—The introduction of the six-day week into great commercial corporations and institutions, where it had not formerly been the fixed policy, is a wholesome sign. Large employers of labor are realizing how advantageous is the six-day week from the economic standpoint. The following statement, made by Mr. L. H. Burnett, assistant to the president of the Carnegie Steel Company, on September 13, 1915, concerning Sunday rest in the United States Steel Corporation, is significant:

"No one in any company of the corporation can work any man more than six consecutive days without the previous consent of the Finance Committee of the United States Steel Corporation—and they don't give it. And wherever possible Sunday shall be given as the day of rest."

Also the adoption of the six-day week by the Standard Oil Company commends itself to our attention.

General Observations.

At the annual meeting of the Lord's Day Alliance of the United States, on November 8 last, one of the most interesting features was the appearance of a number of men employed in various departments of the United States Government who gave their testimony to the advantages that had come to them through the weekly rest day obtained through the efforts of the Alliance. It is interesting to note here that the New York Letter Carriers' Association, which had planned to hold their annual picnic on Sunday and Monday, July

4 and 5, decided to confine these activities to Monday, July 5, when their attention was called to the impropriety of having the picnic on the Lord's Day. As the churches through the Alliance had enabled them to receive their Sunday rest, they promptly took action confining the picnic to Monday, although it meant the loss to them of several thousand dollars. This is an evidence of the desire of those who benefited by the work of our Sabbath organizations properly to use the Sundays which have been procured for them. Further appreciation of their Sunday rest has been publicly declared at the bi-annual conventions of the postal employés.

Field Day.—Among the methods used for creating a stronger sentiment for Sabbath observance are, first, field days—the churches of a community are asked to unite on a certain Sunday, when the pastors and visiting field forces of Sabbath organizations speak on the subject, at which time local conditions are given particular attention. The interest of public officials being engaged and often taking part in the services arranged—a systematic presentation of the subject, with a view to constructive work in the Sunday-schools and Young People's Societies, the effecting of local organizations to coöperate with the district, State and national societies, and the distribution of literature to meet the needs of different communities.

At a meeting of the Interdenominational Association of Evangelists at Winona Lake, on August 28 last year, the following action was taken, which shows that this great association of evangelists realizes the necessity of giving most earnest attention to this question:

"*Resolved,* That we endorse the request of the Lord's Day Alliance of the United States, that the membership of our Association devote at least one session of each evangelistic campaign to the subject of Observance of the Lord's Day and to the question of One Day of Rest in Seven."

Rev. W. A. Sunday also wrote to the chairman of this Committee: "You need have no fear of my not doing all I can for Sabbath observance. I always have and make that one of the features of our campaigns. Best wishes."

Sunday Munition Making Banned.—In these days, when the war clouds are so dense in Europe, it is refreshing to note that the minister of munitions in Great Britain, Hon. David Lloyd George, has called for the abolition of Sunday work in munition establishments. This is his suggestion to the manufacturers of munitions:

"It is better to work overtime during the week than to have Sunday work. The aim should be not to work more than twelve shifts a fortnight, or twenty-four where double shifts are worked."

Sunday Accidents.—It is appalling to note the number of accidents and disasters that are recorded in our daily papers on Monday morning. At the door of the Sunday automobile, the chief blame for this condition of affairs is laid. An editorial in one of the largest New York dailies of September 7, in part as follows, strikes this nail on the head:

"Incomplete reports show that probably more people lost their lives on Sunday in automobile accidents and by drowning than ever perished on a Fourth of July when the use of cannon, guns and fireworks was without restraint. With much difficulty we have established a comparatively bloodless Fourth. Must we now agitate for a safe and sane Sunday?"

Canada.—Our neighbors in Canada, especially through the Lord's Day Alliance of Canada, backed by the splendid Dominion Lord's Day Act of 1906, have learned what we ourselves failed to learn at the time of our Civil War, that the Sunday newspaper is not a necessity even in war times. Ninety per cent. or more of the Sunday newspapers published in the United States for distribution in Canada on Sunday were pushed back over the line, and those newspaper establishments in Toronto and other places in Canada, with few exceptions, do not publish a Sunday edition. The Alliance there is carefully on guard lest the Sunday newspaper in Canada become as serious a disturber of the Sabbath as it is in the States.

Scotland.—The Sunday newspaper, seizing the opportunity of the great European conflict, is making serious inroads among this people noted for faithful observance of the Lord's Day. England and other countries beyond the sea, where hitherto the Sunday paper had little hold, are now feeling its baneful effects—a precise counterpart of the experience of America in the Civil War.

The latest reports from Canada show a decided tendency on the part of a number of institutions there, as well as in the United States, also to secularize the day and to usher in the continental Sunday. With material interests and worldly prosperity to-day calling for larger liberties and, at times, unwarranted license to go where they will, it behooves the truly Christian forces not only to be on guard, but to insist that the Christian Sabbath is absolutely necessary and essential to a vigorous and victorious continuance of the nation as well as of Christianity itself.

Lord's Day and Rest Day Conferences.—We call attention to two important rest-day conferences held during the past year. First, the International Lord's Day Congress, which convened at Oakland, Cal., July 27 to August 1, 1915. There were gathered together at this Congress many distinguished speakers from various parts of the United States, Canada and other countries. The question of the Sabbath was considered from various angles, such as the spiritual, physical, and social. The weekly rest day for employés in all forms of labor was enunciated and arguments adduced to show that this principle is sound from the economic standpoint for both employer and employé. Most of the excellent addresses are being published in book form and will later be placed on sale. It is hoped that a great impetus was given to the movement for better Sabbath observance not only in the United States, but in other nations through this Congress, and the exhibit which continued after the Congress had closed.

The other rest-day conference was held in New York City, at the Republican Club, being one in the series of non-partisan discussions held there on Saturday afternoons. Men prominent in public affairs were the speakers, and the question considered was: "Is one rest day in seven necessary for safe-guarding the social, economic, physical and spiritual welfare of the people?" Through the courtesy of the Club, the Lord's Day Alliance of the United States has published these addresses, which will be sent in booklet form free of charge to ministers requesting it. The speakers were Judge Alton B. Parker; Hon. James M. Lynch, Industrial Commissioner of New York State; Professor Ernest G. Martin, of the Medical School of Harvard University; Mr. Raynal C. Bolling, general solicitor of the United States Steel Corporation; Edward J. Gainor, president of the National Association of Letter Carriers, and Rev. David G. Wylie, D.D., secretary of our Board of Church Erection.

Sunday Concerts, etc.—The growing habit of Sunday concerts, entertainments, dinners, social functions of every description, spreading through many communities and creeping into our schools and colleges, is not making for the maintenance of our American Sabbath. Our churches should give thought to these things and endeavor to check this line of influence sapping away the spiritual vitality of the Church and so many of its members.

Use of Public School Buildings on Sunday.—The promotion of the community forum meetings in our public school buildings on Sunday, as for instance those in the Irving School Building, New York, and formerly in the Grover Cleveland Memorial School Building, Washington, D. C., is out of order and should be promptly discontinued. After a hearing on the question of holding such meetings on Sunday in the public school buildings at Washington, the Board of Education of that city, on March 15 last, voted five to two against this proposition. We heartily commend them for it and earnestly hope other school boards, before whom this question comes, will follow this worthy example.

New York City.—One of the most encouraging facts that has come to our attention regarding the effective enforcement of our Sunday laws is that given us in information received from the captain of one of the police precincts of New York City. Concerning law enforcement in his precinct and its success during the past year, he writes as follows:

"This work is performed under my personal direction, having constantly in mind the infliction of as little inconvenience and hardship as is possible, and with the view of ultimately educating the persistent offenders that it will be to their advantage to more strictly observe the Lord's Day than to break its tenets, and I am pleased to inform you that our efforts have not been in vain; results accomplished are most enduring and gratifying in every particular."

In New York City a number of theatres which had attempted to open were kept closed and the Sunday law in a number of other respects has been quietly enforced in Greater New York.

Pennsylvania.—The great State of Pennsylvania, through another judicial decision last year, emphatically sustains the law of that Commonwealth against Sunday baseball.

Mt. Vernon, N. Y.—In Mt. Vernon, N. Y., motion-picture houses and theatres were prevented from opening a year ago, and within the last month a successful crusade has been on to close the grocery stores and other places open contrary to law in that city. The mayor has emphatically declared that all such places must be closed on the Lord's Day.

Elizabeth, N. J.—In Elizabeth, N. J., where the saloons have been open on Sunday, Commissioner Woodruff raided a few saloons on a recent Sunday, and on April 12 it was announced, through the press, that one of these saloons had lost its license because of Sunday selling.

Baseball.—It is reported that the president of one of the great steel corporations has declared himself against Sunday baseball, but in every other way is encouraging this great American game among his employés.

The famous baseball pitcher, Christy Mathewson, on January 9 last, made this statement over his signature:

"One of the most frequent questions I am asked is why I don't play baseball on Sunday. The best reason is because it is stipulated in my contract with the New York National League Club that I am not to play on Sundays."

Oregon.—A great effort is being put forth by the opposition to prove that the Sabbath laws of the State of Oregon are unconstitutional. The State Supreme Court recently gave a decision favoring the opening of theatres, meat markets, and baking establishments on Sundays. The Northwest Sabbath Association is conducting a campaign to save the Sabbath laws and is enlisting the interest and support of various Christian denominations of that State.

Long Branch.—During the past winter one of the churches in Long Branch, N. J., under the leadership of the pastor, held several all-night services. The object of the meetings was to pray that Sunday motion-picture shows would be closed in Long Branch. A few weeks later we were informed the motion-picture houses in Long Branch were closed.

Holy Name Society.—In the sixth and seventh articles of the Holy Name Society we find the following statements:

"1. Never to work or carry on business unnecessarily on Sunday.

"2. To do all they can to induce dependents and others to sanctify the Sunday and holy days."

Milk Dealers.—One of the most prominent milk dealers in the State of New York, whose employés number above 8,000 men, recently stated that he didn't believe it necessary to deliver milk on Sunday as the scientific handling of milk by pasteurizing and other modern sanitary methods had solved the problem. He stands ready to discontinue the practice of Sunday delivery, and it is hoped that other big milk dealers can be persuaded to join such a movement. Tens of thousands of men and horses would be given Sunday rest by such a reform in New York State.

King George.—The editor of a Church family newspaper wrote to Lord Stamfordham, asking for a confirmation of the report that King George made it a rule never to travel on Sunday unless it was absolutely necessary, and received the following reply:

"BUCKINGHAM PALACE.

"DEAR SIR:—The answer to the question contained in your letter of the 7th inst. is in the affirmative.

"Yours very faithfully,

"STAMFORDHAM."

Actors.—The Actors' Association of New York and other cities have made insistent protest against Sunday work by members of their association.

Calls continually come in to the Lord's Day and Sābbath Societies, calling attention to violations of our Sunday laws and appeals from laboring men engaged in all kinds of work and urging that relief from Sunday work be brought to them or that at least a reasonable number of Sundays be included in the weekly rest days that they should receive.

Coalition of Enemies.—One of the most disturbing forces that is making itself known against the Christian Sabbath to-day is the coalition of the enemies of the Lord's Day, such as the "personal liberty" elements, the Secular League, etc., whose purpose it is to propagate their own particular and narrow creed. The time has come when public officials, both State and national, must be acquainted with these facts and realize how small a part of their constituency, generally speaking, comprises these various elements. We believe the nation is sound at heart on this question and our public servants must know it and stand for the Christian Sabbath and the enforcement of our Sunday laws.

Lord's Day Week.—We express the conviction that Lord's Day Week, beginning the first Sunday after Easter and continuing through the following Sabbath, should be more generally observed by our churches, and that each year early preparations should be made that this week may prove of telling effect for Sabbath observance through instruction from pulpit, in Sunday-schools and Young People's Societies and that the value of the day for weekly rest and worship may be deeply impressed on the younger generation.

The Lord's Day Special Program for Lord's Day Week, prepared by the Lord's Day Alliance of the United States, and which has so successfully been used the last three years, will prove of great help to every Sunday-school and Young People's Society using it. The number of copies needed by any school or society is furnished on application on the simple condition that an offering be taken for the Alliance. Pastors have found it helpful for Sunday evening public worship and the mid-week service.

Lord's Day Leader.—The Lord's Day Alliance of the United States publishes an attractive and timely magazine, which is full of the best and latest facts on the Sabbath question, including a generous amount of fresh and valuable material for addresses, sermons and other purposes. All contributors to the Alliance receive it. Everyone contributing fifty cents or more per year receives it regularly.

In conclusion, the Committee recommends the adoption of the following resolutions:

Resolved, 1. That the General Assembly reiterates its strong and emphatic disapproval of all secular uses of the Sabbath Day, all games and sports, in civic life, as also in Army and Navy, all unnecessary traveling and all excursions, and urges upon all employers of labor and captains of industry to recognize the need of the laboring man for his weekly rest day, and thereby insure his greater efficiency and happiness and the greater prosperity of both capital and labor.

Resolved, 2. That we most respectfully call the attention of all public officials to the potent influence of their position, pro or con, on all moral questions, and the necessity of greater care on their part, proportioned to the exalted nature of the offices which they occupy, that they may strengthen rather than weaken, by their influence, public and private observance of the Lord's Day; and this Assembly respectfully, but emphatically, urges all public officials faithfully to enforce all laws to protect the Sabbath from desecration, and calls upon every member of our churches loyally to support all officials in such faithful discharge of their duties.

Resolved, 3. The General Assembly urges on all families not to buy anything on the Sabbath, to plan for their servants on the Sabbath and to help them fulfill their religious duties and to pay laborers so that they may have Saturday afternoon to make provision for the Sabbath.

Resolved, 4. That this Assembly heartily endorses the plans of the Saturday half-holiday, commends all employers who grant it to employés, and recognizes it as tending to the better observance of the Christian Sabbath.

Resolved, 5. That this Assembly most strongly protests against the operation of motion-picture show-houses on the Lord's Day and urges our public officials to enforce the laws against this indefensible Sunday business, which is a serious menace to the true spirit of the Lord's Day, to our Sabbath-schools and public worship.

Resolved, 6. That this Assembly emphatically disapproves of the use of our public school buildings for the holding of community forum meetings therein on the Lord's Day and insists that where said community or patrons' meeting are held, they be strictly confined to week-day hours; and we record our protest on the same to the Committees on Education of the House of Representatives, of the Senate, and the Congress of the United States, likewise our State legislative bodies, on any bill now before them or that may come up for their consideration looking toward the legalizing of these meetings on Sunday.

Resolved, 7. That the General Assembly hereby reiterates its emphatic condemnation of the Sunday newspaper, and urges the members of the Presbyterian Church in the United States of America to refuse to subscribe for it or read it or advertise in it.

Resolved, 8. That the General Assembly respectfully requests the faculties of colleges and seminaries, if the way be clear, to omit recitations on Monday mornings, so as to leave the Sabbath free from the felt necessity of some of the students to prepare their lessons on that day or to return on the Lord's Day from week-end absence from their schools.

Resolved, 9. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Presbytery, to coöperate with similar committees of other denominations within its bounds in aiding the work of local Sabbath associations; and where such organizations do not exist, to promote the formation of such associations in connection with the State or national organizations—the Lord's Day Alliance of the United States and the Woman's National Sabbath Alliance.

Resolved, 10. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Synod, of which the chairman of each Presbytery's Committee on Sabbath Observance shall be at least a corresponding member, and that the Synod's Committee shall coöperate with the State Associations; and where these do not exist, directly with the Lord's Day Alliance of the United States.

Resolved, 11. That we most heartily commend and warmly endorse the work of the Lord's Day Alliance of the United States and the Woman's National Sabbath Alliance, national organizations, in their efforts to preserve in its purity the Christian Sabbath and its work for the practice of its teaching.

Resolved, 12. That we commend the work of the Lord's Day Alliance of the United States, deeply appreciate its great measure of success in defending our Sabbath and in bringing chiefly, through coöperation with employers, the weekly rest day to multitudes of Government employés and great corporations, and approve its purpose to secure wise and efficient Sunday and weekly rest-day legislation for the laboring forces.

Resolved, 13. That we earnestly recommend that the week known as "Lord's Day Week," always commencing the first Sabbath after Easter and embracing the second Sabbath after Easter, be observed as a Week of Prayer for the preservation of the Lord's Day in its quiet, rest and worship; that the lesson in all our Sabbath-schools on the first Sabbath after Easter be on the observance of the Sabbath; and that each pastor of our denomination preach a sermon on that day or at some more convenient time on the subject of the Sabbath.

Resolved, 14. That we recommend that the Lord's Day Alliance of the United States, which is the only association that represents the Presbyterian Church in the United States of America in this department of Christian work, organized by the coöperation of the General Assembly in 1888, be included in the budget of benevolences of the churches, or in lieu of this an offering be taken for the Alliance on the first or second Sabbath of "Lord's Day Week," contributions to be sent to George M. Thomson, Treasurer, 203 Broadway, New York City; and that the Committee on Sabbath Observance be continued without any expense, as usual, to the Assembly.

Resolved, 15. Recognizing the desirability of a closer relation between the national organization and its various auxiliaries throughout the country, both for united action and inter-support, be it recommended, That a Committee, consisting of the President, Mr. James Yereance; the General Secretary, Rev. Harry L. Bowlby, and the Counsel, Mr. Robert G. Davey, be appointed to correspond or consult with the Alliance's auxiliaries and affiliated bodies, with a view to bringing about more intimate and coöperative relationship and to devise a plan that shall give effect to the same.*

The Special Committee on Work on the Continent of Europe, through its Chairman, Rev. Sylvester W. Beach, D.D., presented its Report, which was adopted, and is as follows:

The Special Committee on Work on the Continent of Europe hereby presents its Thirteenth Annual Report to the General Assembly:

The Committee submits the situation and conditions of its work under three heads:

1. Frankfurt a/M.—The year opened with a most discouraging condition of things. Mr. Brokenshire, our minister, was still on the field and services were going on without interruption. The English-speaking colony, however, was slowly but surely melting away. British subjects found the atmosphere insufferable and, though they might abstain from all manifestation of their loyalty to the mother country, they

* Note.—Resolution 15 is the same as the action of the Lord's Day Alliance of the United States, taken at the regular meeting of the Alliance, previous to the Assembly.

found themselves under suspicion and surveillance to a degree that could not be long endured. Giving up business, breaking ties that in some cases were stronger than their attachment to native land, they abandoned their living, friends of many years and homes hallowed by happy associations, and went back to the old country.

Americans were also *personæ non gratæ*, and more and more followed the example of other English-speaking peoples, until so small a remnant was left that it did not seem any longer expedient or possible to continue the services of our little church. By the advice of the Committee, Mr. Brokenshire came back to America early in the year, reaching home about April 1, 1915.

The church records are in the keeping of Dr. Moore, clerk of the Session, who is in London until the storm is overpast. Whenever the end of the war shall come, it is the present purpose of your Committee to gather up the scattered fragments and inaugurate and organize an aggressive campaign in Frankfurt, not only to recover what the wreckage has lost, but to rebuild the waste places more solidly and beautifully than before.

2. Paris, France.—The following excerpts from letters of Mrs. Ernest W. Shurtleff set forth more graphically than any words of our own could do the nature and scope of the splendid work going on under the generalship of Dr. and Mrs. Shurtleff, now in the eleventh year of their ministry to American students:

Under date of December 5, 1915, Mrs. Shurtleff writes thus:

"Box No. 92 has just reached us and we have decided at the *vestiaire* that the Princeton Red Cross workers must be clairvoyant, else how could they always know just the thing we are needing most? I cannot tell you how delighted we were with all the beautiful woolens for the soldiers which your last box contained. We had just come to the end of our supply of mufflers and were wondering what we could do to meet the needs of the soldiers, when your timely gift solved the problem. We have such pathetic letters from these men who are in the trenches or are prisoners in Germany. They are all from the invaded provinces and have no one to send them warm garments and other comforts. They are most grateful for the gifts, and for the personal word which goes with them, and write us all about their families and how anxious they are about them. Many of them have received no word since the beginning of the war. One young fellow of twenty-one has just sent an interesting letter, saying how grateful he is for the muffler and mittens and telling us of his old grandmother, nearly eighty years of age, who is alone in their native village, which is occupied by the Germans. He goes on to tell how he sits in the trenches in the evening and thinks about her and worries for fear she is in want. Another letter which has just come tells of the wife and little children of whom the writer has had no news since a year ago last August. Every letter has its tragedy, and yet the men are so wonderfully brave and so grateful for all help and sympathy that it will be a great joy to be able to pass on to them the gifts sent from Princeton.

"The layettes and baby garments are lovely. To-day a layette has gone to a poor refugee woman we found two days ago living in great destitution. She and seven others of her family had only two small beds, two blankets and no sheets. One of the children is ill and another has been terribly injured by a shell. The mother has been sleeping on the floor without cover through all this cold weather. Within two hours after we found them, two beds and a supply of blankets and sheets were sent to them, and to-day a beautiful layette made glad the poor mother's heart. Yesterday another layette went to a little baby who was wrapped in rags and had literally nothing to put on.

"As the winter advances and the war continues, the suffering and want increase. Every week brings us new cases of great distress. In the blind work the needs are also greatly increased, as hundreds of men have been totally blinded and there is great suffering among their families. Saturday three young men, who lost their sight in the war, came to the *vestiaire* to be outfitted for their weddings. They are 24, 25, and 27 years of age, and before the war earned good livings. Now all that has been changed, but the young women to whom they were engaged have remained true to them and they are to be married at once, so that the wives, who are working, can help their husbands start life afresh. We are helping these brave young people furnish their homes and are securing tools for the blind men, so that they can begin their work of chair-caning and brush-making. We are in great need of clothing for blind men. At one hospital, where there are four hundred of them they are given underclothing, but no suits or coats, and when they leave to start for themselves they are often in absolute rags, having only what remains of their battle-frayed uniforms. This hospital has one good suit, which is known as the '*costume de sortir*,' which is lent to the different men when they go out. Last week one poor fellow, who lost both his eyes and the fingers of his right hand, came with his wife and five children to the *vestiaire* for clothing. He was wearing this '*costume de sortir.*' You cannot imagine the change in the man's expression when he received a new suit and overcoat and hat. This poor man was a master mason before the war. Now all that is gone, but he has a very beautiful voice and work is to be found for him in the churches. In the meantime his brave little wife is caring for the children, all under eleven years of age, and is sewing for an *ouvoir*. Oh, if you could only meet these people and see how wonderful they are, you would take a double joy in sending your beautiful boxes.

"We were most delighted with the wool in your last box, for we need a great deal in order to give work to our blind knitting women. The warm skirts and other clothing will also be of the greatest service.

"Since this letter was dictated, several days ago, two emergency calls have come to us which your gifts have enabled us to meet. The first was from the Servian Embassy, and in response we yesterday sent twenty layettes to the Servian Consul at Marseilles, to be used for the first boat load of Servian refugees which is expected to land to-day or to-morrow. The destitution of these refugees is beyond words. A small group of Servian women reached Paris last week. They had passed through the intense cold of the Servian retreat and made the voyage to France in cotton clothing and *without underclothing or wraps.*

"The second call came from a hospital at the front and was from a young English woman who is nursing there. This hospital is so near the trenches that she writes: 'For several days the guns have been quiet, but to-day they are booming away so that our huts shake.' She asked for —— mufflers! said that she had none left and needed them very much for the men who left the hospital to return directly to the trenches. Miss Welles, who has charge of one soldiers' department, and I almost wept when this letter came. We needed the mufflers so much for our soldiers' packages, but we decided to be generous, and sent just half of the number which you had sent us—some twenty-four—to this nurse for her wounded men."

It should be understood that the relief work that the Shurtleffs are doing with so much labor and sacrifice and at such large outlay of money is not a charge upon the funds raised by your Committee for The Students' Atelier Reunions. The money so generously contributed by our friends for this ministry to American students is sacredly set apart for the purposes for which it is given. The Sunday evening meetings continue with large attendance, as well as the varied lines of service to the student body that have characterized this work from the beginning. It is estimated that at least 1,000 American students are at present in Paris, notwithstanding abnormal conditions now prevailing there. Many others of our countrymen are practically interned in Paris because of the perils connected with sailing from any French port. These are showing their deep appreciation of the Sunday services conducted by Dr. Shurtleff, and many come to him for counsel and comfort. In view of the reduced number of students and the consequent limitations in the sphere of work for them, Dr. Shurtleff has insisted upon a reduction in the amount of his salary, though he has never received a dollar of remuneration for the splendid work of relief that he and his noble wife have been carrying on for eighteen months.

Your Committee has deemed it essential that there should be no break in the continuity of our Latin Quarter work. The score of years of splendid achievement makes a history for which, while we find no ground for boasting, we rejoice to magnify the goodness and grace of our God. "He hath done great things for us, whereof we are glad." From a very small beginning, the work has grown in compass and influence, until it may be truly said that there is no Christian force in operation among the English-speaking colony in Paris of larger dimensions and usefulness. It has the confidence, sympathy and support of the most substantial Americans in Paris, from the Ambassador down. The war ended, a movement for a permanent home for the work must be inaugurated. We need and must have a building of our own, adequate to meet the demands of all departments of our diversified work. The American and Foreign Christian Union, which holds the property of the American Church, Rue de Berri, has consented to act as treasurer of funds raised for the purpose of a building, administering them according to the intent of the gift. The new line of activities growing out of the war will have a favorable effect upon the future, having conciliated the favor of the French people as well as greatly enlarged the constituency of our friends. The present, therefore, is no time for hesitation or disheartenment. We can confidently say that the things that have happened, "have fallen out rather for the furtherance of the Gospel."

3. FINANCES.—In compliance with the directions of the last General Assembly, the Board of Home Missions continued to supplement the salary of our minister in Frankfurt until the time of his return to America—April, 1915. The grant-in-aid was at the rate of $400 a year. That the full

salary might be raised, your Committee endeavored to collect the sum of $400 in addition to the amount paid by the Board. Something short of the entire amount was received by the treasurer and paid to Mr. Brokenshire. It is hoped that when our work in Frankfurt is resumed the difficulties that now operate against raising money for that and other German fields may entirely disappear.

Your Committee has sent since our last Report $2,000 to the Paris work under Dr. and Mrs. Shurtleff. To this has been added about the same amount through the endeavors of our Paris Committee. This sum does not include a much larger amount that has been furnished for relief agencies under direction of the Shurtleffs.

The accounts of the treasurer have been audited by a sub-committee of this Committee and found correct.

Your Committee would submit the following resolutions:

Resolved, 1. That the Committee be and is hereby continued, constituted as follows: Rev. Sylvester W. Beach, D.D., *Chairman;* L. Y. Graham, D.D., J. Gray Bolton, D.D., W. H. Roberts, D.D., W. L. McEwan, D.D., W. H. Oxtoby, D.D., Joseph W. Cochran, D.D., Charles Wood, D.D., C. T. Edwards, D.D., Albert E. Keigwin, D.D., and Mr. Ralph W. Harbison, George W. Bailey, M.D., Charles S. Holt, Esq., Alba B. Johnson, and President Cheesman A. Herrick.

Resolved, 2. That the Assembly realizes in a deeper sense than ever before the responsibility and opportunity offered the Presbyterian Church in America to follow with the Gospel its men and women who make their homes in Europe. And it is our purpose, as it is our duty, to sustain the work already established under the direction of this Committee; and the Committee is authorized by the Assembly to extend its work along the lines now in operation in other European centres wherever, in the judgment of the Committee, it is wise and expedient so to do.

Resolved, 3. That the Assembly hereby commends again, and with new emphasis, the work in Europe to the generous support of the Church, and that the Committee be authorized and directed to confer with the Board of Home Missions as to the best means of securing financial support for the work already established, and for any new centres that may seem to demand that a preaching post be established.

Respectfully submitted, in behalf of the Committee,
SYLVESTER WOODBRIDGE BEACH, *Chairman.*

The Report of the Special Committee on Chapter XVIII of the Form of Government, entitled "Of Missions," was made the special order for to-morrow, at 9.30 o'clock A.M.

The Standing Committee on Relief and Sustentation, through its Chairman, Rev. Herbert B. Smith, submitted a Report, which was received, and, after addresses by the Chairman, by Rev. William H. Foulkes, D.D., Secretary, Rev. John R. Davies, D.D., President of the Board, and others, the Report was adopted. It is as follows:

Your Committee, in submitting this Report, on the Board of Ministerial Relief and Sustentation, to this General Assembly, would do so with profound gratitude to Almighty God, facing, as it does, the encouraging fact that the year just closed has been the best in the history of the Board.

It is worthy of note that, under the efficient leadership of Dr. Foulkes, seconded by his able co-workers, more money has been appropriated to more beneficiaries, and more money has been added to the Permanent Funds of the Board than ever before in its history. When we remember that benevolent gifts in many directions have been curtailed in this year of the war of the nations, the above fact is a cause for profound rejoicing. Surely, it is high time, brethren, that this so-called minor Board, this "also ran," in the list of our benevolent causes, be removed from its place of obscurity, and be exalted to the position given it by the General Assembly of 1914, which stated that it was "second to none, among all the benevolent agencies of the Church."

With regard to the personnel of the staff, it is proper to note that, in addition to the force employed at the time of the last report to the General Assembly, Elder Charles S. Butler, D.D.S., of the Presbytery of Buffalo, who for years has been active in the work of the Board of Relief, has been added by the Board to its field staff, and has given up the practice of his profession in order to devote his entire time to this work. The Reverend Alexander C. Manson, Ph.D., who for a brief time carried on field work, terminated his connection with the Board during the year. The present field staff consists of the Rev. W. J. Johnson, D.D., the Rev.

Alfred Fowler, the Rev. J. C. Templeton, the Rev. C. H. Miller, the Rev. W. J. Darby, D.D., and, in addition, Elder I. N. McClure, of Los Angeles, who continues to serve as a special representative, without salary. In addition to these field representatives, the Secretaries of the Board devote almost all of their Sundays to the presentation of the cause, besides giving their week-days to the duties of administration.

There has been no change in the personnel of the members or officers of the Board, since the last meeting of the General Assembly.

But, in this connection, it may be of interest to refer to the criticism which is sometimes made, that the administrative powers of the Boards of our Church are too largely centralized. It is worthy of note that, while the charter of this Board provides that the majority of its members must be citizens of Pennsylvania, yet the Synods of New York, New Jersey, and Baltimore, as well as the Synod of Pennsylvania, are represented in the membership of the Board.

This is the day of efficiency schedules and of expert management, in all lines of business activity. Mention should certainly be made of the efficient financial management of this Board. It is not true that the children of this world are always wiser in their generation than the children of light. The criticism is often made, that so much must be deducted from the benevolent gifts of the givers of our churches for administration, and this fact often results in the curtailment of gifts. Without going into details, it is worth noting, that the total administrative expenses for both departments of the Board during the past year are $40,056.30, which is 6 per cent. of the total amount received during the year, but not including the amount added to the Permanent Funds. In addition, there was a total of $38,485.39 spent for campaign and field work, which is a little over 8 per cent. of the total amount secured in campaigns and field work.

One of the great Churches of our day has always held that ignorance is the mother of devotion. We do not believe it. We hold, on the other hand, that information will bring inspiration, and hence, for the inspiration of the Commissioners of the General Assembly, a word or two about the actual work of the Board, subdivided as it is into several Committees, may be of interest. There are five Committees, which effectively carry on the work of the Board; the first being the Executive Committee of the Sustentation Department, which is fortunate in having among its members business men who are thoroughly conversant with the principles and details of modern life insurance and annuity. The second Committee is the Application Committee of the

Relief Department, to which is committed the sacred task of scrutinizing and passing upon all applications for aid from the relief funds of the Board. A third Committee is the Committee on Homes of the Relief Department, which has the care of the three homes now belonging to the Board. A fourth Committee is the Legal Committee, which consists of the two members of the Board, who are also members of the legal profession. This Assembly should be cognizant of the fact that, if the Board were to seek and to secure independent counsel to transact its legal affairs, thousands of dollars would have to be paid for that professional service which to-day is freely put at the Board's disposal. Finally, there is the Finance Committee, composed of five of the lay members of the Board, which has care of the sacred trust funds of the Church. The members of this Committee personally pass upon every dollar that is put out to earn its interest. Special attention has been given, during the past year, to the matter of increasing the average rate of interest earned upon the Board's investments. As a result, the Board is pleased to announce the adoption of a policy which is steadily increasing the rate of interest earned upon investments, and it is confidently expected that, within another year, there will be a substantial increase along this line.

Your Standing Committee has heard with great pleasure the testimony of some laymen, who have recently entered the service of the Board, as to the deeply spiritual manner in which the work of the Board is conducted, and the perfect harmony which prevails in all of its deliberations.

Results are regarded as a final test in this pragmatic and practical day. Therefore, a word about the results of the intensive campaigns will not be out of place in this Report. During the last year, $414,975.61 were secured in subscriptions, in addition to legacies and individual gifts. After the deduction from this amount of the cash paid on subscriptions, both those received during the current year and those already in the treasury, there remained at the end of the year $792,291.84 in deferred subscriptions. The Board takes pleasure in reporting to the General Assembly that it has carefully prepared plans and policies which cover the next four years in the matter of intensive Presbyterial campaigns for increased endowment funds.

This Report should not omit the elders' appeal which was sent out during the year. It is refreshing to see the laymen coming forward in this work. When representative Presbyterian elders move, when business men put their brains and influence behind a movement, it cannot be said to be impractical or visionary. A stirring appeal was sent out to all the elders of the Church whose names could be secured, by a group of Presbyterian elders who are known as men of affairs, as well as men of active Christian leadership. We would commend more and more to the eldership of the Church the necessity for their earnest assistance, since there is no cause of the Church on which the ordained minister feels greater hesitation in speaking than this, by reason of the fact that he fears that some of his auditors may construe it as a veiled personal appeal for himself. It has even been suggested, from time to time, that this work be placed entirely in the hands of laymen. Your Committee feels that the time has by no means come to do away with clerical leadership in the Board, but we would earnestly impress upon the eldership the unique opportunity which awaits it, to a greater extent, as we believe, in this Board, than in any other benevolent agency of the Church.

Time would fail us to tell at any length of the blessed work of the three homes now under the control of the Board. We refer to the Merriam Home, at Newton, N. J.; the Thornton Home, at Newburgh, Ind., and the Ministers' Memorial Cottage, at Albuquerque, N. M. We rejoice to mention the prospect of an additional home, so that the number reported to the next General Assembly will probably be four. It is understood that a property valued at $50,000 is to be given to the Board, in fee simple, soon after the close of the meeting of this General Assembly.

But, brethren, this Report cannot be all sunshine and rose-buds, all sweetness and light. We must face the shadows as well. An ugly fact stares us in the face, which it would be pleasant to omit, but to which we must call the attention of the Assembly. The fact is, that, while the number of churches contributing to the Relief Department during the past year was 5,923, the number of non-contributing churches was 4,073, as compared with 4,318 the previous year. This fact means that 245 churches, during the last fiscal year, were transferred from the column of non-contributing churches to the column of contributing churches. The figures show that if the present rate of increase is continued until all the churches of our Assembly shall have been transferred to the column of contributing churches, it will take just seventeen years to complete the task. In other words, the Assembly of 1933 will see our Church, for the first time, doing its duty to the several thousand aged and disabled saints and soldiers of the Cross. Brethren, shall this rate be maintained, or be accelerated? God grant that the Church may come to a realization of its duty before so many years have passed away. It will appear, therefore, that not only our churches, but our

Sunday-schools and our women's societies must be enlisted in this great work. One case comes to mind, in which an earnest, consecrated woman, in spite of the limitations of the budget system which prevailed in her own church and which was so interpreted as to deny a special offering, set to work to do what she could with the great untraversed field of the womanhood of that church, and, as a result of her individual labors and enthusiasm, three hundred dollars was forwarded to the Board. It is sad to note that, whereas the number of contributing women's societies a year ago was 389, during the last year only 248 societies enrolled their names as helpers of the helpless. If this rate of decrease is continued, it will only be two or three years until the women of our Church will cease to contribute entirely. Dr. A. T. Pierson said, years ago, in an address at Northfield, that God had gone through the various Boards of His Church with the appealing call, and now is calling out the cradle roll. We must take the appeal of this Board, brethren, to our people, all the way from the cradle to the grave, not omitting the Sunday-school, nor the women's societies, nor the young people, nor any organization of the entire Church.

A final word concerning the Sustentation Department. Incorporated in 1909, with 528 paying members, the number has steadily increased, until, at the close of the current year, there were 1,175 members in good and regular standing, of whom 96 are foreign missionaries. The Commissioners will note in the printed Report of the Board, on pp. 21 to 23, the opinions of expert accountants and financiers, with reference to the solid financial condition and efficient management of the Sustentation Department. On the basis of such expert approval as this, the Board brings to the General Assembly its renewed belief in the Sustentation Department as an efficient arm of the Church for the care of its disabled servants.

In conclusion, your Standing Committee would remind the Assembly of the fact that there is no longer any serious need to argue in defense of the idea of a service pension or of the wisdom of the contributory feature. The industrial concerns of this world have led the way in the matter of promoting the welfare of their employés and of increasing their efficiency as well, by helping them to provide a disability or old-age pension. Your Committee rejoices at the fact that these new economic ideas have found their way into the policy of the Church. We feel proud that the Presbyterian Church is taking a leading place in this matter among the Churches of Christ in this country, and we congratulate the Board on its policy, at once democratic and practicable. Your Committee believes that the importance of the Sustentation feature of the Board cannot be unduly over-emphasized, and would call especial attention to it, therefore, in this closing paragraph.

Your Committee respectfully submits the following recommendations:

(1) We have examined the Minutes and the Treasurer's Report of both Departments, Ministerial Relief and Sustentation, and we recommend that they be approved by the General Assembly.

(2) We recommend the approval of the past year's administration of the Board and the grateful recognition of the services, not only of the salaried force, but also of the consecrated volunteer lay service which has contributed materially to the success of the year's work.

(3) We recommend that the Assembly request Presbyteries to bring the cause before candidates for the ministry, confronting them with the privilege, if not the necessity, of providing for the day of disability and old age by uniting with the Sustentation Department.

(4) We recommend that the Assembly commend this cause to the generosity of benevolent Presbyterians, to be remembered in wills, legacies and annuities.

(5) We recommend that the continued prosecution of the work of increasing the Permanent Funds of the Board of Relief and Sustentation be commended by the General Assembly, until at least a minimum amount of ten million dollars shall have been secured.

(6) We recommend that the distribution of all undesignated funds, as between the Departments of Relief and Sustentation, be left to the discretion of the Board.

(7) We recommend that pastors and church officers open their pulpits and churches to the officers and representatives of the Board, either in individual cases or in Presbyterial campaigns, and that, in addition to the amount appropriated from the budget in the cases of churches using the budget system, a special appeal and offering be allotted to this most worthy cause.

(8) We recommend that the advertising policy of the Board, especially in our Presbyterian Church papers, be commended, and that the literature of the Board be sent for and used by the pastors in the preparation of special sermons or addresses, preferably on Mothers' Day, or, if not then, on some convenient date each year.

(9) We recommend that the General Assembly of 1916 reaffirm the deliverance of the General Assembly of 1914, which declared that the Board of Ministerial Relief and

Sustentation is "second to none among all the benevolent agencies of the Church."

(10) We recommend that both the Relief and Sustentation Departments be authorized, by such legal steps as may be necessary, to make provision for those regularly accredited deaconesses who have taken a full course of training in some school officially connected with the Presbyterian Church, U. S. A., and who are serving the Presbyterian Church, U. S. A., as deaconesses; the length of service and the amount of annuity to be determined, as in the case of all other annuitants, and, in the case of the Relief Department, their names to be accredited to the Board by the Relief Committee of the Presbytery of whose churches they are members.

(11) We recommend that the General Assembly approve the Board's efforts to secure annual contributions from Sunday-schools and Women's Societies, either by a special offering on a stated occasion or by being placed on the budget of said school or society.

(12) We recommend that the Board be allowed to enter into negotiations, if the way be clear, for the purpose of securing a new and additional home which certain donors contemplate placing in their hands at an early date.

(13) We recommend that this Assembly accede to the Board's request, in the matter of giving it authority to take such legal steps as may be necessary to enable it to provide old-age or disability and widows' annuities for such of those officers and agents as may have served it not less than fifteen years, and who may have come to need while in the service of the Board.

(14) We recommend that, in connection with the work of the Sustentation Department, the Board give careful considertion to the advisability of making larger provision for those who have united with the Presbyterian ministry from other evangelical denominations, especially when the larger part of their active ministry has been spent in the Presbyterian Church of the U. S. A., and that the Board report upon this matter to the next General Assembly.

(15) We recommend that the Board be authorized, in connection with the Committee of Arrangements of the next General Assembly, to make provision in the program of the next Assembly for the celebration of the 200th anniversary of the beginning of the work of caring for the disabled servants of the Presbyterian Church in this country.

(16) We recommend for election, as Directors of the Board of Ministerial Relief, for the term expiring May, 1919, the following-named persons:

Mr. William Allen Brown, Swarthmore, Pa.
Mr. Thompson McClintock, Haverford, Pa.
Rev. Charles L. Candee, Wilmington, Del.
Ormond Rambo, Esq., Philadelphia, Pa.

We further recommend, that the Assembly nominate these same gentlemen to the members of the Sustentation Fund as Directors for the term specified.

Respectfully submitted for the Committee,
Herbert Booth Smith, *Chairman.*

The Hon. John A. McDonald, of Toronto, Canada, was introduced, and briefly addressed the Assembly.

The Assembly again took up the consideration of the Report of the Executive Commission, and the Chairman, Rev. J. Ross Stevenson, D.D., presented a statement supplementary to Paragraph VIII, which was received, approved, and placed on record. It is as follows:

In presenting the Report of the Executive Commission on certain matters of Comity with the Presbyterian Church in the U. S., the Commission desires to state to the Assembly that it has learned that its Report has been wrongly interpreted in the public press in certain localities, which statements have worked an injustice to certain of the parties involved.

The Commission, therefore, desires that its action in the premises shall be interpreted and understood in harmony with its purpose and intent, which is as follows:

1. The Executive Commission desires it to be understood that in Recommendation 5 of this Report, regarding the relations of Dr. Barr and the Lafayette Avenue Church of New Orleans, it has acted in an advisory capacity, and that the relations of Dr. Barr with this church are in the hands of the Presbytery of Jefferson, subject to the decisions of the higher courts of the Church.

2. In the matter of the El Paso case, the Commission gave its direction on the assurance that concurrent action between the Committees of the two Synods of Texas could and would be secured.

The Commission desires it to be known by the Assembly that, according to the statements made by representatives of the Presbytery of Jefferson and the Synod of Texas, commissioners to this Assembly, their records show that the Presbytery of Jefferson and the Synod of Texas both made an effort to confer with the corresponding bodies in the Presbyterian Church, U. S., touching the matters complained of in the New Orleans case.

The Assembly took up the consideration of Paragraph XIII, on "Union of the Board of Education and the College Board"; and pending discussion thereon, the hour arrived for devotional services, when the matter was placed upon the Docket.

A half hour was spent in devotional exercises.

The Assembly took recess, and the session was closed with prayer.

MONDAY, May 22, 3 o'clock P.M.

The Assembly met, and the session was opened with prayer.

The Permanent Committee on Commissions reported that *Ruling Elders* George Irving and William H. Tonking, of Morris and Orange Presbytery, had been enrolled.

The Standing Committee on Education, through its Chairman, Rev. Frank C. McKean, D.D., presented its Report, stating that the recommendations would be presented later. Addresses were delivered by the Chairman; Rev. Joseph W. Cochran, D.D., Secretary; Rev. Elmer A. Bess, student pastor in the University of Iowa; Mr. James M. Patterson, Southern District Secretary of the Board of Foreign Missions, and Rev. Thomas R. White, student pastor in the University of Indiana. The Report was placed upon the Docket, awaiting the recommendations to be added thereto.

The Standing Committee on the Presbyterian Brotherhood, through its Chairman, Rev. Robert B. Beattie, presented its Report, and, after addresses by the Chairman and Rev. William F. Weir, Secretary of the Permanent Committee on Men's Work, the Report was adopted, and is as follows:

Your Standing Committee would call the attention of the Commissioners to the Report of the Assembly's Permanent Committee on Men's Work, as you will find it on p. 72 of the Blue Book, and would say that that Report, having been submitted to the Standing Committee and carefully considered by them, meets with their hearty and unanimous approval and is recommended to each commissioner and each congregation for careful consideration.

We believe that the time has come in the history of the men's work in the Presbyterian Church when it has gotten beyond an experimental stage and has taken on very definitely the form of permanency to such an extent and in such a degree as to demand a more comprehensive programme, a more definite aim, a more complete organization, a more pronounced leadership and a higher spiritual ideal.

We rejoice in the probability of such a forward step, because of the action of our Executive Commission and the appointment by them of a leader for our men's work in the person of Rev. William F. Weir, D.D., our General Secretary. We bespeak for him the hearty coöperation and generous support of the men of the Presbyterian Church in his arduous duties, as he presents to the Church a constructive programme that promises great things for the future.

The men of to-day in the Church of Christ will not be satisfied with the performance of perfunctory duties; they are ready for greater things, and are prepared for definite instruction as to a constructive programme that will call out the best and the most that is in them for the service of their Church. They will not be satisfied with any small task and will welcome a man's job and nothing else.

Our Brotherhoods, Men's Clubs, Men's Leagues and the like are weary of the monotony of spasmodic or periodic meetings, where they gather together for the purpose of listening to a stated address on a subject interesting or uninteresting, as the case may be, delivered by an individual interesting or uninteresting, as happens to be his good or ill fortune. They are tired of the merely social character of the meetings, if the "get-together" and "get-acquainted" idea is other than an incident in these gatherings. They believe that they have capabilities that exceed those demanded of them as passers of sandwiches and cake, salad and doughnuts, ice cream and coffee, and eaters of the same. They are ready to do more than be mere hand-shakers in the church and to aid in various ways in assisting and creating a congenial atmosphere in the stated services. They are even ready to believe that they can go further than being members of, and attendants upon, the regular men's Bible class, which every men's organization should organize in every congregation; in other words, they have gotten beyond the stage of being mere recipients, to take in what the Church has to offer and utilize it in the development of their own lives and the life of their respective congregations.

The call of the community rings in the ears of the men of to-day and they want to know what social service it is possible for them to render their community in the name, and in the spirit, of the Church of Christ. The call of the nation comes to them with increased and increasing urgency and they are ready to be guided through their men's organizations into such a conception of patriotism as will involve them in the service of their country in the name of the Church. If there ever was a time when Christian patriotism was demanded of the men of the Church, it is to-day, for it is in their power, under proper direction, largely to determine the civic and national trend of thought in the commercial, economic, political and social life of our country. The call of the world comes to them, no thinking man can fail to hear it, it is in no uncertain voice. Now is the Church's great chance to impress upon the world thought the ideals and teachings of our Master as to the solution of the great world problems; never before has God opened the door of opportunity so widely to the Christian Church, and the men of the Church are ready to enter. It is for those who lead to interpret the call and open the way.

It is the conviction of your Committee that in view of these indisputable facts one thing needful above all others in the work of the men of the Church is the emphasis upon the supremacy of spiritual things, that only by presenting a programme that includes constant prayer, consecrated living and devoted personal work, can we make the men of our Church and the proclamation of the Gospel of Pardon, Peace and Power the power they should be in a sin-sick, warring, heart-broken world. Nothing short of this will call out all that is in them; they will not enlist in a small task, they will not volunteer for a short campaign, they will not respond to a limited programme; they believe their work is the biggest in the world and demands all they have and are, and if we are ready to lay out such a programme, plan such a campaign, to issue such a call, the men of our Church will respond as never before, and in loyalty to the traditions of the past, seizing the opportunity of the present, they will give themselves to the task of the future, with minds renewed, hearts aflame, and hands ready for the greatest work any man can have anything to do with in this world—the winning of souls for the service of Jesus Christ.

Your Committee would submit the following resolutions:

1. That Mr. Henry P. Crowell, of Chicago, Professor John M. Coulter, Ph.D., of Chicago, and Mr. Ralph W. Harbison, of Pittsburgh, be reëlected as members of the Committee for the class of 1916-19.

That the Rev. C. H. McDonald, D.D., of Ashtabula, O., and the Rev. R. M. Huston, of Detroit, Mich., be chosen to fill the vacancies in the class of 1919.

That the Hon. Henry B. F. McFarland, of Washington, D. C., be chosen to fill the vacancy in the class of 1918.

That the Rev. D. E. Jenkins, D.D., of Omaha, Neb., be chosen to fill a vacancy in the class of 1917.

2. That, in view of the Assembly's instructions that this Committee (Men's Work Committee) represents all organized activities among men in the Presbyterian Church, it be known as the Assembly's Permanent Committee on Men's Work, instead of the Committee on the Brotherhood.

3. That the Committee on Christian Life and Work consider the question of giving a column in the statistical report for Men's Work, and that the Assembly instruct the Sessions of various churches to make an annual contribution to the budget of this Committee, and urge upon the men's organizations, and especially interested individuals, the need for contributions for this work.

4. That Synods and Presbyteries be urged to appoint committees on men's work, which will coöperate with the Assembly's Committee in their bounds; and that men who have succeeded in men's work in their own churches be chosen for these committees.

5. That the pastors and elders in all our churches consider carefully their responsibility and opportunity to make their churches much more efficient by effecting these organizations among the men.

6. While we approve of the attempts of men's organizations to stimulate interest in the social activities of the Church, to promote a spirit of cordiality and create an atmosphere of good cheer, we would emphasize the fact that the primary object of men's work is a spiritual one, to enlist men in personal service for Christ and to increase their interest in the world-wide programme of the Church.

7. We urge upon the Executive Commission that in arranging for the docket of the next Assembly, it will be advisable to appoint a certain evening, preferably Monday evening of the Assembly session, for the men's dinner, and suggest that, as far as possible, the college and seminary reunions be so arranged as not to conflict with the dinner held under the auspices of the Men's Work Committee.

8. We heartily approve of the action of the Assembly's Executive Commission in taking a great step forward in Men's Work in the Church and in the appointment of Rev. William F. Weir, D.D., as General Secretary, and urge upon all congregations the heartiest coöperation with him and his Committee in all their endeavors to increase the efficiency of the work among the men of the Church.

All of which is respectfully submitted for the Committee.

R. B. Beattie, *Chairman.*

Document No. 162. The Report of the Council of the Reformed Churches. The approval and adoption of the suggestions and resolutions of the Report are recommended with this exception:

Instead of reaffirming Comity Rule No. 2, under the head of Home Missions, we recommend that the Assembly request the Council so to modify this Rule that the determining factor in the conduct of work among foreigners be, not the population of city, but the number and needs of the foreign people.

In order to carry out the resolution regarding the anniversary of the Protestant Reformation, it is recommended that the Moderator appoint a Committee of five, three ministers and two elders, to coöperate with other Committees.

Document No. 163. The Report of the Executive Commission of the Alliance of the Reformed Churches, Western, or American Section. The following recommendations are submitted:

1. The adoption by the Assembly of the resolutions of sympathy and encouragement to the Evangelical Protestant Churches of Europe, and to all missionaries in danger or suffering on account of the present war, and as follows:

Resolved, That this General Assembly expresses to the Churches of our faith and order on the Continent of Europe our sincere and profound sympathy with them in their sufferings, and assures them that our prayers are being offered that these sufferings may be lessened and that they may be overruled of God to their spiritual growth. We congratulate them on their faithful testimony for the faith of Christ, which reminds us that the old martyr spirit, peculiar to the Reformed and Presbyterian Churches, is not dead. We also invoke the divine blessing upon them in their labors for evangelization among the soldiers in the trenches and camps, and also in the prison camps and hospitals. We join with them in the prayer that this dreadful war may soon cease, and be ultimately overruled for the glory of our common Lord. The hope of the Churches of America is that this great war will bring to the Continent of Europe a widespread revival of religion and a great forward movement for Christ's Kingdom and the world's salvation.

Resolved, 1. That this General Assembly conveys to the missionaries in the field especially affected by the adverse and deplorable world strife of to-day, the assurance that in their fine conduct in the midst of the awful pressures of this adversity, in the patience and heroism of their endurance, in their wise, successful and great achievement by the new sacrifice and service required of them, as well as in the loyalty of those among whom they have labored, we find that which compels in us and in the whole Christian world, not only the profoundest sympathy and constant prayerful remembrance, but also a new appreciation of the power of the grace of God, and the deepest gratitude to Him for the manifestation of this grace made through them and in them.

2. The appointment by the Moderator of two representatives to form and submit a programme for the celebration of the Zwingli, Luther and Jerome anniversaries.

3. The appointment of the delegates to the Eleventh Council of the Alliance, the same to be made by a Committee consisting of the Moderator, the Stated Clerk, and a third member to be appointed by the Moderator.

4. A request from the Executive Committee of the Alliance, asking for $600 to assist in publishing certain translated but unpublished works of the Reformers. The request is approved, provided all the other Churches make provision for the payment of their apportionments.

The Report of the Special Committee on Chapter XVIII of the Form of Government, entitled "Of Missions," was presented by the Chairman, Rev. Charles R. Erdman, D.D., and was received, amended and adopted, as follows:

The Committee appointed by the Moderator of the One Hundred and Twenty-seventh General Assembly of the Presbyterian Church in the United States of America, pursuant to the direction of said Assembly, as set out in its printed *Minutes*, on p. 280, to "Rewrite Chapter XVIII of the Form of Government, entitled 'Of Missions,'" does report that it has diligently considered the matter by correspondence, and at two meetings, each held in the city of Philadelphia, at which all members of the Committee were present, and have unanimously agreed upon the attached form for said Chapter XVIII.

It is therefore recommended that an Overture be sent down to the Presbyteries as follows:

"The General Assembly, by virtue of the power vested in it by Chapter XXIV of the Form of Government, hereby proposes to the Presbyteries an amendment and alteration of the Form of Government, Chapter XVIII, in the following terms:

"Shall the Form of Government be amended and altered by the substitution for the present Chapter XVIII, entitled 'Of Missions,' of a new chapter which shall read:

"CHAPTER XVIII. OF MISSIONS.

"I. The supreme work of the Church is the fulfilment of our Lord's command to preach the Gospel to every creature. This requires individual effort, the establishment and support of churches, and the promotion of missions at home and abroad.

"II. Church Sessions may establish and maintain missions within the bounds of their respective Presbyteries, subject to the supervision of their respective Presbyteries.

"III. Presbyteries have power to select their missionaries, conduct mission work within their respective boundaries, and for the adequate prosecution of such work may apply to any Presbytery or Synod or to the General Assembly for assistance.

"IV. Synods have authority to appoint superintendents and other field men, and direct mission work within their respective boundaries.

"V. The proper oversight and control of missions, at home and abroad, rests in the General Assembly, which, through such Boards or other agencies as it may establish or approve, may direct such mission work, and collect funds for this purpose from all the churches, and distribute any moneys received by it; provided, that the funds raised by any judicatory specifically for mission work within its bounds shall be used only in accordance with the direction of such judicatory.

"VI. The General Assembly may of its own motion, or by its Boards or other agencies, send missions to any part of the world, at home or abroad, in order to plant or strengthen churches, to supply vacancies, or to spread the Gospel of our Lord, and for this purpose Presbyteries may ordain evangelists or ministers without relation to particular Churches."

For purposes of comparison, the present Chapter XVIII is included in the Report:

"CHAPTER XVIII. OF MISSIONS.

"When vacancies become so numerous in any Presbytery that they cannot be supplied with the frequent administration of the Word and ordinances, it shall be proper for such Presbytery, or any vacant congregation within their bounds, with the leave of the Presbytery, to apply to any other Presbytery, or to any Synod, or to the General Assembly, for such assistance as they can afford. And when any Presbytery shall send any of their ministers or probationers to distant vacancies, the missionary shall be ready to produce his credentials to the Presbytery or Presbyteries, through the bounds of which he may pass, or at least to a committee thereof, and obtain their approbation. And the General Assembly may, of their own knowledge, send missions to any part to plant churches, or to supply vacancies; and, for this purpose, may direct any Presbytery to ordain evangelists or ministers without relation to particular churches; provided always, that such missions be made with the consent of the parties appointed; and that the judicatory sending them, make the necessary provision for their support and reward in the performance of this service."

Respectfully submitted,

CHARLES R. ERDMAN,
CHARLES LITTLE,
WILLIAM R. TAYLOR,
SELDEN P. SPENCER,
H. S. P. NICHOLS,

The Report of the Judicial Committee on Nominations for the Judicial Commission was presented, and the election was announced as a special order for Thursday.

The Judicial Committee begs to present to the General Assembly the following recommendations for membership upon the Permanent Judicial Commission.

To complete the uncompleted term of the Rev. James T. Black, D.D., of Detroit, in the class of 1914–1917, deceased, the Rev. Harry R. Stark, D.D., of Saginaw. To complete the uncompleted term of the Rev. W. S. Plumer Bryan, D.D., of Chicago, in the class of 1915–1918, resigned, the Rev. William L. Whallon, D.D., of Zanesville, Ohio.

For the class of 1916–1919: *Ministers*—Rev. Wilbur O. Carrier, D.D., Rev. William S. Young, D.D., Rev. William R. Dawson, D.D.; *Ruling Elders*—Hallock C. Sherrard, Esq., Emory A. Camp, Esq.

The Report of the Standing Committee on Freedmen was submitted by the Chairman, Rev. Ebenezer Flack, D.D., and was received and, after addresses by the Chairman, by the Rev. J. M. Gaston, D.D., Secretary of the Board of Freedmen, and Rev. E. P. Cowan, D.D., Secretary and Treasurer of the Board, the recommendations were adopted, as follows:

The Fifty-first Annual Report of the Freedmen's Board shows a year of great activity and inspiring substantial results. A wise and economical administration of the work of the Board is apparent, and the gains that have been made gladden the heart. It is a great satisfaction to find that the Board met all the demands that the work made on its treasury, and is able to report for the sixteenth time, in annual succession, that all outstanding obligations have been met.

The income of the Board for the year, from living sources, shows an increase of $4,449 over that of last year. A decrease is noted in the offerings of the Sunday-schools, but this is more than met by the increased offerings of the Women's Societies and the Young People's Societies. There was also an increase in individual gifts and interest on invested funds, in all amounting to $7,489. The Board received from legacies $26,401, making the total income for the year, from these different sources, $262,719.72. Six thousand two hundred and thirty-four churches, by their gifts, have had a part in the work. The aided churches raised for their own local work and missionary expansion, $172,856—not a small sum, when we remember their number and the limited earnings of the members.

The income derived from the J. C. Martin Estate has enabled the Board, in accordance with the will and testament of the donor, to establish a Chair in Bible Study in the Haines Normal and Industrial Institute at Augusta, Ga., and in Biddle University.

The Statistical Report shows 438 aided churches and missions, to the membership of which 2,163 persons were added on examination and 273 by certificate. In all, 663 ministers and missionary workers have been on the pay roll during the year.

The action of the General Assembly in 1915, in transferring from the Board of Home Missions to the Board for Freedmen the care of all mission work among the colored people of the North, will greatly increase the responsibilities of the Board and will necessitate an increased income during the coming year, to care for the increased number of churches to be aided.

During the year, two of the ministers in charge of churches, the Rev. T. K. Blue, of Cape Fear Presbytery, and the Rev. W. P. Donnel, of Yadkin Presbytery, entered into their rest, after earnest and faithful service for the uplift of their race. The Rev. Graham C. Campbell, for twenty-five years head of the Ingleside Academy of Burkeville, Va., met an untimely and violent death by an explosion in the acetylene plant used for the lighting of the school buildings. In his death the Church has lost an honored and successful worker who will be remembered for his unfailing devotion, wise enthusiasm and great sympathy for the negro race, whose one desire was to enrich their lives with a Christian education of mind and heart.

The Redstone Academy, at Lumberton, N. C., an institution that had been growing in numbers and efficiency, has had to face the trying experience of having its three buildings completely destroyed by fire. The calamity, while overwhelming, did not crush the struggling work, but with a brave courage and a large faith and the practical sympathy of many friends the work of rebuilding was entered upon, and it is hoped the new buildings will be ready for use with the opening of the fall work.

During the year the Board has had deeded to it by Miss Bertha L. Ahrens, for many years one of the Board's most consecrated and self-denying missionaries, a piece of ground containing 21½ acres, adjoining the Oak Hill Farm, on which the Alice Lee Elliott School, in Oklahoma, is located.

The Board has also had deeded to it by the gift of the two daughters of the late Dr. Matoon, and in his memory, a valuable plot of ground, fifteen acres in all, in the neighborhood of Biddle University. Dr. Matoon was for sixteen years the President of Biddle University and Professor of Theology in its Theological Department, and remained connected with the university until the time of his death, which occurred August 15, 1889, at the age of 73. The estimated value of the gift is about eight thousand dollars.

The Board has also received from Mrs. William McKelvey, daughter of the Rev. Dr. Kumler, the gift of a new dormitory for the use of the Brainard Institute, Chester, S. C., which it is expected will be completed and ready for occupancy on or before the opening of the school for the fall term.

The members of the family of the late Samuel P. Harbison, during his life a friend of the work among the colored people, have, with generous spirit, assumed the expense of erecting and furnishing a dormitory at a cost of $28,000, for the use of Harbison College at Irmo, S. C.

The Board has also helped in the erection of a new school building for the church at Palatka, Florida, a new Boy's

Dormitory at the Alice Lee Elliott School, and in the remodeling of the building for the better accommodation of the boys at Camp Nelson, Ky.

It is thus seen that considerable building activity has been wisely fostered and directed by the Board. The lack of funds, however, has compelled the Board reluctantly to refuse many calls for appropriations. New churches have been built by six congregations and repairs have been made on the buildings of sixteen other congregations.

The Woman's Department of the Board has a splendid record of ministry and service. For the first time in its history, it has reached the coveted goal which was set at $100,000, the Report showing that the total receipts almost reached $102,000.

Death has claimed a member of the Board during the year, Mr. Charles H. Riggs, who for eight years served with a fidelity that was invaluable to the Church.

Your Committee makes the following recommendations:

1. The approval of the records of the Board, and the commendation of the officers and workers, for the sane and masterly way in which they are meeting the problem of the uplift of the colored people.

2. That the Sunday nearest Lincoln's Birthday, or some Sunday that may be convenient, be set apart for presenting in our Sunday-schools, the work and needs of this Board and for receiving offerings for its support.

3. We heartily commend the Woman's Department of the Board for the earnestness with which they have worked, and for bringing into the treasury almost $102,000—a labor of faith and love that is indispensable for the success of the work.

4. We recommend the reëlection of the following as members of the Board: Rev. William L. McEwan, D.D., Rev. Charles P. Cheeseman, D.D., Mr. George B. Logan, James C. Gray, Esq., James I. Kay, Esq.

Respectfully submitted,

Ebenezer Flack, *Chairman.*

The Report of the Judicial Committee was submitted by the Rev. Robert Johnston, D.D., Chairman, and was received and adopted as follows:

The Judicial Committee begs further to report on matters referred to it as follows:

1. In the matter of the Complaint of H. P. Faris against the action of the Synod of Missouri in "commending" the appointment of certain members of the Presbyterian Church as Trustees of the Anti-Saloon League of the State, the Committee recommends that the matter be referred to the Permanent Judicial Commission, as a non-judicial case.

2. In the matter of the Complaint of C. S. Tanner and others, against the Presbytery of San Francisco touching the Green St. Italian Mission in the city of San Francisco, Cal., the Committee recommends that the matter be referred by the Assembly to the Board of Home Missions, with the request that the Board issue the matter.

Respectfully submitted,
ROBERT JOHNSTON, *Chairman.*

The Committee on Bills and Overtures, through its Chairman, Rev. J. Ross Stevenson, D.D., made an additional

Report, which was received and adopted, and on the adoption of the last item, the Assembly engaged in prayer.

Overture No. 162, being a request from the Lord's Day Alliance of Pennsylvania, and also through reference by the Assembly, *Resolution No. 14* of the Report of the Committee on Sabbath Observance.

It is recommended in answer that the following Resolutions be adopted, and that when adopted they be made Resolutions 14 and 15 of the Report of the Committee on Sabbath Observance. (These Resolutions have been dealt with as directed by the General Assembly, see p. 98.)

In answer to *Overtures Nos. 23, 24, 25,* and *155* to *No. 157,* and *Paper No. 153,* complaining of the action of New York Presbytery "in receiving and licensing candidates for the ministry, whose theological beliefs do not accord with the doctrinal standards of our Church," and to *Overture No. 26,* calling for a deliverance "declaring that it is not only discourteous and unwarranted, but also unchristian and subversive of proper discipline for one Presbytery to assert that the ministers of another Presbytery or Presbyteries are untrue to their ordination vows," your Committee begs to present the following report:

Commissioners from New York Presbytery and representatives of overturing Presbyteries appeared before the Committee, and made full and frank statements as to the issues involved. Complaint was made against the members of New York Presbytery for licensing recently and on previous occasions candidates who could not affirm their belief in the essential doctrine of the Word of God and our standards, that our Lord Jesus Christ was born of the Virgin Mary. The members of New York Presbytery felt deeply pained and aggrieved that the overturing Presbyteries should propose drastic action—not on the basis of the Presbytery's records, but on the basis of exaggerated and misleading newspaper reports. The brethren on both sides of the controversy, together with the members of your Committee, expressed their strong conviction that this continued agitation was bringing reproach upon the Church, was hindering the cause of Christ, and that something must be done effectually to put a stop to it. It was proposed that these brethren themselves should confer as to the best remedy for the whole trouble. Having done so in a most earnest, prayerful and forbearing spirit, they presented a paper which, to their minds, embodies all that the exigencies of the situation demand, and which gives them great hope for the future peace and harmony of the Church. Your Committee gave this paper due consideration, and were grateful to God for the manifest leading of the Holy Spirit, which had brought the aggrieved parties together, and which, we felt, led us, your Committee, to the unanimous approval of said paper, as the basis of suitable action on the part of the Assembly.

We, therefore, recommend the adoption of this paper, in the earnest hope that it will allay all misunderstanding—prevent, in the future, any hasty or ill-advised judgment, in public print, of brethren in good and regular standing in the ministry, and serve as a warning to all Presbyteries against receiving and licensing any candidates for the ministry who cannot give their assent to all the fundamental doctrines of the Church. This paper, thus recommended, is as follows:

Whereas, The records of the Presbytery of New York show that on April 10, 1916, that Presbytery licensed three candidates for the ministry, who neither affirmed nor denied the doctrine of the Virgin Birth, on the following recommendation, "noting that these candidates recognize critical difficulties in connection with the doctrine of the Virgin Birth, but at the same time state that their faith in this doctrine is of a growing character, and that they unqualifiedly declare their faith in the pre-existence and Deity of our Lord and all the redemptive truth that is embodied in His life, teaching, and His sacrificial death."

Whereas, It is admitted that by the Constitution of the Church each Presbytery is the judge of qualifications of candidates for the ministry, but each Presbytery in licensing these candidates should strictly observe the declarations of the Confession of Faith in doctrinal matters.

The General Assembly calls the attention of the Presbyteries to the deliverance of the General Assembly of 1910, which is as follows:

1. It is an essential doctrine of the Word of God and our standards that the Holy Spirit did so inspire, guide and move the writers of Holy Scripture as to keep them from error;

2. It is an essential doctrine of the Word of God and our standards that our Lord Jesus Christ was born of the Virgin Mary;

3. It is an essential doctrine of the Word of God and our standards that Christ offered up "Himself a sacrifice to satisfy Divine justice and to reconcile us to God;"

4. It is an essential doctrine of the Word of God and of our standards concerning our Lord Jesus Christ that on the third day he arose again from the dead with the same body with which he suffered, with which also he ascended into

heaven and there sitteth at the right hand of His Father, making intercession;

5. It is an essential doctrine of the Word of God as the supreme standard of our faith that our Lord Jesus showed his power and love by working mighty miracles. This working was not contrary to nature, but superior to it."

Presbyteries, therefore, are hereby enjoined not to license or ordain any candidates for the ministry whose views are not in accordance with this deliverance of 1910.

This General Assembly renews its positive mandate, with full expectation of loyal compliance by all our Presbyteries; and directs when a candidate appears who is found to be not clear and positive on any one of the fundamentals of our faith, that his licensure be deferred until such time as in the judgment of the Presbytery he has become so.

The Assembly being notified by the Stated Clerk that the Report of the Permanent Judicial Commission, upon Judicial Case No. 1, was in his hands, the Moderator gave notice that the Assembly was about to sit as a Court, and exhorted the members to regard their high character as judges in a Court of Jesus Christ.

The record in the case was presented by the Stated Clerk, and was read by the Moderator of the Commission, Jesse S. L'Amoreaux. Upon motion duly made, the preliminary judgment of the Judicial Commission was ordered to be recorded as the final judgment of the General Assembly. The record is as follows:

Judicial Case No. 1.—Rev. Percival H. Barker *vs.* Presbytery of Neosho.

In the matter of the appeal of Rev. Percival H. Barker, against the action of the Presbytery of Neosho, in deposing him from the Gospel ministry, the Permanent Judicial Commission would report as follows:

A trial was had November 1, 1915, before a Judicial Commission appointed by the Presbytery of Neosho, which sustained a charge of lying.

The finding of the Judicial Commission was approved by the Presbytery of Neosho, April 13, 1916.

This case has been before the Assembly for three successive years.

On January 14, 1913, Rev. Percival H. Barker was suspended by the Presbytery of Neosho, from exercising the functions of the gospel ministry, for the term of one year, and on January 20, 1914, by action of the said Presbytery, was deposed from the office of the Gospel ministry. Upon appeal to the General Assembly, the Permanent Judicial

Commission, on May 29, 1914, after a full and complete hearing and consideration of the entire record in the case and after hearing the arguments of the respective parties found:

1. That Mr. Barker was suspended upon insufficient and improper evidence.

2. That he did not violate the provision of the Book of Discipline, Chapter VI, Section 41, on the basis of which he was deposed from the ministry of the Presbyterian Church in the U. S. A.

The judgment of the Permanent Judicial Commission was, that the appeal of the Rev. Percival H. Barker against the Presbytery of Neosho should be sustained, and the action of said Presbytery, on January 14, 1913, suspending said Barker from the exercise of the functions of the Gospel ministry for the term of one year, and the action of the Presbytery in deposing him from the office of the Gospel ministry, on January 20, 1914, were reversed, and the Presbytery was directed to restore the name of said Percival H. Barker to the roll of Presbytery, and to grant a regular certificate of dismissal when so requested by him. (*Minutes*, G. A., 1914, pp. 250–251.)

The *Minutes* of the General Assembly of 1914 show that when the findings and judgment of the Commission were presented to the Assembly, "the Assembly did not adopt the findings of the Commission, but remanded the case to the Presbytery of Neosho for retrial." No other action was taken by the General Assembly during its session of 1914.

After the adjournment of the General Assembly of 1914, Mr. Barker made a formal request to the Clerk of the Presbytery of Neosho to restore his name to the roll, and grant him a certificate of dismissal to the Classis of Newark, of the Reformed Church in America. The request was not complied with. Mr. Barker filed with the Assembly of 1915 his complaint against the action of the Assembly of 1914.

The Assembly of 1915 referred the complaint to this Commission "for its interpretation of the action had by the Assembly of 1914, and to take under consideration any further action to be deemed necessary." (*Minutes*, G. A., 1915, p. 112.)

The legal effect of the action of the General Assembly of 1914, in remanding the case to the Presbytery of Neosho for retrial, was presented for determination.

It was made to appear that when the findings and judgment of the Commission were read to the Assembly of 1914, the Assembly took no action thereon, but, without review as required by the Book of Discipline, voted to remand the case for retrial by the Presbytery. The record was not read, the parties were not heard by the Assembly as required, in order to review a decision of the Judicial Commission.

The question presented was whether the action of the Assembly in remanding the case upon motion, without any other act or proceeding, affected the validity of the findings or judgments of the Commission.

Section 129 of the Book of Discipline provides that the decision of the Commission in any case shall be held to be the preliminary judgment in that case. Section 132 of the Book of Discipline, relating to the review by the Assembly of the judgment of the Commission, provides that "if the case be not reviewed by the General Assembly to which it has been reported, or if it be reviewed and no decision be reached, then at the dissolving of the same, the preliminary judgment of the permanent Judicial Commission shall be held to be the final judgment of the General Assembly."

The question directly presented to the Commission by the General Assembly of 1915 for decision was, whether the judgment of the Commission has been reviewed by the Assembly of 1914. The Assembly of 1915 defined a review as follows:

"A review, by the General Assembly, of a judicial case heard by the Commission, consists in a hearing and consideration, by the Assembly, of the record, including the evidence, returned by the inferior judicatory, and the hearing of the parties, after the Assembly has been duly constituted as a court." (Book of Discipline, Section 99.)

The above declaration is not a new interpretation of the term "review," but is merely declaratory of the meaning that has always been given by the Assembly and other judicatories to the provision of the Book of Discipline above referred to.

It is clear that the remanding of the case for retrial, without reading the record and hearing the parties, was not a review of the case by the Assembly. Section 99, Chapter IX, of the Book of Discipline, relating to the trial of appeals, directs that the record in the case from the beginning shall be read, except what may be omitted by consent, and that the parties shall be heard. Nothing of this kind was done by the Assembly of 1914. Section 132 of the Book of Discipline provides that the preliminary judgment of the Judicial Commission in any case may be reviewed by the General Assembly to which it has been reported and may be affirmed, reversed, modified, suspended or remitted for further hearing. If the case *be not reviewed* by the General Assembly to which it has been reported, or if it be reviewed and no decision be reached, then, at the dissolving of the same, the preliminary judgment of the Permanent Judicial Commission shall be held to be the final judgment of the General Assembly.

The judgment of the Commission was not reviewed by the General Assembly of 1914, and upon the adjournment of the Assembly of 1914, without a review, the preliminary judgment of the Judicial Commission became the final judgment of the General Assembly and passed beyond the control of any future Assembly.

The case involves no conflict in the jurisdiction of the Permanent Judicial Commission and the General Assembly. Neither does it involve any question of the right or power of the General Assembly to reverse, modify or suspend the judgment of the Commission. This power must be conceded. It has been reserved to the Assembly beyond question. But the question involved in this proceeding is the manner in which such change, modification or suspension of the judgment of the Commission may be effected by the Assembly. It involves not the power, but the manner of exercising the power. The General Assembly is invested with the supreme judicial, as well as the highest legislative and executive functions. Its functions have often been compared to those of the Federal Government, the difference being that in the Federal Government the executive, legislative and judicial functions are vested in three separate bodies, while in the Presbyterian Church in the U. S. A. these functions are vested in a single body. But when the Assembly sits for the hearing of a judicial case, or when it sits to consider the findings and judgment of the Judicial Commission, it must be constituted by the Moderator as a court, and in all its deliberations, in such cases, exercises only judicial functions. It lays aside for the time, legislative and executive authority, and sits only as a court for the hearing of a judicial case. When the Assembly sits for the review of the judgment of the Judicial Commission, it must hear and consider the same record upon which the judgment is based, and hear the parties through their counsel, if they so desire; and in such hearings the proceedings must conform to the requirements of the Constitution.

Notwithstanding the interpretation which the General Assembly had placed upon the provision of the Book of Discipline respecting the necessity of a review before the judgment of the Commission can be affirmed, reversed, modified, suspended or remitted, it nevertheless, without any review, in 1915, directed the Presbytery of Neosho to proceed in the case of Barker in accordance with the direction of the Assembly of 1914.

On November 1, 1915, a Judicial Commission appointed by the Presbytery of Neosho proceeded with the trial of Mr. Barker. He was not present, either personally or by his counsel, and the Commission appointed counsel for him, evidence was introduced and he was again found guilty and deposed from the Gospel ministry. The present appeal calls in question the action of the Presbytery, which afterwards, on April 13, 1916, approved the judgment of its Commission. One of the special grounds for appeal is stated as follows:

"That appellant was acquitted by the Judicial Commission sitting with the General Assembly of 1914; that said decision was not therein reviewed by the said General Assembly and has never since been reviewed and that the proceedings against Mr. Barker were terminated on the adjournment of the General Assembly of 1914."

The Permanent Judicial Commission unanimously agree that this assignment of error should be sustained, as the judgment of reversal of the Commission in 1914, not having been reviewed, became, and now is, the final judgment of the Assembly, and therefore all subsequent proceedings are void.

This decision does not rest upon a mere technical objection. On the contrary, when the case was before the Permanent Judicial Commission in 1914, it was exhaustively reviewed upon its merits, and evidence was examined, the parties were heard, and the judgment then rendered is still in full force and effect. The appeal of the Rev. Percival H. Barker is therefore sustained and the Presbytery of Neosho is hereby directed to carry the judgment of 1914 into effect.

Respectfully submitted,

Thomas E. D. Bradley, *Clerk.*

The Report of the Standing Committee on Home Missions was presented by the Rev. W. L. McEwan, D.D., Chairman, and was received and, pending motion to adopt, addresses were made by the Chairman; the Rev. John Dixon, D.D., Secretary of the Board of Home Missions, and Mrs. M. Catherine Bennett, President of the Woman's Board of Home Missions. The Report was adopted and is as follows:

The Standing Committee on Home Missions respectfully reports as follows:

The Board of Home Missions makes its **114th** Report to the 128th General Assembly.

During the past year it has aided 1,912 churches, employed 1,853 missionaries, including 60 Porto Rican and Indian helpers. There have been added to these churches 9,655 members on confession of their faith and 5,755 by letters from other Churches, making the present membership 85,993. There are 2,794 Sunday-schools, 388 of which were organized this year. In these Sunday-schools there are 116,719 scholars. There are 1,433 churches, valued at $4,434,897, of which 67 were built this year, and 288 were repaired and enlarged. Seventy-five churches have been organized and 68 have reached self-support. Connected with these churches are 539 manses, valued at $875,386.

The Report of the Board shows that it was organized and chartered in 1816, just one hundred years ago, though the first Presbytery was organized more than one hundred years before that, in 1705, in the city of Philadelphia.

The historical sketches given are full of interest, and should be read carefully by all the members of the Assembly.

Reports are given from each Synod, arranged in alphabetical order.

The wide scope of the work is shown in the report of the conditions on the frontiers, in Alaska—among the weak and struggling churches—the missions among the Indians, the work in the lumber camps, the rural problems and city work among the immigrants.

The Treasurer's report shows that the total receipts from the churches, Sunday-schools and other living sources were $379,412.10. From legacies, $556,577.46, and from interest on invested funds, $120,667.16, making a total of $1,095,205.82.

The largest contributing Synods were New York and Pennsylvania. The Synod of New York contributed $109,325.33. The Synod of Pennsylvania contributed $49,329.45. The amount expended in the Synod of New York by the Board was $84,696.91, so that the Synod of New York contributed $24,528.42 to work outside its bounds. The amount expended in Pennsylvania was $4,970, so that the Synod of Pennsylvania contributed a net sum of $44,359.45.

It will be noticed that though the Board received $13,067.90 more from the churches than last year, the whole sum received from living sources is little more than one-third of the amount expended.

Under the year of reorganization, suggested by the Assembly of 1914, the Board has been emphasizing the evangelistic element in all its work, and earnestly striving to carry out the instructions of the Assembly in spirit and letter.

During the year, fifteen missionaries have died and entered into the promised rest. Their names are printed upon a full page in an appropriate manner and are here read. We would thus render to their memories the fullest honor, and satisfy our own sense of what, as a body of believers, we ought to do when we hear of those who have fallen from our ranks. The names of these good soldiers of Christ are as follows:

Rev. J. O. Ashenhurst, D.D.
Rev. Harry C. Adams, Lake Alfred, Fla.
Rev. William A. Alexander, D.D., Brooklyn, N. Y.
Rev. John C. Francis, Nampa, Idaho.
Rev. George A. Fulcher, St. Joe, Tex. (died in Kansas).
Rev. William W. Hess, Reno, Nev.
Rev. Stanley D. Jewell, D.D., Fredericktown, Mo.
Dr. Susanna LaFlesche Picotte, Walthill, Neb.
Rev. Robert Lindell, D.D., Geary, Okla.
Rev. A. P. Meeker, Otego, N. Y.
Rev. W. H. C. Sandidge, Greensburg, Ky.
Rev. Daniel Schrimpf, Dallas, Tex.
Rev. George W. Tingle, Monett, Mo.
Rev. H. J. Wilson, Knoxville, Tenn.
Rev. O. S. Wilson, Lincoln, Wash.

Your Committee also had before it the thirty-seventh Annual Report of the Woman's Board of Home Missions. This Report is the first report of this Board as an incorporated body. It shows the history of its reorganization, the election of forty-five members, for which the approval of the Assembly is asked.

Great difficulties were overcome, and a wonderful broadness and unselfishness of spirit was manifested, in the laying aside of traditions and preferences by various Woman's Boards, in order to make effective the work of the Woman's Board of the Presbyterian Church in the U. S. A. In spite of all the details of reorganization, the work accomplished was larger than in any year of its history. The Woman's Board received $422,665.67. There was an increase of income from every source. There was a decrease in none. The budget was carried through with a surplus of $10,500.63. This Board moved and equipped its offices, opened new books, unified its work throughout the bounds of the Church, appealed for $25,000 to complete the fund for the San Juan, Porto Rico, Hospital, and received $27,218.

They erected an Emergency Fund "for the purpose of assisting sick and disabled teachers and missionaries who have served the Board faithfully for a number of years, by granting them leave of absence for various periods of time. The payment of $1 by each woman's society has, to date, been sufficient to meet the needs of this fund."

With their incomparable organization, reaching to all the churches and enlisting such multitudes of praying women, the Assembly will not only approve what they have done, but anticipate larger results in the year opening before us.

Your Committee report recommendations on the following Overtures referred to it:

Overture No. 37, from the Presbytery of Jersey City, being a request to make efficient the Social Service Programme. Recommend: Refer to Executive Commission.

Overture No. 46, from the Presbytery of Porto Rico, requesting the dissolution of the Presbytery of Porto Rico, etc. Recommend: Refer to Executive Commission with power to act, after full conference with the Board of Home Missions and the Woman's Board of Home Missions.

Overture No. 158, from the Presbytery of Pueblo, being a request that the Assembly do not authorize any increase of administration expenses in the Board of Home Missions. Recommend: No action.

A communication from the United States Department of Labor to the Stated Clerk, requesting the Assembly to appoint a "Citizenship Sunday" in the churches. Recommend: No action, because of the large number of special days.

The following resolutions are presented:

1. That the Minutes of the Board of Home Missions and the Minutes of the Woman's Board of Home Missions, which were examined by your Committee and found neatly and correctly kept, be approved.

2. That the following members of the Board of Home Missions, whose terms of office expire with this Assembly, be reëlected: *Ministers*—Rev. J. D. Burrell, D.D., Rev. A. E. Keigwin, D.D., Rev. E. W. Work, D.D., Rev. W. A. Brown, D.D., Rev. E. P. Hill, D.D.; *Laymen*—Walter M. Aikman, George B. Agnew, Fleming H. Revell, J. A. Gould.

6. That the Assembly emphasize that the primary work of its Board of Home Missions is "to assist in sustaining the preaching of the Gospel in feeble churches and congregations," as declared in its Charter. The Assembly urges on the attention of the Board the duty of attempting in all reasonable ways to secure more qualified ministers of the Gospel for the needy sections of our land; and directs the Board to endeavor to secure the means for the payment of a more adequate living salary to the missionaries on the field, through the appropriations to the Presbyteries.

7. That the Assembly appoint the nearest Sundays to Thanksgiving Day and to Washington's Birthday for the Sunday-schools to make their offerings to the Board of Home Missions.

8. That the Assembly approve the findings of the Home Mission Council for 1916, and that the same be printed in the *Minutes* of the General Assembly in connection with this Report, and that the Assembly grant the "requests" of the Home Mission Council, made in their findings.

9. That the General Assembly commend the Board of Home Missions to the churches for larger support, that it may worthily meet the needs of the present times.

Respectfully submitted for the Committee,
Wm. L. McEwan, *Chairman.*

A supplemental Report touching certain Overtures on Home Missions was submitted, received, and placed on the docket.

The findings of the Home Mission Council of 1916 are as follows:

To the General Assembly's Standing Committee on Home Missions, the Home Mission Council respectfully reports:

The Council met in Atlantic City, N. J., May 15, 1916, with representatives from thirty-five Synods present.

After organizing, the printed report of the Board of Home Missions was received, together with verbal statements by Secretaries and members of the Board, and by each member of the Council concerning work in his own Synod. These reports, together with questions propounded by members of the Board and members of the Council, were, after study by appropriate committees, considered by the Council.

Owing to failure to receive tabulated reports from some of the self-supporting Synods and Presbyteries, also a schedule of appropriations to Synods and Presbyteries by the Board, the Council is unable to make an exhibit of the Home Mission activities of the entire Church. One evening and two day sessions were spent in executive session.

The following actions of the Council were ordered to be presented to your Committee:

STANDING RULES (SUBMITTED FOR APPROVAL).

1. The Home Mission Council of the Presbyterian Church in the U. S. A. shall meet annually, on the Monday preceding the opening of the General Assembly, and in the city where the Assembly is to meet.

2. (*a*) The members of the Council shall be chosen by their respective Synods, the term of each one to be for a period of three years, beginning with the opening of the Council next following his election, except in case of a vacancy, when election by Synod shall be for the unexpired term. Such election shall be officially reported by the Stated Clerk of Synod to the Secretary of the Council.

(*b*) The members of the Council shall be divided into three approximately equal classes, to be designated by the years in which their terms expire. Such division is as follows:

Class of 1916.—Members from the Synods of Baltimore, California, Indiana, Montana, New York, North Dakota, Ohio, Pennsylvania, South Dakota, Tennessee, Utah and West Virginia.

Class of 1917.—Members from the Synods of Arizona, Arkansas, Colorado, Kansas, Michigan, Mississippi, New England, New Jersey, Oklahoma, Oregon, Wisconsin and Wyoming.

Class of 1918.—Members from the Synods of Alabama, Idaho, Illinois, Iowa, Kentucky, Minnesota, Missouri, Nebraska, New Mexico, Texas, Washington, and West, German.

3. (*a*) The officers of the Council shall be President, Vice-President and Secretary; they shall be elected by ballot at the opening session and shall hold their office for one year.

(*b*) The President, or in his absence, the Vice-President, shall preside over the sessions, and perform the duties usually falling to that office. He shall convene the Council the following year and act until his successor is elected.

5. At the opening session of the Council the Chairman of the Committee on the State of the Work shall lay before the Council for its consideration during succeeding sessions a statement of any matters relating to Home Mission interests which, in his judgment, the Council should consider. Any member of the Council may, for the same purpose, present similar statements, all of which, however, shall not be considered as excluding other subjects.

7. The meetings of the Council shall be public, except that at least one executive session shall be held each year.

8. Arrangements for the meetings of the Council shall be in the hands of the Treasurer of the Board of Home Missions, in consultation with the President of the Council.

9. The Committee on Findings shall prepare its report immediately upon adjournment of the Council, print and distribute among the Commissioners and members of the Council one thousand copies of the same, and the President of the Council shall represent the Council in the General Assembly.

10. The order of business and any standing rule may be suspended by a two-thirds vote of the Council.

We request the General Assembly:

1. In inaugurating the system of three-year classes, to direct that Synods elect their representatives to the Council in the years designating their respective classes and that notice to the Stated Clerks of Synods be given by the Secretary of the Council.

2. To authorize the Board of Home Missions to place their minutes at the disposal of the Council.

3. That the President of the Council be a corresponding member of the General Assembly.

4. That the Home Mission Council be authorized to report its findings to the General Assembly.

Budget.

The Board of Home Missions submitted to the Council its Budget for the coming year, which was examined and approved.

A committee was appointed to confer with the Board with reference to a simpler form for the Budget.

Policies.

1. The Home Mission Council expresses its deep interest in the Parish Plan inaugurated by the Board of Home Mis-

sions. We believe there are great possibilities in it and that it gives promise of solving some serious problems in both American and Immigrant work. We request the General Assembly to direct the Board to conduct in every part of the Church a campaign of education as to the merits and methods of this plan, and, if found feasible, to apply it more widely.

2. The Council expresses its hearty approval of action already taken looking to a grappling with the vexed problem of over-churching. This difficulty is not limited to small communities alone. We ask the Assembly to assure the Board that it will stand behind a sustained and vigorous effort to deal with this situation. We recommend that the Assembly encourage the Board to advance earnestly and persistently all plans for comity in the matter of establishing new churches or maintaining those already in existence, and to bring to the attention of Synodical and Presbyterial Committees their obligation, under this action of the General Assembly, to coöperate with the Board to the fullest extent.

3. The Council believes that work among immigrants is one of the most hopeful, vital and difficult of our Home Mission activities. It calls for knowledge, analysis, organization and executive capacity of the first order. We heartily commend the efforts of the Board to devise, not as the result of theorizing, but of actual experiment, a comprehensive policy for this feature of its work. The field is so new and so large, and has in it so many unappraised factors that the Church must not be discouraged if it makes some mistakes in trying to cover it. It will be worth while to err occasionally if error lead to accurate knowledge, and knowledge to effective action. The Council believes that immigrant work should be developed rapidly, and that the Board of Home Missions should be made to feel that the whole Church is supporting enthusiastically the intelligent effort of the Board to point the way to the Christianizing and Americanizing of our foreign population. In particular we approve the plan of permanent conferences for foreign-speaking groups, of which the proposed Magyar Conference is an example.

4. It is the opinion of the Council that greater attention should be given to a plan for student enlistment in the interest of Home Missions. This should include not only the preparation of experts for special departments of the work, but it should lay particular emphasis upon awakening the interest and challenging the heroism of the choicest young men in the colleges and seminaries so that they will dedicate themselves to the hard tasks of the regular home missionary service as hundreds are volunteering for self-sacrificing work on foreign fields.

5. The Home Mission Council desires to call the attention of the General Assembly to the relative sums derived from living sources and from legacies. After due allowance is made for the large amounts raised by the women and by the self-supporting Synods and Presbyteries, and for the fact that more money was contributed to Home Mission work the past year than ever before, it still remains true that the offerings from churches to this Board doing a nation-wide work are disproportionately small. Last year living sources provided $379,000 to the Board, while the sum of $406,000 was received from legacies. This latter is not a dependable source of income, and, in the opinion of the Council, some immediate steps should be taken by the General Assembly to bring to the attention of the Church, in a vivid and effective way, the necessity for greatly increased contributions through church offerings.

6. The Council recommends that the Assembly instruct the Board to complete a thorough inquiry, already begun, into the number of persons admitted by profession of faith into churches receiving Home Mission aid; that steps be taken to impress upon Synodical and Presbyterial committees, and through them upon the Home Mission churches, that the General Assembly expects responsiveness on the part of these churches in the way of evangelistic effort and results. The scope of this inquiry which the Board is asked to make should include all Synods regardless of their relation to the Board, and may, if deemed best, cover a period of years with presentation of comparative figures.

7. The Council requests the Assembly, through its Standing Committee on Home Missions, to consider the appropriations to such classes of work as Immigrant, Country Life and related activities, which show a heavy reduction this year as compared with the estimate of needs. The Council is not convinced that this reduction is in the interest of wise and progressive policy. These are new times, big with possibilities, and the Church must meet new conditions as they arise. The Council is persuaded that this matter should receive more thorough study before the Church is committed to what may prove a halting programme.

8. While we appreciate the loyal way in which the Board, in response to demands from the Church, has reduced its budget for expenses, nevertheless the Council wishes to record its conviction that a mere reduction in expenses is not to be regarded as that the Church is doing its work in the best way—all depends upon the objects for which the money is expended. We believe the Church should not permit itself to be satisfied simply with a limited budget. The need for

enlarged Home Mission activity is so pressing, and new situations in respect to immigrant work, and particularly those brought to light by the Panama Conference, in so far as these are related to Home Mission endeavor, are so significant and challenging, that the Church should be ready for heroism in undertaking an advanced programme in this great department of its work, and it is the judgment of the Council that we should be prepared to meet any wise expenditure necessary to such a plan.

COMITY.

The Council respectfully calls attention to Art. 2, Sec. 7, of the Report of the Council of the Reformed Churches, and requests that the Assembly reaffirm its action of 1915 on this point.

A committee was appointed to confer with the Board of Home Missions, and to interpret to it the sentiment of the Council respecting certain policies.

All of which is respectfully submitted,
H. C. SWEARINGEN, *Chairman*;
ROBERT E. PUGH, *Secretary*; } *Committee.*
GEORGE H. MACK,

One-half hour was spent in devotional exercises led by the Rev. Dr. J. F. Riggs.

The Assembly took recess until 3 o'clock P.M.

A Popular Meeting in behalf of Home Missions was held on Tuesday, May 23, in the Music Hall at the Steel Pier, the Rev. B. P. Fullerton, D.D., presiding. The meeting was addressed by Rev. H. L. Hellyer, Rev. U. L. Mackey, Rev. John W. Hoyt, Rev. Edward Marsden, Mr. John Sornberger, and Rev. S. Hall Young, D.D.

WEDNESDAY, May 24, 1916, 3 o'clock P.M.

The Assembly met, and the session was opened with prayer.

The Report of the Committee on Chaplains in the U. S. Army and Navy was presented by the Rev. Col. George Robinson, a member of the Committee, and was received and adopted, and is as follows:

The Special Committee on Army and Navy Chaplains respectfully reports to the General Assembly:

It is a matter of regret that the designated Chairman of this Committee is temporarily incapacitated for duty, and that the preparation of the Report falls upon the second member of the Committee.

By Jesus' declaration, "My Kingdom is not of this world," Church and State are forever separate, until He returns in person to reign.

Yet Church and State are both by the ordinance of God. By divine command, members of the Church must support the State, and citizens of the State must protect the Church.

The agencies of the State, which in the last resort protect all its citizens, whether members of the Church or not, are the Army and the Navy.

The ultimate appeal to enforce obedience to the law of the State is physical force.

This force is legally embodied in the Army and the Navy.

In this interdependence of the Church and State, it has been held by the Government that religious instruction should be given to those institutions and agencies which are controlled and supported by the State.

The Legislatures of the nation and of the different States all have chaplains, ministers of the Gospel, who hold religious services at the sessions of these bodies.

Chaplains, too, are a part of the legal organism of the Army and Navy.

These chaplains are rightly required to be ordained ministers. They administer the Sacraments and perform the last services for the dead, which, by our denomination, at least, can be the function only of ordained ministers.

The claim that agents of the Y. M. C. A. can better give religious instruction and service in the Army and Navy than can the ordained clergy, is no more true for these organizations than for civil communities.

In recent years, by acts of Congress, impelled by deliverances of Church assemblies and conferences, the number of chaplains in the Army and Navy has been largely increased.

The Committee desires at this point to acknowledge its obligation to officers of the Army and Navy Department, and Dr. Carroll, Secretary of the Federal Council of Churches, for their courtesy in furnishing the information now to be presented.

By different enactments, Congress has authorized the appointment of one chaplain in the Army for each regiment of Cavalry and Infantry (45), one for the Engineer Corps, one for each regiment of Field Artillery (6) and fourteen

(14) for the Coast Artillery, making 66 allowed for all branches of the service. These rank as First Lieutenant of Cavalry for the first seven years, then as Captain, with opportunity of promotion, for exceptional efficiency, after ten years of service, to the rank of Major, with pay of these several ranks, the same as those of other officers of the Army.

The necessary qualifications for appointment to an Army chaplaincy from the ministry of the Presbyterian Church, U. S. A., are: Ordination to the ministry; recommendation of five ministers of the same denomination; passing physical and mental examination by a Board of Army officers, and approval by your Committee upon the U. S. Army and Navy.

The privileges of retirement, with three-quarters pay of rank held at time of retirement, are granted by law to Army chaplains as to other officers.

The proportion of chaplains to be appointed from each denomination has been established by an administrative act of the War Department.

The largest number is allowed to the Roman Catholic Church; the next largest to the Protestant Episcopal Church, and to some Churches very few or none at all, perhaps, by their option.

Belonging to the ministry of the Presbyterian Church, U. S. A., there are now on the active list eight (8) chaplains, three (3) of whom have the rank of Major, two (2) of Captain, and three (3) of First Lieutenant.

Three of these have been appointed during the present administration.

In the administration immediately preceding this, no Presbyterian was appointed to a chaplaincy in the Army or Navy.

On the retired list of the Army, belonging to our denomination, there is one (1) Lieutenant-Colonel, one (1) Major, and one (1) Captain.

Navy Chaplains.—Under the provision of an act of Congress, approved June 30, 1914, the Secretary of the Navy is authorized to appoint such number of acting chaplains as to make the total number of chaplains and acting chaplains in the Navy not to exceed one (1) to each 1,250 of the total personnel of the Navy and Marine Corps.

These acting chaplains will be appointed after such examination as may be prescribed by the Secretary of the Navy.

After three years' service on shipboard, an acting chaplain, "if found qualified by examination as to his physical, mental, moral, and professional fitness," may be commissioned a chaplain.

After four years' service, in junior grade of Lieutenant, after passing examination, chaplains will be promoted to the grade of Lieutenant, and, after four years in that grade, to that of Lieutenant-Commander, and thereafter to the grade of Commander and Captain, as vacancies occur.

The statute requires that not more than seven (7) chaplains can be commissioned in one year.

Applications for appointment and details concerning the necessary qualifications for commission as chaplain in the Navy can be procured from the Bureau of Navigation, Navy Department, Washington, D. C.

Your Committee has been informed by the Army and Navy authorities that there is no appointment of chaplain due, at present, in either Army or Navy, to the denomination which it represents.

There are now in the Navy, on active service, one (1) chaplain of our Church, and two (2) acting chaplains, all appointed by the present administration, and one (1) with rank of Rear Admiral, and one (1) with rank of Captain on the retired list. A Captain in the Navy equals in rank a Colonel in the Army.

The Chairman of this Committee, Dr. Radcliffe, in almost his first conscious hours after the extremity of his sufferings, in a communication dictated to me by the hand of his devoted wife, instructed me to insist in this Report, that greater attention be paid by our beloved Church to this matter of religious service for Army and Navy.

A connection of nearly forty years as chaplain in the Army, twenty-eight years in active service, as well as nearly three years in the line of the Volunteer Army at the front, enables this second member of the Committee to accept this instruction with the utmost seriousness.

Surely, they who show such readiness to die for us, when duty calls, ought to be borne upon our hearts in prayer, at least, by every one who loves his country and his God.

Two divisions of the Church in this country are insistent to receive their proportion, and in one case we believe much more than its proportion, of appointments in the chaplaincies of the Army and Navy.

There has seemed to the writer of this Report, at times at least, an indifference on the part of the Church of his choice and love, to the religious needs of these important agencies of the nation for the securement and maintenance of order. Why this should be so is hard to understand.

It is charged that the personnel of the Army and Navy are reckless. So they have been in our land, reckless at Bunker Hill, at Valley Forge, at Gettysburg, at San Juan and El Caney, in the Philippines and even now in Mexico; and also on Lake Erie, in Manila Bay, and Santiago Bay. They all counted not their lives dear, in order to protect their country and secure the liberties of their fellow-men.

These agencies are not in intention destructive, but preservative of order. "They seek peace and pursue it," no matter where it leads. They obey orders, attacking without reckoning the cost to themselves, and resisting even unto blood.

Many think the State, through these agencies, too militant. Others, with better judgment, think it the duty of the State to protect its citizens, and that the Church ought in the present day to be more militant, fighting with its own weapons against error in doctrine and sin in life.

Some even sneer at that flag for which tens of thousands in our land have died. These thousands, with the heroes of the past in all the centuries, thought it a sweet and pleasant thing to die for country.

Had they not a little of the mind of Him who died on Calvary?

He, it is true, died to secure spiritual freedom for the race of men; they, to secure civil liberty for their fellowmen. They, as He, gave their utmost. Greed of gold, and luxurious, even licentious, acts and habits, induced by its possession, are the menace to this Republic to-day, and not its militarism.

The following Resolutions are submitted for approval:

Resolved, 1. That the action of the Committee thus far is approved.

Resolved, 2. That the General Assembly commends heartily the action of the U. S. Government in increasing the number of chaplains both in the Army and Navy.

Resolved, 3. That the Committee continue its work, acting in coöperation with other agencies appointed for the same purpose and that it report to the next General Assembly.

Respectfully submitted,
WALLACE RADCLIFFE, *Chairman;*
By GEORGE ROBINSON, *Member.*

It was decided to hold an evening session on Thursday, May 25, and it was made the order of the day at 8.15 P.M. to-morrow, to consider the Overture of the Presbytery of Philadelphia concerning the Board of Freedmen.

The report of the Standing Committee on Publication and Sabbath School Work was presented by the Rev. S. C. Black, D.D., Chairman, and was received. Pending its adoption, the Rev. Alexander Henry, D.D., Secretary of the Board, and the Rev. Robert W. Veach, D.D., Secretary of Religious

Education, of the Board, addressed the Assembly. The Report was approved, adopted, and is as follows:

Your Committee, appointed to review and report upon the work of the Board of Publication and Sabbath School Work, has pursued its task with care, and is happy to submit the following:

The past year has been the best in the 78 years of the Board's history. This is true of all its departments, but especially as regards advance steps taken, new friends won, and increased profits in the Business Department, which, in view of the policy of devoting one-half of all profits to missionary or educational work, means increased activity in these important realms.

We have reviewed carefully the minutes of the several departments of the Board's work, and have had before us the Secretary, the business manager, and other officers, who have patiently answered our questions and explained plans for the future. We are convinced that the work of the Board is wisely and economically conducted, and offer as proofs of this contention the splendid declared profits of the year, and the low maintenance cost, to which further reference will soon be made.

It is clear to your Committee that the Board is endearing itself to the Church by its diversified service in a difficult and enlarging field, and that its able contributions to the cause of Christian education will keep our beloved Church in the very front rank among those who strive to know and generously serve our King.

For a clearer understanding of the large work covered by this important Board, we divide this Report into several parts.

Business Department.—During the year just closed, the Board has outstripped any previous year in its history. The total sales for the year aggregate $1,107,670.45, an increase of $60,405.49 over those of the previous year. The declared net profit is $55,156.79. One-half of this will revert to the Business Department, to strengthen its capital; the remaining half will be devoted to the extension of the educational work of the Board.

This improved financial condition of the Business Department is particularly gratifying just at this time, when the whole business world is being shaken by circumstances growing out of the European war. Our Board was fortunate in anticipating to some degree the conditions that now prevail, by making contracts with the manufacturers of paper, covering the necessary supply for some time to come; it is difficult, however, to forecast what may be the result if this present upheaval continues. Hardly a day passes that does not bring with it notices of withdrawal of former quotations on material supplied to the Board. Assurance is given the Church, however, that no advance in prices will be made, unless the Board is forced in this way to protect itself against actual loss.

The notable book published during the year undoubtedly is "Alleluia," the new hymn-book for Sunday-schools, Young People's Societies and midweek services. It has sprung into instant favor. Though published as late as December 1, 1915, in the four succeeding months its sale reached a total of 25,000 copies, an average of over 6,000 copies per month. From every side come the warmest commendations, and it is clear that the Board has rendered one of its most signal services in putting out this excellent book. Your Committee commends it unhesitatingly as a book free from doggerel and jingling tunes; a book full of life and modern spirit, yet dignified and spiritual, admirably fitted for use in Sunday-schools, Young People's Societies and the less formal meetings of the church. Other hymn-books published by the Board continue to sell in gratifying numbers. The Hymnal, revised in 1911, has already reached an aggregate sale of 141,529 copies. The Hymnal (1895), its predecessor, which is still used in many of our churches, had a sale of 327,000 copies; and the Chapel Hymnal, the hymnal par-excellence for devotional meetings, has attained a sale of 233,000 copies.

Your Committee observes that for the carrying on of the work of the Board, depositories are maintained in six cities: New York, Chicago, Cincinnati, Nashville, St. Louis, and San Francisco.

Believing that these depositories are distributed throughout the nation so that churches and Sabbath-schools may be quickly and effectively served, and in view of the financial loss attending the attempt to maintain depositories in other cities, your Committee believes it unwise to increase the number, but does not believe that they should be further reduced.

Your Committee commends the action of the Board in issuing annuity bonds to pay off the mortgage of $60,000 on the new property at Nashville, formerly the Publishing House of the Cumberland Presbyterian Board of Publication. We note with satisfaction that $45,500 of the above bonds have been sold, leaving but $14,500 yet to be disposed of.

In view of the high cost, the risk, and extended capital and equipment necessary for the publication of more general literature, your Committee commends the avowed policy of the Board to limit its publications to books bearing more directly upon the doctrine, the education, the work and worship of our own Church; also we commend the determination of the Board to study carefully the problem of providing our homes, and especially the youth of the Church, with the best books published throughout the world, and to handle them through its depositories, and bring them to the attention of the Church at large.

Editorial Department.—Advanced steps taken by the Editorial Department during the year include: The preparation of the fourth year senior graded lessons on "The Bible, and Social Living," by W. Beatty Jennings, D.D.; the completion of the Westminster Graded Lessons for the four years of the Intermediate Department, and for the second, third and fourth years of the Senior Department. That these and the Westminster Departmental graded lessons for Beginners, Primary and Junior Departments are growing in popularity is shown by the increase in circulation. During the first quarter of 1916, the Departmental Lessons were used by 90,262 pupils and 14,159 teachers. Nearly twice as many pupils used these during the first quarter of 1916 as in the first quarter of 1915.

The splendid activity of the Board is evidenced by the fact that, throughout the past year, books, tracts, Sabbath-school and Church publications, to the number of 4,711,737, have been published. The magnitude of the work of this Board may be further gauged by the figures giving the yearly circulation of a few of the Board's leading publications: Westminster Teacher, 690,708; Westminster Senior Quarterly, 1,530,972; Sunbeam, 6,874,192; Forward, 15,688,764.

Missionary Department.—A careful review of the missionary activities of the Board during the past year, under the direction of the Sabbath-school and Missionary Department, reveals the fact that this work is being carefully, faithfully and economically administered. Your Committee is gratified to note that this work is carried on in closest coöperation with the Presbyteries and Synods, and that the direct supervision of the Sabbath-school missionaries is committed to the Presbyteries and Synods in whose bounds they are laboring.

The total amount of contributions received for this work was $211,993.88, an increase of $11,014.64 over the preceding year.

We note, with much encouragement, the continued interest and liberality of the Church in supporting this work. It is particularly gratifying that this growth in the Church's appreciation of the work is not confined to the older Synods, from which the Board has been accustomed to receive the greater portion of the means for carrying on its work. The fact that the Synods in which the Sabbath-school missionaries are laboring, and where the results of their work are seen and known, are giving liberally, is in itself a tribute to the efficiency and value of this form of evangelism.

While the scope of this work has broadened, and the number of field workers increased, the cost of administration is still proportionately small. The amount expended last year for all office salaries, printing, stationery, etc., in conducting the work at the Board's headquarters, was $9,682.50, or 4.02 per cent. of the total budget.

The year just closed has been one of unprecedented activity and success, both in organization and development. So far as its funds have permitted, the Board has answered the calls of needy fields, for the services of Sabbath-school missionaries, distributing the missionary force with careful regard for the most urgent and strategic opportunities for rendering helpful service. Your Committee is impressed with the efforts which the Board is making to conserve the results of the work, by placing mission schools under the care of church organizations wherever practicable, thus avoiding the unnecessary multiplying of new churches, besides strengthening those already in existence; the Sabbath-school missionary continuing to encourage and foster the work until the Presbytery deems it advisable to effect church organization.

The missionaries report 2,777 missions schools directly under their care. These schools have a membership of 11,850 officers and teachers and 103,381 pupils, a total of 115,231.

During the year, 123 missionaries have been under commission from the Board, of whom 16 are district and synodical workers. These men have been distributed over 107 Presbyteries.

In the same period, 843 new Sabbath-schools have been organized and 360 revived, a total of 1,203. The membership of these schools, at organization, consisted of 4,083 officers and teachers and 37,587 pupils, a total of 41,670. Your Committee submits that such a showing calls for the enthusiastic approval and the continued generous support of so fruitful a feature of the Board's work.

Religious Education.—In this Department the Board reports that the past year has been very largely one of readjustment and reorganization. Notwithstanding this fact, some very constructive work has been accomplished, and important plans for the future have been decided upon.

We are informed that the assembling of the educational work of the Board in one department calls for a rearrangement, and a new adjustment of its field force. It is proposed that the Board hereafter conduct its educational field work through District Educational Superintendents, with headquarters at convenient centres—these superintendents to be responsible to and under the supervision of the Committee on Religious Education. The office of Synodical Educational Superintendent will be discontinued.

Your Committee notes with satisfaction the election of the Rev. Robert Wells Veach, D.D., as Secretary of Religious Education, and believes that Dr. Veach will be able to work out plans by which better returns may be secured from work done by our children in Sabbath-schools, and also by the extension of religious instruction throughout the week.

In the Department of the Sabbath-school great emphasis is being placed on teacher training, a fact which your Committee notes with special satisfaction, believing that here lies the secret of the largest possible improvement.

Young People's Work.—The avowed purpose of those having in charge the Young People's Work of the Church, is:

1. The giving of assistance to the Church by helping to launch expressional organizations for the Juniors, the Intermediates and Young People. The organizations include Christian Endeavor and similar societies of other names—Intermediate Societies, Boys' Clubs, and Girls' Clubs of various names, and Junior Christian Endeavor Societies and Clubs. 2. By helping to raise up a trained leadership for these societies from the volunteer workers of the church. 3. By promoting definite religious education in all the organizations for young people. 4. By assisting organizations to achieve greater efficiency in service for the Church.

Having reviewed its entire work, your Committee feels that the Board of Publication and Sabbath School Work has again proved itself ready, able and efficient, deserving the confidence and encouragement of the whole Church, and, in the spirit of this confidence, heartily presents to the Assembly the following resolutions:

1. Recognizing the far-reaching influence of the Sabbath-school missionary work of this Board, in winning the otherwise unreached multitudes of children and youth to a knowledge of Christ, in promoting all phases of Sabbath-school work, and in establishing permanent centres of Christian influence and activity, we recommend that every Church Session be urged to include this cause in the budget of congregational benevolences, according to Assembly's instructions, and to see that it receives its proportionate share of such funds, in addition to the contributions given on Children's Day and Rally Day.

2. That this Assembly bears testimony to the consecration, perseverance, and growing efficiency of the Sabbath-school missionaries, believing their work to be fundamental to the future growth and development of our Church in these United States; and that the Board be urged to enlarge its force of such missionaries as rapidly as its funds will permit, to provide for needy fields now calling for workers.

3. That the Assembly brings to the attention of all our pastors, elders, and Sabbath-school superintendents, the importance of faithfully observing in our Sabbath-schools the special days set apart by previous Assemblies for the consideration of the work of this Board, viz.: Children's Day, the second Sabbath in June, and Rally Day, in the early fall. It is recommended that the Sabbath-schools be urged to greater liberality in their offerings on these occasions, the Children's Day offerings to be devoted to the furtherance of Sabbath-school missionary work, and the Rally Day offerings to the publication and distribution of evangelical literature in the languages of our immigrant population.

4. That the Assembly commends the plan adopted by a number of churches, Sabbath-schools, and individuals, in assuming the entire or partial support of particular fields in which Sabbath-school missionaries are laboring, and recommends it as an effective means of developing a deeper interest in missions and in enlarging the scope of the Board's activities.

5. That in response to requests from individuals who desire to contribute sums of money to the Board on the annuity plan, the Board be authorized to continue the issue of annuity agreements, for the purpose of increasing the permanent funds for the support of its missionary operations.

6. In view of the fact that there are now in successful operation, in several States, plans under which academic credits are granted, in public schools, for Bible study work of academic grade done in Sunday-schools; and believing that this affords a much-desired motive for Bible study, your Committee recommends that the Assembly commend this plan to the whole Church and authorize the Board to take further steps to promote it, and to adapt or prepare graded courses suited for the curricula that may be outlined by the various States.

7. That the Assembly heartily approves the plan of the Department of Religious Education, of holding summer and winter conferences for young people, and encourages the Board to increase the number of these conferences as rapidly as the demand and the means of the Board make it practicable.

8. That the General Assembly, having designated the first

Sunday in February as Young People's Day, strongly recommends the observance of the day, and urges Young People's Societies to make a special contribution to the work being carried on by our denomination in their behalf.

9. That the Assembly has heard with pleasure of the preparation of a "Book of Family Worship" and a "Manual on Bible Reading and Religious Training in the Home," and strongly commends their use among the families of our Church.

10. That the Assembly calls the attention of churches and Sabbath-schools to the fact that our Board provides Sabbath-school lesson helps and literature unexcelled, for use in Presbyterian schools, and recommends their use in preference to those provided by outside publishing houses.

11. That the General Assembly emphatically approves the labor of the Board in providing a dignified and eminently satisfactory series of hymnals for the use of the Church. Now that the Sunday-schools and Young People's Societies have been furnished with the new book, "Alleluia," the Assembly urges all churches to make use of the hymnals furnished by the Board, with a view to uniformity in service.

12. Overture No. 34, from the Presbytery of St. Louis, touching the change of name from "Children's Day" to "Sunday-school Day," having been referred to this Committee, we recommend, in view of the long use of the earlier term and the special significance now attaching to it, that no action be taken.

13. Overture No. 35, from the Presbytery of Abilene, Texas, bearing upon a quotation on the form of Baptism in the early Church, which appeared in the "Westminster Teacher" and in the "Westminster Adult Bible Class," for March, 1916, having been referred to this Committee, we deem that, in view of the great care always exercised by the Editorial Department in excluding objectionable statements from our publications, it is a sufficient answer to the Overture to call the attention of the Board to its substance, and caution the Department to continue to scrutinize carefully all statements of contributors, and, while giving welcome to the permanent results of advancing scholarship, to allow no statements to appear that conflict with the general doctrinal standards of the Church.

14. The terms of office of the following members of the Board expire in June: *Ministers*—Louis F. Benson, D.D., W. Beatty Jennings, D.D., W. L. Wheeler, Edmund G. Rawson, John A. McCallum, D.D; *Elders*—Robert H. Hinckley, William H. Scott, Franklin L. Sheppard, John H. DeWitt, Cheesman A. Herrick.

In view of the fact that Mr. Robert H. Hinckley, after thirty-six years of faithful service, has declined reëlection, the Assembly elects Mr. William H. Castle, to serve for three years in his stead, and reëlects for three years, the other ministers and elders above named.

Respectfully submitted,
Samuel Charles Black, *Chairman.*

The Report of the Standing Committee on Colleges was presented by the Rev. Henry T. McEwen, D.D., Chairman, and was received. Addresses were made by the Chairman, by Dr. J. Campbell White, President of Wooster University, by the Rev. Edwin A. McAlpin, Jr., President of the Board, and by the Rev. Calvin H. French, D.D., and Rev. James E. Clark, D.D., Associate Secretaries of the Board. The Report was adopted and is as follows:

Only the blessing of Almighty God, the vision and generosity of the people, and the efficiency of the officers of the College Board can account for its remarkable progress during the last five years. Page 2 of the Annual Report shows results which thrill the heart with gratitude. In view of the Presbyterian demand for an educated ministry and laity, it is really a strange anomaly that we did not have a College Board until 1883. If the Board has achieved so much in thirty-three years, what might it not have done in a hundred years?

The colleges and universities of our land, during the last twenty-five years, have emphasized physical and intellectual development as never before. Gymnasiums, perfect in equipment, systematic in training, stadiums for baseball, football and track-work, as well as crews, clubs and regattas, all aim at perfect physical development. Contrast the courses of study of twenty-five years ago with those of to-day, and you will note a marvelous improvement. To all of this, in the Master's own words, we say, "These ought ye to have done, and not to leave the other undone." In the vast majority of these richly endowed or supported institutions, the study of the Bible, the greatest book in the world, is *incidental*, not *fundamental*. Only in and through Christ Jesus can the world learn and understand what God meant when He said, "Let us make man in our image." No man or woman is truly educated who does not know that Jesus Christ "is the image of the invisible God, the first-born of all creation." Whatever else the world may or may not know, its supreme need is to know that "in Christ are all the treasures of wisdom and knowledge hidden." No man can see or know God, who does not know that he that hath seen Christ hath seen God, "for Christ was God manifest in the flesh." No man can understand his own possibilities until he knows that Jesus Christ is Son of man as well as Son of God. Until these great truths are taught, learned and lived, the Fatherhood of God and the brotherhood of men can never be more than an iridescent dream. He must first get right with God who would live right as man with man.

This is the mission of the Christian college. For this work these institutions must have leaders who, like Paul, are conscious of the indwelling and guidance of the Holy Spirit. In these days of vocational training let not the Church forget the supreme vocation. There is no higher mission than to beseech men on behalf of Christ that they be reconciled to God. Because of these facts, the College Board appeals to churches and to individuals for "Bible Chair Endowments." Vastly better than memorials of granite, of bronze or of brass, however artistic or enduring, are such endowments, not only perpetuating memories to the end of time, but also transforming lives for all eternity. Four hundred years ago, October 31, 1517, Martin Luther nailed the theses on the Castle Church at Wittenberg. It would be difficult, if not impossible, to name any other one event which did more to give the Bible to the world in the language of the people. There could be no better way to celebrate that historic incident than by the establishment of Chairs of English Bible in all Presbyterian colleges.

Your Committee is confident that the General Assembly will join in commending the Board for wise interdenominational and other coöperation. Wasteful overlapping ought to cease. Our Board aims to avoid unnecessary maintenance or multiplication of institutions within our own denomination or in conflict with other denominations.

The Assembly of 1915 urged the College Board to begin and to press "the extension campaign." The plans for this campaign contemplate five years of publicity and solicitation. Thousands of Presbyterians, during the past year, have read in the religious papers articles which set forth the aims and claims of this Board, in matter and manner unsurpassed by the leading advertisements of the business world. Letters of inquiry, personal interviews and gifts show that large results will surely follow.

Your Chairman has not only read the Board's Annual Report with due care, he has also read every word of the minutes of the Board for the year just closed. These minutes and the Report not only reveal the best methods in all business, but also that rare combination of wise counsel and of sympathetic interest which means so much to the presidents of these institutions, who endure hardness as good soldiers of Jesus Christ. If these academies and colleges are to be truly Christian, their standards of scholarship and of efficiency must be unsurpassed. To the sound body and the trained mind of other institutions they must add this, above all, that their students become truly Christlike. They must appeal to the heroic in both teachers and pupils. There must be an atmosphere in which everyone feels instantly and constantly that self-indulgence has no place and that self-denial is fundamental.

Your Committee calls the attention of the pastors and the elders to a notable service they can render to the Church and to the College Board. To supply the demand for a truly Christian education, the Presbyterian Church has founded and maintains these institutions. No question is more vital to fathers and mothers than the spiritual education of their sons and daughters. From the pulpits and from the elders of the churches let commendation of these institutions be heard. Such efforts on the part of our Christian leaders would not only increase the attendance at our colleges and academies, but also safeguard the highest interests of our youth. It would inspire other institutions to give larger place to the spiritual needs of the young people of our land.

Recommendations:

1. That the minutes of the Board, which have been examined and found in order, be approved, and that the manner in which the minutes are recorded and the neatness with which they have been engrossed be especially commended.

2. That the financial report of the Board, duly audited, be approved.

3. That the following members of the Board, whose terms of office expire with this Assembly, be reëlected: *Ministers*—John B. Laird, D.D., Philadelphia, Pa.; Frederick E. Stockwell, D.D., Newburgh, N. Y.; William C. Covert, D.D., Chicago, Ill.; *Laymen*—Frederick W. Garvin, Esq., New York City; Elisha H. Perkins, Baltimore, Md.; James S. Hubbard, Chicago, Ill.; John P. Munn, M.D., New York City; John L. Emerson, Titusville, Pa.; Edwin J. Gillies, New York City.

4. That the Board be encouraged to continue its efforts for closer coöperation with other denominations and for closer coöperation among existing Presbyterian institutions of learning, that greater efficiency may be secured, with less overlapping and duplication of effort.

5. That the work of publicity and extension, as conducted

during the past year, be commended, and that the Assembly renew its direction to the Board to pursue this line of activity, that greater interest may be aroused in the fundamental importance of Christian education.

6. That, in connection with whatever celebration of the Luther anniversary may be arranged for 1917, all Presbyterian churches be called upon to commemorate the nailing of the theses on the door of the Wittenberg Church, by making a special offering, on October 28, 1917, this offering to be sent to the Board for the purpose of maintaining departments of English Bible in Presbyterian colleges.

7. That Education Week be observed as usual; Sunday, February 18, 1917, to be known as Education Day, when the cause of Christian education should be presented in all churches, and such as do not follow the budget plan should make an offering for the Christian college, sending it, preferably undesignated, to the College Board.

8. In reference to *Overture No. 27*, from the Presbytery of Minneapolis, which was referred to the Committee, we recommend to the trustees of the colleges and schools under our care, that, in the selection of professors and teachers, special care be taken to secure those men only who are in sympathy and harmony with the reality, the power, and the promise of our evangelical faith.

9. That pastors, elders and parents, recognizing the primary place of the Christian college in the scheme of Christian education, encourage all youth from Presbyterian homes to attend these institutions.

In behalf of the Committee,
HENRY T. MCEWEN, *Chairman.*

The Report of the Temperance Committee was placed on the docket for to-morrow evening.

The Assembly adjourned until 9 o'clock A.M. to-morrow, and the session was closed with prayer.

A Popular Meeting in the interest of Foreign Missions was held at the Steel Pier, on Wednesday, May 24, 1916, at 8 P. M., the Rev. George Alexander, D.D., President of the Board of Foreign Missions, presiding, and addresses were delivered by Rev. F. H. Throop, China; Rev. W. T. Mitchell, India; Dr. J. W. McKean, Siam, and Rev. R. F. Lenington, Brazil.

THURSDAY, May 25, 9 o'clock A.M.

The General Assembly met at 9 o'clock A.M., and the session was opened with prayer.

The Minutes of yesterday's sessions were read and approved.

The Standing Committee on Bills and Overtures presented an additional Report, through the Chairman, Rev. J. Ross Stevenson, D.D., which was adopted, and is as follows:

In answer to *Overtures Nos. 1–22* and *149*, all dealing with the interpretation of the so-called compact of 1870 and its implications, and raising certain inferential questions as to the relation of all our theological seminaries, and appointment of professors, the character of their teaching, and the Presbyterial oversight of candidates for the ministry to the General Assembly, and to the Presbyterian Church in the U. S. A., we recommend that a special committee of seven, four elders and three ministers, be appointed by the Moderator, to take under consideration the questions that have been raised as to the action of the General Assembly of 1915 regarding this "compact of 1870" (see *Minutes*, p. 148), especially as to the bearing of this action upon the legal status of all our seminaries, and also to investigate the whole subject of the relationship of these seminaries to the Church, and to the Assembly, and to each other, to advise as to any proceedings or actions which may be necessary to safeguard existing relationships, or to make these relationships more secure, uniform and mutually helpful, and to report to the next Assembly.

The Standing Committee on Polity, Rev. George L. Robinson, D.D., Chairman, presented its Report which was received, and the recommendations were adopted seriatim, except certain recommendations reserved by the Committee to be presented later. The Report was placed on the Docket.

The Report of the Standing Committee on Foreign Missions was submitted by the Rev. C. Waldo Cherry, Chairman, and was received and, pending the adoption of the recommendations, the Assembly was addressed by the Chairman and by Dr. Robert E. Speer, Secretary of the Board of Foreign Missions. The Assembly engaged in prayer, and, after short addresses by several missionaries, the resolutions were adopted. The report is as follows:

Our first impulse in presenting a *résumé* of the work of our Board of Foreign Missions for the past year is one of profound gratitude to God, who has permitted such continued progress in the face of a world situation which, for difficulty and danger, it is safe to say, has no parallel in the history of missionary endeavor.

War has laid its bloody and devastating hand upon a score of nations and two-thirds of the world's peoples. Commerce is paralyzed. Business is at a standstill. Art and science and culture have lost their momentum, but the missionary work of the Church has nevertheless maintained its ministry of peace and healing on all the far-flung battle lines of the Cross.

The armies of Europe may be deadlocked to-day, but there is no deadlock of God's forces in Africa or India, in China or Japan. There is not a mission field of the Church, however related to the war, where our missionaries are not in occupation and from which some aggressive movement, some spiritual triumph, has not been reported.

This fact speaks eloquently not only of the great wisdom with which the administrative forces of the Board have dealt with the vexing problems occasioned by the war, but also of the heroic spirit and intense devotion of the missionaries on the field, not one of whom has asked to be relieved. Here is a record of fidelity of which the Church may well be proud. It is a matter for great thankfulness and congratulation, that in a year of increased financial problems occasioned by the war and the financial situation in our country the Board has been able to close its year without creating any new deficit and with an actual surplus of $31,480.52. The total receipts for the year being $2,287,398.80, and the disbursements $2,255,918. The surplus, together with $19,274 received for this purpose, had been applied to the reduction of the deficit of $101,013 carried over from the former year. The deficit now stands at $40,000. Some idea of the magnitude of the business operations and financial obligations of our Board may be gained from a glance at the balance sheet per Schedule One, which shows the total assets of the Board, including property and invested funds, to be $6,408,000.

In this connection it is worth while to note the low administrative cost of disbursing these funds, the percentage for the Home Office being 3.83 per cent., and for other New York disbursements for purely promotional work, 3.19 per cent., a total of 7 per cent. So that of every dollar contributed by the Board, 93 per cent. was received by the beneficiaries.

Furthermore, contributions on the foreign field amounted last year to $728,000. Thus for every dollar contributed at home, $1.25 is released for service abroad.

Remarkable as is this financial showing for the year, attention should be called to the fact that it has been made possible because the Board made no increase in its budget over the year preceding, has granted no increases for work on the field, and has enacted the most rigid economies in all its departments. An increase of $100,000 in its budget has been granted the Board by the Executive Commission for the present year; corresponding increase in liberality from the Church is necessary if the Board is to meet expanding requirements and opportunities.

Turning from the administrative department:

CHINESE, JAPANESE, KOREANS IN THE UNITED STATES.—Twenty-eight stations are maintained for work among these oriental peoples in New York City and on the Pacific Coast. Encouraging reports come concerning its progress. In San Francisco fourteen Chinese slave girls have been rescued from a life of shame and misery. In New York there have been sixteen accessions to the Chinese Church.

MEXICO.—Overrun and torn by warring factions, desolated by plundering bandits, Mexico presents a problem at once pitiful and perplexing. Worthy of note is it that most of our heroic missionaries, driven out a year ago by the edict of our Government, have now returned, meeting such conditions of destitution and disease that their efforts are largely spent in finding bread for the hungry and treatment for the sick and wounded.

Suggestive also is it that in their absence no mission property was destroyed and that the native pastors and workers found some way to continue the work with such zeal and efficiency that the structure remains to form the base for a new advance movement when the times grow propitious. Surely, in the receptive attitude of the Mexican people, in the favorable attitude of those in power, in the return of peace in so many portions of the Mexican Republic, our Church has an intimation of great opportunities and responsibilities in Mexico. As one of her missionaries says: "Mexico, in her journey down the centuries, has fallen among thieves, who have stripped her of her raiment, wounded her and left her half dead. Will the great Presbyterian Church play the part of the Levite and 'pass by on the other side'?" The question regarding Mexico to-day is not simply that of intervention or non-intervention, but a question of redemptive influences. Here is a people without character, and only character can prove a stable foundation for government.

Our Government will always have a problem in Mexico until Mexico is evangelized by the uplifting Gospel of the Son of God. Bandits will never stop coming out of Mexico to plague us until we take the Gospel in.

South America.—The European war is having the result of establishing a closer relationship between the two Americas, and this closer intercourse will not mean simply enlarged opportunities, as some of us seem to think, but a greater opportunity, as well as a greater responsibility for missionary evangelization.

The Panama Conference, held last February, was an event of great significance. In spite of opposition and misrepresentation, 304 delegates from 21 nations attended and practically all Protestant missionary societies working in South America were represented.

The Board has become so deeply impressed by the vision of need in Latin America that it seeks the establishment of a special fund of $100,000 for the purpose of carrying on an enlarged work in these countries.

The Assemblies and Women's Boards are seeking to direct the attention of our Church to this field by advocating as a text-book in study classes, during the coming year, the volume entitled "The Living Christ for Latin America," prepared by one of our own missionaries, Rev. J. H. McLean, of the Chile Mission.

The Philippines.—Worthy of special note is the work of Silliman Institute at Dumaguete. This institution has the confidence and enthusiastic support of all classes in the islands. It is now seeking to enlarge its usefulness as a centre of Christian education to the youth of the islands, by raising $100,000 gold, half on the field and half in the United States. The achievement of this purpose will increase its capacity for students to 1,000. The Board urges upon the Church that it meet this pressing need of this splendid institution.

The Church is having a large part in shaping the destiny of the Philippines, and it is impressive to realize how far in fifteen short years of evangelistic missionary effort these people have been brought on the great highway to Christian civilization.

Africa.—The war has proved the marvelous vitality of our work in Africa. In spite of hindrances, the work has gone on a veritable Pentecost in power and fruitfulness. Such statistics as these indicate its progress: At Elat, 19,266 partook of the Lord's Supper at a single Communion; at Lolodorf, 3,525 made confession of faith, and at Elat, 6,500.

Persia.—Our Persian field has been the storm centre of the war, outside of Europe. Both sides have attempted to force Persia into war and the people have been kept in a perpetual turmoil of unrest and fear. Missionary agencies, other than our own, have been forced to withdraw. But it is a cause for gratitude and a fact which speaks eloquently of the hold that our missionaries have upon the Mohammedans, that no serious attacks have been made at any time upon our mission property or upon the lives of our missionaries. Yet the mission has not gone through this time of trial unscathed. The fearful strain of caring for 1,000 refugees has caused the death of two of our faithful missionaries, Mrs. McDowell and Mrs. Shedd, while some of the members of our native Church have received the crown of martyrdom.

Meanwhile the deep devotion of the missionaries in this dark hour of need has given the work such an impetus that its future seems secured.

SYRIA.—Communication with Syria has been difficult, on account of the blockade of its coasts by the allied fleets. Work in the schools is going on, although much inconvenience and suffering are caused by governmental interference and increased taxation.

The mission is looking forward to the celebration of the 100th anniversary of the American Press of Beirut. This great institution has had a potent influence for the evangelization of the Moslem world through the floods of Christian literature sent forth from its presses. This great publishing institution has occupied the same building eighty-two years and the mission is hoping to raise $100,000 with which to construct a new and adequate building.

INDIA.—Intellectual, industrial and social movements are sweeping over Asia to-day. There is imminent peril lest material development shall outstrip spiritual growth. It is gratifying therefore to note that our Board has been appealed to by the Indian government to send out and to promote the agricultural uplift of her people and that Mr. Higginbottom who is in charge says: "The men needed, most of all and before all else, are ambassadors of Christ. They must clearly understand that agriculture will not save India, but that Jesus is the only hope and greatest need of India, and that agriculture, like education, evangelistic effort, or Christian literature, is but the point from which to approach the main problem."

When one remembers that the great majority of India's 315 million population are so poor that they have but one meal a day, so illiterate that only 1 man out of 10 and only 1 woman out of 100 can read or write, one realizes something of the vast problem facing the missionary in presenting the Gospel as a solution of India's needs.

SIAM.—An item of special interest in the report from Siam is the attitude of the king toward our work. Educated in England, he is striving for high ideals and a national consciousness. In the effort to lead his people to a higher place among the nations, he has initiated new movements which have vital reference to our work.

The first is education. This was in the hands of Buddhist priests. Men only were educated and of these less than 12 per cent. of the population. The King has developed a capable department of education, established a programme of studies and infused new life into the educational movement. Nothing but good can come from the education of the Siamese people.

Second.—The king, feeling that religion is a necessity in the life of a nation, has attempted to restore Buddhism. Yet he is very kindly disposed toward the work of our mission and has given permission to any of his subjects to embrace Christianity.

Now seems the strategic moment to permeate new Siam with Christian truth. The Board, sensing the greatness of the opportunity and also the responsibility which is contained in the fact that the missions of the Presbyterian Church are in sole occupancy of Siam, have voted to establish a Siam Extension Fund and endeavor to secure $50,000 in special gifts, which sum is to be devoted to a more adequate occupation of the field.

JAPAN.—Conqueror of China and her millions, driving back the Russian in his march to the warm waters of the Pacific, only a year ago driving Germany from her domain in the East, Japan to-day looms the giant of the East. There are wild rumors in the air as to her ambitions in China and her intentions concerning America.

It is reassuring to hear that the Japanese are sincere and unanimous in their desire for friendship with America. We cannot, however, expect this attitude to continue indefinitely unless we accord her the rights of recognition and respect, with other nations.

Christianity is making renewed progress in Japan. There is, however, great need of reinforcements. The loss by death and inevitable removal has been serious. Another problem in Japan centres in the attempt to establish a Christian undenominational university for men and a Christian college for women.

The missions of Japan have formally adopted a policy of expansion to cover the next few years and have made an earnest plea to the Board for its endorsement and help.

CHOSEN.—This is the old and correct name for the country we have known as Korea. No longer the hermit nation, robbed at once of her isolation and her independence, all branches of mission work have been affected by the Japanese occupancy.

There is a difficult political situation to which our missionaries must learn to adjust themselves, but there is no evidence of any diminution of the opportunity for evangelistic work or willingness of the people to hear the Gospel: 24,000 new adherents were added last year to the Presbyterian and Methodist missions.

CHINA.—Political chaos reigns to-day in China. Everything waits for the decision as to the final form of government. China does not know her own mind—one party seeks the return of the old régime, another is composed of the younger men who favor progress. This attitude of indecision is reflected in the president, Yuan Shi Kai, who has himself proclaimed emperor one day and resigns the next. Out of this chaos, stable government and institutions must at last emerge. This is the flood-tide of opportunity for the Christian Church in China, that its spirit and influence may be exerted upon the new life, institutions and government now in process of formation.

The following resolutions are submitted for adoption:

1. That the minutes of the Board, having been submitted and found in order by the Committee, be approved.

2. That the Assembly commend the plans of the Board for expansion in certain fields, particularly in Siam and Latin America, and for the development of higher educational institutions, notably Silliman Institute in the Philippine Islands, the Federated Peking University in China, and the proposed colleges in Japan and Persia.

3. That the Assembly reiterate its hearty approval of the Board's policy to promote comity, coöperation and union in all practicable ways, thus avoiding denominational overlapping and the undue multiplication of agencies in a given field, but using men and money to the best advantage.

4. That the Assembly recommend to all pastors and Sunday-school superintendents the observance of the special days of Easter and Christmas in the Sunday-schools for the presentation of Foreign Missions and that every Sunday-school make some contribution to Foreign Missions.

5. That the Assembly expresses to the Board, its secretaries and treasurer its high appreciation of their fidelity, zeal and efficiency in the conduct of the Board's work, and gratefully and joyfully recognizes the courage and devotion of our missionaries in this time of peculiar perplexity and peril in their work.

6. That the following persons, whose terms of office expire with this meeting, be hereby reëlected members of the Board

for the class of 1916–1919: *Ministers*—Eben B. Cobb, D.D., John McDowell, D.D., Charles C. Albertson, D.D., Minot C. Morgan; *Ruling Elders*—John Stewart, William E. Stiger, Esq., Alfred E. Marling, Edwin M. Bulkley.

Respectfully submitted,
C. WALDO CHERRY, *Chairman.*

The Report on the Panama Mission Conference was verbally made by Rev. Charles L. Thompson, D.D., and by Dr. Robert E. Speer, Chairman of the Panama Congress of Missions, and the following resolution offered by the Rev. William H. Roberts, D.D., was adopted:

Resolved, That the General Assembly expresses its cordial approval of the Panama Conference, and commends to the Boards of Foreign and Home Missions that they heartily coöperate with other agencies of Evangelical Churches throughout North and South America, in movements for the moral and spiritual welfare of the populations of Latin America.

One-half hour was spent in devotional services.

The Assembly took recess until 3 o'clock P.M., and the session was closed with prayer.

THURSDAY, May 25, 3 o'clock P.M.

The Assembly met, and the session was opened with prayer.

The matter of the election of members of the Permanent Judicial Commission was taken up. The nominations made by the Judicial Committee were read.

The Stated Clerk was authorized to cast the ballot of the Assembly for the persons nominated, and so did. The Moderator then announced that the following persons had been duly elected members of the Permanent Judicial Commission: *Ministers*—Wilbur O. Carrier, D.D., William S. Young, D.D., William R. Dawson, D.D.; *Ruling Elders*—Hallock C. Sherrard, Emory A. Camp.

A special bill of expenses presented by representatives of the Presbytery of Neosho was referred to the Committee on Finance.

The Report of the Special Committee on the death of the Rev. William B. Noble, D.D., the late Permanent Clerk, was presented by the Rev. John W. Dinsmore, D.D., Chairman, and, pending its adoption, the Assembly was led in prayer by the Rev. William H. Roberts, D.D. The memorial was adopted and is as follows:

The Committee appointed to prepare a minute in memory of the late Rev. William Brown Noble, D.D., LL.D., long a faithful and efficient officer of this Assembly, beg leave to present the following, namely:

William Brown Noble was born in Bedford, Pa., April 14, 1841; graduated from Washington and Jefferson College in 1863, and from the Western Theological Seminary in 1866. He immediately entered the active ministry and served as pastor of important congregations in Pennsylvania, Iowa and California, in all of which he was efficient, honored and beloved. For several of the later years of his life, he was synodical missionary of the widely extended Synod of California, a Synod which covers the vast territory included in the States of California and Nevada. The wisdom of assigning so herculean a work to a man past sixty was seriously doubted by some of his warmest friends, but trial showed that their misgivings were unfounded. He faced his great task with serene fortitude, a fortitude based on his heroic faith in God, who had called him to it, and from first to last he revealed an indefatigable industry, an indomitable energy and self-sacrificing zeal, which commanded the admiration, the affection and the gratitude of his brethren. His work kept him most of the time from home, and required long and toilsome journeys, by rail and boat not only, but by wagon, on horseback, and not seldom on foot. He trekked patiently across vast deserts, followed the trail over mighty mountains, wound his solitary way into deep and dark canyons, in search of the scattered sheep of the wilderness; enduring hardships, putting up with privation, eating such food as he could find and sleeping where night overtook him, that he might finish his course with joy and the ministry he had received of the Lord Jesus, to testify the gospel of the grace of God. He was greatly honored and beloved by his brethren all over that vast Synod, especially by the lonely missionaries in remote places, to whom he brought sympathy and cheer, and scarcely less so by multitudes of the rough men of the desert and the mountains whose souls he had sought. Modest, quiet, never seeking publicity for himself, the Church at large never knew, in his lifetime, the work and the worth of this faithful servant of God. He was a genuine knight of Jesus Christ, not craving the acclaims of the multitude, but venturing and toiling always and only as under the Master's eyes. For sixteen years he was Permanent

Clerk of the General Assembly, and he did the duties of that important office with great fidelity and efficiency to the end. This quiet, faithful, gentle, courteous man came to be widely known all over the Church, and he was respected and loved by all who knew him. Last year he greatly wished to attend the General Assembly once more, although sadly broken and feeble in health. His physician and friends sought to dissuade him, but he was resolute in his purpose, and, under the assiduous and loving care of those dear to him, he made the long journey of three thousand miles in order to be present once again in the General Assembly he so much loved, on his way to the General Assembly and Church of the First Born whose names are enrolled in Heaven. Who, that was present last year, can forget the sight then presented, as this beloved servant of the Church sat in his place on the platform, so broken, so wasted, so gentle, evidently about to be translated? All loved him and prayed for him. The scene witnessed, when a beautiful loving cup was presented to him by numerous members of the Assembly, while the whole body stood in tearful sympathy and affection, can never be forgotten by any who shared in it. It was also a pathetic proof of the affection cherished for him by the Assembly, that Dr. Roberts, the Stated Clerk, at his own request, was authorized to provide everything necessary for the tender care and comfort of this dying minister. At the close of the Assembly he was taken to the home of his son in Buffalo, N. Y., where he lingered until August 5, 1915, when he entered into the joy of his Lord. Funeral services were held at Buffalo, August 7, conducted by his long-time friend and associate, the Rev. Dr. Roberts, Stated Clerk of the General Assembly. Dr. Noble's wife had preceded him by two years to the better land, and there are four surviving children, two sons and two daughters. The General Assembly is moved to this deserved tribute to the memory of this faithful and beloved servant of God and His Church.

All hail and farewell, till the morning dawns and the shadows flee away.

Respectfully submitted,

JOHN W. DINSMORE, *Chairman.*

The Report of the Standing Committee on Church Erection was presented by the Rev. J. R. J. Milligan, Chairman, and was received and approved and, pending the adoption of the recommendations, the Assembly was addressed by the Rev. Jesse C. Bruce, D.D., Field Secretary of the Board, and the Rev. David G. Wylie, D.D., Secretary of the Board. The recommendations were adopted seriatim, and the nominations therein were laid over until to-morrow. The report is as follows:

The work of the Board of Church Erection is fundamental to the progress of the Presbyterian Church.

As the home is to the family, the school-house to education, the State capitol to the stability of government, so is the house of worship to a Christian community. A congregation cannot be permanent and effective, nor can a community's interests be developed morally and spiritually, unless there is a place where they may assemble, a spot toward which their eyes may look, and upon which their hearts' affections may be centered.

It was because of this fact that, in 1844, seventy-two years ago—almost three-fourths of a century—our fathers created the Board of Church Erection and put it to work, assigning to it the task of erecting "houses of worship" for the purpose of aiding "feeble congregations"—making possible the enlarging of the Church's borders by equalizing the burden, placing it upon the many instead of the few, and giving to the people of a community a religious centre as stable and permanent as their own homes.

The history of this Board for this three-quarters of a century is, and will ever be, one of the most fascinating and thrilling stories in the annals of American Presbyterianism.

We found the Report of this last year's work intensely interesting and suggestive, and if the Commissioners of this Assembly will read it carefully and convey the knowledge thus obtained to their home congregations, it will surely be a fertile source of information and inspiration.

Its different funds, its fields, its history, its appropriations, its recommendations, the work accomplished, and its broad statesmanlike perspective, magnify the Church, and are creditable to the men to whom the work is entrusted.

Indeed, as we have met some of these men within the last few days and learned from them and the printed reports how the work has been enlarged, and the plans they are making for still further enlargement and usefulness, we are led to thank the Head of the Church and congratulate the Assembly on this splendid leadership.

Listen for a moment to a statement of the perspective and the spirit of the workers, as expressed by the Secretary, Dr. Wylie, in his Annual Report. He says:

"The members of the Board realize the greatness of the task, and that coming years will demand that things be conducted on a larger scale. New communities are springing up and must have church edifices; many parishes are still without manses for their ministers; mission stations are to be provided for; provision must be made for Presbyterian students at university centres; churches in the vicinity of Presbyterian institutions must be built large enough to provide not only for the congregation, but for the students; more work must be done in the Mormon kingdom in order to counteract the growing influences of a false system of religion, and chapels and churches must be built to provide for the large number of non-English-speaking people in many parts of the country. The city problem also confronts us. The members of the Board fully realize that church building is fundamental and that there are many congregations, especially in the newer sections of the country, where much pioneer and missionary work must be done. The Board is anxious to do its work in a missionary spirit and not in a formal manner."

This ought to be enough to assure the General Assembly that the work of Church Erection is in the care of a Board composed of far-seeing and devoted men.

But we have further evidence. Last year the Board of Church Erection coöperated with the Boards of Education, Freedmen, and Home Missions. The Board erected two churches in university centres and two in the vicinity of Presbyterian colleges. It built manses and churches not only in the United States, but also in Porto Rico and Cuba. It considers itself the friend of all, and, as rapidly as the way may be opened, it desires, and is now at this Assembly requesting, the authority to assist the pioneer wherever he may go and the foreigner in our land wherever he may settle. It would go into the camp of the miner in the mountains or the lumber-jack in the forests. It would give to our sons and daughters at college and university a church and service similar to that to which they were accustomed when at home, and with appointments appropriate to their new environments.

The Board has under its control three funds from which assistance may be given to congregations building manses for their ministers—the Hoyt, the Raynolds, and the Manse Fund, so called. More than half of our settled pastors are yet unprovided with such a home. The motto of the Board is, "A manse for every settled pastor." And while it is gratifying to know that the Board has been able to render valuable assistance to numerous congregations, having assisted in building sixty manses during the year 1915 and 1916, at a total cost of $39,749, there is "yet much land to be possessed."

A comprehensive financial statement of the Board's receipts and expenses can be found in the Annual Report, and we recommend that every Commissioner acquaint himself therewith.

Since the last Assembly, the Treasurer, Mr. Adam Campbell, who had "served faithfully" the Board and the Church for thirty years as its Treasurer, offered his resignation. The resignation was accepted, and in his place the Rev. George R. Brauer, for six years acting Treasurer of the College Board, was chosen. He accepted the office, and has already demonstrated his ability to fill this important position.

It is very gratifying that the Board of Church Erection is seeking to extend the sphere of its beneficent influence. To us it seems that the Board has ground for encouragement and the Church occasion for gratitude. This year has been one of the best, if not the best, in the Board's history. And in the opinion of your Committee great opportunities are opening to the Board to render conspicuous service to the Church in the immediate future.

We therefore most heartily commend this Board to your confidence and increased support, and would urge that in every way possible you make it possible for them to meet new conditions in old fields and enter new fields and spheres which God is opening, so that the greatest good to the greatest number, and at the least expense, may be accomplished.

Your Committee respectfully submits for the action of the General Assembly the following recommendations:

A. That the request for a definition of the term "feeble congregations," in the charter of the Board, be defined by the Assembly as follows:

The Board of Church Erection obtained its charter from the Legislature of the State of New York, March 31, 1855. By this charter, the Board of Trustees were constituted a body corporate "for the purpose of aiding feeble congregations in connection with the General Assembly, in erecting houses of worship." Great changes have taken place since that early day, as our country has developed. A different type of church building, entailing larger cost, has been made necessary. The responsibility has rested upon the Board of Trustees of interpreting the meaning of the words "feeble congregations." In fulfilling this responsibility the Board has been guided by the rules adopted from time to time by the General Assembly. The rules have dealt with the maximum amounts and proportions of aid the Board was authorized to give to needy congregations in the form of grants, loans without interest, and loans with interest. Even under this guidance of the rules enacted by the General Assembly, the Board has found the task of determining the meaning of the words "feeble congregations" increasingly difficult and perplexing, owing to the changed and changing conditions confronting congregations in the matter of erecting houses of worship. As the charter is a legislative one, it has been deemed inexpedient to apply for an amendment. In view of these facts, the General Assembly hereby defines the words "feeble congregations" to mean inability to provide, from its own resources alone, a church building suitable for and adequate to the needs of the community.

B. That various Overtures referred to your Committee be answered as follows:

Overture No. 29, from the Synod of Ohio, in regard to enlarging the scope of the Board, is answered favorably in resolutions hereafter presented in this Report.

Overture No. 30, from the Presbytery of Central Washington, relating to the purchase of sites. It is recommended that this be answered in the negative, for the reason that the charter of the Board does not permit it.

Overture No. 31, from the Synod of Wisconsin, in regard to the preparation of architectural plans, has already been anticipated by the Board in the appointment of a Committee on Architecture, and by instructions to the Committee of the Board to prepare, print, and circulate books of plans.

Overture No. 32, from the Presbytery of Central Washington, relating to "institutional churches." It is recommended that no action be taken.

Your Committee respectfully submits for the action of the General Assembly the following additional recommendations:

1. That the minutes of the Board, which have been examined and found to be accurate, be approved, and that the Board be commended for the manner in which the records have been kept.

2. That the following-named persons be elected by the General Assembly as members of the Board of Church Erection, their terms to expire in 1919: Rev. Robert Scott Inglis, D.D., Newark, N. J.; Rev. J. R. J. Milligan, D.D., Pontiac, Mich.; Rev. Andrew J. Montgomery, D.D., Portland, Ore.; Rev. Arthur C. McMillan, Yonkers, N. Y.; Hon. M. Linn Bruce, New York City; Hon. Jesse S. L'Amoreaux, Ballston Springs, N. Y.; John T. Barry, Brooklyn, N. Y.; W. J. Hill, Lincoln, Neb.

3. That the Board of Church Erection be instructed to institute a movement throughout the Synods for an increase of the Manse Fund.

4. That the Stated Clerks of Presbyteries be directed to report semi-annually to the Board of Church Erection all the churches upon which the Board has claims, that have

been dissolved or that are no longer being used for church or manse purposes.

5. That the churches asking for aid be urged to apply for loans instead of grants, and that the Board be advised to restrict grants to churches only where in the judgment of the Board there is urgent necessity.

6. That the Board of Church Erection may, in its discretion, assist in the purchase of "portable" chapels, when the population is a shifting one.

7. That the Board be instructed and authorized to take over the work of the Joint Committee of the Boards of Church Erection and Education, for securing funds for the erection of Presbyterian Churches in university centres, and that special and vigorous efforts be put forth to create a fund of not less than $200,000, and coöperate with the Board of Education in the erection of such churches, and that the Board be authorized to appropriate by loan or grant such amount as in its judgment may be needed, and employ such agencies as may be necessary to carry out this work. It is recommended to the Board that, in addition to the erection of churches in university centres, it use a portion of the fund so secured in erecting or aiding to erect, or enlarge or improve, churches where there are Presbyterian colleges, and where the ordinary rules do not apply.

8. That the Board be given authority to aid congregations to rebuild churches and manses, or both, when they have been injured or destroyed in a general disaster in the community.

9. In answer to *Overtures Nos. 69* and *151*, from the Synod of Baltimore and the Presbytery of San Joaquin, it is recommended that Article 3 of Rule 9 be so amended as to eliminate the personal collateral bond now required on loans from the Loan Fund.

10. That the General Assembly amend the Rules governing the Manse Fund, so as to permit the Board of Church Erection to make loans to the amount of one-half of the cost of the building, provided that the amount of the loan shall not exceed $1,000, and that the period for the repayment of such loans may be extended to ten years; and that the Board, in cases where it deems it wise, may make *grants* for *manses*, said grants not to exceed one-third the cost of the building, and in no case shall the grant exceed the sum of $600.

11. That Article 8, in the Plan of the Board, be amended by substituting the words "foreign-speaking" for "Spanish-speaking."

12. That Article 15 of the Plan of the Board be amended so that the annual contribution to the Board of Church

Erection Fund of any church aided by a grant from the Board may be applied to the liquidation of the Board's claim, and where the total of the contributions of any church may equal in their aggregate the amount of the grant mortgage, the Board may execute a release of the mortgage.

13. In view of the constantly growing demands upon the Board, it is resolved that the Assembly direct the Board to use all reasonable means for the collection of loans where churches are delinquent and to call the attention of churches to the fact that they are expected to pay these loans when due.

14. That the question of the number of members of the Board from any one Synod be referred to the Executive Commission for consideration, and report to the next Assembly.

Respectfully submitted,

J. R. J. MILLIGAN, *Chairman.*

(2) To instruct the Board of Home Missions that, in meeting the need of such work among the colored people of the North, the Board should be free to use its general fund as well as any special fund that is set apart for such purpose."

It is recommended that no action is necessary, the Assembly having already completed action in connection therewith in the Report of the Executive Commission.

The Report of the Standing Committee on Temperance was presented by Rev. William Parsons, D.D., Chairman, was received, amended, and the recommendations were adopted seriatim. The Report is as follows:

The saloon is a dangerous and immoral nuisance. As a nation we are engaged in the work of abating this nuisance. This, of course, must finally be the work of the State, but the Church has her very definite and important part of this work to perform. We are assembled at this hour to perform the part of that work which belongs to the whole Church. Convictions only will finally achieve this social reformation. The Church's part is to create conviction and to voice the conviction of her membership. But more than that, she must speak the prophet's word to the State, in this as in all moral issues.

Your Committee has reviewed the work of the year, as done by your Temperance Board. The Thirty-fifth Annual Report of the Board has been placed in our hands, as also the minutes of its several meetings.

We have also carefully considered the needs of the Temperance work for the present year, not only as represented by your Board, but as it appears in the great national endeavor.

The report of the Treasurer of the Board reveals a sound business management, and shows a balance of $7,393.91 on hand at the close of the year.

In its work accomplished, the Board has maintained, in addition to its General Secretary, who is recognized as one of the ablest temperance workers in America, an office force adequate to transact its present volume of work; a force of seven field workers, who have been laboring in many parts of our country; two special workers, and a considerable force of volunteer workers, whose expenses only have been paid, to a very limited extent.

During the year there have been great gains in this world-wide social movement. As the first and greatest of these, stands the confirmation of the Russian war policy of prohibition. This has now been changed from an emergency war measure to a settled policy of the empire. Thus the largest single area under one flag, with a population of 180,000,000, has entered permanently upon a dry policy.

Since our last Assembly met, eight States have put this policy into operation. They are Alabama, Arkansas, Colorado, Idaho, Iowa, Oregon, South Carolina, and Washington. Virginia has voted, and in November will inaugurate this policy.

Considerable gain has been made in local prohibition. This part of the work is proving itself the occasion of continual education of the people.

Much has been gained in the enactment of laws prohibiting the advertisement of liquors in newspapers, magazines and on bill boards in dry territory.

Equally as much has been gained by the voluntary action in this same direction by the publishers of newspapers and magazines. In all of these gains the Assembly rejoices.

Our distinct part, the part which we have taken as a Church, in this social movement, though considerable in extent, has necessarily been rather small, when compared with our strength, because of the limited amount of money entrusted by the Church to the Temperance Board.

A word as to the needs of this cause. The great gains in local and State-wide prohibition are to some extent nullified, and in some instances jeopardized, by the policy of the Federal Government. First, by compelling common carriers to accept shipments of liquor, the sale of which is illegal at its destination. Second, by continuing to issue tax receipts for the illegal selling of liquor in dry territory. Third, by allowing the mails to be used for advertising and delivering liquor in dry territory. Thus our Federal Government forces this dangerous and immoral nuisance upon more than half of the territory of the United States, against the expressed will of the people of those localities.

Further, our rejoicing of a year ago, over the passage through the House of Representatives of the bill to submit a constitutional amendment to the vote of the several States, and its favorable consideration by the Senate, has been dampened by the manner in which this has been locked in the Committee rooms. And we are told that it will not be reported out at this session of Congress. Party necessity is the commonly recognized reason.

Thus we find the will of twenty-nine millions of our people thwarted, and their constitutional rights of amending their instrument of government temporarily denied for party necessity.

These conditions present our tasks. These tasks have not diminished with the successes of the year. Though we think we see the goal of "National Prohibition," we have not yet reached it by any means.

The first and important duty of the Church is to confront a timid Congress with the prophet's word, "It is not meet that the welfare of the exchequer . . . . should be dependent upon the ruin of American citizens." It is her duty to urge her citizens to demand, in no mistakable terms, their right to vote on the subject of national prohibition.

The intolerable situation in which we find ourselves can perhaps best be realized by a glance at Russia. Listen to these two thoughts from a recent book on Russian prohibition by Ernest Gordon. In the rescript, addressed to the New Ministry, the Tsar wrote:

"I have come to the firm conviction that a duty lies upon me, before God and Russia, to introduce into the management of the State finances, fundamental reforms, for the welfare of my beloved people. It is not meet that the welfare of the exchequer should be dependent upon the ruin of the spiritual and productive energies of my loyal subjects."

The workings of that new policy of prohibition are described in this book as "Circe's Miracle Reversed: Swine Made Men." The wonderful economic improvement in Russia, in spite of the war, is one of the unique things in this strange day.

Yet, with this example before us, we Americans stand baffled before Congress, by the excuse of party necessity. A sovereign people denied its constitutional rights to abate a nuisance.

A number of other important measures are buried in the committees by this same party necessity. They are: (1) The Prohibition Bill for the District of Columbia. (2) To prohibit the use of the U. S. mails for liquor matter. (3) A bill to exclude liquor from all territory under the police jurisdiction of the United States. (4) The Hawaiian Prohibition Bill. The power of petition should be brought to bear upon these.

Five States this year are attempting to secure State-wide prohibition: California, Michigan, Montana, Nebraska, and South Dakota. Idaho, already under statutory prohibition, is attempting this year to write it into its constitution.

As we look at the intellectual problems presented by this great movement, many questions are raised, some of which have been but imperfectly answered. In your Board's Report, some of them are suggested for the year's study, on the part of the Church. Upon the popular study of these questions and their more perfect answer depends the continued progress of this movement.

The Temperance Board of the Church is the official investigator, the armory of knowledge, the teacher of teachers, and the right hand of the Church, to help every earnest worker for this cause.

The Executive Commission of the Assembly has recommended $60,000 for the coming year's work. This is an advance of $5,000. This your Committee deems entirely inadequate for the work to be done. At the proper place in this Report we shall recommend that $100,000 be the minimum which the Assembly shall ask from the churches this year. (The Assembly ordered this recommendation omitted, because the Budget was in charge of the Executive Commission.)

The prerogative of this Assembly is, first, to stand by the other great branches of the Church, as one of God's prophets, and say to the civil government, "In the name of God and humanity, you ought no longer to permit this nuisance to exist." It is also the task of this Assembly to enlarge the work we are doing, in education, encouragement, and assistance, until we make this branch of our work truly representative of the strength and conviction of our great Church.

We therefore recommend:

1. That the report of the Treasurer of the Temperance

Board, as certified by a public accountant, and the Minutes of the Board, be approved.

2. That the Rev. T. B. Anderson, D.D., Rev. William L. McEwan, D.D., Rev. James H. Snowden, D.D., S. H. Thompson, Esq., Mr. Graham C. Wells and Mr. Robert J. Gibson, members of the Board whose terms expire, be reëlected, and that the action of the Board in electing Mr. William A. Shaw and Rev. George Taylor, Jr., to fill the unexpired terms of Prof. W. B. Crabbe and Rev. Campbell Coyle, D.D., be approved.

3. That the work of the Temperance Board be approved and commended, and the Assembly expresses the hope that it may be able to expand its work rapidly along the lines already projected.

4. That in the future, invitations to the General Assembly should be accompanied by the assurance of local committees that a sufficient number of Temperance hotels are available, or that others agree to close their bars during the session of the Assembly, and that the local committees will not make assignments to any others.

5. That the General Assembly respectfully petitions the Senate and House of Representatives in Congress assembled, to put upon its passage, at this session, a bill submitting a constitutional amendment, providing for national prohibition, to the several States for their action; and that the Stated Clerk be instructed to forward the following petition, properly adapted, to each House of Congress and to the President of the United States:

To the..

We, the Commissioners of the General Assembly of the Presbyterian Church in the U. S. A., in session, assembled at Atlantic City, N. J., as representatives of 1,500,000 members who are citizens of the United States, do respectfully petition......................................that you use all of the law-making powers vested in you by the Constitution, to pass a bill submitting a constitutional amendment, for the total prohibition of the traffic in alcohol for beverage purposes, to the people of the several States for their action..

Signed,

Moderator;
Stated Clerk.

and that the Temperance Board be instructed to furnish a facsimile of this petition to each individual Senator and Congressman of both the present and the incoming Congress.

6. That the Assembly earnestly protests against the policy of Government in issuing tax receipts which are used as

permits for the sale of alcoholic beverages in territory where by any means of Government it has been forbidden by law. That this policy is subversive of the will of the people and destructive of local self-government, and we respectfully request that this be discontinued.

7. That the Assembly rejoices in the many agencies that to-day are working toward the common end of destroying the traffic in alcohol as a beverage, and stands ready to coöperate, within its powers, with any and all who are working toward this necessary end. But especially recommends the coöperation with the Temperance Commission of the Federal Council of the Churches of Christ in America.

8. That the Synods and Presbyteries be urged to make ample room for this cause and the representatives of the Temperance Board, upon the programme at their regular session, and in the various lines of Temperance work in which they are engaged; and that they utilize all of the agencies and means of the Board to assist in their local tasks.

9. That we urge upon the churches a more definite attention to the work of educating the people, especially the youth, as to the physical, economic, social, political, moral and religious facts concerning alcohol as a beverage and an article of commerce.

10. That we commend to our young People's Societies and Sabbath-schools some more perfect system of Temperance education, such as the course offered by the National Temperance Union, the literature of which can be procured through the Board.

11. That the Assembly urge those churches situated in localities which have in a measure achieved success in this work, not to forget the needs of their brethren less fortunately situated, and to make their offerings with the same generosity and promptness as when they themselves were recipients of the Board's more intensive assistance.

12. That all church members be urged to demand insistently, as citizens of the United States, in the name of sound business, righteous government and common morality, that they be given the right to express their convictions now, as to the future policy of the Government concerning national prohibition.

13. That the thanks of the Assembly be extended to the Hon. William Jennings Bryan for the splendid address delivered at the Popular Meeting, on behalf of Temperance, Sunday afternoon, May 21, especially in view of the fact that he declines any financial remuneration.

Respectfully submitted,

Wm. Parsons, *Chairman.*

The Standing Committee on Temperance presented a supplementary Report, which was approved, and is as follows:

Overture No. 38, from the Presbytery of Wichita, concerning the use of tobacco, was referred by the Committee on Bills and Overtures to this Committee.

It is as follows:

Whereas, The General Assembly of the Church has gone on record as disapproving the use of tobacco by its ministers, we, the members of Wichita Presbytery, do memorialize the General Assembly either to rescind its former action on this subject or,

1. To add to the requirements for ordination a declaration by the candidate that he does not and will not use tobacco in any form, and

2. That we require the officers employed by the Board and other agencies of the Church to refrain from all use of tobacco.

We recommend the following answer:

It is not deemed wise, by this Assembly, to lay more stringent restrictions upon the office-bearers and courts of our Church in regard to the use of tobacco than have been applied to the use of intoxicating liquor.

But we desire to emphasize the following facts:

(1) That upon the lowest ground of utilitarian ethics, this habit is scarcely justifiable.

(2) That when measured by the spiritualized ethical principles of Christianity, it stands inexcusably condemned.

(3) That the Presbyterian Church teaches her youth, officially, that the use of tobacco is an evil habit, to be avoided.

(4) That in the light of present-day knowledge the Church cannot reverse her policy in this course of instruction.

(5) That it is a glaring inconsistency in the Church, to teach in the General Assembly, the Temperance Board, the Women's Societies, the Young People's Societies and the Sabbath-schools, that the use of tobacco is an evil habit to be avoided, and then for her ministers and spiritual leaders and officers openly to set the example of indulgence in that habit.

In view of these facts, as we stand before this dilemma, the Assembly pleads with the office-bearers of the Church, to relieve the Church of this reproach.

Shall we not, in this day when we are calling for heroism and self-sacrifice in order that we may meet the great opportunities of world service, stand reverently before those opportunities and say to our Lord, "If tobacco cause my brother to offend, I will neither smoke nor chew tobacco while the world standeth."

Respectfully submitted,
William Parsons, *Chairman.*

It was ordered that the first order of the day, to-morrow, be the Report of the Committee on Christian Life and Work.

A supplemental Report of the Committee on Home Missions, on Overtures, was presented by the Chairman, Dr. McEwan, and was approved. (This is included in the general Report, p. 139.)

The Assembly adjourned until 9 o'clock A.M. to-morrow, and the session was closed with prayer.

FRIDAY, May 26, 9 o'clock A.M.

The Assembly met, and the session was opened with prayer.

The Minutes of yesterday's sessions were read and approved.

The Committee on Bills and Overtures, through the Chairman, Rev. J. Ross Stevenson, D.D., presented a further Report, which was adopted, and is as follows:

The Committee on Bills and Overtures makes further Report as follows:

1. *Document No. 164*, being a communication from the League to Enforce Peace. It is recommended that it be returned to the Stated Clerk, to be transmitted to the Peace-Makers Commission heretofore appointed.

2. *Document No. 165*, being a proposed petition to the President of the United States for the good offices of our Government in behalf of the persecuted Jews of Europe. We recommend the adoption of the following:

WHEREAS, The civilized world seeks some feasible method of relieving the persecuted Jews; and,

WHEREAS, We recognize the difficulty of harmonizing the widely divergent races of the multitudinous population of Russia and other nations; and,

WHEREAS, The governments of these nations should properly resent any foreign interference with their internal affairs; and,

WHEREAS, Each of many nations can consistently point to the others as evidence that the Jews are not in its dominion alone, oppressed and slaughtered; and,

WHEREAS, The Jewish question is world-wide and demands an international remedy; and,

WHEREAS, The environment of the Jews is so fraught with alarming danger in many quarters of the world that humanity and the Golden Rule demand speedy action; and, WHEREAS, The records of the State Department at Washington, since the presentation of a memorial to President Benjamin Harrison, in 1891, by William E. Blackstone, in behalf of the Jews in Europe, evidence the development of a remarkably benign activity on the part of our Government in behalf of the Jews; and,

WHEREAS, We deem the imminent outcome of the present sad and destructive war a most opportune time for calling such an international conference of the Powers,

Now, therefore, We, the General Assembly of the Presbyterian Church in the U. S. A., most respectfully petition Woodrow Wilson, President of the United States, and the other officers of our Government, that the good offices of the Government of the United States may be used to intercede with the governments of Europe for an international conference to consider the conditions of the Jews, and to adopt such measures as may be deemed wise and best for their permanent relief.

3. The Assembly referred to this Committee a memorial from the Lord's Day Alliance of Pennsylvania, and, in addition, Resolution 14 of the Report of the Assembly's Committee on Sabbath Observance. After due consideration, we recommend that the following resolutions, numbered 14 and 15, be inserted in the Report of the Committee on Sabbath Observance, in place of Resolution No. 14, and that the Report as thus amended be approved. (See Report on Sabbath Observance, p. 98.)

4. *Overture No. 40*, from Cairo Presbytery, relating to a proposed amendment to the Constitution of the United States. It is recommended that no action be taken.

5. We recommend the adoption of the following resolution relative to arrangements for the meetings of the General Assembly:

Resolved, That the Executive Commission, in conference with the Stated Clerk and the Chairman of the Committee of Arrangements of the Assembly of 1917, arrange to secure adequate, helpful, and official publicity of the Assembly plans and proceedings, to economize the Assembly's time by the elimination of unnecessary platform notices and reports, and to make ample provision for the strong inspirational addresses and educational discussions which constitute such an important part of Assembly meetings.

Respectfully submitted,
J. ROSS STEVENSON, *Chairman.*

The Report of the Standing Committee on Christian Life and Work was presented by the Rev. W. R. King, D.D., Chairman, and was received. The recommendations were adopted seriatim, and, pending their consideration, Dr. Luccock, Chairman, and Rev. W. H. Houston, Secretary of the Permanent Committee on Vacancy and Supply, and the Chairman of the Standing Committee made addresses. The item touching marriage and divorce was committed to the Special Committee on Christian Life and Work for consideration. The Report is as follows:

Your Committee on Christian Life and Work submits the following Report:

I. The Narrative.—We have read with great interest the narrative submitted to us by the Special Committee on Christian Life and Work and most heartily commend it to the attention of the Church.

It is unnecessary for this Committee to consume the valuable time of the Assembly with a review of this Report; we would merely emphasize the encouraging features of it.

In every phase of the Report there is reason for great thankfulness to God for the sign of progress and growing interest in all departments of the Church's life.

In membership and service there has been a very encouraging advance.

The Sabbath-schools show a splendid work being done and a marked improvement in extension and efficiency.

Men's Societies are reported as in a fair condition, some in a good condition, and still others in a most encouraging state of activity.

Women's Societies are doing an ever-increasing and efficient work.

Young People's Societies are less numerous, but generally in good condition.

As to the general spiritual conditions, the reports indicate every shade, from "unsatisfactory" up through "fair," "good," "better," to "most encouraging."

Revivals are reported in many localities.

The one most discouraging feature of our church life is the general decline of the family altar and the old-time Presbyterian family religion.

But, on the whole, your Committee is profoundly of the opinion that the day was never brighter, and the vision of the Church never clearer, and the purpose of the Church never more determined, and the faith of the Church never stronger, than at the present time. There is every reason to thank God and take courage.

II. Recommendations.—1. We recommend the approval of the Form of the Annual Narrative of Christian Life and Work submitted by the Committee. (See in the Appendix.)

2. We recommend that the Report of the Special Committee, on Statistical Reports, having to do with the *Minutes* of the General Assembly, be referred back to the Committee for further consideration and correction, after further consultation with the Secretaries and Treasurers of our various Boards, and with the Stated Clerk of the General Assembly; and that the Committee be given power to act, and, if possible, determine the matter in time for the printing of the *Minutes* of this meeting of the Assembly.

III. We commend the work of the Committee on Vacancy and Supply, and recommend the adoption of the resolutions submitted in their Report, and request that the Assembly hear Dr. Luccock, the Chairman of the Committee, and Dr. Houston, the Secretary. (See Appendix.)

We recommend the election of *Ministers*—S. S. Palmer, D.D., and Paul B. Jenkins, D.D., and *Ruling Elders*—A. A. Loetscher and William R. Farrand as members of the Committee for 1916–1919.

1. We recommend no action on *Overture No. 36*, relating to the Committee on Vacancy and Supply. (Referred.)

2. We recommend that *Overture No. 71*, relating to uniform marriage laws, be answered in the affirmative. (Referred.)

3. We recommend that *Overture No. 72*, relating to Good Friday, be answered in the negative.

IV. In view of the rapidly rising tide of spiritual interest in this country and in the world, giving unsurpassed opportunity for advancing the Kingdom of God along evangelistic, social, educational, and all other lines, and in view of the fact that pastors and laymen seem ready, as never before, to move aggressively forward in support of a broad constructive policy, and in view of the further fact that the wisdom and value of systematic coördination of all interests and forces, both in the Church local and in the Church at large, have been demonstrated by the success of the Every-member Movement for Benevolence, and whereas the union of the Old and the New School Churches marked an epoch in American Presbyterianism, and the fiftieth anniversary thereof in 1920 should be recognized in a fitting manner. Therefore, be it

Resolved, 1. That this Assembly endorses the proposal to celebrate in a fitting manner the Golden Anniversary of the Reunion, in 1869, of the two branches of Presbyterianism.

Resolved, 2. That the Executive Commission is instructed to prepare and present to the Assembly of 1917 a suitable plan for such a semicentennial celebration.

Resolved, 3. That one feature of the plan shall be the preparation of a three-year denominational programme of advance along all lines, including increases in Church and

Sunday-school membership, gifts to missions and benevolences and church support, improvements in church property and equipment and the advance of spiritual and material efficiency in all directions.

Resolved, 4. The Executive Commission shall seek to coördinate the programme and policies of the various Committees and Agencies of the Assembly, so as to offer to each Presbytery and Synod a definite, systematic, comprehensive and practical programme for simultaneous and successful advance in the largest degree.

V. That in view of the distressing condition of the world to-day and the unprecedented needs and opportunities that confront the Church of Jesus Christ, the Assembly calls upon all its members to be much in prayer, and to be faithful in season and out of season to represent worthily Jesus Christ before men.

Respectfully submitted,
William R. King, *Chairman.*

It was ordered that all speeches be hereafter limited to five minutes each, except the speeches nominating places for next meeting of the Assembly, which shall be limited to ten minutes each.

The Report of the Standing Committee on Education was taken up, was adopted seriatim, and is as follows:

The Board of Education, with one exception, is the oldest Board in our Communion. Grateful to God for its signal success, it takes a retrospect upon ninety-seven years of efficient service in our beloved Church, and as it approaches that glad day when one hundred years shall have crowned its efforts, your Committee would respectfully suggest that it is preëminently fitting that this century of educational progress in the training of an efficient ministry be observed with appropriate ceremonies in 1919.

The Board of Education always has been recognized as the well-equipped agency for trained leadership for the Church. The raising up of a pious, Bible-trained, spirit-filled Gospel ministry ever has been its distinct function and mission. Thirteen thousand Presbyterian ministers have been enabled to acquaint themselves with Christian colleges and seminaries through means supplied by this Board. As this great agency of the Church joyfully anticipates the celebration of its centenary anniversary, it is with the supreme satisfaction that never once has it swerved from its avowed purpose, and during these years no worthy young man, eligible under the rules of the Assembly, has ever been turned aside for lack of funds. This aid never has been distributed in a promiscuous manner, but always under the scrutiny of Sessional and Presbyterial recommendation, coupled with the discriminating action of the Board, with a view to sifting for the finest of the wheat. The Board of Education, in thus recognizing its distinct mission, has made steady progress in its educational endeavor. In the past decade, fifteen hundred more scholarships have been paid to ministerial candidates, representing over $240,000 more money, than during the previous ten years. This 128th Assembly will be interested to know that our great Church has not been unresponsive to this progressive step. The number of contributing churches, during this ten-year period, has been increased by 1,560, while the receipts from all sources show an increase of $1,000,000 over the previous ten years.

But fidelity to the old work, with a reasonable progress therein, never has been the sole objective of this Board. It has opened its eyes to a new vision and answered the call of God in other whitened harvest fields. Ever conscious of the fact that in our great Board of Foreign Missions, our Women's Board of Home Missions, and our Board of Publication and Sabbath School Work, there are three times as many professional lay workers as there are ordained men, the Board of Education recognizes the need of Presbyterian Training Schools, that her lay leaders may go forth as skilled workmen. In addition to granting thirty-two one-hundred-dollar scholarships to persons studying in our Training Schools, the Board is giving aid to eighteen students preparing for work in class "A" medical schools, as missionaries on the foreign field. In every case, before the aid is granted, these students have the indorsement of our Foreign Board.

Another distinct field of labor which has opened before the eyes of the Board is College Visitation. For the past six years, through union of effort with the Assembly's Permanent Committee on Evangelism, this work has been advanced. Vocation Day in our colleges is an invention of this Board, and it was a happy thought which suggested a new way of touching the source of supply for our Gospel ministry. In sixty-two institutions of our Church, representing 25,000 students, the vast majority of whom come from Presbyterian families, the representatives of our Board have held before our college-bred men not only the necessity of deciding for Christ as a personal Saviour, but the supreme importance of answering with their lives and souls the challenge of Jesus for service in His Church.

To the Board of Education has been committed the task of reporting the progress of religion in relation to the public schools. One of its objective points is, to promote the religious side of public education. Every Commissioner to this Assembly should read that part of the Board's general Report which relates to religion in the public schools. It will be found on p. 51 of the Report. When we remember that the general drift in this country is toward a secularized education, and that many bright prospects for Christian service are thereby lost to the Church, it is high time that we give this problem serious consideration. In the State of Wisconsin, 86½ per cent. of the teachers in her public schools, superintendents, principals, and grade teachers, received their scholastic training at the hands of publicly supported schools. One of the supreme missions of the Church of Jesus Christ is to Christianize the source of supply for our public education. To accomplish such a result the Board of Education goes to one of the fountain heads—the university and college life. The great State schools, with their millions of money, have been drawing heavily from the fields of Presbyterianism. In many States more Presbyterian young people attend State schools than Presbyterian colleges, although they attend these State schools ofttimes for the purpose of acquiring a technical knowledge which many of our denominational colleges do not provide. The Church, through this Board, faces a dilemma. Will it insist that Presbyterian students attend Presbyterian colleges only, and turn all its attention there, or will it answer the call for Christian training and instruction from the thousands of Presbyterian young people who are in attendance upon the State schools? The question answers itself. Spiritual oversight must be given these Presbyterian young people. The demand that such oversight be supported by the Churches is overwhelming. To that end, the Board has its university and college pastors. In this labor the Board most heartily concurs with past deliverances from our General Assembly. This policy in nowise detracts from the Board's interest in our own denominational colleges. There is a wrong impression in the minds of some that the Board is working in behalf of the university. This work is simply the Church going where the young men and women are. The Board has remained entirely independent of the State universities. The only institution the Board of Education serves is the Church. The Christian college is her first love. Her loyalty has in nowise diminished. But she cannot escape the responsibility of a well-defined problem. The Presbyterian Church must help the Board in the solution of this great problem. Brethren, the Board needs your prayers as well as your money; your kindly interest, in addition to information for a special objective in a spiritual campaign. Only with these can the

Board, under God, assist in supplying the Church with an efficient trained leadership, whose righteous personalities would lead the Church on toward a purer morality, a higher intellectual standard, and a deeper spiritual life.

Recommendations:

1. That the Treasurer's Report for the year ending March 31, 1916, and the minutes of the Board, be approved.

2. That the 97th Annual Report be accepted, and that the Board of Education be commended for the excellent presentation of a Report of unusual merit.

3. That the work of the Joint Committee of the Board of Education and of the Assembly's Committee on Evangelism be heartily approved, and its recent efforts among the colleges and the churches, leading up to enlistment for the ministry and the missionary life, be commended.

4. That our Presbyterian training schools for lay-workers be commended to the liberality of the churches, and that the Board be directed to continue its efforts in behalf of students in these institutions.

5. That the Board's promotion of the religious life of the thirty thousand Presbyterian students in State universities be heartily approved, and the Board directed to continue to prosecute the task with vigor.

6. That the Board be authorized to exercise its discretion in assisting in the education of Indian students looking forward to the ministry.

7. That the Board be authorized to assist Japanese, Chinese, or other students of the far East, who are duly accredited by their respective missions as candidates for the ministry, and are recommended by their Presbyteries for an American Christian education.

8. That the Board be directed, in accordance with previous deliverances of the Assembly, to withhold aid from students failing to pursue a theological course which includes a working knowledge of the original languages of Scripture.

9. That the rules governing candidates for the ministry who marry during the time they are under the care of the Board be extended to candidates for lay service as medical missionaries.

10. That the proposed campaign of Christian education by the Council of Church Boards of Education, including the first Congress and Exhibit at Wilkes-Barre, June 8 to 12, 1916, be heartily approved.

11. That the Report of the Board on the relation of religious education to public-school instruction be approved as a document of unusual merit, and the Board be directed to continue its work in this direction.

12. That the Assembly herewith call the attention of the churches to the inadequate support of the Board during the past year, and to the necessity for reaching the budget of the two hundred thousand dollars recommended for the current year.

13. That Thursday, February 15, 1917, be recommended to the churches as the Day of Prayer for Colleges, and that the previous Sunday be celebrated as Vocation Day, the beginning of Education Week—a week to be observed in all our churches and institutions as a special season of prayer for the arousing of religious life among students.

14. That the following persons, whose terms of office on the Board expire with this Assembly, be reëlected to the class of 1916 to 1919: Henry Collin Minton, D.D., LL.D., John Allan Blair, D.D., Edward Yates Hill, D.D., John E. Tuttle, D.D., Mr. Charles T. Evans, Walter E. Rex, Esq., Mr. Evan G. Chandlee, Mr. Burton E. Kipp, Mr. William G. Moore, and that the election of Charles F. Wishart, D.D., to fill the unexpired term of John Balcom Shaw, D.D., resigned, and the election of John Allan Blair, D.D., to fill the unexpired term of J. Beveridge Lee, D.D., resigned, be confirmed.

15. That the Board be directed to turn over its portion of the work of the Joint Committee on Church Buildings in State University Centres to the Board of Church Erection, and be authorized to coöperate with that Board, wherever necessary.

In behalf of the Committee,
Frank C. McKean, *Chairman.*

The following resolution, offered by Mr. E. F. Wilson, was adopted:

Resolved, That it be, and it is hereby, the sense of this Assembly, that the Bible should be reinstated in the public schools of the several States of the U. S. A.; and be it further

Resolved, That the Stated Clerk of this Assembly be, and he is, hereby instructed to communicate with the Stated Clerks of the various Presbyteries throughout the U. S. A., conveying to them this intelligence, asking them so to inform their Presbyteries, and give such agitation to this important matter as shall make for its final adoption in the various legislative bodies throughout the United States.

The Report of the Standing Committee on Theological Seminaries was presented by the Rev. Hugh K. Walker, D.D., Chairman, and was received and adopted. The Report is as follows:

Your Committee would respectfully report that they have carefully examined the Annual Reports of the twelve theological institutions under the control of the General Assembly, and find many interesting and highly encouraging facts. It has been delightful to come into close touch, through these Reports, with the large company of cultured and consecrated men who are engaged in the training of our divinity students, and leading them out into that larger life which should characterize the modern minister of our Lord Jesus Christ. No one can read the record of the work accomplished and of the methods employed by these wide-awake institutions of our beloved Church without feeling a thrill of mingled joy and pride. The man who in this day and time refers to theological seminaries as "theological cemeteries" makes but a sorry jest, and at the same time displays a willful ignorance of the inspiring conditions surrounding the theological student of the twentieth century. Everywhere we find signs of vigorous and abounding life.

It is gratifying to report that the number of students continues to increase. The entire enrollment of all students in the twelve institutions is eight hundred and thirty-four, a gain of seventeen over last year. The rising tide is indicated by the fact that there are seventy more students than in 1914. A few of the larger seminaries show a slight decrease this year, but this is more than counterbalanced by the splendid increase in some of our younger institutions, notably Omaha and San Francisco, where the very large number enrolled has gladdened the hearts of those who have labored so long and so earnestly for the establishment of these two schools of the prophets, one in the Middle West and the other on the Pacific coast. It is interesting to note, in this connection, how greatly San Francisco is enjoying her newly established relationship to the General Assembly.

The standard of scholarship is being steadily raised in all of our seminaries. The number of graduate and fellowship students is increasing, and the degree of Bachelor of Divinity as bestowed by several of our institutions, is eagerly sought by a large number of our most gifted students, and the rigid requirements for the degree make it a prize well worth winning. The percentage of college graduates among the new students is unusually high, and with few exceptions all have received at least a partial college training. The need for an educated and cultured ministry is being met to-day as never before in the history of our great Church.

The high spiritual tone of seminary life is mentioned in several of the reports. The observance of a "Devotional Day" by the faculty and students of McCormick Seminary, which reports the largest enrollment of any of our institutions this year, is significant of the fact that no measure of material prosperity is regarded by our seminary leaders as in any way a substitute for that high spiritual fervor and devotion which should characterize all candidates for the Gospel ministry. Lincoln University reports the going out of two of her most gifted graduates as evangelists to do special revival work among the colored people of the South, and records with gratitude the marvelous success that has crowned their labors, and the reflex influence upon the spiritual life of the entire student body.

In the matter of equipment and endowment, there are many interesting movements in progress. Princeton Seminary is planning to erect, furnish and partially endow a great dining hall. The erection of a new chapel and the extension of her library building are also projected by this oldest of our seminaries, which nevertheless abides in the vigor of a perpetual youth. McCormick Seminary reports another large increase to its permanent funds, and also the gift of fifty thousand dollars by Mrs. Nettie F. McCormick for the erection of a gymnasium. Western rejoices in the completion and dedication of two wings of the new group of buildings, and very appropriately these handsome structures have been christened "Herron Hall" and "Swift Hall," thus perpetuating the names of two of the founders and most devoted friends of the seminary. An anonymous donor has also presented the institution with fifty thousand dollars for the erection of a new chapel. It is worthy of mention also that this seminary has received a gift of a remarkable library, to be known as "The James Warrington Memorial Library," a History of Psalmody, consisting of nine thousand volumes and manuscripts. It is said to be one of the completest libraries of the kind in the world, including volumes on this important subject of Psalmody not to be found either in the British Museum or the Congressional Library.

The Theological Seminary of Kentucky rejoices in new pledges to its permanent funds of sixty-six thousand dollars, and a generous gift from Mrs. John S. Kennedy of fifty thousand more. San Francisco Seminary is enthusiastically engaged in the task of securing a half million dollars of additional endowment, two-fifths of this amount to be devoted to the establishment of a "School of Missions," which will be the first of its kind in the entire West. Auburn Seminary is seeking to secure a half million dollars for additional equipment and endowment, and is making most gratifying progress in her vigorous campaign. Dubuque Seminary has successfully launched her enterprise, endorsed by the last Assembly, the purpose of which is to raise at least five hundred thousand dollars for the adequate equipments of her vastly important work. Bloomfield Seminary is earnestly asking for two hundred thousand dollars in order that she may adequately meet the needs of the young men who are coming to her, representing this year ten different nationalities. Lincoln University is modestly asking for only thirty thousand dollars, to endow her only unendowed Chair, while Biddle University is striking out for one hundred and fifty thousand dollars, in the securing of which the Theological Department has a large and vital interest. It may be confidently said, therefore, that the entire outlook for all our theological schools is exhilarating. The Master is calling laborers into His vineyard. The Church, believing in "preparedness" of the very highest kind, will not fail to furnish the "sinews of war" for the adequate training of those who are appointed to be leaders of the Lord's hosts. The highest efficiency is the watchword of the hour, and our theological seminaries are determined not to be behind in any such laudable enterprise.

A few changes in the faculties of the various institutions have been made and three new professors have been elected. In Princeton, a new Chair of "Dogmatic Theology" has been created, and Professor Caspar Wistar Hodge has been transferred to that position. In Lane, the Rev. Finis King Farr, D.D., has been transferred to the Chair of Hebrew and Old Testament Literature, and the Rev. Francis Powell Cheek, B.D., has been elected to the Chair of New Testament Exegesis and Introduction, which was made vacant by this transfer. In Auburn, the Rev. Frank W. Moore, formerly an instructor in the seminary, has been elected as Assistant Professor of Homiletics and Public Worship. San Francisco has elected the Rev. Hugh Henry Bell, D.D., to the "Ladd Professorship of Practical Theology." Biddle University has appointed the Rev. L. B. Ellerson, D.D., to the Chair of the English Bible.

Various matters of more than ordinary interest, in addition to those already mentioned, may be briefly noted. The death of the venerable Professor-Emeritus, Edward D. Morris, in his ninety-first year, cast a gloom over the faculty and student body of Lane Seminary, a loss which was keenly felt throughout our entire Church. Bloomfield records its sorrow on account of the death of the Rev. David R. Frazer, D.D., for many years an honored officer of its Board of Trustees and in recent years president of the seminary. Princeton reports the inauguration of Rev. J. Ross Stevenson, D.D., LL.D., as President and Rev. J. Ritchie Smith, D.D., as Professor of Homiletics. The careful reading of the

Annual Reports of all our theological schools reveals the adoption of many new methods of missionary enterprise, evangelistic effort and social service; the creation of new machinery in the way of summer fellowships and summer schools, not only for ministers and theological students, but for all Christian workers, and also the founding of a number of new scholarships and fellowships as incentives to the attainment of a higher scholastic standard.

In concluding this Report, one other matter must be mentioned. From papers submitted to us, your Committee finds that a condition of grave importance has unexpectedly arisen, consequent upon the action of the General Assembly, when the Report of the Committee in the matter of Union Seminary's relation to the General Assembly under the compact of 1870 was adopted. The finding of the Committee, that the conditions of the compact of 1870 were legally unenforceable, was incorporated in the *Minutes* of 1915 (p. 148). This finding, while directly pertaining to but one of the seminaries, indirectly affects the other seminaries, who were similar parties to the compact of 1870, and, to a certain extent, all the seminaries connected with our Church. Your Committee gladly calls attention, in this connection, to the fact that in each case and without shadow of reservation, the seminaries stand in the most friendly and close relation to the Assembly and assert unqualifiedly their desire to maintain their allegiance to the Presbyterian Church. In view of the obvious uncertainty of the situation, so important to the present and future of our beloved Church, your Standing Committee, concurring with the Committee on Bills and Overtures, unanimously recommends the appointment, by the Moderator of this Assembly, of the Special Committee suggested by the Committee on Bills and Overtures, consisting of three ministers and four elders, who shall also consider the present relations of the various seminaries, of Presbyterian affiliation, to the General Assembly, consider the possibility of securing some certain, fixed, and permanent relation of uniform character between the seminaries and the Assembly, and report to the General Assembly of 1917.

Your Committee also unite in making the following recommendations:

1. That the election of directors, trustees, professors and instructors, as reported to the General Assembly, be approved.

2. That we heartily commend the efforts now being made for additional equipment and endowment by so many of our theological seminaries, and express the hope that the generous gifts of individual churches may crown each of these enterprises with signal success.

3. That we commend especially the efforts of the Campaign Committee of the German Presbyterian Theological Seminary at Dubuque, Iowa, to secure five hundred thousand dollars for the better equipment and endowment of this noble institution.

4. That the attention of pastors be called to the duty of seeking out worthy young men of foreign speech and direct them to Bloomfield and Dubuque, and, further, that in view of the splendid service rendered by Bloomfield in the care and training of men of so many different nationalities, the General Assembly again commends the effort of Bloomfield to raise an additional endowment of two hundred thousand dollars, to the generous support of all the members of our great Church.

5. That we assure the directors, trustees, professors and instructors, in all our theological seminaries, of our hearty appreciation of their self-denying labors in the work of building up, sustaining and carrying on to a higher degree of intellectual and spiritual efficiency these beloved institutions of our Church. And, above all, we pledge them our prayers and our loving coöperation in order that the coming year may be one of unusual blessedness to them and of increasing usefulness to the students under their instruction and care.

Respectfully submitted,
Hugh K. Walker, *Chairman.*

The Report of the Committee on the Place for the Next Meeting was presented. On motion, duly adopted, Dallas, Texas, was substituted for St. Louis, Mo., in the Report of the Committee, and the Report was referred back for appropriate changes.

A supplemental Report on the new Board of Education was submitted by the Executive Commission, through the Chairman, Rev. J. Ross Stevenson, D.D., and was adopted.

The nominees for members of the General Board of Education were elected by empowering the Stated Clerk to cast the ballot of the Assembly for the several classes of members. The Stated Clerk cast the ballot for each class as authorized, and the members were declared elected.

At the conclusion of the Report the Assembly engaged in prayer. This Report in complete form is as follows:

The Commission has given very careful and considerate attention to the responsible and difficult duty devolved upon it by the definite and mandatory authority and direction contained in the resolutions adopted by the General Assembly of 1915, approving the "*Merger or Consolidation of its Board of Education and its College Board*" and directing that the said two Boards "*Be merged into one Board or administrative agency of the Church*"; and, as the result of such considerate attention, respectfully submits its views and conclusions in the premises as follows:

First: If the General Assembly's action, embodied in and evidenced by said resolutions, is to be construed as contemplating and intending the merger or consolidation, in a strictly technical sense, of the two Boards, by a formal agreement between them—one thereof being a corporation of the State of Pennsylvania and the other a corporation of the State of Illinois—so as to constitute a new corporation invested with, and entitled to exercise the corporate rights, franchises, powers and prerogatives of each constituent, such condition and result could not be effectively accomplished otherwise than pursuant to expressly authorizing statutory legislation in each of the said States, and as no adequate authority in that behalf has been discovered in either State, it is manifest that this form of procedure cannot be adopted.

Second: Assuming, however—as fairly inferable from their tone and tenor—that the General Assembly's resolutions contemplate and intend the creation of such condition as will concentrate and unite the powers, functions and duties of each of said Boards in, and their exercise by, a *single* "Board or Administrative Agency of the Church," the Commission has given due and deliberate consideration to this proposition, and deeming it essential to an intelligent, judicious and satisfactory conclusion thereof that all questions or difficulties of a legal character that may arise in connection therewith should be primarily considered and dealt with, the Commission constituted a Special Committee for that purpose, and the Special Committee, after full and considerate investigation, submitted its written report suggesting alternative modes of procedure, either of which in its judgment might be adopted and pursued with equal probability of ultimate legal effectiveness, coupled, however, with the statement that while neither of the alternative plans can rightfully be regarded as wholly free from legal doubts and difficulties in the event of attack, which doubts and difficulties, if raised and urged, can only be conclusively resolved and eliminated by judicial deliverance, the Committee nevertheless expressing the opinion that, because of the general supervisory power and authority possessed, and properly exercisable by the General Assembly over the two Boards as Administrative Agencies of the Church, and either by expression or necessary implication recognized in the charter of each, the adoption by the General Assembly of either of said alternative plans, and its express authorization and direction for the consummation thereof, will strongly tend either to the avoidance of legal complications or the satisfactory adjustment and settlement thereof, if they shall arise.

The alternative plans suggested by said Committee are as follows:

1. Utilization of the Board of Education, with suitable enlargement and revision of its presently existing corporate powers by application to the proper Pennsylvania Court for appropriate amendment of its charter; or

2. Utilization of an entirely new and independent corporation to be created, constituted and organized either under general law, or preferably by a special statute in one of the States where special legislation of this character is constitutionally permissible, with such powers as will adequately enable it to acquire, become possessed of, and, subject to the jurisdiction and supervision of the General Assembly, properly administer the assets and property of each of the existing corporations, under and subject, of course, to the terms, provisions and conditions of any and all trusts that may relate or appertain to the assets and property of either.

In view of the provisions of the General Statute of Pennsylvania, requiring that the property of an ecclesiastical corporation shall be subject to the control and disposition of such "constituted officers or representatives thereof as shall be composed of a majority of lay members, citizens of Pennsylvania, having a controlling power," the Commission is of opinion that the utilization of the Board of Education even with suitably enlarged powers, but subject to the above-mentioned limitation and restriction, would not adequately accommodate or accomplish the purposes and results which the Commission understands and believes the General Assembly's action contemplates and intends; and therefore the Commission is constrained to regard the alternative plan secondly above mentioned as preferable, and if the General Assembly shall so conclude and determine, the Commission suggests a plan and programme of procedure for its consummation as follows:

PLAN AND PROCEDURE.

In directing that the Board of Education and the College Board be merged or consolidated, the General Assembly evidently had in mind the more unified and efficient administration of the work of Christian education.

In order to continue, promote, and enlarge the work of the two existing Boards, the new Board shall possess and perform the following functions: First, the enlistment and support of candidates for the ministry and for such other forms of Christian service as are or may be approved by the General Assembly; second, the establishment, encouragement and assistance of educational institutions related to the Presbyterian Church, so as to afford our young people a Christian education, and, third, appropriate provision for religious services and for the promotion of religious life of students in independent or State educational institutions, and also such other educational work as the General Assembly may assign to it from time to time.

Organization.

1. The name of this Board shall be "General Board of Education of the Presbyterian Church in the U. S. A."

2. This Board shall be composed of thirty-six members, eighteen ministers and eighteen elders, distributed as equitably and as reasonably as practicable among the several Synods according to their reported Church membership, but not more than six to be selected from any one Synod. No one shall be eligible to membership in the Board who is employed by any seminary, or university, or college, or secondary school. The members of the Board shall be elected by the General Assembly; and according to the usual custom of the Assembly. They shall be divided into three classes. At the first election one class shall be elected for one year, another class for two years, and the third class for three years, and each succeeding election thereafter shall be for the full term of three years. In case of vacancy occurring in any class before the expiration of the term of that class, the same shall be filled by the Board.

3. This Board shall have at least one stated meeting each year, and such other meetings as shall be necessary for the proper administration of the Board's work.

4. There shall be an Executive Committee composed of twelve members of the Board, six ministers and six elders, divided into three classes, to be elected in successive years by the Board. This Executive Committee shall possess and exercise such powers and functions as the Board shall assign to it. The President and Vice-President of the Board shall also be members of the Executive Committee and shall serve respectively as Chairman and Vice-Chairman of the Executive Committee.

5. The administrative officers of the Board shall consist of a General Secretary, a Treasurer, a Recording Secretary, and such associates and assistants as may be required to create and maintain all departments necessary, subject to the approval of the General Assembly.

6. That these educational policies may be realized, Presbyteries and Synods are hereby directed to organize their educational work so as to conform to the general plan approved by the Assembly. In each Presbytery and Synod there should be a Committee of Education. The Synod's Committee shall be composed of members from the Presbyterial Committees on Education, and with the coöperation of the Board shall devise and promote measures to interest and enlist young men for the Gospel ministry; it shall develop the benevolence of the churches for the support of the Board's work. This Committee and the Board shall coöperate and be concurrent in the establishment, maintenance and in the supervision of the institutions of learning which are or may be in relation to the Church within the Synod's bounds; it shall afford in State and independent institutions religious privileges for students who are not otherwise provided for; and it shall endeavor to promote and maintain high standards of Christian education and Biblical knowledge.

Wherever possible, the self-supporting Synods shall be encouraged to meet the financial needs of the educational work within their bounds. In case of need they shall be permitted by the Board to make a general appeal. They shall also make effort to provide funds for assisting the educational work in missionary Synods.

Enabling Act.

The following act is submitted for adoption:

General Resolutions.

The following resolutions are recommended for adoption:

Resolved, 1. That permission be and hereby is given to elect to membership in the General Educational Board members of other benevolent or missionary Boards of our Church when deemed necessary or desirable.

Resolved, 2. That the Executive Commission be empowered to fill any vacancies in the Board which may occur prior to the meeting of the next Assembly.

Resolved, 3. That the location of the New Board be left to the subsequent decision of the Executive Commission, preferably in conference with the New Board, if it is not necessary to name the location sooner.

Respectfully submitted,
J. Ross Stevenson, *Chairman.*

The Executive Commission further respectfully reported upon the following matters, and the Report was adopted:

1. *On the Every-member-plan Committee* the following recommendations are made:

That the resolutions in Section XXII of the Commission's Report shall be altered so as to read:

(*a*) *Resolution No. 1* (in part): That the Committee "shall consist of one representative from each of the ten Boards, and one each from the Permanent Committee on Evangelism and the Permanent Committee on Men's Societies."

(*b*) *Resolution No. 5:* That the last clause read, "the total amount not to exceed $20,488.60, the proportionate division of the same to be that adopted at the Conference between the Executive Commission and the Boards, on May 16, 1916."

(*c*) That the recommendations of the Committee on the Every-member Plan, printed at the end of the Report, be amended by omitting Recommendation No. 6, as to the Sunday-school, and referring Recommendation No. 9, with reference to designating in the Statistical Reports the churches adopting the Every-member Plan, to the Committee on Christian Life and Work.

2. That the General Assembly herewith approve of the Presbyterian United Movement as agreed upon at the conference between the Boards of the Church and the Executive Commission on May 16, 1916.

3. The Executive Commission reports to the Assembly that in answer to the advice given by the last Assembly (see *Minutes*, p. 257) to the trustees of the Boards organized under the laws of New York to procure the proper legislative authority to make investments in western farm mortgages of their permanent funds, a communication has been received from the Executive Council and the Finance Committee of the Foreign Board, stating that the advice had been given faithful consideration, and it was deemed inexpedient to make application for such legislative authority.

4. The Executive Commission respectfully requests that the General Assembly vote to it the general powers indicated in Chapter XXVI, Section 7, of the Form of Government, and as follows: to correspond with the Executive Commissions of Presbytery and Synod; to confer with and advise the permanent benevolent and missionary agencies of the Church; to prepare and submit annually to the General Assembly the Budget for such benevolent and missionary agencies; and to consider, between annual meetings of the General Assembly, cases of serious embarrassment or emergency concerning the benevolent and missionary work of the

Church, when requested by a Board, and to provide direct methods of relief. Also the power to take steps to coördinate and unify the missionary and benevolent work of the Church, as indicated in Chapter XXVI of the Form of Government, Section 8.

The Commission further requests the Assembly to authorize it to meet at the annual meetings of the General Assembly.

I. POWERS.

At the last General Assembly, Chapter XXVI of the Form of Government, entitled, "Of Executive Commissions," was officially declared to be the law of the Church. The new chapter has been printed in the Constitution of the Church, and will also be found in the *Manual* of this General Assembly, pp. 34–47. The particular sections to which attention is especially called are Section 1, dealing with the election of members; Section 2, dealing with officers, and Section 3, covering, in general, the business which commissions may transact, and Sections 7 and 8, directly related to the General Assembly. By virtue of this chapter, the last General Assembly took action which reads:

"The Executive Commission presented the following additional Report, which was adopted, and is as follows:

"The Executive Commission respectfully reports, requesting that the General Assembly vote to it the general powers indicated in Chapter XXVI, Section 7, of the Form of Government, and as follows: to correspond with the Executive Commissions of Presbytery and Synod; to confer with and advise the permanent benevolent and missionary agencies of the Church; to prepare and submit annually to the General Assembly the Budget for such benevolent and missionary agencies; and to consider, between annual meetings of the General Assembly, cases of serious embarrassment or emergency concerning the benevolent and missionary work of the Church, when requested by a Board, and to provide direct methods of relief. Also the power to take steps to coördinate and unify the benevolent and missionary work of the Church, as indicated in Chapter XXVI of the Form of Government, Section 8.

"The Commission further requests the Assembly to authorize it to meet at the annual meetings of the General Assembly." (*Minutes*, G. A., 1915, p. 279.)

II. Meetings.

The Executive Commission met during the sessions of the General Assembly at Rochester, N. Y., May 20 to 27, 1915, and the first meeting of the Commission, with a new chairman and members, was held at Rochester, May 28, 1915. Subsequent meetings were held at Atlantic City, N. J., November 10 and 11, 1915, and at New York, N. Y., February 16 and 17, 1916. A special meeting was held at Philadelphia, Pa., April 6, 1916, at which a quorum was present. The Commission is in session at Atlantic City, N. J., and awaits the pleasure of the General Assembly.

In this connection the attention of the Assembly is asked to the provisions of Chapter XXVI, Section 1, Form of Government, which pertain to the membership of the Commission. The number is to be not less than fifteen, and to be divided in each case, as equally as practicable, between ministers and ruling elders. No member, salaried officer, or employé of a missionary or benevolent board or organization, under the direction of the judicatory concerned, shall be a member. The term of service shall be three years, and the members shall be divided into three classes, one of which shall be elected annually.

The General Assembly, prior to the adoption of the above section of the Form of Government, itself passed a rule with reference to the election of members, providing that "no person who has served a full term of three years on the Executive Commission shall be eligible for reëlection until another full term of three years has intervened." The Commission draws attention to the fact that this latter rule, as to ineligibility to reëlection, does not appear in any form in Chapter XXVI of the Form of Government.

III. Memorial Minute.

The Rev. Samuel Jack Niccolls, D.D., LL.D., a member of the Executive Commission, departed this life on August 19, 1915. He was born at Greenfield Farm, Westmoreland County, Pa., August 3, 1838, and was graduated from Jefferson College in 1857 and the Western Theological Seminary at Pittsburgh, Pa., in 1860. From 1860 until 1865 he was pastor of the church at Falling Spring, Pa., from which field he was called to the Second Presbyterian Church of St. Louis, Mo., continuing in that pastorate until the close of his earthly life. He was chaplain of the 126th Pennsylvania Volunteers, in 1863. As an educator, he was a member of boards of trustees and directors in many institutions, and was president of the board of directors of McCormick Theological Seminary at the time of his death. Moderator of the General Assembly of the Presbyterian Church in the U. S. A., in 1872, he was also a member of nearly all the committees that have prepared the reports and acts that have shaped the course of the Church for more than a generation.

The Executive Commission desires to express its respect and admiration for him as a minister of the Gospel of Christ. They place on record their appreciation of his long and successful work as a pastor; of his ability, power and fruitfulness as a preacher; of his service and wisdom in the courts of the Church as an executive in its various enterprises, and of his character, example, and influence as a godly, spiritually-minded, and consecrated Christian. They desire to record also the affection and love which they felt toward him as a friend, and mourn, together with the whole Church, the loss of a wise and good man of great power and of humble walk before God.

IV. Members.

To fill the vacancy in the membership of the Executive Commission caused by the death of the Rev. Dr. Samuel J.

Niccolls, the Moderator, by virtue of the power given him by the Constitution (see Form of Government, Chapter XXVI, Section 1), appointed the Rev. Joseph A. Stevenson, D.D., of Santa Ana, Cal.

The members of the Executive Commission whose terms expire with this Assembly (on the second Friday of the sessions) are: *Ministers*—Revs. John Timothy Stone, D.D., and Edward H. Pence, D.D.; with *Ruling Elders*—Henry P. Crowell, Benjamin F. Edwards, and James Yereance.

V. Vacancy and Supply.

The General Assembly of 1915 continued the Executive Commission in the supervision of the expenses of the Permanent Committee on Vacancy and Supply. The resolution is as follows:

"That the Assembly approves the action of the Executive Commission in the methods which it has followed in endeavoring to secure the expenses of the Permanent Committee on Vacancy and Supply, and continues the Executive Commission in its supervision of the matter."

A great majority of the Presbyteries are continuing to contribute to the support of the Permanent Committee on Vacancy and Supply. Indeed, a larger number have contributed than last year, as shown by the increase of $569.25 in the receipts. The number of Presbyteries not contributing is twenty-two, the sum total of their apportionments being $526.10.

The financial account for the year shows receipts of $6,645.42. The payments, to March 31, amount to $5,814.00. The amount carried over last year as a deficit was $1,503.89. The deficit will be reduced this year to $672.47. There is, therefore, a prospect that next year the expense of the work of this Committee will be fully met from the moneys paid in by the Presbyteries. The following resolutions are submitted for adoption:

Resolved, 1. That the Assembly approves the action of the Executive Commission in the methods which it has followed in endeavoring to secure the expenses of the Permanent Committee on Vacancy and Supply, and continues the Executive Commission in its supervision of the matter.

Resolved, 2. That the General Assembly earnestly requests the Presbyteries which have not contributed towards the expenses of the Permanent Committee on Vacancy and Supply so to do, thus uniting with the majority of the Presbyteries in a common effort to solve the long-time problem of Vacancy and Supply.

Resolved, 3. That the Mileage Committee be and is hereby directed to add one-half cent per communicant to the apportionments to be voted by this Assembly for the Budget of the Assembly for the year ending March 31, 1917, the same to be for the expenses of the Committee on Vacancy and Supply.

VI. General Treasurer.

This subject, now under consideration for two years by the Executive Commission, can be better dealt with after the report to be made by the certified public accountants, referred to under head X of this Report. The Commission, therefore, requests that it be continued in the consideration of the matter.

VII. Assignment of Space in the Witherspoon Building.

The questions of the assignment of space in the Witherspoon Building and of the rental to be charged therefor, having arisen between the Board of Relief and Sustentation, the Board of Education, and the Board of Publication and Sabbath School Work, they were referred to the Executive Commission by the General Assembly of 1914.

After prolonged deliberation, the Executive Commission recommended to the General Assembly of 1915 the following resolution, which was duly adopted:

Resolved, That the whole matter of additional office space in the Witherspoon Building, referred to the Executive Commission by the last General Assembly, be referred to the three Boards interested; each Board being instructed to appoint a committee of three of its members, the nine men thus appointed to be constituted a Committee of the General Assembly, instructed to confer concerning the whole matter, and when and if they shall unanimously agree, they shall submit a certified copy of their action to the Executive Commission for its approval. In case the said Committee of nine shall be unable unanimously to agree, they shall advis the Commission of their inability to agree, with a full statement of the reasons therefor, and then and thereupon the Commission, after due consideration, shall take such action in the premises as shall seem to it appropriate.

The representatives appointed by the several Boards interested and named above were as follows:

Board of Publication and Sabbath School Work.—Mr. W. H. Scott, Mr. T. Edward Ross and Rev. John B. Laird, D.D.

Board of Relief and Sustentation.—Rev. Robert Hunter, D.D., Hon. William P. Potter and Mr. Henry B. McCormick.

Board of Education.—Rev. Charles Wadsworth, Jr., D.D., S. Spencer Chapman, Esq., and Mr. Craig N. Ligget.

This Committee held two meetings, with the Hon. William P. Potter as Chairman. The result of the deliberations was the adoption of the subjoined Resolution:

Resolved, That it is the sense of this Committee that the Boards of Education and of Ministerial Relief and Sustentation, to which space in the Witherspoon Building has been assigned, additional to that assigned them without charge, pay for such additional space a sum equal to 65 per cent. of the regular rental value of the Witherspoon Building, from year to year.

This result was reported to the Executive Commission by the Secretary on November 10, 1915, and was by formal vote approved as the final settlement of the matter.

VIII.* COMITY CASES WITH PRESBYTERIAN CHURCH, U. S.

The General Assembly of the Presbyterian Church in the U. S. forwarded a memorial to the General Assembly of the Presbyterian Church in the U. S. A., meeting at Rochester, N. Y., which was submitted to the Committee on Bills and Overtures of the General Assembly of 1915 (see *Mins.*, G. A., 1915, pp. 102, 103). In relation to this memorial, the General Assembly, on the recommendation of the Committee on Bills and Overtures, adopted the following resolutions:

"*Resolved,* That papers which have been referred to the Committee on Bills and Overtures, in the matter of the memorial of the Presbyterian Church in the U. S., are hereby referred to the Executive Commission, with power, and they are directed:

1. To confer with our own Presbyteries and Synods involved, in order that the facts in the case may be known, and that the rights of our Presbyteries may be safeguarded and that justice may be done to all concerned.
2. Also to confer with any Committee or other agency that may be appointed by the General Assembly of the Presbyterian Church in the U. S., in a spirit of fraternal and brotherly kindness.
3. Also to endeavor to make more definite the basis of comity between the bodies.

Resolved, That, if adopted, this action be telegraphed by the Stated Clerk to the General Assembly of the Presbyterian Church in the U. S., in session at Newport News, Va. Adopted.

The Executive Commission, in order to conduct this important business in a prompt and adequate manner, appointed a Committee to represent itself, consisting of the Rev. Maitland Alexander, D.D., Rev. F. N. MacMillin, D.D.,

---

*See, for explanatory Minute, p. 116.

Mr. William U. Follansbee, and as member ex-officio, Rev. J. Ross Stevenson, D.D., with Rev. W. H. Roberts, D.D., as Secretary. The Committee appointed by the General Assembly of the Presbyterian Church in the U. S. was composed of the Rev. W. McF. Alexander, D.D., Rev. R. B. Willis, D.D., Rev. T. A. Wharton, D.D., Rev. J. S. Lyons, D.D., and Rev. Homer MacMillan, D.D.

The two Committees met at Pittsburgh, Pa., and Atlantic City, N. J., November, 1915; at Atlanta, Ga., December 13, 1915, and at Philadelphia, Pa., March 17, 1916. The conclusions reached through the deliberations of the Committees, and after full consideration of documents submitted, were presented to the Executive Commission at its special meeting at Philadelphia, Pa., April 6, 1916, and were duly approved.

The Rev. S. M. Templeton, D.D., Stated Clerk of the Synod of Texas, was heard fully by the Committee of the Commission, and the Rev. W. Francis Irwin, D.D., and Rev. B. P. Fullerton, D.D., representatives of the Board of Home Missions, were heard by both Committees.

A duly attested copy of the conclusions reached was delivered to the Rev. William McF. Alexander, Chairman of the Committee of the Presbyterian Church in the U. S., and likewise to the Chairman of the Executive Commission, Rev. J. Ross Stevenson, D.D. The report thus approved, inasmuch as both the Committee of the General Assembly of the Presbyterian Church, U. S., and the Executive Commission of the Presbyterian Church in the U. S. A. had received power from the appointing General Assemblies, are a final settlement of the cases under consideration in the judgment of both Committees.

The Joint Committees of the General Assembly of the Presbyterian Church in the U. S. A. and of the General Assembly of the Presbyterian Church, U. S., at their meeting in Philadelphia, Pa., Friday, March 17, 1916, approved the following paper drawn up by them jointly and transmitted to the Executive Commission of the Presbyterian Church, U. S. A., for its approval, as a final settlement of the cases involved.

Attest: Wm. McF. Alexander,
Wm. H. Roberts.

Joint Report on the J. C. Barr Case.

Upon the case of the Rev. J. C. Barr, D.D., formerly a member of the Presbytery of New Orleans, under the jurisdiction of the Presbyterian Church, U. S., the joint Committees of the two Assemblies have reached the following conclusion, upon all the evidence submitted to them, including a copy of the report of the Committee of the Synod of Texas on the Records of the Presbytery of Jefferson, which was submitted simply for information.

1. That the reception of the Rev. J. C. Barr, D.D., by the Presbytery of Jefferson, upon a letter given to him by the Presbytery of New Orleans, dismissing him to the Presbytery of Nashville, certifying to his good and regular standing, was within the jurisdiction of said Presbytery of Jefferson, and that said Rev. J. C. Barr, D.D., is a member of said Presbytery and subject to its jurisdiction.

2. That the conduct of the Rev. J. C. Barr, in connection with his work as Pastor Evangelist of the Presbytery of Jefferson, and of the Executive Commission of the said Presbytery, in the opinion of the Committees, was not harmonious with comity agreements and is to be deeply regretted. The Executive Commission, by virtue of the power given it by the General Assembly, directs the Presbytery of Jefferson, to observe carefully these agreements, in view of the great desirability for cordial coöperation in all Home Mission work by the several Presbyterian denominational churches carrying on work in the South.

3. That the receiving by the Presbytery of Jefferson of the call of Lafayette Presbyterian Church, New Orleans, La., to the Rev. J. C. Barr, was, in the judgment of the Executive Commission of the Presbyterian Church in the U. S. A., *ultra vires*, said Lafayette Church on its own showing being an independent Presbyterian Church, having renounced the jurisdiction of the Presbytery of New Orleans and declared that it was "to be governed in accordance with the Standards of the Presbyterian Church in the U. S., in loyalty to which it has never wavered, and from henceforth owing all allegiance to no Presbytery other than its own session." The Commission is clear, that not only the reception of the call by the Presbytery of Jefferson from said church, but also the installation of the Rev. J. C. Barr, D.D., as pastor of said church by the Executive Commission of the Presbytery of Jefferson was without authority of law, and that, so far as the Constitution of the Presbyterian Church in the U. S. A. has to do therewith, is null and void.

The Commission further directs the Presbytery of Jefferson to remove from its roll the name of the Lafayette Church, New Orleans, Independent.

4. The Presbytery of Jefferson is hereby enjoined by the Executive Commission of the Presbyterian Church in the U. S. A. from receiving under its care churches under the jurisdiction of the Presbyterian Church in the United States,

without conference, according to the rules of comity adopted by both bodies, and is directed to drop from its roll any churches which have been received in violation of said rules.

5. In the judgment of the Commission, since the continuance of the Rev. J. C. Barr with the Lafayette Church in its present status will involve misunderstanding and friction with the Presbytery of New Orleans, the Presbytery of Jefferson should assign him a new field of labor.

Joint Report on the Springdale Case.

The Executive Commission of the General Assembly of the Presbyterian Church in the U. S. A. is of the opinion that the Presbytery of Arkansas should have had conference with the organization of the Second Presbyterian Church in Springdale, Ark., and it is recommended that in all cases in which the same question is involved, as in the Springdale case, conference be had with the Presbyteries of the other churches involved, so as to carry out the comity agreements between the bodies.

It is the judgment, further, of the Joint Committee of the two Churches that there should be only one Presbyterian Church in Springdale, Ark., not two.

The Executive Commission of the U. S. A. Presbyterian Church, by virtue of the power given to it by the General Assembly, therefore directs the Presbytery of Arkansas, U. S. A., to correspond and confer with the Presbytery of Washburn, U. S., with this end in view, viz., to ascertain in what way the elements that represent the Presbyterian Church in Springdale, Ark., can be best conserved and ultimately induced to become one harmonious Presbyterian Church.

Joint Report on the El Paso Case.

The judgment of the Joint Committee of the two Assemblies in the El Paso case is as follows:

Recognizing the present location of the Mexican work in El Paso of the Presbyterian Church in the U. S. A. as one of hurtful friction with the Mexican work of the Presbyterian Church in the U. S., previously established, and as contrary to the agreement between the two Assemblies touching foreign work in cities having less than 100,000 population, therefore, the Executive Commission of the Presbyterian Church in the U. S. A. directs that the said work of the U. S. A. Church among the Mexicans in El Paso be removed beyond the sphere of friction and hurtful rivalry, its location to be determined by the Joint Committees of the two Synods of Texas.

Rules of Comity.

The following Rules were adopted by the Joint Committees, in addition to the Rules of Comity already in existence:

1. The covenants and agreements between the two Churches should be kept without modification or annulment, excepting through the contracting General Assemblies.

2. The right is recognized of a particular church to withdraw from its own body to that of the other, where it is done at its own motion *or* at the permission of its supreme judicatories, and the proper ecclesiastical and legal steps are taken.

For the Executive Commission of the General Assembly of the Presbyterian Church U. S. A.,
J. Ross Stevenson,
Moderator and Chairman.

For the Committee of five appointed to confer with the Commission of the General Assembly of the Presbyterian Church, U. S. A., by the General Assembly of the Presbyterian Church, U. S.,
Wm. McF. Alexander,
Moderator and Chairman.

IX. The Committee on Supplies.

The General Assembly of 1913 authorized the appointment of a Committee on Supplies, consisting of three members, one representative from the Executive Commission, one from the Boards and Agencies of the Church, and a business man from the membership of the Church. During the past fiscal year the Committee was composed of Mr. James Yereance, of the Executive Commission; Mr. Henry F. Scheetz, for the Boards and Agencies, and Mr. Thomas W. Synnott, for the Church at large. The Committee reports as follows for the last fiscal year:

"The Committee on Supplies reports to the Executive Commission that the plan formulated by it to secure standardizing of paper, contracts for printing and the purchase of supplies, has been faithfully carried out another year by the Boards, the Stated Clerk and the Trustees of the General Assembly, with the result of a large saving in outlay and without incurring the fixed charges of hiring a purchasing agent and providing for the expenses of his office."

The Commission recommends that the Committee on Supplies be continued, under the supervision of the Executive Commission, that the above Report be approved, and that the thanks of the Assembly be tendered to the members of the Committee.

X. CERTIFIED PUBLIC ACCOUNTANTS. BOARDS.

The Executive Commission was entrusted by the General Assembly of 1915 with the duty of ascertaining whether a uniform system of accounting, and the rendering of itemized statements in a uniform manner, was practicable in connection with the financial accounts and statements of the different Boards. (See *Mins.*, G. A., 1915, p. 263.)

The Executive Commission appointed Mr. William U. Follansbee, Chairman of a Committee to conduct the investigation required by the action of the General Assembly, and the report of the Committee, finally presented through him, at the meeting at New York, N. Y., February 16, 1916, was approved by the Commission, is herewith submitted to the Assembly, and it is recommended that the Resolution therein contained be adopted.

As reported at the Atlantic City meeting, the Committee has communicated freely with the Boards and Agencies and has consulted at length with Auditors, and finds a general desire for a more uniform system of accounting and standardizing of financial reports, with gratifying expressions of desire to coöperate from the various treasurers.

The Committee believes it inadvisable to employ one single firm of certified public accountants for all the Boards and Agencies, as no one firm could do the work in the limited time required at the end of the fiscal year, and to attempt to do so would greatly increase the expense.

While it is recognized complete standardization of financial reports may not be possible, helpful work can be done, and the following is recommended:

That Messrs. Price, Waterhouse & Co., certified public accountants, be employed as consulting auditors to take into consideration the entire subject of accounting, auditing and standardizing of financial statements and to prepare a draft form of report to provide for a record of essential facts regarding the operations of the different Boards and Agencies, said draft to be submitted to the various Boards and Agencies and their auditors for criticism and suggestion before its final adoption by the Executive Commission, the expense to be met by the Boards.

XI. THE BARBER FUND.

The Board of Missions for Freedmen submitted to the Executive Commission, at its meeting, November 10, 1915, a request for action as to the use by the Board of a certain portion of the income from the fund known as the Barber Fund, and held by the Board of Trustees of the General Assembly. The Executive Commission took the following action:

"That it is the sense of this Committee that the request of the Board of Home Missions and the Board of Missions for Freedmen in relation to the use of the Barber Fund for work among the colored people throughout the United States should be granted by the Assembly, if the way be clear. George V. Massey, Esq., was made a Committee of one to draw up the report on the subject and submit it at the next meeting.

At the meeting in New York, N. Y., February 16, 1916, the report was presented by Mr. Massey and unanimously adopted. The report is as follows:

To the Executive Commission of the General Assembly:

The undersigned, constituted a Special Committee of one to prepare and submit to the Commission an appropriate resolution for presentation to the General Assembly at its next session, with favorable recommendation to carry into effect the arrangement and agreement concluded between the Board of Home Missions and the Board of Missions for Freedmen, as indicated and set forth in documents submitted to the Commission at its last session at Atlantic City, respectfully submits the following:

Whereas, Pursuant to appropriate action by the General Assembly, had and taken at its 127th session, at Rochester, providing and authorizing that, upon the conditions and terms therein prescribed, the Board of Missions for Freedmen may engage in evangelistic work in the Northern States among the colored people, the Board of Home Missions and said Board of Missions for Freedmen have arranged and agreed that the proportion—being one-fourth—of the annual income from the "Barber Fund," which had theretofore been paid to the Board of Home Missions by the Trustees of the General Assembly, should thereafter be paid directly to the Board of Missions for Freedmen for the purpose of its enlarged evangelistic work; and

Whereas, By the will of Phineas M. Barber—which created the said Trust Fund and bequeathed the same to the Trustees of the General Assembly—it is expressly provided "that the annual proceeds shall be used for the erection of churches and maintaining of the needy Ministers of the Presbyterian churches for colored people in the United States of America, as seems best in the judgment of the General Assembly; and, Whereas, The General Assembly at its 107th A.D. 1895 session (see *Minutes*, pp. 109, 110), in exercise of the power in that behalf conferred by said bequest as above indicated, by appropriate action authorized and directed that the income from the said fund should be apportioned, distributed and paid as follows: One-fourth to the Board of Church Erection, one-fourth to the Board of Home Missions, and one-half to the Board of Missions for Freedmen; and in view of said determination, which is conclusively controlling upon the Trustees of the General Assembly, the said Trustees cannot pay to the Board of Missions for Freedmen the one-fourth of said annual income heretofore paid to the Board of Home Missions, conformably to the General Assembly's action, unless and until authorized so to do by action of the General Assembly; therefore,

Resolved, That the General Assembly's action heretofore had and taken, as set forth in the preamble, be and the same is hereby so amended and modified as to provide—in harmony with the fulfillment of the purpose and intent of the donor of said fund—that the one-fourth of the annual income derived from said fund, heretofore appropriated and paid to the Board of Home Missions, shall hereafter, unless and until otherwise ordered by the General Assembly, be paid directly to the Board of Missions for Freedmen, and the Trustees of the General Assembly and its Treasurer are hereby expressly authorized and directed to pay the same accordingly.

Resolved, That a copy of the foregoing resolution, duly attested by the Stated Clerk, be delivered respectively to the President of the said Board of Trustees, and to the Treasurer thereof, for information and file.

XII. BIBLICAL INSTRUCTION—BOARD OF PUBLICATION AND SABBATH SCHOOL WORK AND BOARD OF EDUCATION.

The General Assembly of 1915 committed to the Executive Commission the duty contained in the following Minute:

"In view of the action of the present Assembly relating to the promotion of Biblical instruction among children in public schools, whereby certain Boards of the Assembly appear to have like or similar work committed to them, it is recommended that the question of jurisdiction in this matter be referred to the Executive Commission for such action as may be appropriate." (*Mins.*, G. A., 1915, p. 235.)

The Boards interested are the Board of Publication and Sabbath School Work and the Board of Education.

The Executive Commission appointed a Committee of three, with Dr. H. H. McQuilkin as Chairman, to confer with the Boards and to report to the Commission. This

Committee reported at New York, N. Y., on February 16. The Report is as follows, and the Commission asks that the Report be approved and the recommendations adopted.

The Committee on Biblical Instruction appointed by the Executive Commission at its November session, and consisting of Drs. McQuilkin and Stone and Mr. Massey, would submit its Report as follows:

The conference between the two Boards concerned, Education and Sabbath School Work, authorized by your action in November, was held in the offices of the latter Board, in the Witherspoon Building, in Philadelphia, on December 9, at 11.15 A.M. Dr. Stone and Mr. Massey, being unable to be present, the Chairman of the Committee acted on behalf of the Committee in the coöperative capacity assigned to it by the Executive Commission.

The Board of Education was represented in the conference by Dr. Charles Wadsworth, President of the Board, and Dr. Joseph Wilson Cochran, Secretary. The Board of Publication and Sabbath School Work was represented by Mr. Cheesman A. Herrick, Chairman of the Committee on Religious Education; Dr. Alexander Henry, Secretary, and Dr. Robert Wells Veach, Secretary of Religious Education.

After a full and free discussion of the matters involved, which was carried on in a most cordial spirit by all who were present, and dominated by great singleness of purpose to accomplish the work of religious education among the young people of our Church in the most effective manner and thus to bring the largest amount of strength and glory to the Kingdom of our Lord and Saviour Jesus Christ, the following recommendations were heartily and unanimously adopted by the conference:

1. That to the Board of Education has been committed the educational work resident in or growing directly out of the public schools or colleges or other institutions lying outside of the local church, and that to the Board of Publication and Sabbath School Work has been committed the educational work resident in or growing directly out of the local church.

2. That the above distinctions are two parts of one organic whole, in the carrying out of which each Board has a vital function.

3. The plans of both Boards are in process of development and subject to modification if necessary. The representatives of the Boards agree that they will request their respective Boards each to appoint a Committee of three, which shall be a Committee of conference in the carrying out of the principles above stated, when these recommendations are approved by the Executive Commission.

We, therefore, as your Committee, respectfully request you to give your approval to the recommendations which were adopted by the aforementioned conference and which lay the foundation for an entirely satisfactory adjustment of the whole problem which was brought before the Commission at its November meeting.

XIII. Union of the Board of Education and the College Board.

The General Assembly referred to the Executive Commission the whole subject of the merger or consolidation of its Board of Education and its College Board (see *Minutes*, 1915, p. 200). The subject was considered carefully by the Executive Commission at its several meetings, and it appointed two Committees that have given close attention to the legal and ecclesiastical details of the merger. It was not practicable to complete the consideration of these details in time to publish the results reached in the Blue Book. The Report as submitted to the General Assembly in separate form will be found on pp. 198–204.

XIV. Finances of the General Assembly.

The Executive Commission herewith submits the Budget for the expenses of the General Assembly for 1916–17, as prepared by the Stated Clerk and approved by the Finance Committee. Attention is called to the following explanations:

1. The salaries of the Stated Clerk, Permanent Clerk and Assistant Clerk have been fixed by the Assembly. It is suggested that the salary of the new Permanent Clerk be $500.

2. The amount recommended for the Executive Commission covers the expenses of the regular meetings of the Commission, also the expenses of its sub-committees. The total expenditure for the past year is $3,440.51.

3. The mileage expenses of Commissioners for the meeting of the General Assembly of 1916 are estimated at $50,000, but the action of some of the Railroad Passenger Associations, especially the Transcontinental Passenger Association, may increase the traveling expenses to a considerable extent. The estimate submitted for the cost of entertainment, $27,000, is based upon the rate of $3 per day, which is now the allowance to Commissioners of Presbyteries which have paid their apportionments.

4. The Budget provides $3,500 for the expenses of the Special Committees, which it is believed will be sufficient.

5. The special appropriations approved are the same as those for previous years. The Assembly, having officially

entered into coöperative relations with the Churches of the Presbyterian family, both in the United States and throughout the world, and with the Evangelical Churches in the United States, has provided annually its proportionate share of the expenses of the maintenance of the organizations connected with these relations, viz.: the General Council of the World Presbyterian Alliance, the Council of the Reformed Churches in America, and the Federal Council of the Churches of Christ in America.

6. The Finance Committee draws attention to the fact that the General Assembly has ruled that the Assembly has "no power to devote the funds collected for the expenses of the Assembly to other purposes." (*Minutes*, 1891, p. 107.) The Assembly, further, as early as 1806, pledged itself to keep the funds placed in its hands for its expenses entirely separate and distinct. (*Minutes*, 1806, p. 370.)

These rulings have applied all along to the apportionments made by the Assembly for its own expenses, and are applicable to the Budget as now adopted from year to year.

7. The provision for legal expenses, $2,000, covers only the sum due to counsel.

8. The Finance Committee has performed its duties as stated in the Financial Plan of the General Assembly, and the accounts have been duly audited and are submitted to the Assembly.

The Executive Commission, through its Finance Committee, has also had under consideration certain matters connected with the expenses of the office of the Stated Clerk, to which attention has been drawn by him, and respectfully submits the following recommendations for the approval of the General Assembly:

a. The proposal of certain of the Boards for correct lists of names and addresses of ministers, to be kept up to date by a monthly report and to be prepared in the office of the Stated Clerk, has been carefully considered, in consultation with the Stated Clerk. As was shown, the office of the Stated Clerk does not need a list of ministers with their addresses corrected monthly, and to keep up such lists involves considerable expense. The following Resolution, therefore, is submitted for adoption:

Resolved, That the Stated Clerk be authorized to furnish the Boards with monthly corrections of addresses of all ministers of our Church, on payment by the Boards of the expenses of collecting and collating such information, the total amount and the proportion to each Board to be determined by the Stated Clerk.

b. The general subject of the relation of the office of the Stated Clerk to the Boards of the Church has also been considered in connection with other matters than the one just referred to. Work which is intended for the benefit of a Board, or of the Boards as a whole, should be met, in our opinion, by the Boards benefited. We therefore recommend the adoption of the following resolution:

Resolved, That the Executive Commission hereby expresses its judgment that whenever any Board of the Church desires to use the office of the Stated Clerk of the Assembly for the securing of information which will be of advantage to it as a Board, that the expense involved should be met from the funds of the Board interested, provided, however, that the power to decide as to furnishing the information requested is hereby vested in the Stated Clerk.

c. There has also been submitted to us the question of the expenses of representatives of the Boards and other Agencies appearing before the Commission or its Committees upon business connected with the work of the Boards. It is felt that such expenses should be borne by the Boards interested, in harmony with past usage. The moneys furnished by the Presbyteries to the General Assembly for its current annual expenses are to be distributed only for such purposes as are germane to the actual business of the Assembly itself. The adoption of the following resolution, therefore, is recommended:

Resolved, That the expenses of representatives of the Boards and Agencies appearing before the Commission or its Committees shall be paid by the respective Boards and Agencies represented.

XV. Tentative Budget of the Boards, etc., 1916–17.

The Budget of the nine Missionary and Benevolent Boards for 1916–17 was given careful and painstaking attention by the Executive Commission, first through its Committee on Budget, and then by Conference with the Boards, and by action on its own part. The Budget Committee met with the representatives of the Boards in New York, N. Y., February 15, 1916, and the Conference with the Boards was held the evening of February 16, 1916. The Boards submitted to the Commission and its Committee detailed estimates of income and expenditures for the year under consideration, so that the work of consideration and decision was not difficult.

The Executive Commission considered also in this connection the claim of the Permanent Committee on Men's Work to a place on the Budget and voted to assign the same to it. The Commission, further, adopted the following resolutions:

Whereas, The Executive Commission, through its Budget Committee, after due consideration given to the Permanent Committee on Evangelism, and in recognition of vital importance of its work to the whole Church, as carried on among the Presbyteries, has recommended an increase of their Budget to $20,000 for the year 1916–17, therefore, we call upon the churches to make due provision for the Committee's support in the distribution of their benevolent funds.

Whereas, The Executive Commission, through its Budget Committee, after due consideration given to the claims of the Permanent Committee on Men's Work, and in recognition of the vital importance of its work to the whole Church, as carried on among the Presbyteries, have recommended a Budget of $15,000 for the year 1916–1917, therefore, we call upon the churches to make due provision for the Committee's support in the distribution of their benevolent funds.

The tentative Budget as finally agreed upon was duly forwarded by the Stated Clerk of the Assembly to all the Presbyteries for their information and to the Boards and Permanent Committees. It is herewith submitted to the General Assembly, with the recommendation that it be approved.

PHILADELPHIA, PA., March 1, 1916.

To the Presbyteries:

DEAR BRETHREN:—The Executive Commission, at its meeting in New York, N. Y., February 17, 1916, adopted a proposed Budget for the Missionary and Benevolent Boards, for the fiscal year ending March 31, 1917.

The Budget recommended for 1916–17 and the Budget for 1915–16 are presented in parallel columns.

BOARDS AND AGENCIES.	1915–16.	1916–17.
Church Erection	$120,000	$150,000
Joint Committee of Board of Education and Church Erection for Church Centres in State Universities	....	100,000
College	250,000	265,000
Foreign Missions	1,750,000	1,850,000
Home Missions	1,281,000	1,289,112
Woman's Board of Home Missions	500,000	600,000
Ministerial Relief	175,000	175,000
Education	150,000	200,000
Publication and S. S. Work	200,000	210,000
Freedmen	215,000	225,000
Temperance	55,000	60,000
Committee on Evangelism	15,000	20,000
Committee on Men's Work	15,000	15,000
Total	$4,726,000	$5,159,112

The Budget Committee has carefully considered, with the secretaries and treasurers of the Boards and Agencies, the complete detail of these requirements for the year 1916–1917, and the Commission feels the definite need of actually attaining this proposed budget.

We desire to call attention frankly to the fact that the Church at large (Presbyteries and pastors) has not hitherto taken the attainment of this object with sufficient seriousness, hence we may fail to realize the budget named for 1915–16. The Executive Commission, therefore, has sent out a "Message to the Churches" in the hope of securing the total of this Budget before March 31, 1916.

That we may *actually do* during the coming fiscal year, 1916–17, what is proposed, we submit the following suggestions:

1. Continue to push the Annual Campaign and press the claims of the Every-member Canvass.

2. Augment the "Every-member" method by presenting from the pulpit the growing work and actual needs of the various Boards, in order that those who do not give regularly may be aroused and interested, and that regular givers may be educated and inspired to larger benevolence.

3. That the pastor himself recognize his personal responsibility in assisting in solving this vital problem in the Church, in order that our Administrative, Executive and Missionary representatives, in the office and on the field, may be able to go forward with their work with efficiency and enthusiasm.

J. Ross Stevenson, *Moderator;*
William H. Roberts, *Stated Clerk;*
John Timothy Stone, *Chairman Budget Committee.*

XVI. Legal Matters Connected with Reunion.

The Committee on Legal Matters connected with Reunion reported to the Executive Commission at its February meeting in 1916.

It is necessary, first of all, to state the matters in which the Executive Commission has been empowered to act in coöperation with this Committee. They are:

1. In determining as to the suits at law which may be instituted in the name of the Church for the protection of the Church's interests.
2. In the employment of counsel and the settlement of the expenses of litigation.
3. In the appointment of Commissions consisting of one or more ministers or lay members of the Church, to institute as well as defend suits connected with the Union of 1906.

The principal matter for which action by the Commission was requested is one dealing with the finances. Frank Hagerman, Esq., has been paid the fee of $10,000 in the litigation cases, as argued in the United States *District* Court, Kansas City, Mo., with an allowance for expenses of $73.60. There is due to him, in addition, the sum of $2,000 as his fee for the appeal in these cases before the U. S. *Circuit* Court, Kansas City, Mo., with a further allowance of $134.71 for expenses. Notices of appeal against the judgment of the United States Circuit Court has not as yet been filed, but there is still, however, several months' time in which to act. Should an appeal be decided upon, there will be additional expense involved.

The General Assembly of 1915 provided for the above expenses in this litigation, by requesting from the Presbyteries one-half cent per communicant as a special apportionment. The sum received by the Treasurer of the General Assembly as a result, from the Presbyteries, was $10,292.72.

The payment to Mr. Hagerman of $10,073.60 leaves a balance, from the sums paid by the Presbyteries, of $219.12. It was suggested that the Executive Commission authorize the payment of the sum of $1,915.59, in order to settle in full, to date, with Mr. Hagerman.

The Commission submits the matter to the General Assembly for approval, recommending the following Resolutions for adoption:

Resolved, 1. That, the payment out of the funds of the General Assembly, of the sum of $1,915.59, in final settlement with Frank Hagerman, Esq., for his services and expenses, up to and including February 15, 1916, is hereby approved.

Resolved, 2. That should an appeal be taken from the decision of the United States Circuit Court, Kansas City, Mo., in the cases which were argued by Mr. Hagerman, the Executive Commission hereby consents that the Committee on Legal Affairs connected with Reunion be authorized to employ counsel to appear in the cases before the U. S. Supreme Court, on such terms as to payment as to it may seem best.

XVII. Woman's Board of Home Missions.

The General Assembly of 1915 gave power to the Executive Commission to take such additional steps as might be necessary in connection with the incorporation of the Board of Home Missions. It was found on inquiry to be necessary to secure an amendment to the Charter. We are glad to state that the amended Charter has been adopted by the legislature of the State of New York, and duly signed by the governor. The amendment made was by the addition to Section 3 of the Charter of the following words: "And the conduct, management, and administration of all the business and affairs of the said corporation shall at all times be expressly under, and subject to, the jurisdiction, supervision, and direction of said General Assembly."

The Woman's Board of Home Missions will report as a separate Board to the General Assembly and in accordance with the provisions of the Charter.*

XVIII. Pre-Assembly Conferences.

There have been held for a number of years Conferences during the two days preceding the opening days of the sessions of the General Assembly, in connection with various important causes. Especially has this been the case with Foreign Missions, Home Missions and Evangelism. The

Executive Commission, in order to harmonize and unify all interests concerned, and after consultation with the Boards and Committees, recommends the adoption by the Assembly of the following Resolution:

Resolved, That, in view of the action of recent Assemblies, causing conflict of dates and interests, the Commission recommends that proposals and plans for all pre-Assembly Conferences be submitted hereafter to the Executive Commission for adjustment and settlement.

XIX. Message to Pastors and Church Sessions.

At the Conference with the Boards, held at Atlantic City, November 10, 1915, reports were submitted, showing that conditions in all sections of our Church indicated that God's Spirit was moving within the hearts of our people. All the members of the Conference were convinced that the gospel of faith and repentance and surrender to Christ should be boldly proclaimed and the fact clearly declared that the enterprise of our Church at home and abroad calls for the largest measures of self-sacrifice. The Conference therefore appointed a Committee to prepare a Message to Pastors and Church Sessions. The Committee consisted, for the Executive Commission, of the Rev. J. Ross Stevenson, D.D., Rev. Maitland Alexander, D.D., Rev. John Timothy Stone, D.D., Mr. Charles S. Cairns, and Mr. Benjamin F. Edwards, and for the Boards of the Rev. John Dixon and Rev. Richard C. Hughes. The Message was sent through the office of the Stated Clerk of the General Assembly to every minister in active service with the congregations of the Church. We have reason to believe that much good was done by the resulting work and prayer; and that in particular the services of Sunday, December 5, 1915, were followed by manifestations of the power of God to the salvation of souls and the up-building of His people upon their most holy faith.

XX. Special Self-denial Fund.

At the Conference with the Boards held in New York, N. Y., February 16, 1916, it appeared that unless some determined and concerted effort were made immediately, the total contributions from the sources covered by the work of the Budget Committee of the Executive Commission, namely, Church collections, Women's Societies, Sunday-schools, and Young People's Societies, would fall very considerably short of the amount required to enable the Boards to meet all their authorized obligations for the fiscal year ending March 31, 1916. Inasmuch as the General Assembly of 1915 had authorized the Boards to act in their work upon the basis of a total Budget of $4,696,000, and that, as stated, the amount of said Budget was not likely to be realized, the following resolution was passed, to meet the situation:

"*Resolved*, That the Executive Commission endorses fully and completely the proposal to arrange for the observance of such part of the month of March, as may be appointed, for joint prayer and sacrifice on behalf of the missionary and benevolent work of the Church, and that the Commission appoint a joint Committee to carry out the proposal."

In pursuance of this action, the Executive Commission, in consultation with the Boards, called upon the Church to observe March 12 to 19, inclusive, as a period of special prayer and self-denial. It was also urged upon pastors to "lay this matter on the hearts of their people, both by calling for sacrificial giving and by appealing to individuals whom God has specially prospered, and above all by summoning the people to united and special intercession." It was requested that the special offerings should be sent to the Treasurer of the Executive Commission, and that, if for local reasons the time appointed for the week of self-denial was not convenient, some other time be selected before the 1st of April.

This Message to the Churches was sent out to all ministers in service, through the office of the Stated Clerk of the General Assembly, in printed form, within five days after action taken by the Committee appointed to prepare the Message and supervise the work. That Committee was composed of the following persons: Rev. Drs. J. Ross Stevenson, John Timothy Stone, with Mr. James Yereance, and Mr. Henry P. Crowell, for the Executive Commission, and Rev. Drs. Stanley White, and William Hiram Foulkes, with Mr. H. C. Olin for the Boards.

The Committee submits, through the Executive Commission, the following condensed report as to contributions, up to May 5, 1916:

The total receipts in cash were $23,558.75. The expenses of the work of the Committee have been borne by the Boards. A detailed report is submitted separately. While the amount of the Fund is not large, the stimulus to giving resulting from the appeal of the Commission and the Boards was an effective aid in increasing the contributions to all the Boards.

XXI. Official Conference of the Executive Commission and the Boards.

This official Conference was established by the General Assembly of 1911 (see *Minutes*, p. 178), and has been directed to meet at least once a year. The General Assembly of 1915 approved the following action as to the Conference:

"There shall be an official Conference of representatives of the Boards and the Executive Commission, which shall meet at least once a year and at such other times as the Executive Commission may order. Said official Conference shall be composed of representatives from each of the Boards to be elected by the respective Boards, who shall constitute one party. The Executive Commission shall select, through its Budget Committee, or other Committees, representatives who shall constitute the other party. In deliberation, the voting shall be by the representatives present; but when called for, the Boards shall vote as units and the Commission as a unit, or the Boards and the Commission shall vote and agree or disagree as the two parties."

Two Conferences were held during the fiscal year ending March 31, 1916—the first at Atlantic City, November 10, 1915, and the second in New York City, February 16, 1916. Each of the Boards was represented by one or more persons, and the Executive Commission was represented by all of its members present at its meetings. A Conference was also held at Atlantic City, N. J., May 16, 1916.

The matters agreed to at the Conferences and reported upon to the Executive Commission for approval were as follows:

1. *National Missionary Campaign.*—This subject was presented to the Conference at the Atlantic City meeting by the Rev. Dr. Stanley White, the representative of the Presbyterian Section of the Campaign. It was reported that the Every-member-plan Committee had appointed representatives to the Laymen's Missionary Conventions. This coöperation was approved.

2. *Expenses of the Moderator.*—The Moderator is Chairman of the Committee on the Every-member Plan. Resolution No. 6 as to the Every-member-plan Committee (see *Minutes*, 1915, p. 277) was considered, and it was agreed that the expenses of the Moderator, as Chairman of this Committee, were to be paid out of the budget of the Committee.

3. *Literature of the Boards.*—For many years the literature connected with the work of the Boards has been distributed through the Board of the Church Erection Fund. It was recommended to the Conference and approved, that hereafter the Every-member-plan Committee be the Committee on Literature for the Boards of the Church.

4. *Unified Exhibit of the Boards.*—It was decided that a Committee of three be appointed to arrange, in connection with the Stated Clerk of the General Assembly and the Local Committee of Arrangements, for a Unified Exhibit at the General Assembly of 1916. The Committee named consists of Dr. Gaston, Mr. Olin and Mr. Sterrett, with the Stated

Clerk. This Committee, appointed at the Atlantic City meeting, reported at the New York meeting the following recommendation, which was approved: "It is recommended that this year each Board arrange its own Exhibit, that it be unified by using the standards hitherto used at Chicago and Rochester, and that brown burlap be used for pictures, making it comply with the rule of the Exhibit, that it be unified." The work of the Exhibit for the present year has been carried forward under the direction of this Committee, and it is hoped that the result will add largely to the interest of the coming Assembly and be a stimulus for the work of all the Boards.

5. *Message to Pastors and Church Sessions.*—The subject of the responsibility of the Presbyterian Church in the U. S. A., in view of the present world situation, was carefully and prayerfully considered at the November Conference, and the Moderator of the Assembly, with the preceding Moderators, Drs. Alexander and Stone, and four other persons to be named by the Moderator, and representing the Boards as well as the Commission, were authorized to prepare a Message to pastors and church Sessions. This Message was duly sent out and is referred to on p. 155 of this Report.

6. *Pre-Assembly Conference.*—This subject was taken up and discussed, and referred to the Executive Commission. (See for the action taken, this Report, p. 227.)

7. *The Budget.*—The matter of the Budget was considered at the Conference in New York, N. Y., February 16, and at length. For the Budget approved see this Report, p. 152. The Moderator, at this Conference, made inquiry of the several Boards as to their expectation of receiving the Budget adopted for the current year, and it was found that there would be a large shortage. It was determined to send out a Message to the churches, containing a plan for a Self-denial Week in March, in order that the Church in general might have opportunity to attain to the Budget approved for this fiscal year by the General Assembly of 1915. The Moderator was authorized to appoint a Committee to conduct the work and to send out the Message. For the report of this Committee see *Minutes*, p. 155.

8. *Visitation of the Synods.*—The following arrangements and rules were approved for the visitation of the Synods:

(1) That each Synod be asked to set apart one evening during its meeting of 1916, when the benevolent work of the Church as a whole may be set forth in two addresses by selected representatives of the Committee for the Every-member Plan, in coöperation with the Programme Committee of Synod.

(2) That provision be made to conduct a conference on the Every-member Plan or on the work of the Boards of the Church in such Synods as desire such conference, no formal addresses to be included in the conference, the design being to call forth questions and practical experience.

(3) That where any Synod desires a special address upon a particular phase of the Church's work, the Board concerned should be encouraged to provide for the same, but no Board should seek opportunity, after the programme has been arranged, for its special representative to speak in addition to the addresses provided for jointly.

9. *Presbyterian United Movement.*—That the Presbyterian United Movement is approved as agreed upon at the Conference between the Executive Commission and the Boards, May 16, 1916.

XXII. THE ASSEMBLY'S COMMITTEE ON THE EVERY-MEMBER PLAN.

The General Assembly of 1915, *Minutes*, p. 277, changed the name of the Joint Executive Committee, and substituted as its successor the Assembly's Committee on the Every-member Plan. The Act of the General Assembly making this change and designating the functions and relations of the Committee on the Every-member Plan is printed for information. Attention is drawn to the fact that in Item No. 6 of the Plan, the Committee is to render a report of its actions and submit its Minutes to the Executive Commission at every semi-annual meeting of said Executive Commission. The report of the Committee is hereby submitted by the Commission.

Resolutions Establishing the Assembly's Committee on the Every-member Plan.

(1) That the Assembly's Committee on the Every-member Plan shall consist of one representative from each of the ten Boards, and one each from the Permanent Committee on Evangelism and the Permanent Committee on Men's Work, together with the Moderator of the General Assembly as Chairman.

(2) That the Assembly's Committee on the Every-member Plan shall be recognized as the authorized agency to promote the said Plan among the churches and to further the Presbyterian United Movement.

(3) That the Boards be authorized to perfect such organization and direct such agents through the proposed new Committee, as they shall jointly approve and as shall advance

the interests committed to the Boards, and, if possible, at a reduced expense.

(4) The Moderator of the Assembly, who is during his term Chairman of the Executive Commission, shall be, by virtue of his office, Chairman of the Assembly's Committee on the Every-member Plan during his term as Moderator. He shall sign all communications as such which are prepared or sent out for the Committee. In case of his absence he may appoint a member of the Executive Commission to represent him on said Committee.

(5) The expenses of the Assembly's Committee on the Every-member Plan shall not be a liability upon the General Assembly or the Executive Commission, nor shall their Budget be paid out of the general funds of the Church, but out of the funds of the respective Boards composing said Committee, proportionately, the total amount not to exceed $20,488.60, for the year beginning July 1, 1916, the proportionate division of the same to be that adopted at the Conference between the Executive Commission and the Boards, May 16, 1916.

(6) It shall be the duty of the Committee to prepare the docket for the Official Conference and to render an accurate report of its actions, and submit its Minutes to the Executive Commission at every semi-annual meeting of said Executive Commission. [*Minutes*, G. A., 1915, p. 277.]

Report of the Assembly's Committee on the Every-member Plan (formerly the Joint Executive Committee).

The Assembly's Committee for the Every-member Plan, continuing the work done previously under the auspices of the Joint Executive Committee, presents its first Report, covering the fifth year of the Presbyterian United Movement. The present plan of organization, which gives each Board direct representation in the Committee, has secured closer concert of action than ever on the part of the Boards. Every Board has been represented at every meeting; there has been a fine feeling of fellowship, and also effective team work in all that has been undertaken.

1. *Results.*—The outcome of the year's work has been most encouraging. Every one of the Boards shows a balance. The receipts from living givers for the work of all the Boards shows a net increase of $235,335 over the high-water mark reached the preceding year.

The summary of the receipts for the past year will be submitted to the Assembly at its coming meeting.

Valuable a result as it has been to have increased the gifts for Benevolence and to have enlarged the support of the local churches—in many instances automatically superseding pew-renting and putting an end to the use of sundry money-raising devices—an even better effect of the United Movement has been the spiritual quickening which has followed the Every-member Canvass in many churches; while, best of all, there has developed a growing realization of the essential oneness of the work of the various agencies of the Church.

2. *Obstacles.*—The results achieved have been realized despite serious drawbacks under which the Committee has labored:

(1) Delay in providing for designating in the "Statistical Report" of the General Assembly the churches which have adopted the Every-member Plan and in acknowledging, collectively, the receipts of the Boards, has made it impossible for the United Committees of the Synods and Presbyteries and the churches generally to ascertain the facts as to the progress of the Movement; it is hoped that the General Assembly will now provide for this.

(2) The failure of some Synods and Presbyteries to provide for effective leadership for getting the Every-member Plan properly installed in the backward churches and developing its full possibilities, has retarded progress. The General Assembly has recommended that, instead of making this one of a number of interests committed to the Executive Commission or similar body, each Synod and Presbytery appoint a United Committee, composed of those who, having experienced the benefit of the Every-member Plan in their own churches, will earnestly endeavor to help others.

(3) The Budget for the Committee's expenses was cut down below the limit of greatest efficiency; consequently it became necessary to reduce the Executive Staff from four representatives to two, making it impossible to do justice to the demands of both field and office work; this reduction has not proved a real economy, and ampler provision should henceforth be made.

3. *Executive Officers.*—The Eastern Representative, Mr. David McConaughy, has served as Secretary to the Committee, being in sole charge of the Committee's Correspondence Office in New York, and has had general supervision of the Supply Office, at Auburn, N. Y., besides the care of all the field east of the Mississippi River, except Indiana, Illinois and Michigan.

The Western Representative, William S. Marquis, D.D., with headquarters in Chicago, has had charge of all the rest of the field, extending to the Pacific coast. He has been present at many of the National Missionary Conventions held in the Western District.

It was found necessary to employ assistants in both districts for a part of the year, in order to assist in making the necessary preparation for the Presbyterian part in connection with the National Missionary Campaign.

4. *National Missionary Campaign.*—Acting in coöperation with practically all other Protestant bodies of the United States, through the Laymen's Missionary Movement, in conducting a series of National Missionary Conventions, at seventy principal centres throughout the country, this Committee has carried out the Presbyterian part of the work, and, to conserve the results, its representatives have devoted a large share of time and attention to this Campaign. Of a total paid registration of 101,939 delegates in these conventions, nearly one-third were Presbyterians. The largest number of delegates attending any of these Conventions from any one church was from the First Presbyterian Church of Scranton, Pa., 250 men; the next largest, from the First Presbyterian Church of San Diego, Cal., 240 men. Throughout the entire series, the Presbyterian part in the conventions has been provided for by the Assembly's Committee for the Every-member Plan, in coöperation with the Presbyterial United Committees. The Committees having charge of the Every-member Plan have, for the most part, fulfilled their responsibility heartily and well. In connection with nearly every Convention, a session of Presbyterian men was held, usually taking supper together, when a definite policy was developed with a view to conserving the outcome.

5. *Unified Programme at Synods.*—For several years this Committee has been coöperating with the Synods with a view to finding the best way of presenting the work of the Boards, so as to avoid the overcrowding of Synod's programme, and to obviate even the appearance of competition on the part of the representatives of the several Boards. After experimenting for two successive years, certain rules have been agreed upon for 1916 by the Official Conference of the Executive Commission and the Boards. (See this Report, p. 158.)

6. *Publications.*—The Committee has restricted itself to supplying material such as would enable the churches most effectively to carry out the Every-member Plan.

The series of five manuals has been revised in the light of accumulating experience, and furnished to the churches at the least cost possible:

No. 1. For Leaders in Presbytery, Synod and the Church at large.
No. 2. For Pastors and Church Officers.
No. 3. For Church United Committees.
No. 4. For Canvassers.
No. 5. For Financial Officers.

New pamphlets have been published as follows:

"A Message a Day."
"It Continues to Work."
"What Do You Think of Going Into Bankruptcy?" by an agent of the N. W. Mutual Life Insurance Co.
"The Every-member Plan in the Sunday-school," George H. Trull.
"How a Dead Church Came to Life," John Timothy Stone, D.D.
"Giving as Worship," James H. Snowden, D.D.

A complete set of financial forms has been issued and a new book for the use of church treasurers.

7. *"Everyone."*—The need of closer touch with the United Committees of the Synods and Presbyteries as well as with the churches generally, has been met by issuing a quarterly bulletin, *Everyone,* sent to the pastors of all churches which contribute to the Missionary and Benevolent Work of the Presbyterian Church in U. S. A. This publication, entered as second-class mail matter, while keeping the pastors informed as to the progress of the Every-member Plan and as to the helps available in the Assembly's Supply Office, serves also to promote church efficiency in every way possible.

8. *Board Literature Distribution.*—With the opening of this year, the Correspondence Office of this Committee, at 156 Fifth Avenue, New York, became the clearing house for orders from the churches for Board literature—work that was formerly done by a special Committee, of which Mr. Adam Campbell, then treasurer of the Board of Church Erection, was the faithful and devoted chairman. Under the present arrangement, this work is being done in increased volume and at less than half the previous cost.

9. *Promoting The Assembly Herald.*—Continued coöperation has been given in promoting the interests of *The Assembly Herald,* both as to subject matter and its circulation. At a considerable outlay, provision for subscription to the official magazine of the Church has been incorporated as an integral part of the Every-member subscription form and a special envelope is enclosed in every carton of envelopes issued from the Supply Office. *The Assembly Herald* manager very generously attributes to this cause a large share of the substantial increase in the circulation of *The Assembly Herald* during the past year.

10. *The Supply Office.*—The Supply Office, at Auburn, N. Y., has continued to render invaluable service to the churches by furnishing the double-pocket envelopes and everything requisite for effectively carrying out the Every-member Plan.

Through the unfailing interest of Mrs. Hubbard, perpetuating what her husband, the late William H. Hubbard, D.D., started, the plant has been still further improved by the addition of another Duplex Disc Printing Press. The increasing demand has made it necessary to operate the plant by night as well as day during a longer period than in previous years.

Following is the financial statement of the Supply Office, which has been audited and found correct:

11. *Progress.*—The year has witnessed marked advance. The number of churches reported as having adopted the Every-member Plan in 1915 was 3,569. In addition to these, many more have been reported, bringing the total up to the time of making this report, although still quite incomplete, to 5000.

In many of the Presbyteries grants of Home Missions funds are now made to churches asking aid only on condition that the Every-member Plan is followed and a personal Canvass made annually. The Board of Home Missions makes this requirement of every church aided, irrespective of Presbyterial action. The Freedmen's Board has adopted a similar procedure. This proviso has not yet in all cases been extended to include the Benevolences as well as the pastor's salary.

From the volume of letters which are constantly coming from the churches, reporting the benefits resulting from the Every-member Plan, hundreds have already been published in a series of pamphlets, the latest of which being: "The City Church on the Every-member Plan," "The Every-member Plan in the Rural Church," "The Every-member Plan in the Sunday-school" and "It Continues to Work"—the last named being made up of the experience of churches which have followed the Plan from three to ten years.

The loyal coöperation of the United Committees in the Synods and Presbyteries is a constant source of encouragement. From reports recently received from Chairmen of these Committees, there is room here for only a few typical extracts:

Aberdeen (South Dakota)—Eighteen churches now use the Every-member Plan, adapted according to action of this Presbytery aiming at uniformity.

Bell (Mississippi)—Gratifying success, wherever properly worked; pushing it to the utmost with a view to reaching standard set by General Assembly.

Binghamton (New York)—Endeavoring to get every church in the Presbytery to make financial canvass annually; also a fellowship canvass. Seeking a contribution to every cause from every church.

Cape Fear (Catawba)—All reports indicate that the Plan insures far better results than were ever realized before.

Carthage (Missouri)—Results most encouraging; small churches as well as larger beginning to realize advantages of the Plan. Next year will show results more in keeping with the ability of the churches.

Columbus (Ohio)—Nearly all the churches now operating under this general system. Hoping soon to have every one of them finance its support and providing for benevolences in this way.

Corning (New York)—Practically all the churches now making the Canvass more or less thoroughly. Considerable enthusiasm manifested.

Dayton (Ohio)—Have nearly perfected the Plan in our Presbytery. The few churches not yet following it are those receiving Home Missions aid. Another year should see all in line.

Des Moines (Iowa)—Where it has not succeeded the cause has been half-hearted support from pastor. Two churches which failed the first year have come back to the Plan and succeeded the past year.

Duluth (Minnesota)—Plan pushed vigorously in nearly all the large churches. Help given through Western Office of the Assembly's Committee invaluable.

El Paso (Texas)—The churches, with three exceptions, are on Home Missions funds, two of them serving ranchers over an area of 75 to 100 miles; yet nearly all have adopted the Plan.

Fairfield (Atlantic)—All churches have adopted Plan as recommended by the General Assembly.

Florida (Alabama)—The Plan is being pushed thoroughly and is proving a success.

Ft. Dodge (Iowa)—All churches receiving Home Missions aid are obliged to use the Every-member Plan.

Genesee (New York)—Enthusiastic returns from practically every pastor as to the success of the Plan, in promoting church efficiency and increased benevolent offerings.

Great Falls (Montana)—Making good progress with the Plan.

Huntingdon (Pennsylvania)—The movement is progressing in an encouraging way. The number of churches adopting the Plan largely increased during the past year.

Neosho (Kansas)—Entire success wherever adopted. Most of the other churches will endeavor to carry it out the coming year.

Lake Superior (Michigan)—Plan has won a permanent place in all churches that have tried it. More are about to adopt it.

Minnewaukan (North Dakota)—But one church is yet carrying out the Plan completely; quite a number have it in part and are working up to it. Towner Church is setting a notable example.

Morris and Orange (New Jersey)—Thirty-one of the 42 churches replied to a questionnaire; 22 report having successfully carried out annual Canvass. Every church that has done so reports advance, except three; of the latter two report that it has enabled them to hold their own, despite death or removal of large givers. Plan no longer an experiment here, but recognized as the approved method.

Newark (New Jersey)—All but a few of the English-speaking churches are following the Plan with notable increases. Two Italian churches have doubled their income by means of it; other non-English churches also following it.

New Brunswick (New Jersey)—Presbytery is enthusiastic over wonderful success of the Plan. Home Missions aid will in future be given only in case Every-member Plan is carried out. This will bring most of the churches in line in the near future.

Olympia (Washington)—Plan is faithfully pursued in nearly all churches; has gone a long way toward solving financial problems.

Ottawa (Illinois)—Returns from Presbyterial questionnaire show all but five churches on the Plan; results very encouraging. Expecting the other churches to fall in line soon.

Portland (Oregon)—Marked progress made the past year, with special emphasis on preparation for the Canvass. Pulpits were interchanged February 27, and pastors preached on Stewardship. Canvass made simultaneously March 5. All the weak churches have not only held their own, but advanced in numbers of subscribers and in amounts secured. The other churches have done well.

Portsmouth (Ohio)—With but a single exception the churches following the Plan report increase in benevolence, running in some cases as high as 300 per cent.

Steuben (New York)—Eighteen churches on the Plan; Addison and Hornell adopting it the past year.

Syracuse (New York)—Will give Home Missions aid in future only to churches making the Every-member Canvass.

Waterloo (Iowa)—All churches of any importance, except three, have now adopted the Plan, and the other three are preparing to carry it out another year.

Westchester (New York)—Most satisfactory reports from the churches following the Plan.

Wheeling (West Virginia)—With three exceptions, every church in our Presbytery has adopted the Plan in some form. Of the three, two are country churches and the other is in a new field. Planning for an Efficiency Campaign shortly.

12. *Points to Safeguard.*—While accumulating experience confirms the conviction that the Every-member Plan is the most effective way of providing the financial support alike of the local church and of the missionary and benevolent work of the Church at large, the Committee is alive to the necessity of safeguarding and strengthening it at certain important points, if its largest possibilities are to be realized:

(1) The Canvass should be made annually.

(2) The work of the Boards should be presented severally and systematically.

(3) Opportunity should be given periodically for thank offerings, supplemental to the weekly envelope contributions.

(4) Individuals should be encouraged to designate how their gifts to benevolence are to be distributed; and Sessions should determine ratio for undesignated contributions for benevolences.

(5) Proportionate as well as systematic giving should be cultivated.

13. *Treasurer's Report.*—The Committee's expenses during the nine months ending March 31, 1916, amounted to $14,905.64. Of this amount, $1,000 was a refund of half of an advance of $2,000 from the Supply Office, at Auburn, N. Y.; $336.14 was a gift from Mrs. William H. Hubbard for an additional small printing press for the Supply Office; $550 was received by assessment of the Boards upon themselves for issuing the booklet, "Definite Needs of the Presbyterian Boards for Presbyterian Men to Meet," 25,000 copies of which were sent individually to the Presbyterian delegates who attended the National Missionary Conventions. The expense incident to the free distribution of Board literature to the churches which cost the Boards about $1,000 a year, when handled formerly by a Special Committee for this purpose, has, since January 1, 1916, been charged to this Committee. Allowing for these extraordinary items, it has been barely possible, despite the cutting down of the Executive Staff from four to two Representatives, to keep the expenditure for the first three-quarters of the year, within the limits fixed by the last General Assembly for the Boards to assess themselves for the expense involved in raising the entire Missionary and Benevolent Budget of the Church. For the fourth quarter, ending June 30, 1916, the expenditure is estimated at $5,435; and for the year commencing July 1, 1916, $18,490. The General Assembly is asked to authorize the Boards to assess themselves accordingly.

The Report of the Treasurer of the Assembly's Committee for the Every-member Plan from July 1, 1915, to March 31, 1916, is as follows:

RECOMMENDATIONS.

The Committee makes the following recommendations to the General Assembly:

(1) That all Presbyteries and Synods be urged to coöperate with the Assembly's Committee for the Every-member Plan by the appointment of a United Movement Committee to promote the Every-member Plan, making such provision for expenses as will secure efficiency.

(2) That the presentation of the Missionary and Benevolent work of the Boards to the Synods in its essential oneness according to a unified programme as provided for by the Assembly's Committee for the Every-member Plan, and endorsed by the Executive Commission, be approved.

(3) That a Church Missionary Committee (or United Committee) be constituted by the Session of each church, representative of the Session and other church organizations, and made responsible for cultivating interest in the entire Missionary and Benevolent work.

(4) That with a view to awakening the intelligent interest of the entire membership, the work and needs of the Presbyterian Boards be systematically presented from the pulpit and otherwise at the times appointed by the General Assembly, namely:

January—Foreign Missions.
February—Colleges.
March—Church Erection.
April—Foreign Missions.
May—Publication and S. S. Work.
June—Home Missions.

July and August—The Missionary and Benevolent Work of the Church as a whole and the Every-member Canvass.

September—Ministerial Relief and Sustentation.
October—Education.
October—Temperance (last Sunday, or World's Temperance Day).

November—Home Missions.

December—Freedmen.

(5) That, while seeking to enlist everyone to give regularly, through the weekly envelope, for the whole missionary and benevolent work, as well as for local church support, opportunity should be given periodically for supplemental thank-offerings for specific causes.

(6) That the entire Church join in a united effort to propagate the principles and promote the practice of Christian stewardship.

(7) That the churches be advised to secure their weekly-offering envelopes and other requisites for the Every-member Plan, from the General Assembly's Supply Office, at Auburn, N. Y., which is prepared to provide these at the least cost consistent with efficient service.

(8) That church treasurers be requested to make their remittances to the Boards quarterly, so as to enable the Boards to employ in their actual work the funds which now need to be paid out in interest on loans.

The entire Report is respectfully submitted in behalf of the Executive Commission.

J. Ross Stevenson, *Chairman.*

The Committee on Church Erection presented a supplemental Report, pending consideration of which the Assembly observed the order of the day, and one-half hour was spent in devotional services.

The Assembly engaged in devotional services, and was led by Rev. J. D. Burrell, D.D.

The Assembly took recess until 3 o'clock P.M., and the session was closed with prayer.

FRIDAY, May 26, 3 o'clock P.M.

The Assembly met, and the sessions were opened with prayer.

A supplementary Report of the Standing Committee on Church Erection was received and adopted as follows:

In response to the request of the Presbytery of Phœnix, asking that the rules of the Board be so amended as to permit the building of churches and manses for Indian congregations, it is recommended that, where application is made by Presbyteries after full consideration of the field, the Board is given authority, at its discretion, to grant or loan the total cost of the house of worship or manse, on condition that Presbytery present to the Board plans and specifications of the proposed house of worship or manse, and raise all the funds possible on the field.

The Stated Clerk was unanimously authorized to cast, and did cast, the ballot of the General Assembly for the following persons as members of the Board of the Church Erection Fund, and they were declared duly elected as members for the class 1916–1919: *Ministers*—Robert Scott Inglis, D.D., J. R. J. Milligan, D.D., Andrew J. Montgomery, D.D., Arthur C. McMillan; *Ruling Elders*—Hon. M. Linn Bruce, Hon. Jesse S. L'Amoreaux, Mr. James Frame, Mr. W. J. Hill, and Mr. John J. Barry.

The Report on a non-judicial or administrative case, referred to the Permanent Judicial Commission, was received, and the Report was adopted and is as follows:

In the matter entitled Petition of H. P. Faris, which purports to charge the Synod of Missouri with improper action respecting the approval of the appointment of Trustees of the Anti-saloon League, the Permanent Judicial Commission finds:

1. That the paper presented does not define with sufficient particularity the alleged offense.
2. It is not accompanied by papers sufficient to support a judgment.

3. No proof is furnished of any notice having been given to the judicatory complained of.

For these reasons the petition is dismissed, but without prejudice to a subsequent application.

The Rev. John T. Bacon, D.D., from the Synod of Missouri, who is a member of the Permanent Judicial Commission, did not sit with the Commission during the hearing of this matter and took no part in the decision.

John Grant Newman, *Vice-Moderator.*
Thomas E. D. Bradley, *Clerk.*

The following resolution was referred to the Board of Home Missions:

Resolved, That, recognizing the vast importance of the work done by our home missionaries and the increased cost of living, it is the desire of this Assembly that the minimum salary of the home missionary be $1,200 per annum, and that the same be and hereby is respectfully and earnestly referred to the Board of Home Missions for their earnest consideration as a standard in the matter of remuneration.

The Report of the Standing Committee on Polity was received, and adopted seriatim, and is as follows:

The Standing Committee on Polity would respectfully report as follows:

Overtures Nos. 47 to *51*, from Tennessee Synod and four Presbyteries, with reference to a change of name and boundaries of Cookeville Presbytery. It is recommended that the request be granted.

Overture No. 52, from Spokane Presbytery, relating to the action of Washington Synod in erecting the new Presbytery of Cœur d'Alene within the bounds of the State of Idaho. It is recommended that the Assembly ratify the tentative action already taken by the Synod.

Overtures Nos. 53 and *54*, relative to the union of the Presbyteries of Oakland and San Francisco, desired by the Synod of California, which voted unanimously for the union, but which, by fifteen members of the San Francisco Presbytery, is contested. The Committee having given the problem careful and thorough consideration, unanimously recommends that the Assembly approve of the tentative action of the Synod of California, and that the two Presbyteries be united.

Overture No. 55, from the Synod of Ohio, asking for the transfer of North Washington Church from Marion Presbytery to Lima Presbytery, and of Doylestown Church from Wooster

Presbytery to Cleveland Presbytery. Your Committee recommends that both of these transfers be allowed.

Overture No. 56, from Tennessee Synod, requesting permission to transfer Christiana Church from Nashville Presbytery to McMinnville Presbytery, and of Flag Pond Church from Holston Presbytery to French Broad Presbytery. It is recommended that permission be granted to transfer these churches.

Overture No. 60, from Jersey City Presbytery, asking the Assembly to rule that "a special meeting of a congregation must conform to the requirements of a *pro re nata* meeting of Presbytery, as to the specifications of the items of business." Your Committee would reply in the affirmative, bringing the rule for a special meeting of a congregation into conformity with the rule for a special meeting of a Presbytery.

Overtures Nos. 61, 62, 159 and *160,* from the Presbyteries of Indiana, White Water, Fort Wayne and Crawfordsville, asking the Assembly to adopt a rule to the effect that, "whenever, from any cause, it shall become necessary to change the regularly appointed meeting of Presbytery, its Moderator, Stated Clerk and Permanent Clerk shall be authorized to secure another place of meeting, and issue a call for the meeting of Presbytery accordingly." The Committee would recommend its adoption.

Overture No. 63, from Santa Barbara Presbytery, asking whether a minister serving within the bounds of another Presbytery than his own, by consent of both Presbyteries, can legally ordain and install elders in the church which he is serving. The Committee would reply in the affirmative, emphasizing the phrase, "by consent of both Presbyteries."

Overture No. 64, from the Presbytery of Westchester, propounding interrogatories as follows:

1. When a church has lost all its elders by death, removal or resignation, and cannot find suitable persons to fill the vacancies thus made, can such a church elect and call a minister and consummate the pastoral relation?

2. Wherein does a "special commission" (Form of Government, Chapter XIII, Section 9) differ from a "committee," and what powers, if any, are possessed by such commission other than those specifically conferred by the appointing body?

It is recommended that answer be returned as follows:

1. The church can act only under the oversight and with the advice and direction of Presbytery.

2. A "commission" has power to act subject to the review

and reversal of the judicatory; a "committee" renders a report only, the same being submitted for approval to the judicatory.

Overture No. 65, from the Jersey City Presbytery, propounding certain interrogatories as follows:

1. "Is it lawful for a congregation, without formal action by the Session or an order of Presbytery, to call a meeting of the congregation for the dissolution of the pastoral relation?" Your Committee answers in the negative.

2. "Is it lawful for a person not an ordained minister, nor a communicant member of the church in question, to preside at such congregational meeting for the dissolution of the pastoral relation?" This also your Committee would answer in the negative.

3. "What Chapter and Sections of the Form of Government shall be interpreted as applying to a pastor resigning a charge, who is not accepting a call to another congregation, and who remains a member of the Presbytery in which he last held a charge, provided that Chapter XVII, Sections 1 and 2, of the Form of Government do not apply?" Your Committee's answer to this interrogatory is, they do apply.

4. "Is any exception to be allowed to the rule requiring the presence of some neighboring minister to assist in conducting the election contemplated (of a minister?), unless highly inconvenient on account of distance, as provided in Chapter XV, Section 2, of the Form of Government? Has a congregation a right to ask a non-communicant member or any other member to preside in place of a 'neighboring minister'?" The answer your Committee would make to these interrogatories is this: Exceptions in extreme cases are allowable, but it is expected that congregations will ordinarily be moderated by either a "neighboring minister" of the same Presbytery or by one of the Session of the church.

5. "Who can preside at the meeting of the congregation for the election of elders and deacons in a church already organized?" The Committee would answer, in general, a Moderator appointed by Presbytery.

Overtures Nos. 66 and *67*, relating to the erection of a New Synod, to be called the Synod of Florida; the Alabama Synod favoring the proposition and the Presbytery of Florida, on maturer reflection, deeming it "premature." Your Committee would recommend to the Assembly that, in view of the conflict of judgment on the matter, the question be referred back to the Synod of Alabama for reconsideration, and that the creation of the proposed new Synod of Florida be deferred until both parties are better agreed as to the wisdom of the action.

Overture No. 73, from the Zion Bohemian Church, and concurred in by Nebraska Synod, requesting the Assembly to transfer said church from the Omaha Presbytery, Nebraska Synod, to the Central West (Bohemian) Presbytery, Iowa Synod. Your Committee would call the attention of the Zion Bohemian Church and the Nebraska Synod to the *Minutes* of the General Assembly, 1915, p. 216, where apparently the same request, by the same church, is recorded to have been made of the last General Assembly, and by the Assembly then granted. It is recommended that the request be granted and that the transfer be authorized.

Overture No. 154, from the Presbytery of Chicago, asking for the dismission of Rev. A. G. Shriver, of Chicago Presbytery, to the Presbytery of Yukon, Alaska. Your Committee recommends that the request be granted, and that the Stated Clerk of Yukon be instructed to enroll Mr. Shriver's name at once as a member of said Presbytery. Also, the request of the Presbytery of Baltimore, for the transfer of Rev. John L. Hughes to Yukon Presbytery.

Overture No. 68, being a communication from the Board of Foreign Missions, relating to the ordination of ministers in foreign mission fields, and requesting the Assembly "to take such action and give such authorization as it may, in its wisdom, deem proper, to make it possible for the ordained foreign missionaries in foreign mission fields, where there are no Presbyteries, to proceed in an orderly way with the organization of churches and the ordination of ministers and elders."

Your Committee would unanimously recommend that in foreign mission fields, where there is no organized Presbytery and where conditions are such that it is deemed inexpedient to organize one, the mission, through its ordained members (who shall be not less than three in number), is hereby given power to ordain worthy and suitable men to the ministry and eldership, and to organize churches, until the time when it shall become practicable to organize a Presbytery, into which, when organized, such ordained persons would naturally be received, *ad eundem*.

And it is herewith enacted, that this regulation shall be an established rule of the Presbyterian Church for all foreign mission fields; it being understood that such procedure is to be regarded as an emergency act, to be allowed by the General Assembly only during the period of a mission's life as indicated in the preceding paragraph; that it is not intended as a permanent law of the Church, and that it has no force in any field where there is already an established Presbytery; and that all native ministers and elders thus ordained shall have ecclesiastical standing in their own lands only; and that the names of those thus ordained shall be reported by the mission, through the Foreign Board, to the General Assembly annually. All of which is respectfully submitted.

George L. Robinson, *Chairman.*

The Report of the Committee on Correspondence was presented by the Chairman, the Rev. Charles L. Overstreet, D.D., was adopted and is as follows:

Your Standing Committee on Correspondence begs leave to make the following brief Report with reference to the distinguished speakers of yesterday afternoon. Your Committee has not been compelled to peruse long and voluminous documents, nor have we found it necessary to listen to Secretaries, Boards and Committees in framing our Report. Nevertheless, the importance of our task is not in the least impaired thereby; for we represent before this Assembly not only one interest or agency, or even two, but rather we come representing, through corresponding delegates, *all* the interests, agencies and activities of ecclesiastical bodies the world over. The Committee on Correspondence has been called the *Diplomatic Department* of the Church, having to do with Churches and societies of almost all the great countries involved in war to-day. However, if the spirit and purpose cherished and manifested by the brethren who delivered addresses, and by the great Christian organizations which they represent, could only be injected into the hearts and councils of the nations at war, we would see a speedy conclusion of the mighty conflict across the sea. We rejoice, Mr. Moderator and brethren, that we, as a Church and nation, find ourselves at peace with all the world to-day, and in happy correspondence with brethren everywhere. And for our brethren of other nations we continue to pray, asking for peace, "the peace of God that passeth all understanding." In this spirit of brotherly love and good will, then, Mr. Moderator and brethren of the Assembly, we greeted our corresponding delegates, and had the honor to introduce to the Assembly the representatives of certain corresponding Churches and organizations, which we, as Presbyterians, delight to honor. They are the following:

From the Moravian Church in America, Bishop Morris W. Leibert.

From the Waldensian Church of Italy, and representing the American Waldensian Aid Society, Rev. Prof. Alberto Clot.

From the Belgian Evangelical Church, Rev. Henri Anet, B.D., LL.D.

From the Evangelical Lutheran Church, the Rev. J. B. Remensnyder, D.D., LL.D.

From the Armenian Evangelical Church, Rev. William Nesbitt Chambers, D.D.

From the Presbyterian Church of India, Rev. E. D. Lucas.

From the Presbyterian Church of Brazil, Rev. R. F. Lenington.

From the Council of Reformed Churches in America, Rev. William Hiram Foulkes, D.D.

From the World Alliance of the Reformed Churches holding the Presbyterian System, Rev. William H. Roberts, D.D., American Secretary.

Your Committee also holds the credentials of the Rev. John G. Fagg, D.D., from the General Synod of the Reformed Church in America, together with a letter of greeting. Also from Rev. Stuart L. Roussel, D.D., of the Evangelical Reformed Church of France.

The Committee has also received a communication from the Hungarian Calvin League, making an appeal for the Hungarian laborers living in the United States of America. To this appeal your Committee would reply, through our Stated Clerk, expressing the profound sympathy and high regard of our Presbyterian Church for these worthy brethren during these distressing times of war.

Your Committee would recommend that the following ministers be nominated to convey our greetings to our sister Churches of the Reformed Faith:

To the General Synod of the Reformed Church in America, Rev. Charles L. Reynolds, D.D., Newark, N. J.

To the Provincial Synod of the Moravian Church, Rev. J. Allan Blair, D.D., Philadelphia, Pa.

To the General Synod of the Evangelical Lutheran Church, Rev. J. Ross Stevenson, D.D.

We offer the following resolutions, appealing for relief of stricken Armenian survivors, presented by Rev. J. Ross Stevenson, D.D., for adoption by the Assembly:

WHEREAS, There have been received from the Federal Council of the Churches of Christ in America and the American Committee for Armenian and Syrian Relief a request to take special offerings in churches and Sunday-schools on Memorial Sunday, May 28, June 4, or some near-by date; therefore,

Resolved, 1. That we urge churches to present this appeal for the relief of the stricken in Europe, and especially for the Armenian survivors, these our brethren who are suffering through deportation and famine, the whole race being threatened with extermination, and staggering under an unprovoked blow of heartless assassination.

Resolved, 2. That in this moment of unprecedented suffering we call upon our membership to respond to this appeal in self-sacrificing generosity, and to do this over and above regular contributions to Missions.

Respectfully submitted,
Charles L. Overstreet, *Chairman.*

The Standing Committee on Mileage submitted a Report, through Charles T. Rogers, Chairman, which was received, and the recommendations were adopted and are as follows:

The Mileage Committee respectfully reports that it has carefully audited all the mileage accounts of the Commissioners, and checks therefor have been drawn by the Treasurer and countersigned by the Stated Clerk, in accordance with the plan adopted by the Assembly.

The number of Commissioners enrolled is 886; the whole number of Presbyteries represented, 287; the number of advisory members is 11; the number of Presbyteries not represented is 4.

The Foreign Mission Presbyteries are exempt from payment of apportionments, and six Presbyteries composed of colored ministers and churches did not pay their full apportionments.

By action of the Assembly, the mileage and entertainment expenses of the Commissioners from these Presbyteries were paid in full.

The Presbytery of Newark has not paid the mileage or entertainment apportionments, and the entertainment apportionments have not been paid by Clarion and Kittanning Presbyteries.

The receipts and disbursements for mileage and entertainment are as follows:

Receipts.

From Apportionment:	Mileage Fund	$43,903 55
	Entertainment Fund	28,870 98
		$72,774 53

Disbursements.

For Mileage	$55,540 40
" Entertainment	23,782 81
	$79,323 21

The amounts received for other purposes are as follows:

Contingent Fund	$44,598 30
Vacancy and Supply Fund	6,992 01
	$51,590 31

These funds are in the custody of the Treasurer of the Assembly, the Land Title and Trust Company of Philadelphia.

The Stated Clerk found it unnecessary to levy the one-half cent for legal expenses, allowed and authorized at the last meeting of the General Assembly.

Your Committee respectfully makes the following recommendations:

1. That the Assembly again urges upon all Presbyteries the absolute necessity of contributing in full to the Mileage, Entertainment and Contingent Funds, and the importance of forwarding the remittances to the Stated Clerk of the Assembly well in advance of the next meeting of the General Assembly.

2. That the Mileage Committee be authorized to draw on the surplus Assembly Funds for the difference between the amount of the income of the Mileage Fund and the bills of Commissioners to this Assembly as audited by the Committee, and that the Treasurer of the Assembly be authorized to pay all bills in full.

3. That the apportionment for next year, in accordance with the recommendation of the Finance Committee, be 8½ cents for each communicant, apportioned as follows: To the Mileage Fund, 3 cents; to the Entertainment Fund, 2 cents; to the Contingent Fund, 3 cents; to the Vacancy and Supply Fund, ½ cent.

4. That the Stated Clerk and the Treasurer of the Assembly be empowered, jointly, at their discretion, to pay Commissioners such further sums as may be considered justly due by reason of under-estimation of railroad charges and other expenses incurred in returning home, and also for fare paid in excess of the published rates of transportation in cases where it is found that it was impossible for the Commissioners to secure reduced rates.

5. That the Stated Clerk and the Treasurer be authorized to have the accounts for Mileage and Entertainment of this Assembly duly audited, after the adjournment of the Assembly.

6. That the thanks of the General Assembly be extended to such railroads and other transportation companies as made reduced rates to the Commissioners.

7. That the allowance for the entertainment of Commissioners to the General Assembly be fixed at $3 per day.

Submitted in behalf of the Committee,
CHAS. T. ROGERS, *Chairman.*

The thanks of the Assembly were tendered to the Mileage Committee, and especially to the Chairman, for services rendered.

The Report of the Standing Committee on Finance was presented by Elder Franklin L. Sheppard, Chairman, and was received, and the recommendations were adopted. The Report is as follows:

The Standing Committee on Finance respectfully reports:

The Committee has received and carefully examined the following financial statements, attested as correct by certified public accountants:

(*a*) Statement of Account of the Boards of the Church in account with the Stated Clerk. This is an account of the receipts and disbursements connected with the binding and distribution of the Reports of the Boards, and shows a balance in hand, on April 30, 1916, of $436.72.

(*b*) Statement of the Land Title and Trust Co., of Philadelphia, Treasurer of the General Assembly, for the year ending March 31, 1916. This statement is an exhibit of the receipts and disbursements of the current funds of the General Assembly, and is summarized as follows:

RECEIPTS.

Balance, April 1, 1915	$29,728 44
From Apportionments	112,141 86
From other Sources	19,849 44
Total	$161,719 74

DISBURSEMENTS.

As per Vouchers, Nos. 1419 to 1781, inclusive	$123,664 84
Balance, March 31, 1916	38,054 90
	$161,719 74

Included in the receipts, is the sum of $1,189.72, interest on balance deposited with the Treasurer.

It will be seen from the foregoing statement that the Treasurer not only receives no salary, but pays interest upon the funds in hand. As a different impression prevails in some quarters, the Committee calls special attention to this fact.

(c) Report of Wm. H. Roberts, Stated Clerk, showing the vouchers issued by him, during the year 1915–16, properly classified.

(*d*) Report of the Trustees of the General Assembly, for the year ending March 31, 1916, being an exhibit of the Permanent Funds of the General Assembly for that period. In the examination of this Report the Committee was aided by the President of the Board, George Stevenson, Esq., of Philadelphia, who very fully explained the details of this elaborated statement.

The trust funds and property in the hands of the Trustees amount in the aggregate, to $1,168,956.25, all of which is invested except a cash balance of $81,375.82.

The investments include first mortgages on improved real estate of $439,450 and investments on securities of $630,182.81.

The mortgage loans in no case exceed 60 per cent. of the valuation fixed by professional appraisers; while the investments in securities are of the safest character, being chiefly municipal bonds and first mortgage railroad bonds of a high order. No interest is in default excepting upon $20,000 General and First Mortgage Bonds of the Chicago and Eastern Illinois Railroad Company, which is in the hands of a Receiver. It is reported that the road is earning more than its fixed charges on these bonds, and as they are followed in lien by $20,000,000 in junior securities, the Trustees look for a satisfactory settlement.

The average rate of net income of investments was slightly in excess of 4¾ per cent. per annum, a gratifying return, when the high class of the investments is considered. All the stocks and real estate owned by the Trustees were received as legacies.

The entire expense of administering the various trusts was but $2,480, considerably less than the interest received on the current balances in the hands of the Treasurer, which interest amounted to $3,812.85. In addition to acting as Treasurer, the Philadelphia Trust Company supplies, without charge, a safe deposit box for the keeping of the securities (under two sets of keys), as well as storage for the large number of title papers, insurance policies, etc., that accompany the mortgages.

(1) The Committee recommends that the several reports above mentioned be accepted and approved, and that the thanks of the Assembly be tendered to those who have had these important interests in their care.

The last General Assembly (*Minutes*, p. 291) recommended that the Executive Commission and the various Special Committees should, as far as possible, revise and reduce their expenditures. Your Committee is gratified to report that this recommendation has been complied with. The total expenses of the Executive Commission and of the Special Committees this year amounted to $4,932.20, a reduction of $290.11 from the expenses of the year ending March 31, 1915.

(2) In pursuance of previous actions of the General Assembly, the Committee recommends that the following appropriations be made:

(*a*) To the Federal Council of the Churches of Christ in America....	$1,554 00
(*b*) To the World's Presbyterian Alliance.........	2,060 00
(*c*) To the Council of the Reformed Churches holding the Presbyterian System.........	200 00

(3) A vacancy in the Trustees of the General Assembly having been reported to your Committee, occasioned by the resignation of George V. Massey, Esq., one of the most valued members of the Board, your Committee recommends that the Assembly elect, to fill said vacancy, Mr. William A. Law, of Philadelphia, and that the Stated Clerk be empowered, in behalf of the General Assembly, to cast the ballot electing said nominee.

In behalf of the Standing Committees,
Franklin L. Sheppard, *Chairman.*

The Stated Clerk was unanimously authorized to cast, and did cast, the ballot of the General Assembly for Mr. William A. Law as a Trustee of the General Assembly, and Mr. Law was declared duly elected.

The same Committee made a supplemental Report, which was adopted and is as follows:

In the matter of the petition of James A. Smith, Charles C. Russell and E. P. Bodle, Commissioners from the Presbytery of Neosho, referred by the General Assembly to this Committee, your Committee respectfully reports as follows:

The petition relates to the judicial case of the Presbytery of Neosho *versus* the Rev. Percival H. Barker, adjudicated at this General Assembly. It is in due form, and sets forth that the said case was retried by the Presbytery of Neosho, by the express order of the General Assembly of 1914; and that in the prosecution of the case the Presbytery has been put to no inconsiderable expense. Further, that by the decision of the Judicial Commission, the proceedings of the Presbytery in the case have now been declared to have been null and void, notwithstanding the fact that the General Assembly of 1914 ordered the retrial. For these reasons, the petitioners earnestly pray "that on presentation of an itemized statement of the expenses incurred, the General Assembly shall reimburse the Presbytery of Neosho in a sum not to exceed three hundred dollars ($300)."

Having carefully considered the matter, the Finance Committee has reached the conclusion that the petitioners, in view of the facts, are entitled to equitable relief. Believing, further, that the circumstances of this case are so unusual as to preclude the establishment thereby of any precedent for the assumption, by the General Assembly, in any ordinary case, of any portion of the judicial expenses of a Presbytery, your Committee recommends:

That the petition be found in order, and that upon presentation of an itemized statement of expenses necessarily incurred by the Presbytery of Neosho in complying with the directions of the General Assembly aforesaid, said statement to be formally approved by the said Presbytery and certified by its Stated Clerk, and not exceeding in amount the sum total of three hundred dollars ($300), the Stated Clerk and the Treasurer of the General Assembly be and are hereby authorized and directed to pay the same.

In behalf of the Committee,
Franklin L. Sheppard, *Chairman.*

The Necrological List was read by the Stated Clerk, and the Assembly was led in prayer by the Rev. John Dixon, D.D.

It was directed that the List be printed in the Appendix to the *Minutes.*

The Committee on Next Place of Meeting presented a revised and supplemental Report, which was received and the recommendations were adopted. The Report is as follows:

The Committee on the Next Place of Meeting respectfully reports to the General Assembly as follows:

Invitations have been received from the churches and other organizations in the following cities: Atlantic City, N. J., Columbus, O., Dallas, Tex., St. Louis, Mo., Saratoga Springs, N. Y., and Seattle, Wash. All the parties presenting invitations have been heard, and the Committee reports that by the decision of the Assembly the next meeting of the Assembly will be at Dallas, Tex. The agreement is that "the Central Presbyterian Church of Dallas and the other Presbyterians of Dallas will provide free entertainment for the officers of the Assembly, and also free entertainment for as many as one-half of the Commissioners in the homes of Dallas, if necessary; also, without charge, a place of meeting for the sessions of the Assembly, the expenses of the

Local Committee of Arrangements, and such other provisions as may secure the comfort of Commissioners and the business efficiency of the Assembly." It is further understood that the rate of $3 per day, on the American plan, will be the rate for Commissioners who are entertained in other places than the homes.

The following recommendations are offered for adoption:

Resolved, That the pastor and Session of the Central Presbyterian Church of Dallas, Tex., with the Stated Clerk of the General Assembly, be the Local Committee of Arrangements, with power to add to their number.

Resolved, That the thanks of the Assembly are tendered to all the churches and communities which have extended invitations for the next place of meeting, with the hope that the way will be open to the Assembly for an acceptance of these invitations in the future.

Resolved, That all arrangements for railroad transportation be placed, as customary, in the hands of the Stated Clerk.

JOHN A. MARQUIS, *Chairman;*
WM. H. ROBERTS, *Stated Clerk;*
EDWARD L. WARREN, *Permanent Clerk.*

The Stated Clerk submitted the following Report, which was received and adopted:

The Stated Clerk respectfully reports to the General Assembly:

1. In the matter of the binding and distributing of the Reports of the Boards, that the same has been attended to, in accordance with the directions of the Assembly of 1915, and that the accounts for the same have been duly audited. These accounts will be printed in the Appendix to the *Minutes*.

2. It is recommended that the following resolutions be adopted:

Resolved, a. That the Assembly authorize the binding and distribution of 7,500 copies of the Reports of the Boards and Permanent Committees, for the ecclesiastical year 1915–16; the expenses of the same to be borne by the Boards.

Resolved, b. That the Boards be requested to deliver the printed sheets of these Reports to the Stated Clerk on or before June 15, 1916.

3. The Assembly is respectfully asked to approve of the continuance of the publication of the Presbyterian Handbook, under the editorship of the Stated Clerk.

4. That the Stated Clerk is hereby authorized to take up with the Board of Publication and Sabbath School Work, the matter of the publication of portions of the Narrative on Christian Life and Work, for distribution throughout the Church.

The Records of the following Synods were approved, without exceptions, suggestions, or explanations: Alabama, Arizona, Arkansas, Atlantic, California, Catawba, Colorado, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Mississippi, Montana, Nebraska, New England, New Jersey, New Mexico, New York, North Dakota, Ohio, Oklahoma, South Dakota, Washington, West German, West Virginia, Wisconsin.

The Minutes of Synods other than those just named were reported upon as follows, and the reports were approved:

Your Committee on the Minutes of the Canadian Synod observe that its record is written instead of printed; that, on p. 119, the Synod adjourned without prayer; that, on p. 128, the Minutes are left unsigned by the Clerk; that in many places form and orthography are bad. Your Committee would therefore recommend that the Minutes of this Synod be approved with the above indicated exceptions, and that the Clerk be kindly admonished to give more attention to form and orthography.

Respectfully submitted,
W. H. Franklin, *Chairman.*

The Committee on the Records of East Tennessee Synod, respectfully reports to the General Assembly that the said records have been carefully examined, and their approval is recommended with the following exception: "The names of absent ministers of Birmingham and Rogersville Presbyteries are not recorded."

In behalf of the Committee,
S. F. Sharpless, *Chairman.*

The Committee appointed to examine the Minutes of the Synod of Missouri recommends their approval with the following exceptions:

On p. 40 of said Minutes, it appears that said Synod received and approved a report from a non-ecclesiastical body and approved of the election of trustees of the same. This is contrary to the fundamental law of the Presbyterian Church, U. S. A., according to a decision of the General Assembly, accompanied by an exhaustive opinion of the Permanent Judicial Commission, renewing numerous deliverances and decisions of the General Assembly from 1848 onward. (See *Minutes* of General Assembly, 1912, pp. 179–181, and 1915, p. 293.)

Respectfully submitted,
David Winters, *Chairman.*

The Committee on the Records of the Synod of Oregon respectfully reports to the General Assembly that the said records have been carefully examined, and that their approval is recommended with the following exceptions:

I. Lack of fullness of record; Home Mission Committee report unsigned, p. 266; College and Education Committee report unsigned, p. 287.

II. Omission of prayer at closing of session, pp. 269, 277, 289.

III. Irregular adjournment of Synod, pp. 266, 269.

In behalf of the Committee,
Eugene A. Johnson, *Chairman.*

The Committee on the Minutes of the Synod of Pennsylvania reported as follows:

We have examined the Minutes of the Synod of Pennsylvania and find the same in order. The Committee has received a letter suggesting that there is an omission in the printed record, on p. 57. This is a question of fact, which this Committee is not competent to decide. It is therefore recommended that the letter be referred to the Synod of Pennsylvania.

In behalf of the Committee,
F. K. Farr, *Chairman.*

The Minutes of the Synod of Tennessee have been examined by your Committee, which reports no irregularity therein, but suggests that the Synod observe the custom of having accounts audited by authorized parties.

In behalf of the Committee,
A. J. McCartney, *Chairman.*

The Committee on the Minutes of the Synod of Texas reported as follows:

We have carefully examined the Minutes of the Synod of Texas. We have found them neatly and correctly kept. The actions are in harmony with our standards. Relative to the case of Rev. J. C. Barr, D.D., of New Orleans, La., it is understood that the matter has been satisfactorily arranged and agreed to by the representatives of the Synod and the Executive Commission, and acted on by this Assembly. We recommend, therefore, that the Minutes be approved.

I. D. Steele, *Chairman.*

The Committee on the Minutes of the Synod of Wyoming reported as follows:

Minutes of the Synod of Wyoming approved without exception. One typographical error is noted in name of H. B. Henderson, on p. 16.

For the Committee,
J. G. Klene, *Chairman.*

The following Resolution, with reference to the Rev. David Tully, D.D., a Commissioner from the Presbytery of Chester, was adopted unanimously by a standing vote:

Resolved, That this Assembly express its great appreciation of the presence and counsels of the Rev. David Tully, D.D.; its joy that, at the great age of 98 years, he is able to minister statedly in a church of his founding, and its earnest hope that his bow may so abide in strength that he may be a member of the Assembly of 1918, and thus give it the unique distinction of having an active centenarian on its roll.

The following resolutions were respectively adopted:

Resolved, That hereafter the popular meeting of the Board of Temperance, in connection with the meeting of the General Assembly, be held from 4 to 5.30 o'clock P.M., the first Sunday after the convening of the General Assembly.

Resolved, That the General Assembly of the Presbyterian Church, U. S. A., directs its Executive Commission to investigate the advisability of merging the Freedmen's Board into the Board of Home Missions, and thus do away with the term Freedmen, and, if the way be clear, to draft a plan of merger and submit the same to the General Assembly of 1917.

Resolved, That the whole subject of the assignments for Popular Meetings be referred to the Executive Commission, in consultation with the Stated Clerk, report to be made to the next Assembly, and that meantime the appointments for the meetings remain as at present.

Resolved, That the elections of the Trustees of Cumberland University, as reported to the Assembly, be approved.

The following miscellaneous resolutions were adopted:

Resolved, That the Stated Clerk forward a copy of the *Minutes* and the *Reports of the Boards* to the ruling elders who are Commissioners to this Assembly; provided, that the ruling elders forward to the Stated Clerk their post-office addresses, and that the Presbyteries which they represent have paid their full quotas to the Mileage and Contingent Funds; also that he be authorized to furnish the *Minutes* to the lay members of the Boards.

Resolved, That the Moderator be authorized to fill, by appointment, any vacancies which may occur, by resignation or otherwise, in any of the Special Committees.

Resolved, That the Stated Clerk and Treasurer be authorized to pay the usual bills and salaries, subject to the provisions of the Financial Plan of 1912, as amended in 1913.

Resolved, That, as customary, all matters connected with railroad rates and arrangements for the next place of meeting of the Assembly be committed solely to the Stated Clerk.

Resolved, That the Stated Clerk and Treasurer be authorized to pay the actual traveling and entertainment expenses of the members of Special Committees, appointed or continued by this General Assembly, and of the Executive and Judicial Commissions, said expenses to be kept within as low a limit as possible; all subject to the Financial Plan of 1913 and other regulations of the Assembly.

Resolved, That the Stated Clerk be authorized to contract for the usual printing of the *Minutes* and the *Manual* of the Assembly, List of Commissioners, List of Overtures, Committee Reports, and all blanks and papers connected with the current annual work of the General Assembly, payment for the same to be made under the regulations of the Financial Plan of 1913.

Upon motion of the Vice-Moderator, the Stated Clerk was, by unanimous vote, granted a leave of absence for two months, at such time as might be convenient to him.

The Standing Committee on Leave of Absence presented its Report, which is as follows:

The Standing Committee on Leave of Absence respectfully reports to the General Assembly that it has excused Commissioners as follows:

The Moderator announced that he would appoint the Committees after the adjournment of the General Assembly.

The roll of the Standing Committees was called, and they, having reported their work completed and papers returned, were discharged as follows: Bills and Overtures, Judicial Committee, Church Polity, Foreign Missions, Home Missions, Education, Publication and Sabbath School Work, Church Erection, Theological Seminaries, Ministerial Relief and Sustentation, Colleges, Correspondence, Christian Life and Work, Temperance, Leave of Absence, Presbyterian Brotherhood, Mileage, and Finance.

The Commissioners present handed their names to the Permanent Clerk to be checked upon the Roll, and 455 were found present.

The Stated Clerk was authorized to correspond with Commissioners reported absent without leave, in order to correct the list published in the *Minutes*.

The Commissioners reported as absent without leave were corresponded with, and all so reported were found to have left the Assembly during the afternoon session of May 26, and were therefore treated as excused. (See p. 259.)

The Committee on Resolutions of Thanks reported as follows:

Your Committee on Resolutions of Thanks respectfully submits the following Report:

In the closing moments of this meeting of the General Assembly, it is most fitting to give some adequate expression of our appreciation of the manifold services rendered in making our stay in this City by the Sea so delightful and profitable. We, therefore, present the following resolutions for approval and adoption:

1. The Assembly place on record their high appreciation of the fidelity, the ability, the fairness, the skill, the even temper, and the unfailing patience of our Moderator in presiding over the deliberations of this august body. The duties are arduous and difficult, and we not only thank, but congratulate our Moderator for the admirable manner in which he has discharged the responsibilities of his high office.

2. We extend our felicitations and our thanks to the Vice-Moderator, Mr. John T. Manson, for his honorable share in directing so admirably the deliberations of this Assembly, whenever occasion or necessity required.

3. In making honorable mention of the officers of the Assembly, we are not unmindful of the rare service that never fails us—the service of our able and highly esteemed Stated

Clerk, whose bow still abides in strength and whose vigor is not abated.

4. We welcome to the responsibilities of his office, our new Permanent Clerk, Dr. Warren, and we invoke upon him the blessing of the great Head of our Church, as he enters upon the duties of the position to which he has been chosen.

5. We extend hearty thanks to the Rev. J. M. Hubbert, D.D., Assistant Clerk, for services faithfully rendered.

6. We tender our thanks to the other clerks and officers of this body for their contributions to the efficiency of the Assembly.

7. Your Committee feel that special thanks are due to the pastors, officers and members of the Presbyterian Churches of Atlantic City, notably the First Presbyterian and the Olivet, for the use of their edifices and the hospitality so freely extended.

8. We also desire to voice our thanks to all the Evangelical Churches of Atlantic City, which have shown their Christian courtesy so abundantly and constantly. We would remind them that the Presbyterian Church in the U. S. A. is quick to recognize and quick to respond to all manifestations of that spirit of Christian unity and fraternity for which we have stood in the past, and for which we will continue to stand in all the progressive movements of our day.

9. We express our hearty appreciation of the thoughtfulness and the considerateness of the local Committee of Arrangements, Rev. Henry Merle Mellen, Chairman, and Mr. George W. Meredith, Secretary. We realize the labors involved and the difficulties attendant upon caring suitably for the varied needs of so great a company of guests, and we thank the Chairman and members of this Committee for their unceasing efforts to contribute to our convenience and our comfort.

10. We acknowledge with gratitude the valuable services rendered by the postmaster of the city in providing special facilities for the prompt and proper distribution of the mail. We are not insensible to the burden imposed and the patience required.

11. We further desire to make record of our thanks to the superintendent and officers of the Steel Pier for all the favors shown in the use of this splendid auditorium and its adjoining buildings.

12. We would not neglect to acknowledge our obligations to the ushers and attendants who have been so uniformly mindful of our comfort during the long and (at times) wearisome sessions of the Assembly.

13. In this day when publicity renders so conspicuous a service to the community and the nation, we wish to tender

thanks to the Press of this city and adjoining cities for the generous way in which they have opened their columns to the record of our "doings."

14. We also give grateful mention to the Publicity Bureau of Atlantic City and to the Associated Hotels, who have been exceedingly serviceable and hospitable in many ways.

15. We furthermore desire to make suitable acknowledgment to the Land Title and Trust Company of Philadelphia (our Treasurer), and the Guarantee Trust Company of Atlantic City for the banking facilities so freely and generously extended to the officers and members of the Assembly.

16. This General Assembly also conveys its thanks to the officials of Atlantic City and the citizens of this community, for all courtesies extended to us during our sojourn in their midst.

And finally, brethren, let us not forget to place on record our glad and joyous recognition of the infinite goodness of God in His abundant blessing upon the labors of the year in guiding us to so peaceful and happy an issue in the difficult and delicate matters that came to us for adjudication. Not a few of the brethren came to this Assembly with great anxiety of mind and heart, lest we might be entering upon a period of debate and strife. The sky has cleared, misunderstandings have been removed, and the hope is now cherished that our beloved Church is free to devote all her energies to the spreading of the Kingdom and the proclamation of the Gospel of peace. We rejoice in the manifest presence and power of the Holy Spirit, and now in this closing moment we yield ourselves anew in glad submission to His control, in all that we seek to do, for the honor of our Lord and the saving of our fellow-men.

Closing addresses were delivered by the Rev. Henry Merle Mellen, pastor of the First Presbyterian Church, Atlantic City, N. J.; Mr. George W. Meredith, Chairman of the Hospitality Committee, and the Moderator.

The business of the Assembly having been completed and a vote taken for dissolution, the Moderator dissolved the Assembly, saying, "By virtue of the authority delegated to me by the Church, let this General Assembly be dissolved, and I do hereby dissolve it, and require another General Assembly, chosen in like manner, to meet in Dallas, Tex., on the third Thursday of May, 1917.

The sessions were closed with prayer, singing and the Apostolic benediction.

EDWARD LEROY WARREN, *Permanent Clerk.*
WILLIAM HENRY ROBERTS, *Stated Clerk.*

APPENDIX.

I. Narrative, Necrology, Correspondence, etc.

I. REPORT OF THE STANDING COMMITTEE ON THE NARRATIVE OF CHRISTIAN LIFE AND WORK.

[For this Report see p. 187.]

II. REPORT OF THE SPECIAL COMMITTEE ON CHRISTIAN LIFE AND WORK.

The Committee on Christian Life and Work respectfully submits to the General Assembly its Tenth Annual Report. The order of presentation of subjects is the following:

I. Purposes.
II. Meetings.
III. Members.
IV. Synodical Narratives.
V. Publication of the Report.
VI. Statistics—Ministers and Churches.
VII. Blue Book.
VIII. Comity.
IX. Marriage and Divorce.
X. Absentee Church Members.
XI. Churches without Sabbath-schools.
XII. Salvation of Our Youth.
XIII. Bible in the Public Schools.
XIV. Evangelistic Work.
XV. Congregational Narrative.
XVI. Statistical Reports of Presbyteries.
XVII. Renewed Consecration.
XVIII. Resolutions.

I. Purposes.—In order to make clear the purposes of the Committee, the action of the General Assembly, constituting the Committee and indicating its sphere of work, is again quoted in full:

"That a Special Committee on Christian Life and Work is hereby appointed, to consist of eleven members, of whom two shall be the Moderator for the time being and the Stated Clerk; the other nine members to be appointed by the Moderator. Of the nine members to be appointed, one-third shall be changed each year. The duties of the Committee shall be to consider and report upon the Narrative of Christian Life and Work from the Presbyteries, annually prepared for the Assembly, and also to report, from their own knowledge, upon any related matters connected with the general spiritual condition of the Church. The Committee shall not report upon any matters within the jurisdiction of other Committees or of the Boards and Agencies of the Church. The Stated Clerk of the Assembly shall be the Secretary." (*Minutes*, 1906, p. 222.)

II. Meetings.—The Committee held during the year five meetings, each at Philadelphia, Pa., the dates being November 11 and December 28, 1915; and February 8, March 7, and April 4, 1916.

III. Members.—The membership of the Committee is composed of three classes serving each three years. The class whose terms expire this year is composed of Rev. Hugh B. MacCauley, D.D., John T. Stone, D.D., and Mr. William H. Scott.

IV. SYNODICAL NARRATIVES.—Attention is drawn again to the fact that the Synods hold a highly responsible place in the administration of Church affairs, as is shown by the provision found in Chapter XI, Section 4, of the Form of Government, where it is said that the Synod has power, "finally, to propose to the General Assembly, for its adoption, such measures as may be of common advantage to the whole Church."

With a view to utilizing, in part, this constitutional power, the General Assembly, now for three years in succession, has made the Stated Clerks of Synods advisory members of the Committee on Christian Life and Work; has requested each of the Synods to appoint a Standing Committee on Narrative, and to place the Report of this Committee on the docket at a morning session, to be accompanied with exercises of praise and prayer. It is felt that each of the Synods should in some manner provide for this Report, and regret is expressed that some of them have not as yet complied with the recommendation of the Assembly. Further, we note that the following Synods have made no report upon the Narrative of Christian Life and Work in their Synodical Minutes: Catawba, East Tennessee, Nebraska, New York, Utah, West German, and Wyoming. The Synodical reports, either in printed or manuscript form, received by the Assembly, are presented below in the form of abstracts, which were prepared by the Assistant Clerk, and, in so far as practicable, under the main heads given in the Annual Congregational Narrative of Christian Life and Work. These are as follows:

1. Membership and Services,
2. Sabbath-schools,
3. Societies,
4. Spiritual Conditions,
5. Family Religion,
6. Benevolence,
7. Miscellaneous.

1. Alabama.—(1) *Membership and Services:* The increase in membership, both by examination and certificate, has been larger than the average for the whole Church.

(2) *Sabbath-schools:* Decided progress is being made in Sunday-school work, both in its extension and efficiency.

(3) *Societies:* Good advancement is being made in Young People's Work.

(4) *Spiritual Conditions:* There has been a marked improvement in spiritual conditions in the bounds of the Synod.

(6) *Benevolence:* There has been a large increase in offerings for benevolences, also for local congregational expenses. In the matter of systematization there has been steady improvement, and more aggressive efforts are being put forth in many directions. Much interest has been awakened in behalf of Foreign Missions.

(7) *Miscellaneous:* There is much unrest manifested in the changing of pastorates. Many of the churches being weak, the support of pastors is small. This handicaps their influence and makes them desire to move. Commendable campaigns have been conducted for country church improvement, and there is much encouragement in this line of work.

Notable progress is being made in civic righteousness. The whole of Alabama went into the Prohibition column last July, and several hundred saloons have been closed by law in Florida within the last six months.

2. Arizona.—The Synod's Committee reported that the data were not obtainable for making full presentation. The total membership of the churches of the Synod is 4,635, a net gain of 65 during the year. The Sabbath-school membership is 4,635, an increase of 384. Only 2 per cent. of the young people in the Sunday-schools become church members. There has been much zeal shown in Bible study. During the year there has been a slight decrease in offerings for the Boards, but a small gain in the total amount raised for local congregational expenses. Some progress has been made in systematizing benevolences, and in practically every church of the Synod the circle of givers has been widened.

3. Arkansas.—Presbyterial reports do not supply definite and statistical matter. Only a few general statements can here be given. There has been an advance in the number of churches having ministers and regular services. Throughout all the Presbyteries there have been growth and development in Sabbath-school work. Men's Brotherhoods have declined in interest and

effectiveness. Women's Societies are active and efficient. Work among the young people has not been encouraging, and many societies have been disbanded; the interest formerly manifested seems to have been transferred to Bible classes and Gospel teams. It is cheering to note that there has been a gratifying and substantial increase in Benevolences, and the Every-member-canvass Campaign has materially helped. A better system of finances is now being adopted by many of the churches.

4. Atlantic.—(1) *Membership and Services:* Total membership 10,710, a gain of 200. Two preaching services on the Sabbath in city churches; towns and rural churches usually have preaching twice a month. There is a large attendance of non-communicants.

(2) *Sabbath-schools:* Every church has a Sabbath-school, and there are many mission schools. The Catechism is widely in use. Westminster Lesson Helps are largely used. Five Sabbath-school missionaries keep things alive, and Synodical and Presbyterial conventions are held.

(3) *Societies:* Nearly all the women are in missionary societies, but there are few organizations for men and young people.

(4) *Spiritual Conditions:* Revival services are held in all churches once or twice a year, which are largely attended. As a rule, pastors do their own evangelistic work, on the "you help me and I'll help you" plan.

(5) *Family Religion:* More than 300 infants were baptized, the family altar is generally in the homes, and the young are taught to reverence God and holy things.

(6) *Benevolence:* The members of all the churches are faithful in contributing to the Boards whenever the opportunity is given.

(7) *Miscellaneous:* Churches throughout the Synod have taken hold of the Presbyterian United Movement, through the assistance of the Freedmen's Board, and by this method small churches are paying more than they have ever promised before and church attendance is better.

5. Baltimore.—(1) *Membership and Services:* Total membership, 32,920, representing a net gain of 1,132. Added on examination, 1,703. In almost all churches it is customary to hold two preaching services on the Lord's Day. In most churches Communion service is held four times a year, and more frequently in some. At the preaching services the attendance of the youth of the congregations is only fair, and on the part of non-church members it is very small. The attendance of church members upon the prayer meeting is discouragingly small.

(2) *Sabbath-schools:* There are very few churches without Sabbath-schools. The Shorter Catechism is taught. Westminster Lesson Helps are used. There are many adult Bible classes connected with the schools, and men and women in ever-increasing numbers are taking up the study of God's Word.

(3) *Societies:* There are Brotherhoods for men; there are Societies for women, who are ever in the front ranks of those seeking the advancement of the Kingdom; and in Christian Endeavor Societies and similar organizations the young people are being trained for future usefulness.

(4) *Spiritual Conditions:* There are marked evidences of gratifying spiritual conditions in the bounds of the Synod. Special meetings have been held in many churches, with happy results in conversions and in deepening the spiritual life of church members.

6. California.—There were no Presbyterial reports to make such an exhibit in detail as is contemplated by the Narrative blank. The total membership is 49,456, which represents a net gain of 1,785 for the past year. Additions by examination, 3,466. About 25 per cent. of the ministers of the Synod are "unemployed or indisposed to be employed," and more than 38 per cent. of the employed ministers are serving as Stated Supplies. The usual congregational activities seem to be well maintained in the churches generally. For the past five years there has been an increasing liberality on the part of the congregations in supporting the general benevolences of the Church. The Synod has urged upon the Presbyteries the importance of securing effective leadership for carrying out the Every-member Plan in all the churches.

7. Canadian.—(2) *Sabbath-schools:* The Sabbath-school campaign, conducted by the Board of Publication and Sabbath School Work, through its

missionaries, "is doing marvelous things in turning Gospel light into the dark nooks and unchurched communities; and, as a result, there is coming, in loud appeals, the Macedonian cry, not only for more missionaries, but for the preacher who will come to stay and build these places into strongholds of Christianity. The Sabbath-school missionary is a great factor, because the churches, as a rule, are small and far between."

(4) *Spiritual Conditions:* There have been urgent calls for evangelistic meetings, and where they have been held telling results have followed. Many churches have had a large number of additions. The fact that the evangelist is so much in demand shows a live and eager spirit in a hopeful direction.

(6) *Benevolence:* There is a wider and deeper interest in church benevolences, attributable mainly to the definite knowledge of methods and plans that has come through the Every-member Canvass. The people are becoming wiser in their duties in this regard, and greater results may be reasonably expected.

(7) *Miscellaneous:* There is an awakening of the young men of the churches on the question of a call to the ministry, and the Presbyteries have been receiving an encouraging number of candidates.

The schools within the bounds of the Synod have been demanding larger accommodations to receive the ever-increasing number of applicants. The demand for a Christian education is constantly widening and becoming more urgent.

8. Catawba.—No report received.

9. Colorado.—(1) *Membership and Services:* Net gain in membership for the year, 1,076. Additions by examination, 2,407. In every Presbytery there has been special evangelistic work, and church accessions have been largely attributable to this agency. In many churches there is a confessed failure to secure the attendance of the children at the church services, and no effort is being made to effect a reform in this matter. There is a decadence of the mid-week prayer service.

(2) *Sabbath-schools:* There has been a loss of 346 in the total membership of the Sabbath-schools. In all the Presbyteries many of the church accessions have been from the ranks of the Sabbath-school scholars. Few adults attend Sabbath-school.

(3) *Societies:* There is a surprising lack of organization of the young people.

(4) *Spiritual Conditions:* There has been no marked change for better or for worse in spiritual conditions in the Synod.

(5) *Family Religion:* So far as can be judged from reports received, family religion has reached a low ebb.

(6) *Benevolence:* There has been a decline in contributions to the Boards and for congregational expenses. An effort is being made to put the finances of the congregations upon a better business basis.

10. East Tennessee.—No report received.

11. Idaho.—(1) *Membership and Services:* The churches of the Synod have had a good year in the matter of additions, and the number received on examination has been larger than last year. Spiritual conditions have been steadily improving. Some of the churches have had successful evangelistic services. In many of the smaller churches the general situation is more encouraging and promising than for some time past; the congregations are better supplied with ministers and the pastorates are longer.

(6) *Benevolence:* If there has been a decrease in offerings of some churches for the Boards, this has been due to great financial stress in the communities where these churches are situated.

(7) *Miscellaneous:* In the College of Idaho good meetings have been held for the students, and there has been a warm and earnest Christian life manifested in this institution. The prohibition law, which went into effect the first of the year, has had a good effect in the State, and moral conditions have been improved.

12. Illinois.—The Synodical Narrative speaks of Presbyterial Narratives as being so unsatisfactory as to "cause any Committee to despair of giving an authoritative report." There are general statements, to the effect

that the year has been marked by increased activities; that the abounding labors of faithful workers is a matter of congratulation and rejoicing; that there has been a most gratifying advance in church benevolence, and that the Synod is now in the front rank of all the Synods adopting the Every-member Plan. It is stated that the prayer meeting attendance is "pitiably small," and that "few non-Christian people attend preaching services. This complaint is especially made regarding evangelistic meetings."

13. Indiana.—(1) *Membership and Services:* Total membership, 54,207, a net gain of 1,362. A majority of churches have two preaching services regularly on Sunday. The attendance of children at church services is small, and that of non-church members is even smaller. The prayer meeting attendance includes but a small percentage of the church membership.

(2) *Sabbath-schools:* Sabbath-schools are increasing in efficiency, as may be noted from the large gains to the church membership from their members. The Shorter Catechism is practically untaught, and there are but few Teachers' Meetings and Missionary Training Classes.

(3) *Societies:* The work for men and boys is woefully deficient, and almost naught from a benevolent standpoint, but the women are doing excellent things.

(4) *Spiritual Conditions* are getting better all the time.

(5) *Family Religion:* Parents are uniformly faithful in presenting their children for baptism, and a large per cent. of those baptized in infancy are received into the churches. No definite attention is given to the establishment of the family altar.

(6) *Benevolence:* The benevolences do not reveal a progressive missionary spirit.

(7) *Miscellaneous:* The financial obligations of the congregations are met with promptness, and are handled more and more through the budget system. Temporalities are managed variedly by Elders, Deacons and Trustees. Sessions exercise only an indirect supervision over Sabbath-schools. Special days, with the exception of Children's Day and Rally Day, are not observed in accordance with the appointment of the General Assembly.

14. Iowa.—(1) *Membership and Services:* Total membership, 53,291, a net gain of 3,306. Added on examination, 4,889, a gain of 1,677 over the preceding year. Preaching services are held twice on the Lord's Day in nearly all the churches. The attendance of children and youth at the preaching services is small; some pastors have made efforts to remedy this evil, but with meagre results. Attendance at prayer meeting is very small.

(2) *Sabbath-schools:* The Sabbath-schools of the Synod are in fair condition. There has been a manifest interest in the adult movement, with good results. The total membership is 48,004.

(3) *Societies:* Reports show a growing interest in Young People's work.

(4) *Spiritual Conditions:* While the Presbyterian Church in Iowa is strong numerically, financially, and socially, its general spiritual condition is by no means satisfactory.

(5) *Family Religion:* Nearly all churches report that families are faithful in presenting children for baptism.

(6) *Benevolence:* The reports on benevolences are not flattering, though many churches report that they discover evidence of "growth in giving."

15. Kansas.—(1) *Membership and Services:* In but few churches does the attendance exceed or equal the membership. The number of children at preaching services varies from 10 to 90 per cent. There is an increasing attendance of non-church members. Prayer meetings are sustained under difficulties.

(2) *Sabbath-schools:* The Shorter Catechism is rarely taught. Westminster Lesson Helps are universally used. A growing interest in Bible study.

(3) *Societies:* Women's Societies far outstrip the men's, though Men's Gospel Teams and Bible Classes are doing efficient service. Young People's Work is well sustained.

(4) *Spiritual Conditions:* Only fair. The most successful meetings for in-gatherings have been conducted by pastors who have assisted one another.

(5) *Family Religion:* Here and there an awakened interest is found in the family altar. Religious novels too often supplement the Scriptures.

(6) *Benevolence:* A growing interest, and the old-time methods are gradually giving way to the Every-member Plan.

16. Kentucky.—(1) *Membership and Services:* Total membership, 13,742, a gain of 700. Added on examination, 889. Prayer meeting attendance has improved during the past year.

(2) *Sabbath-schools:* The total Sabbath-school enrollment is 13,059, a gain of 485 over that of last year. The Shorter Catechism is not commonly taught, and some schools have dropped it from their curriculum.

(3) *Societies:* As to special organizations, the men are "not in the limelight": one Presbytery reports two societies for men; if other Presbyteries have any, they have failed to report them. Women's Missionary Societies, numbering 87, are flourishing, and there are seventy Young People's Societies in the Synod.

(4) *Spiritual Conditions:* There has been a greatly increased spirit of evangelism.

(5) *Family Religion:* There is a growing neglect on the part of parents in bringing up their children within the pale of the covenant by baptism, and the family altar "has gone down before the dragon of mammon, pleasure, and indifference."

(6) *Benevolence:* The Synod has increased its gifts to six of the Boards, and such progress has been made as to give encouragement for better things in the future.

(7) *Miscellaneous:* There has been a marked increase in contributions for local expenses and miscellaneous work.

17. Michigan.—(1) *Membership and Services:* Total membership, 43,311. Added on examination, 3,197. Two Sabbath services are usually held in the churches, and the attendance is good in the morning only. The prayer meeting pulse of the churches is feeble.

(2) *Sabbath-schools:* The Sabbath-schools are growing, in number of schools, in number of members, and in efficiency of teachers. Teacher Training Classes are reported in many churches and are proving a helpful factor. Most churches have ceased to teach the Catechism.

(3) *Societies:* Many societies are reported, and they are active in good works of various kinds.

(4) *Spiritual Conditions:* From all the churches comes the story of earnest, honest, and intelligent Christian service, and there is a growing consciousness of personal responsibility.

(6) *Benevolence:* While many churches are lacking in interest and system, reports are fair as to offerings for the Boards.

18. Minnesota.—(1) *Membership and Service.* Total membership, 28,736, a net gain of 2,124 during the past year. Only about 30 per cent. of the Sabbath-school scholars under 14 years of age attend divine worship, although sermons, sermonettes, songs, and other special means are employed to secure the attendance of the children and youth. There is a decay of the mid-week prayer service.

(2) *Sabbath-schools:* There is marked interest in the study of God's Word in the Sabbath-schools. The total membership is 36,302, a gain of 4,559 during the past year.

(3) *Societies:* While men's Brotherhoods report lack of effectiveness, except for social functions, Women's Societies are wide awake and growing, and there is an enthusiastic interest in Young People's Societies, where Mission and Bible Study Classes are proving a most effective means for fitting the young for a large service.

(5) *Family Religion:* "The one striking minor note in the anthem of progress is the reported decay of family religion, though baptized children are duly reminded from the pulpit of their right and duty, at the age of discretion, to take their places in the household of faith."

(6) *Benevolence:* With the exception of the offerings made for three of the Boards, there is a marked increase in contributions for benevolences, which is due to the Every-member Canvass and the duplex envelope.

19. Mississippi.—(1) *Membership and Services:* Number of communicants, 2,033, representing a net gain of 47 during the past year. While

there has been an increased general attendance at the preaching services in all the Presbyteries, there has been no marked improvement in the number of Sabbath-school children who attend church. To the prayer meeting less indifference is being shown than formerly.

(2) *Sabbath Schools:* From every quarter come signs of indifference in the matter of teaching the Shorter Catechism in the home and in the Sabbath-school. The net total Sabbath-school attendance has increased almost 10 per cent. during the past year.

(3) *Societies:* Almost all of the towns and some of the strong rural centres have Ladies' Societies, the interest in which is increasing. Throughout the Synod there is a noticeable indifference to Young People's Societies, their functions having been taken over by organized classes in the Sabbath-schools.

(4) *Spiritual Conditions:* Ministers are becoming more imbued with the evangelistic spirit, and good meetings have been reported from the churches generally, and there is promise of a large in-gathering.

(5) *Family Religion:* The family altar seems to be crumbling down entirely.

(6) *Benevolence:* While not what it should be, the response made in aid of benevolent enterprises is creditable. The Every-member Canvass is growing more acceptable to the churches.

20. Missouri.—(1) *Membership and Services:* Total membership, 44,514, a net gain of 808 during the year. Added on examination, 3,644. Attendance at public worship on the part of children and youth and non-church members is encouraging. Communion services are usually held quarterly. Seven Presbyteries give the figures for prayer meeting attendance, showing that the average is 23 persons.

(2) *Sabbath-schools:* There has been an encouraging gain in the number of schools in which the Shorter Catechism is regularly taught. Most of the Presbyteries give cheering reports as to the work done through Teacher Training Classes, Home Departments, and Mission Training Classes.

(3) *Societies:* There seems to be fair interest in the work of societies for men, women, and young people.

(4) *Spiritual Conditions:* For the most part, spiritual conditions are good, and there is a growing zeal in evangelistic efforts. Only two Presbyteries report Communion classes.

(5) *Family Religion:* Only two Presbyteries give encouraging reports on the question of family religion; five report that parents are not faithful in presenting their children for baptism, and three make no report.

(6) *Benevolence:* Six of the ten Presbyteries give encouraging reports as to benevolent offerings and local financial conditions, and the successful operation of the Every-member Plan.

21. Montana.—More than 25 per cent. of the churches of Montana fail to send in reports, "making Presbyterial reports incomplete and inadequate."

(1) *Membership and Services:* There seems to have been a growth in the number of communicants. Preaching services are well attended, and the large attendance of non-church members offers increasing opportunities for evangelism. A small number of children attend. The number of prayer meeting attendants is "pitifully small."

(2) *Sabbath-schools:* While there has been a loss in the total membership of the Sabbath-schools, there has been an advance in efficiency, with a marked increase of catechetical instruction and mission study.

(3) *Societies:* An encouraging reference is made to the good work of Women's Societies, but no mention is made of organizations for men or young people.

(4) *Spiritual Conditions:* Reports show that in some of the Presbyteries spiritual life is "of a very passive nature," and "at a very low ebb."

(5) *Family Worship:* There is a marked improvement in the matter of family worship and infant baptisms and in the number of persons baptized in infancy being taken into the membership of the Church.

(6) *Benevolence:* There is a gratifying forward movement in systematic beneficence and in the handling of local budgets.

(7) *Miscellaneous:* Sessions are not faithful in sending to other Sessions notices of the removals of church members.

22. Nebraska.—No report.

23. New England.—(1) *Membership and Services:* Total membership, 12,169, an increase of 483 over last year. Added on examination, 709, a gain of 41 over last year. Two Sabbath services are usually held in the churches. Children and youth are reported as attending the services with increasing regularity, although no special means are employed to secure this. Weekly prayer meetings are held in all the churches, but the attendance is not shown, except in one church, where it is 50 per cent. of the membership.

(2) *Sabbath-schools:* All the churches have schools, and "nearly all strike a very optimistic note." The Shorter Catechism is mentioned in but two Presbyterial reports, and in one Presbytery it is no longer used. Westminster Lesson Helps are reported as being used in one Presbytery; no statement on this matter comes from the other Presbyteries. Two Presbyteries report flourishing Bible classes for men.

(3) *Societies:* From all the Presbyteries come encouraging reports as to the activities of societies for men, women, and the young people.

(4) *Spiritual Conditions:* General religious conditions are cheering. One Presbytery reports that the condition of its churches in this regard is the best known for many years. One Presbytery reports a special interest in several of its congregations.

(5) *Family Religion:* Presbyterial reports stress the difficulties of maintaining the family altar under the conditions of modern city life.

(6) *Benevolence:* The total amount for benevolences exceeds that of last year. Opportunity is given to all the churches to make contributions for all the Boards.

(7) *Miscellaneous:* Financial obligations are promptly met by the churches, and the special days of the Church calendar are observed.

24. New Jersey.—(1) *Membership and Services:* A net gain in the number of communicants is reported from all Presbyteries, and 6,838 have been added on examination. A few churches report large and enthusiastic numbers at public worship, but most of the others confess to only a fair attendance. About 50 per cent. of the members attend Communion services. Young people everywhere attend well at the preaching services, but children attend in considerable numbers only in a minority of churches. Few of the unconverted attend. The attendance at the mid-week prayer meeting varies from an exceptional 60 per cent. to nothing. In a few churches both the Sunday evening and the mid-week services have been discontinued.

(2) *Sabbath-schools:* The Sabbath-schools seem to be well organized, and thoroughly appreciated as the Church's best recruiting ground. Most of the accessions by examination come from Sabbath-schools. From the Cradle Roll up through the adult Bible classes and Teacher Training Classes and out into the Home Department there is evidence of commendable organized effort and efficiency in many up-to-date Sabbath-schools.

(3) *Societies:* There are various Men's Societies, which are alive and active. Women's Societies are numerous. Every church is blessed with a company of faithful women, whose love for the Master manifests itself in devotional, self-sacrificing, and helpful ways.

(4) *Spiritual Conditions:* The spiritual tone, as a whole, continues good, with hopeful signs of better things still, and a healthy spiritual condition reveals itself in service, and in a multiplicity of activities in most of the churches.

(5) *Family Religion:* "In numerous homes the fires of devotion are burning brightly; in others they have dwindled to glowing ashes, and in many cases the ashes have ceased to glow."

(6) *Benevolence:* Opportunity is given for making contributions to all the Boards, and the churches have responded generously. The Budget System is growing, and the Every-member Canvass is increasingly popular.

(7) In all cases, financial obligations are promptly met. Ample provision for the poor is the prevailing custom.

25. New Mexico.—(1) *Membership and Services:* Total of church membership for the year, 3,605. Added on examination, 262.

(2) *Sabbath-schools:* Earnest and vigorous activities have been maintained for an advance in Sabbath-school work, and gratifying results have been attained along various lines, although there has been a slight falling off in the total membership of the schools of the Synod.

(6) *Benevolence:* Notwithstanding there is no Budget for benevolences, and that the methods followed are largely haphazard, many churches have made contributions for all the Boards and there has been an advance in the amount of the offerings.

26. New York.—No report.

27. North Dakota.—The work done in the Synod has been characterized by sincerity, faithfulness, and self-sacrifice on the part of the laborers, and there has been a steady, if not dramatic, advance. There has been no large in-gathering of members through revivals, but pastors have been doing more personal work, especially for the saving of the young and in training them for Christian service. All Presbyteries report gains in Sabbath-school membership and an increase in the number of organized classes. There has been an increase in benevolences through the Budget System and the Every-member Canvass.

28. Ohio.—(Only seven of the Synod's fifteen Presbyteries sent in Narratives on Christian Life and Work.)

(1) *Membership and Services:* Total communicant membership, 133,541, a net gain of 2,950. The attendance at public worship is not what could be desired; 35 per cent. of the attendants are youth and children.

(2) *Sabbath-schools:* The Westminster lesson aids may be said to be in universal use. The Shorter Catechism is neglected. Much is being done in the way of Teacher and Mission Training Classes. During the year, 4,016 scholars were received into full membership in the Church.

(3) *Societies:* The numerous organizations in the churches—Young People's Societies, Women's Missionary Societies and others—have had a good year.

(4) *Spiritual Conditions:* Throughout the Synod there seems to be an improvement in the general conditions of spiritual life, which is manifest in abundant activity.

(5) *Family Religion:* Family worship is in a deplorable state of neglect. Christian parents are faithful in presenting their children for baptism.

29. Oklahoma.—The Synodical Narrative, which is brief, is devoted to general statements, and does not contain specific information and figures. There have been 1,390 additions by examination, which is a notable gain over the preceding year. In the work of the Synod a prominent place has been given to evangelism, and in many quarters there have been spiritual awakenings, through the united labors of faithful pastors and earnest evangelists. A quiet, but steady and effective work is being done by Men's Brotherhoods and kindred organizations, also by Women's and Young People's Societies. In churches and Sabbath-schools generally there has been a healthy activity, "with no occurrences of unusual importance."

30. Oregon.—(1) *Membership and Services:* Many churches show a large increase in membership, and some have more than doubled it. More people have been added on examination than in any previous year. Attendance on public worship seems to be on the increase, though some churches show a falling off. In some sections prayer meetings are maintained with more or less regularity, and attendance is good.

(3) *Societies:* Many clubs and guilds for boys and girls are reported, and the Young People's Societies are maintained with good interest. More attention seems to be given to the youth of the Church than in previous years.

(4) *Spiritual Conditions:* A good, healthy spiritual condition exists throughout the Synod, so far as the churches have reported. Many of the congregations have had decided spiritual awakenings. Thirty churches report special evangelistic meetings, with or without the assistance of outside help. Presbyterial evangelists have done good work and merit commendation for their fidelity.

(6) *Benevolence:* Notwithstanding the financial stringency, there has been a substantial increase in offerings, both to the running expenses and to benevolences.

(7) *Miscellaneous:* "Upon the whole, it has been a good year, and there is great cause for rejoicing in the work of the Lord committed to our care."

31. Pennsylvania.—(1) *Membership and Services:* Total membership 316,990, which is one-fifth of the membership of the entire denomination. Added on examination, 29,489, the largest number received in any year of the Synod's history.

(2) *Societies:* There has been an increase of 10,000 in the membership of Men's Societies, these organizations being Presbyterian Brotherhoods, Brotherhoods of Andrew and Philip, Bible Societies, and others. It goes without saying that Women's Societies take the lead in numbers and usefulness. All the indications point to a happy and healthful work on the part of the Young People's Societies, and there has been a large increase in membership.

(3) *Spiritual Conditions:* While some indulge in pessimistic lamentations, saying the Sabbath is desecrated, the atmosphere is anti-supernatural, the philosophy of the day is pantheistic, and worldliness has come in like a flood, there is still much in the situation to inspire hopeful and optimistic views, and a great deal for which to be thankful.

(4) *Family Religion:* No encouraging report can be made as to the spiritual nurture of the children or as to the family altar.

(6) *Benevolence:* This has been the Synod's best year in contributions for the Boards and other benevolences. Over 300 churches out of 1,184 have had the Every-member Canvass, with most encouraging results, and in some cases the fruits have been surprising.

(7) *Miscellaneous:* The financial obligations of the churches have generally been met with noteworthy promptness.

32. South Dakota.—(1) *Membersnip and Services:* An advance in building new houses of worship and in having pulpits supplied, but slight increase in attendance at preaching services. Attendance at the weekly prayer meeting is decreasing.

(2) *Sabbath-schools:* Never before in the history of the Synod have so many been interested in Bible Study and Sunday-school work.

(3) *Societies:* There is a fluctuating, if not a decreasing interest in Young People's Societies.

(4) *Spiritual Conditions:* A manifest growing interest in Home and Foreign Missions, is an encouraging sign of good spiritual conditions. Increasing numbers of people are expressing the purpose to render better Christian service.

(5) *Family Religion:* The family altar is not being maintained.

(6) *Benevolence:* While the congregations expended more than usual for local church work and equipment, they also made some advance over last year in contributions for benevolence.

33. Tennessee.—(1) *Membership and Services:* Presbyterial Reports show a gain of 207 in the total number of communicants. There seems to be a steadily increasing attendance upon public worship.

(2) *Sabbath-schools:* The Sabbath-school is a very vital factor in the growth and power of the churches, but there has been a loss of 683 in the total membership.

(3) *Societies:* Presbyterial reports speak of Women's Missionary Societies and organizations of Young People, but make no reference to special organizations for men.

(4) *Spiritual Conditions:* Throughout the Synod, spiritual conditions are generally good. The churches show a vitality and persistence in Christian work that is commendable and encouraging.

(5) *Family Religion:* "There is a general lack of fidelity on the part of Christian parents in the duty of family worship and the presentation of their children for baptism."

(6) *Benevolence:* A very large per cent. of the congregations make offerings to the Assembly's Boards, but there has been a decrease in the amount of the total contributions.

(7) *Miscellaneous:* Local obligations are usually met with promptness. "Special Days" are not generally observed.

34. Texas.—(1) *Membership and Services:* Total number of communicants, 28,539. Churches with preaching every Sabbath usually have two services on the Lord's Day. With most congregations it is customary to hold four Communion services during the year. Presbyterial reports indicate that

there is an encouraging attendance at the preaching service on the part of children, youth, and non-church members. The majority of churches have the weekly prayer meeting, with a fair attendance as a general thing.

(2) *Sabbath-schools:* That there is a general and hopeful activity throughout the Synod in Sabbath-school work is indicated by the reports which Presbyterial Narratives contain with reference to the use of the Westminster Lesson Helps, Teachers' Meetings, adult Bible classes, Teacher Training Classes, Home Departments, Mission Training Classes, and the large percentage of church additions that have come from the ranks of the Sabbath-school scholars.

(3) *Societies:* Presbyterial Narratives make a good showing of Young People's Societies and Women's Missionary Societies, but no men's organizations are reported.

(4) *Spiritual Conditions:* The general spiritual conditions in the Synod are cheering, and there have been many successful evangelistic meetings in the churches.

(5) *Family Prayer:* While some Presbyterial Narratives speak of improved conditions with reference to family worship, others lament the growing neglect of the home altar.

(6) *Benevolence:* The benevolences of the Church are receiving a fair degree of attention, and there is encouragement in the growing number of churches that are regularly making offerings for the Boards.

35. Utah.—No report.

36. Washington.—(1) *Membership and Services:* Total membership, 29,218, a gain of 1,238. Added on examination, 2,327. At preaching services there is a large attendance of non-church members. Prayer meetings are at a low ebb everywhere, the attendance being usually not 10 per cent. of the members, and many of the smaller churches have given up this mid-week service entirely.

(2) *Sabbath-schools:* Total membership, 30,861 scholars, a gain of 712. About half the number of church accessions come from the Sunday-schools.

(5) *Benevolence:* While there has been a falling off in contributions for some objects, there has been a large increase in the total amount given for the causes represented by the Boards of the Church.

37. West, German.—No report received in English.

38. West Virginia.—(1) *Membership and Services:* Total membership, 11,096, representing a net gain of 465. Added on examination, 848. Excepting about half a dozen congregations, all now have ministers and regular services.

(2) *Sabbath-schools:* The total membership of the Sunday-schools is somewhat less than the communicant membership of the Synod, but there is a general and promising activity in Sabbath-school Work.

(3) *Societies:* Few men's organizations exist in the churches, but good results are following the efforts of the Young People's Societies, and too much cannot be said for the Women's Societies, which are continually enlarging their work and increasing their gifts.

(4) *Spiritual Conditions:* While better things are to be desired, there are varied manifestations of healthy spiritual conditions in the Synod.

(5) *Family Religion:* The present conditions as to worship in the home call strongly for a restoration of the family altar.

(6) *Benevolence:* Almost all churches in the Synod are now giving in a systematic way, and contributions to the Boards have been increasing.

(7) *Miscellaneous:* There are very few church debts, ministers' salaries are promptly paid, and all financial obligations are properly cared for.

39. Wisconsin.—(1) *Membership and Services:* Total membership, 20,856, a net gain of 1,473. Received on examination, 1,927. The Sabbath services have a good attendance in the morning, but it is poor in the evening, and a few churches have entirely given up the evening service. The prayer meeting attendance is small, the average being less than 10 per cent. of the membership of those churches which have the mid-week service, but there are a few notable exceptions to these discouraging reports, indicating that the problem is not an impossible one.

(2) *Sabbath-schools:* The total membership is 21,450, a net gain of 1,187 in the past year.

(4) *Spiritual Conditions:* There has been spiritual progress during the year.

(5) *Family Religion:* So far as can be determined, there is no indication of advance in family religious life, although many pastors report that this matter is presented from time to time in the public services. There is a tendency in churches and schools to be content with taking care of the social life of the child.

(6) *Benevolence:* The Every-member Canvass is showing good results. There has been a gratifying gain in money raised for all purposes.

40. Wyoming.—No report.

V. Publication of Portions of the Report.—The last General Assembly recommended that portions of the Annual Report of the Special Committee on Christian Life and Work should be printed for general distribution to church members, and authorized the Committee to submit selected portions to the Board of Publication and Sabbath School Work. This was done, and, on due report made by the Committee, the Board of Publication and Sabbath School Work supplied at nominal cost to pastors and churches desiring the same the following deliverances of the Assembly:

1. On Absentee Church Members, pp. 321, 322, *Minutes*, 1915.
2. On Regular Reading of the Bible, pp. 322, 323, *Minutes*, 1915.
3. On Church Attendance of Children, p. 325, *Minutes*, 1915.

VI. Statistics, Ministers and Churches.—The summaries given below show the general conditions having to do with Church growth. There is an improvement in 1915 as compared with 1914. The number of pastors in 1914 was 4,284, and in 1915 was 4,402, an increase of 118; the stated supplies in 1914 were 1,561, and in 1915, 1,605, an increase of 44; the ministers without charge in 1914 were 1,598, and in 1915, 1,574, a decrease of 24; the vacant churches in 1914 were 1,825, and in 1915 were 1,628, a decrease of 197. There has been a decided advance of late years in the number of congregations coming to self-support.

The statistics dealing with the congregations are as follows: The self-supporting churches in 1913 were in number 4,225; in 1914 were 4,519; and in 1915 were 4,730, an increase in two years of 505 churches. The churches by size and in two classes show 6,134 churches having fifty members and upwards, as against 3,778 churches reporting fifty members and less. Emphasis is again laid upon the fact that these smaller congregations, if properly nurtured, are the centres where great progress can be made, not only in the addition of members, but in the upbuilding of large sections of the country in vigorous spiritual life.

When the matter of congregational expenses is considered, as usual food for thought is found, for 6,101 congregations contributed, during 1915, towards congregational support, pastors' salaries included, amounts less than $1,200 each, the number of churches contributing between $1,200 and $3,000, during the year, for congregational purposes, being 2,114; leaving only 1,677 churches contributing $3,000 and upwards for self-support.

The summaries of statistics for 1915 are as follows:

In connection with the above statistics, the following exhibit of official statistics, gathered by the Stated Clerk of General Assembly for the Board of Relief and showing actual salaries of 5,846 ministers in 1914, is informing, especially as related to congregational expenses.

A circular letter was sent by the Stated Clerk, requesting information concerning salaries paid to ministers. Out of a total of 9,891 churches, replies were received covering 5,846 charges, representing 7,585 churches, and reporting $7,211,201 paid toward salaries, or an average salary of $1,233.53. The Summary is as follows:

The above returns represent 7,585 churches, of which 1,749 were served by the ministers in charge of other churches. The total of pastors and stated supplies in 1914 was 7,897, so that all charges with ministers, except 312, reported the salaries paid by them.

VII. The Blue Book.—The General Assembly of 1915 referred to the Committee *Overture No. 152*, from Bellingham Presbytery, relating to the publication of the Blue Book, asking for arrangements whereby "Commissioners shall receive copies of the Blue Book as soon as they are elected; that they may have time to consider the same and digest its contents in advance of the Assembly's meeting.

The Committee respectfully reports that the General Assembly has a Standing Rule No. 27, which reads: "All Reports of Special Committees shall be delivered to the Stated Clerk forty days prior to the meeting of the General Assembly, shall be printed by him, and copies shall be sent, in bound form, to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of its sessions."

The Committee finds that this rule has been complied with by the Stated Clerk ever since its adoption, and copies of the Blue Book have been distributed to Commissioners, so far as practicable, prior to the meeting of the Assembly. Delays in the publication have not been due to any acts of the Clerk, and he is prepared to issue the Blue Book by May 1 each year, if the Assembly so orders, but cannot do so unless the Committees submit their Reports promptly at a fixed date.

The Committee, therefore, offers the following recommendation:

Resolved, That in Standing Rule No. 27, which deals with the publication and distribution of the Reports of Committees, the first clause shall hereafter read: "All Reports of Special and other Committees shall be delivered to the Stated Clerk on or before April 1 in each year."

VIII. Comity.—The matter of comity and denominational coöperation in Home Mission and Church Extension Work was reported by the Committee very fully to the last General Assembly. A summary of the situation as revealed by Presbyterial Overtures was also presented, and supplemented by our own knowledge of the subject as obtained from various sources. This same topic has been before many General Assemblies, every one of which has charged your Committee on Christian Life and Work with the duty of making a further presentment on the subject. This all shows that there is a condition confronting us worthy of serious consideration, and that definite action should be taken in and by the various judicatories for the improvement of the situation. (See *Minutes*, G. A., 1915, p. 315.)

It is good for Presbyterians to remember in dealing with this subject that our Church has ever been forward in the expression of fraternal regard for the other Church bodies that compose our common evangelical Christianity, and also has ever been ready to take part in methods of coöperation with other Churches in behalf of the common cause, in the spirit of the ancient Christian motto, *In necessariis unitas, in dubiis libertas, in omnibus caritas.*

A continued examination by us of the situation, not only in rural communities, but also in large cities, shows that there are many instances where the multiplication of churches has caused overlapping in the work; friction between the churches; unseemly competition; additional cost in administration, and in many cases positive loss.

It is a hopeful sign that there is a rising tide of interest among all the denominations with regard to this subject. A notable conference on the Country Church was held in Columbus, Ohio, last winter by the Federal Council of Churches, at which the various phases of the subject were discussed, and President Wilson made an address.

It might be supposed that, with the full knowledge which all the Churches have regarding the undesirable situation in the old localities, due attention would be given in the formation of new enterprises in the new communities, such as the suburbs of the cities and the new sections of the rural districts. But here we are in danger of duplicating precisely the condition that confronts us in the old communities from which we are trying to get relief. These new communities are all regarded as being "strategic," and so an earnest effort is put forth by all the denominations to occupy the strategic places. Accordingly, many instances are found of a duplicated situation in the suburbs of cities, where we see the new churches with small buildings and heavy budgets, while in the central part of the city we find the churches with fine buildings, decreasing in power or trying to sell out. Such a policy is certainly not strategy. We deem it imperative that there should be earnest conference between the Church Extension Committees of the various denominations with regard to definite comity relations that would prevent these unfortunate results.

As an aid in the right direction it is to be noted that our General Assembly is in affiliated relation with other Church bodies of like faith and order in the Council of Reformed Churches in America holding the Presbyterian System, and also that our Church is a member of the Federal Council of the Churches of Christ in America, including, in all, twenty-nine Church bodies. Both of these great bodies have already spoken many times with regard to the desirability of establishing comity relations between the Churches, and notably the Federal Council has adopted certain comity principles for use among the Churches. These comity principles were the outgrowth of efforts put forth and continued by the Church bodies in Maine, New Hampshire and Vermont and were followed by them for many years before the formation of the Federal Council. Then, upon the recommendation of the Federal Council, the Church bodies in New Jersey, Pennsylvania, and West Virginia have likewise approved of these principles, so that there is a certain amount of acquaintance and approval already given to them.

This was still further confirmed by the approval of our General Assembly. (See *Minutes*, G. A., 1913, pp. 39, 294, 295.)

And yet, in view of the feebleness of results, the question may still be raised, "How shall relief be effected?" We would answer in part by referring to our discussion of this matter in our Report of last year, where we touched upon (1), the authority of Presbytery; (2), the doubtful utility of joint control by different denominations; (3), the desirability of apportionment of territory rather than the formation of union enterprises, and, generally, that this subject must be considered with earnestness, fraternity, unselfishness and true Christian coöperation.

We refer General Assembly and, through it, the Presbyteries and Synods, to the comity principles of one of the State Inter-Church Federations for information and reference, as follows:

"*Principles of Church Comity.*"

"That, as one feature of comity and coöperation, church extension into communities believed to be without adequate religious privileges, should be conducted, as far as practicable, by all the denominations, in harmony with the following principles:

"(1) A community in which work is already established by one or more denominations, should not be entered by another denomination for the establishment of new work until conference has been first had with the proper representatives of those already located there, for the purpose of mutual information, advice, and, if possible, agreement.

"(2) A feeble church should be revived, if possible, rather than a new one established to become a rival.

"(3) When the numbers of the community or particular race or constituency sought, do not justify more than one new enterprise, the preference of the majority of the community as to the particular denomination desired should be regarded by denominational committees, missionary agents, and individuals.

"(4) Other things being equal, that denomination having a church nearest to a needy field is in the most advantageous position to encourage and aid a new enterprise in the vicinity.

"(5) Temporary suspension of church work in any field by a denomination should not be deemed sufficient warrant in itself for the entrance into that field of another denomination. But suspension should be deemed abandonment if there has been no preaching or other meetings regularly held for an entire year or more.

"(6) In all communities where there are two or more churches of different denominations, each receiving missionary aid and without reasonable prospect of self-support, such churches and also the proper missionary or ecclesiastical authorities aiding or controlling them, should confer with a view to possible union, or federation, so that the community might have a larger and more efficient church, and that missionary force and funds might be saved for use in really destitute fields. The same policy should be followed in communities where there are a number of churches with small constituencies and inadequate support, even if missionary aid is not received. Also there should be raised, in such communities, the question whether a plan of precedence or assignment might not be agreed upon by the Church authorities concerned, whereby the right of way might be granted to one denomination in one locality, to be equalized by grants in other localities to other denominations.

"(7) In large cities, or throughout a county, where the work among immigrants or foreign-speaking peoples, or a particular race, presents a great problem, there should be a conference between the local Inter-Church Federation and the Church Extension Committees having jurisdiction, for the purpose of devising a plan to be common to all, whereby it should be decided before missions are established, whether there should be an assignment of territory to particular denominations, or whether it be necessary to have inter-Church control.

"(8) There should be investigation of the question, particularly in over-churched communities, whether one of the church edifices or other suitable building might not be used in common for social and other community purposes. Such church building might continue to be under its proper denominational oversight during such communal use.

"(9) Questions of the interpretation of these principles or of friction between denominations in the matters covered by them may be appropriately referred to appropriate committees. Such Comity Committees could include representatives of Church Extension Committees of the various denominations."

We recommend the passage of the following resolutions, to wit:

Resolved, 1. That this General Assembly calls the attention of every Synod and Presbytery in our Church, with a view to having them open communication, by their Committees on Home Missions or Church Extension, with the Church conferences of equal rank occupying similar territory, in order that definite proposals and plans pertaining to comity as aforesaid may be carried into effect, and

Resolved, 2. That these judicatories be requested to report to your Committee on Christian Life and Work any comity arrangements made by them, that the same may be reported to the next General Assembly for the information of the whole Church.

Resolved, 3. That the Stated Clerk by special letter communicate the above resolutions to Presbyteries and Synods.

IX. Marriage and Divorce.—Divorce is one of the greatest and most rapidly growing evils of this country at the present time. It is probable that very few realize the enormity of this evil and the rate at which it is increasing. Here are some of the startling facts: In the ten years from 1860 to 1870, there was one divorce to every 1,000 of the population. In the next ten years the number had increased until there were two to each 1,000 of inhabitants. From 1880 to 1890, the number was three to the 1,000. Since that time the number has seemed to increase steadily, until 1909, the last year for which the figures are available, the number of divorces in this country were 72,063 against 853,290 marriages for the same year. The number is probably much greater now. The average of divorces is about one to every twelve marriages. What hope can there be for a nation where such a state of affairs exists? The showing in this country is worse than that of any other civilized nation.

Full publicity has been given. Resolutions have been passed. Congresses and conferences composed of men of the highest ability have been called and have issued their findings and advice. Notably, the National Congress on Uniform Divorce Laws met at Washington in February, 1906, and at Philadelphia, November 13, 1906, composed of commissioners from each State in the Union, appointed by the respective Governors. This Congress, after most thorough deliberations, passed a complete code, to be recommended to all the States for adoption. This was followed by the sitting of the Pennsylvania Commission on Divorce, composed of men of highest ability. The latter Commission heartily commended the findings of the National Congress. Surely, nothing more is needed in the way of theory. And yet more is needed in the way of action and results. The two legal bodies provided for no executive agency to carry their plans into effect.

Our Church has spoken out, with no uncertain sound, upon every phase of the divorce evil, and given a warning against the attacks made upon the sanctity of marriage. The Assemblies of 1903 and 1904 called upon the people and the Congress of the "United States, in both Houses, and each member of each House, to employ and exhaust all legal and honorable means to secure such an amendment of the Federal Constitution as shall define legal marriage as monogamic, and make polygamy and polygamous cohabitations, under every guise and pretense, a crime against the United States, punishable by adequate penalties, including the disfranchisement and disqualification to vote or hold office under the United States, or in any State or Territory under their jurisdiction." (See *Minutes*, G. A., 1903, p. 149; 1904, p. 86.)

The Assembly of 1902, viewing with sad apprehension the many perils to family life in our time, the growing ease and frequency of divorces upon grounds trivial and unscriptural, "urges upon all our people the promotion of a wider reverence for the marriage bond; and requires of all our ministers that they instruct their people, in public and private, upon the sacredness of this divine institution, and that they exercise due diligence, before the celebration of a marriage, to ascertain that there exist no impediments thereto, as defined in our Confession of Faith." (See *Minutes*, G. A., 1902, p. 126.)

The Assembly of 1904 favored "every lawful endeavor to correct the evils of lax legislation regarding the subjects of divorce and remarriage, and to secure such uniformity of legislation thereon as may best promote the purity of society," and advised that our Church "coöperate with the representatives of other Churches in endeavoring to obtain such ecclesiastical unity, such compliance with the laws now in force, and such State or national legislation, as may shield both Church and State from existing and impending perils." (See *Minutes*, G. A., 1904, p. 75.)

The Assembly of 1905 recommended "that ministers should refuse to marry divorced persons, except the innocent party in a case where the divorce has been granted on Scriptural grounds, nor then until assured that a period of one year has elapsed from the date of the decision allowing the divorce." (See *Minutes*, G. A., 1905, p. 76.)

It is, of course, to be admitted that the subject of improved legislation pertaining to marriage and divorce is a difficult one. As ministers and elders, members of the Church, and as citizens, members of the State, and in both relations, interested in social and moral welfare, and charged by the Word of God and by conscience with the duty of assiduously working in behalf of the same, we should continuously endeavor to seek for improved codes in civic legislation pertaining to marriage and divorce.

We have noted already the increase in the number of divorces and the increase in the proportion of divorces to marriages. We think that this is largely owing to a decrease in the regard for the sacredness of marriage and a decrease in the hatred of divorce. We must organize, as never before, as ministers and elders, a nation-wide campaign of education in behalf of the welfare of the family and the home, concerning the sacredness of marriage and the evils of divorce. We can ask our Presbyteries and Synods, in coöperation with their brethren in other denominations, which are closely related, in all the States, to legislatures, to approach the said legislatures, and ask them for such improved legislation. This is in accordance with our Standards.

Our Confession of Faith says (see Chapter XXXI, Section 4): "Synods and Councils are to handle or conclude nothing, but that which is ecclesiastical: and are not to intermeddle with civil affairs which concern the Commonwealth, unless by way of humble petition in cases extraordinary." Certainly, the situation with reference to marriage and divorce is such a case.

But we regard the matter of marriage and divorce as something more than a "civil affair." It is a great public question with a great moral issue. It not only involves questions of absolute right and wrong in the Commonwealth, but it is fundamental in the home and the Church. The issues are far-reaching and take rank with the great battle for temperance reform, into which the Churches have flung themselves so heartily, and none more efficiently than our own Presbyterian Church in the U. S. A.

We may therefore properly call the attention of the Synods to the need of a campaign of education on this behalf and leave to them the matter of obtaining improvements in the law, in the way and to the extent that may appeal to the judgment of the petitioners concerned, according to various circumstances that are prevailing in the respective States.

As supporting our appeal for a campaign of education, we give an instance, from Chicago, of the wicked and the grotesque in the sacred relation, cited by a well-known author. He says: "There is an indication of this new spirit in a certain shameless flouting of decent propriety, noticeable in a number of divorce cases. The newspapers mentioned not long ago the case of one person, the daughter of a citizen of Chicago, who had just received from the courts her fifth divorce. She was married at sixteen; shortly after she was divorced from her husband, then remarried to him, and was again divorced from him. She then married a second husband, and was divorced from him in order to remarry her first husband, from whom she was again divorced; then she married her third husband, from whom she has just been set free. And worse than this was the case mentioned a year ago of a divorce consummated in the court in Newport, R. I., which was immediately followed by a remarriage of one of the divorced parties, the carriage waiting at the door, the same judge who pronounced the divorce having no better sense of judicial dignity and propriety than to officiate at the subsequent marriage."

And as showing why the Synods should arouse themselves, we offer two instances in closing, taken from California and Pennsylvania. The one pertains to the duty of the ministry. Mr. Francis M. Moody, B.D., M.A., Field Secretary, California Commission of Marriage and Divorce, speaking of this phase of the question, says: "An investigation of the persons officiating at the weddings of divorced persons on the occasion of the second marriage reveals another colossal and greatly needed reform. Scripture says reform must 'begin at the house of God.' According to the public records, as carefully examined, our lists show that in the last seven years (1905–1911) about 21,000 divorced persons have been married in this State. Nearly 5,000 of these were married in Los Angeles County. About 3,000 of them were married by Los Angeles pastors and preachers, numbering 680 preachers of nearly all the denominations."

The other instance is a quotation from the law of Pennsylvania, which speaks for itself (see Act of April 21, 1915, P. L. 154), as follows:

"Section 1. That in all proceedings for divorce the libellant shall be fully competent to prove all the facts, though the respondent may not have been personally served with a libel, subpœna, or rule to take depositions, and may not be residing within the Commonwealth, but has been served by publication only."

We recommend the passage of the following resolutions, to wit:

Resolved, 1. That the General Assembly advises, in behalf of a campaign of education pertaining to marriage and divorce, that all our ministers be requested to preach upon the sanctity of marriage and the evils of divorce at least once every year, at such time as may seem to them expedient, and, if possible, in connection with the simultaneous movement on this behalf in the community.

Resolved, 2. That the General Assembly advises the various Synods to take up the matter of improved codes pertaining to marriage and divorce with the aid of able members of the legal profession, and to take such steps to this end in their respective States as may seem wise and necessary, and especially to make suitable petition, in accordance with the Confession of Faith (Chapter XXXI, Section 4), to the legislatures and other civil authorities for the needed relief.

Resolved, 3. That the Synods be requested to report to your Committee on Christian Life and Work any methods used and success attained in behalf of this reform, for the information of the General Assembly.

X. ABSENTEE MEMBERS.—The Committee made a full report on the subject of Absentee Church Members to the last General Assembly (see *Minutes*, G. A., 1915, p. 321), and our recommendations pertaining to the same were adopted, (see *Minutes*, G. A., 1915, p. 33). These recommendations covered:

(1) The duty of the Presbytery in inquiring of Sessions their reasons for placing members on the suspended roll.

(2) The duty of Sessions as to their absentee members.

(3) The duty of pastors and elders as to preventing the lapsing of members.

(4) The duty of members themselves removing to new neighborhoods.

In this connection we again refer, as we stated last year (see *Minutes*, G. A., 1915, p. 321), to the results of a conference between the Permanent Committee on Evangelism and our Committee, pertaining to this subject, and the preparation of a questionnaire by the Rev. William P. Fulton, D.D., which brought out some sixteen methods for stopping the leakage.

We also call attention to the fact that the Book of Discipline, Section 50, has been amended, and now, with Section 51, completely covers all phases of this subject.

It is not more knowledge nor more law that we now need in order to make improvement, but more faithful and diligent oversight by pastors, Sessions and Presbyteries. The absentees will never be recovered until they are sought out and brought back by active shepherds of the flock.

We would, however, suggest to the General Assembly some recommendations for action, as follows:

Resolved, 1. That the attention of all our pastors and Sessions be called to the amendment of Section 50 of the Book of Discipline, pertaining to absentees, with the direction that the same be read and carefully considered in the Session for information, reference and action, and that they also consider carefully Section 51.

Resolved, 2. That the Presbyteries be directed to arrange their docket in such a way that at the meeting of Presbytery, when the minutes of Sessions are annually reviewed, and at the time and just before the sub-Committee on Review are to begin their work, the Moderator of the Presbytery shall call upon the Stated Clerk to read aloud the said sections of the Book of Discipline, and similarly that the Synod's Committees on Revision of Presbyterial Minutes shall take note of the question as to whether the Presbyteries have been faithful in the performance of this duty, and report upon the same to the Synod.

Resolved, 3. That it be recommended to Presbyteries and Synods that they make the said duty of oversight of absentees a rule of business in their Rules for Judicatories.

XI. CHURCHES WITHOUT SABBATH-SCHOOLS.—The General Assembly of 1915 (see *Minutes*, p. 320) "instructed the Board of Publication and Sabbath School Work, as soon as possible, to ascertain the facts concerning the reported lack of Sabbath-schools in 1,746 of our churches, and, so far as possible, to remedy this defect, and, wherever churches are found without Sabbath-schools, to coöperate with the Presbyteries having care of these churches, in establishing Sabbath-schools in all the congregations."

Your Committee communicated with the Board of Publication, and we have to state that the Board has made a most thorough examination of the situation, and will report upon it separately to the General Assembly. Inasmuch, however, as this Committee is the one which has drawn attention repeatedly to the subject, the following points in the report of the Board are presented by the Committee itself to the Assembly:

1. The fact that comparatively few living churches are without Sabbath-schools.

2. That in a considerable number of cases the Stated Clerks of Presbytery fail to insert the figures of Sabbath-school membership.

3. That in certain Indian, Mexican and Immigrant Churches, no attempt is made to conduct Sabbath-schools, the children being enrolled in the English-speaking schools.

4. That in certain Synods a peculiar situation exists, due to the anti-union movement in the former Cumberland Presbyterian Church. For instance, in the Synods of Alabama, Missouri and Texas, a large number of churches are being retained on the rolls of Presbytery for "property reasons," although no services are held and the work is practically abandoned.

The figures of the Report of the Board of Publication and Sabbath School Work on this subject, as stated, will be found in the report of the Board. It is sufficient here to refer to certain general conclusions drawn from the said Report, in order to make the situation revealed thereby as definite as possible in connection with certain conditions.

It appears, for one thing, that the following Synods in the South and Southwest, according to reports made to the Board of Publication and Sabbath School Work, had, in 1914, churches closed or services temporarily discontinued as follows:

Alabama	50	Oklahoma	37
Missouri	120	Texas	150
Total			357

In 1915 the same Synods report the following churches without Sabbath-schools:

Alabama	73	Missouri	155
Arkansas	52	Texas	184
Total			464

It is evident by these last returns that there has been no decrease in the number of churches which are closed or in which services have been temporarily discontinued.

When we pass to the consideration of certain other Synods, it is worthy of attention to note that the following Synods located in the northwestern part of the United States reported a considerable number of churches closed or with services temporarily discontinued:

Idaho	4	South Dakota	23
Minnesota	25	Washington	12
Montana	7	Wisconsin	12
North Dakota	16		
Oregon	7	Total	106

The situation above set forth makes it clear that the investigation conducted by the Board of Publication and Sabbath School Work was, as the Board states, "well worth while." The Committee, believing that yet further action is necessary in order to provide adequately for the situation, respectfully recommends the adoption, by the General Assembly, of the following resolutions:

Resolved, 1. That the thanks of the General Assembly are tendered to the Board of Publication and Sabbath School Work for its thorough investigation of the situation as to churches without Sabbath-schools, of which 1,746 were reported to the last General Assembly, and that the Board be directed to give further attention to this subject.

Resolved, 2. That the attention of the Board of the Church Erection Fund be drawn to the situation in the Synods of Alabama, Arkansas, Missouri, Oklahoma, and Texas, and that said Board be directed to take measures to secure the property rights of the Reunited Church in all churches which have been closed, owing to circumstances connected with the Reunion of 1906.

Resolved, 3. That the Board of Home Missions be requested to inquire into the situation indicated by the figures above given, as to closed church edifices in the northwestern Synods, and report upon the same to the next General Assembly.

The Committee submits to the Assembly the figures as to Sabbath-schools for the year 1915.

XII. SALVATION OF OUR YOUTH.—Many tens of thousands of youth in our homes have been savingly brought to Christ and into His Church by faithful parents, pastors and Sabbath-school workers. These myriads for many years have constituted the larger portion of all those who have come into the Church's full Communion. This fact is demonstrated by the figures accompanying this Report, furnished by the General Assembly's Stated Clerk. The facts concerning the remainder of the youth cannot be set forth by statistics, but, as far as human judgment can discern, three-fifths of the youth in our Sabbath-schools leave the Church-schools without confessing Christ.

The first obligation of Christians, outranking all other obligations, to be done at once after securing personal salvation, is to constrain by faith and love these tens of thousands of children and youth, living in our homes, and most of them pupils in our Sabbath-schools, to come to our Lord Jesus Christ and to Eternal Life. As this is first among privileges and duties, it is the most hopeful and practicable. "I will pour my spirit upon thy seed, and my blessing upon thine offspring." "The promise is unto you and to your children."

An Appeal for Evangelism in Our Families and Sabbath-schools.—The Committee earnestly requests the General Assembly to issue a call to all parents, pastors and Sabbath-school workers to devote themselves to evangelism in our families and Sabbath-schools—that is, to fervent, persevering prayer and wise effort to bring all children and youth to the Lord Jesus Christ. Our first appeal is to fathers and mothers. A vigorous effort is now being organized to reinstate in their place of pristine importance, family prayer and parental teaching. Underlying and strengthening this effort is the covenant of God with parents as set forth in the Holy Scriptures, and the invincible truth that child Christianity is practicable and desirable. The Church's experience of the ages proves that very young children can be, and therefore should be, trained to know, love and obey the Father in Heaven and the Saviour of little children, just as soon as they know, love and obey their earthly father and mother. This is the truth that at this present time needs emphasis. The neglect of this truth is the prolific source of the everlasting loss of countless souls. The only safe thing to do in this perilous time is to bring every child, at the earliest possible moment, that is at the first moment of dawning moral intelligence and moral action, even while that child is yet at his mother's knee, to bring him, we say, to the Saviour of children.

Then, having planted the little one in Christ Jesus, the mother and father should regard it as the chief employment in life, more important than any other work, business or social engagement, to bring that child up in Christian nurture; to lead him as a child of the covenant to realize that he already belongs to Christ and his Church, and in time to open confession. There is only one time for the parent to perform this duty—*now* While the time for admitting the child to the Communion table must be left to the decision of pastor and Session, there is a call for deep solicitude that our youth approaching the age of twelve years shall be carefully instructed as to their duty and privilege as to coming into the full Communion of the Church and should be affectionately gathered into classes for instruction as to these things.

Suggested Ways of Working.—We suggest to our Sabbath-school workers to consider and, as led by the Spirit, to adopt and use Decision Days. The observance of these days has been found to have this advantage; they concentrate thought, prayer and effort upon the one business and purpose of our schools—the conversion of our scholars. We well know the spirit of our faithful officers and teachers, and that they will welcome the call of their beloved Church, asking them at once to give themselves to gathering the children and youth to the shadow of the Cross, saying, "Now is the accepted time"; "To-day grows the harvest of heaven"; "Just now accept and confess Christ." We trust our pastors and superintendents to call all their constituents to regular groups of prayer to prepare for these Decision Days, for Heavenly guidance in conducting them, and to guard against any possible mistake or abuse in observing them.

Communion Classes.—Toward the culmination of the tender and successful labor of winning our children, pastors and superintendents, by the help of their teachers, and with the sympathetic advice of parents, should gather all the children and youth whose hearts God has touched into Communion classes—call them Communion, Catechetical, Preparatory or Pastor's, as you prefer.

In these classes the pastor will find his best points of advantage. Here he can meet the young inquirers and those who have decided for Christ, and instead of seeing them hurried, without intelligent preparation, for admission into the Church, he can give them explicit words of simple instruction and guidance concerning the vital matters of sin and salvation; the need of a Saviour; the work of the Holy Spirit in our behalf; the true nature of faith and repentance; what is involved in an open confession of Christ; preparation for the Lord's Supper; the duties of Church members; prayer and the study of God's Word, and like subjects, so that when his lambs are received into the fold, he can assure the Session that they come prepared. The advantages of Communion classes have been experienced by all Christian ministers who have conducted them.

Booklets for Use in Communion Classes.—"Coming to Communion," Dr. Charles R. Erdman; "Training the Young," by Dr. L. W. Caughey; "Pastor's Instruction Class for Children," by Dr. V. H. Lukens, and others which have been found abundantly helpful.

Last year, 62,604 pupils from our Sabbath-schools were graciously brought by the Spirit into the full Communion of the Church, the largest similar ingathering ever received in our history. This we may regard as a Divine call and encouragement to all parents, ministers, elders, superintendents and teachers to consecrate themselves anew to the vital task of leading all our beloved youth to our Lord Jesus Christ and into His Church.

XIII. The Bible in the Public School.—The separation of Church and State in America has resulted in a situation which deserves our most serious attention.

Dr. Faunce, of Brown University, in speaking upon this subject some time since, said:

"The State handed religion over to the Church, and the Church handed education to the State. Who, then, is responsible for religious education? The Church saith, 'It is not in me'; and the State saith, 'It is not in me.' As a consequence, we have millions of American youth growing up without any religious training whatsoever—a situation that would have been incomprehensible in ancient Greece, or medieval Florence; a situation no heathen nation ever tolerated; a situation that is not understood in London, or Berlin, or even in Cairo or Constantinople; a situation the most serious that confronts the American nation to-day."

One aspect of this subject is the attitude of our public schools in reference to the reading of the Bible as part of their exercises. The status of the case, in our various States, has been carefully considered by a number of writers, one of the most recent being Dr. Wilbur F. Crafts, of Washington, D. C., Superintendent of the International Reform Bureau.

Dr. Crafts has come to the conclusion, from his study of the subject, that the situation as regards the public schools is not so discouraging as many suppose. He finds that in nine States Bible reading in the public schools has been officially discountenanced. Among these States are Illinois, California, Minnesota and New York.

There are ten States that have no law or court decision upon the subject. Teachers of the public schools do as they please, and are, in many cases, influenced by the sentiment of their community.

In seven States there is no law upon the subject, but Bible reading is permitted by favorable opinions of the State Superintendents of Education.

Nine States permit the reading of the Bible "without comment," by decisions of the State Supreme Court.

In ten States, the reading of the Bible is permitted by specific statute. In South Dakota the law permits the Bible to be read with "unsectarian comment." In Massachusetts and Pennsylvania Bible reading is required by law.

It will be seen, from this summary, that in most of our States the Bible may be read if the teacher is favorable and public sentiment approves of it.

It would seem, therefore, that it is our duty to encourage public-school teachers to read the Bible as part of the exercises of the school; and to endeavor to create public sentiment that will favor, and even demand, such a course. The importance of the Bible to our educational system is attested by the following public men:

Charles Dudley Warner uses these words:

"The ignorance of the Bible among the students in our public schools and higher colleges is a striking illustration of the inability of our educational machinery to produce the necessities of life. It also signifies a great fault in our social and political life. The first thought that comes to us at sight of a social evil is, that a new law must be made against it, but never comes to us the thought that the real radical remedy for these social evils is a radical improvement of the moral character of the single member of the human society. And through what other remedies can we destroy this corruption than that we educate the voters and public officials to become good, honest and moral individuals?"

Judge Holcomb, of Michigan, in "The Bible not a Sectarian Book," advances to the position that "the Bible itself is not a sectarian book and it is an erroneous conception to so regard it. Altogether, aside from its theological aspects, the Bible has a historical and literary value surpassed by no secular writings. Its moral teachings and precepts are of the purest and highest and appeal to the noblest impulses of mankind as no other literary production ever has." For this reason he declares that he does not hold to "the view that it is not within the discretionary power of the authorities of school districts to sanction, if deemed wise, under proper restrictions, the reading of the Bible or portions thereof or readings therefrom in the public schools."

William Jennings Bryan, in a recent address, made the following statement:

"There never was a time when the people needed the inspiration of the Bible more than they do at the present day. And there is not a community which cannot be purified, redeemed and improved by a better knowledge and larger application of the Bible in their daily life. No money that is invested pays so large a dividend as that spent in the moral uplift of the community. I am inclined to believe that we have overestimated the value of mental training and underestimated the value of the heart's development. A good heart can use a very dull mind and make that mind serviceable to society, but a bad heart cannot make use of mind, however brilliant."

Former President Benjamin Harrison thus speaks:

"Take the Bible away from our schools and universities and place in the hands of the grown-up race books of science and modern culture—wait a decennium until the seed has grown up; you would flee from the horrors of degeneration which you would find. You would be amazed at the depravity of mankind. Man, destined to be elevated to God, would be beastly. Such would be the end of mankind, if the Word of God would disappear from the world."

XIV. Evangelistic Work.—The evangelistic conditions in the Church are highly encouraging and details of the recent progress made are given in the Report of the Permanent Committee on Evangelism. The Committee on Christian Life and Work, however, emphasizes, as in previous years, the undue number of churches reporting no additions on Confession of Faith. There is an improvement shown in the statistics and they are given for a series of years. In 1911 the number of churches reporting no additions was 3,789; in 1912, 3,640; in 1913, 3,434; in 1914, 3,423; and in 1915, 3,140. Such churches are fewer in number in 1915 than in 1911 by 649. This improvement, however, makes it necessary again to draw attention to the fact that too many of our churches make no report of additions upon Confession of Faith, in the hope that by repeated emphasis yet greater gain may result from Presbyterial effort. It is difficult to understand how a church of Jesus Christ, whatever its size, can be so lacking in the passion for souls, as to fail to secure at least the addition of one person to its roll in each year on confession of faith in Jesus Christ.

The following table contains a Summary of the reports of the churches in 1915, as to additions on Confession of Faith. The numbers at the heads of the columns represent the numbers coming between them in successive order. For instance, the column headed six to ten, stands for all churches adding from six to ten members on Confession of Faith.

XV. The Congregational Narrative.—The matter of the Congregational Narrative was considered at length, and, after detailed study by the whole Committee, was entrusted for preparation to the Rev. C. Waldo Cherry, pastor of the Central Presbyterian Church at Rochester. The form prepared by him, after slight amendment, was approved by the Committee and is hereby submitted to the General Assembly for adoption.

XVI. Statistical Reports.—[Referred back to the Committee. See p. 188.]

XVII. Reconsecration.—The circumstances of the present situation in the history of our Church and of our country requires prayerful consideration, with a view to clear realization of the need of reconsecration by Christians to the spiritual welfare of men and women for the sake of Jesus Christ, both at home and abroad. New and exceptional responsibilities rest upon the Presbyterian Church in the U. S. A. In a very emphatic sense "we are our brothers' keepers"! That this responsibility rests upon other Christian Churches on this continent and on other continents is true, but this only emphasizes the special responsibility which rests upon every Church of Jesus Christ in every land. We magnify our own responsibility by emphasizing the responsibilities of others, and should realize that having our own sphere of action, God, in many ways, is seeking to bring us to the fulfillment of our Christian obligations. Our country is rapidly increasing in wealth, and, while spiritual interests are not being neglected, they are being overshadowed for the time being by the commercial and political interests. The world-wide calamity of the present war brings home to us sharply our relations in this twentieth century to that world for which Christ died, and for whose redemption from sin and its evil results His Church in His name has labored from generation to generation. There are those who seek to put the responsibility of the world war upon the Church of Christ, but the Church has little responsibility therefor. National dislikes and ambitions and economic and dynastic considerations, have had far more to do with it than religious influences. The mission of the Church is for the salvation of men, and the alleviation of the horrors which attend war and other widespread calamities. And during this terrible war the only bond that binds in any manner the warring peoples is that of the common Christianity. Despite wars and rumors of war, Christians look forward to the coming of a day when righteousness and peace shall dwell together in an everlasting kingdom, and earth shall be transformed by the doing in it of the will of God, even as it is done in Heaven. We need, therefore, in the situation to indulge in no apologies for the Church, but to impress upon all our ministers and members the duties of the hour, in the relief of the suffering, in the extension of Christian sympathy, and in the fearless and persistent proclamation of the truth as it is in Jesus Christ. The Church's continuing duty is to take the Gospel as a witness in every nation, to all the world. To this end, let us reconsecrate ourselves by prayer, and let us add to prayer, watchfulness and earnest performance of Christian duty. The present situation may prove to be an "open door" for a great Christian advance.

XVIII. Resolutions.—The following general Resolutions are submitted to the Assembly for adoption:

Resolved, 1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio,* making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report, at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

Resolved, 2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

Resolved, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the *Minutes.*

Resolved, 4. That the Board of Publication be requested to publish for sale such portions of the Annual Narrative, in leaflet form, as may be decided on by the Committee on Christian Life and Work, it being understood that the form and price of such leaflets will be determined by the Board.

Resolved, 5. That church Sessions are earnestly advised to give careful attention to young Christians, who, as the Directory for Worship indicates, having been "born within the pale of the visible Church, and dedicated to God in baptism, are under the inspection and government of the Church; and are to be taught to read and repeat the Catechism, the Apostles' Creed, and the Lord's Prayer. They are to be taught to pray, to abhor sin, to fear God, and to obey the Lord Jesus Christ. And when they come to years of discretion, if they be free from scandal, appear sober and steady, and to have sufficient knowledge to discern the Lord's body, they ought to be informed it is their duty and their privilege to come to the Lord's Supper." (Directory for Worship, Chapter 10, Section 1.) In this connection Sessions are requested to give particular attention to the attendance of the baptized children of the Church at church services.

Resolved, 6. That the Presbyteries be and hereby are instructed to give particular attention to the Sabbath-schools connected with the churches under their jurisdiction, and especially to make provision for the establishment of one or more Sabbath-schools in connection with every congregation, and that the Presbyteries are hereby also directed to report the facts as to the Sabbath-schools to the churches.

ORRESPONDENCE.

I. REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM, WESTERN SECTION, FOR THE YEAR ENDING MARCH 31, 1916.

To the General Assembly of the Presbyterian Church in the U. S. A.:

Dear Brethren:—The Western (American) Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, respectfully presents its Annual Report for the year 1915–16, under the following heads:

I. Meetings.—The Western Section, during the year 1915–16, held one meeting, the place being Auburn, N. Y., and the time February 2 and 3, 1916. The Chairman, Rev. J. Preston Searle, D.D., presided, and the Section was admirably entertained at a banquet given by the Faculty and Trustees of Auburn Theological Seminary and their friends.

II. Officers.—The officers for the present year are: Chairman, Rev. John McNaugher, D.D.; Vice-Chairmen, Rev. S. G. Shaw, Ph.D., and Rev. George W. Richards, D.D.; Recording Secretary, Rev. J. C. Scouller, D.D.; Chairman, Executive Committee, General R. E. Prime. The American Secretary, Rev. William H. Roberts, D.D., and Mr. Philip E. Howard, American Treasurer, are permanent officers of the Alliance and of the Section.

III. Necrology.—The departures from this life have been five in number among the members. They were the Rev. John Scrimger, D.D., of the Presbyterian Church in Canada; the Rev. Samuel J. Niccolls, D.D., and the Rev. James T. Black, D.D., of the Presbyterian Church in the U. S. A.; the Rev. John H. Prugh, D.D., of the Reformed Church in the U. S., and Ex-Pres. Gerritt John Kollen, of the Reformed Church in America. These all were worthy co-laborers in every good work.

IV. Work in Europe.—(*a*) *Summer Services.*—None of the English services on the Continent have been possible, because of the war. Those that depended on tourists did not need to be held, as there were almost no tourists. The only church which had an all-year service, Frankfort-am-Main, lost its pastor, who returned to this country on account of war conditions. Attention is called to the fact that the British congregations in Germany and Austria have been given up, and owing to the prejudice against Britons it has been intimated that it would be better for Americans to take up that work. As a result, at the end of the war there may come to our Churches a new call for work in this direction on the Continent.

(*b*) *The Churches of the Continent.*—Two matters are noteworthy in connection with the native Churches on the Continent: the Huss Celebration and the war. First, in regard to the former. In spite of the war, the Protestants of Bohemia held the 500th anniversary of the martyrdom of John Huss. The services culminated in a grand celebration at Prague, on July the 6th last. There was no attempt to make the celebration international, as had been intended, but it is reported that it greatly stimulated the Hussites, discouraged by their weakness as a Church and by the unfavorable conditions of the war. It is expected that a similar anniversary will be held in connection with the 500th anniversary of the martyrdom of Jerome of Prague on May 30 of this year. It may be noted here that the Huss anniversary was quite generally observed by the Churches of the United States, and that it has been of benefit not only in making our congregations more familiar with the life and work of so distinguished a martyr for evangelical truth, but also as an inspiration to our people, a tonic to their faith for the present and a prophecy of the ultimate triumph of the Gospel. The hope is expressed that at some future time some plan may be made for a Huss memorial in aid of the struggling churches of Bohemia.

The greatest obstacle in reporting anything concerning the national Churches of Europe is the difficulty in correspondence. Some of the sister Churches of the Alliance have suffered severely because of the war. The two Churches of Belgium, the State Church or the Union of Protestant Evangelical Churches, and the Free Church, the Evangelical Church of Belgium, and the little Reformed Churches of Poland and Lithuania are passing through the fire. Nothing has been heard from Hungary, but from Bohemia the report comes that the war has greatly interfered with the regular work of the Church, though it has deepened the religiousness of the people. Prof. Julius Richter reports from Germany the deep-going religious effects of conditions on the army at the front. There everyone sings the Christian songs, and there is a desire for religious literature, which cannot be satisfied. A War Heidelberg Catechism has been published for the Reformed soldiers in the army. Concerning the Waldensian Church in Italy, the government has done something it has never done before—appointed Waldensian ministers as chaplains in the army. They are working faithfully side by side with the Catholic priests. Of the Waldenses, 3,000 are privates in the army and over 300 are officers. While this is a day of great sorrow, it is also of great hope for Italy—the hope that there shall come to the nation a great regeneration.

While there is much in this war that is horrible and terrible, and contrary to the spirit of Christ, yet, after all, Christian faith and hope continue on both sides of the conflict. Instead of showing the failure of Christianity, this war has revealed the strength of Christianity, for Christianity has been the only bond between nations that has not snapped because of this war. Out of the present conditions in Europe three facts are emerging that bear upon the religious situation. The first is that the religion over there has become largely Philanthropy. The people have passed from faith to works. All the countries are full of charitable efforts to alleviate poverty and suffering. Especially is this true of the little neutral nations of Holland and Switzerland. They have learned the blessed benefits of self-sacrifice, and have been pouring out their whole heart in sympathy and their money in charity. Compared with them, Dr. John R. Mott declared that he was ashamed of the United States' charity, in spite of the millions we have given. The second peculiarity is Evangelization. The International Student Federation, under the leadership of Dr. Mott, has been doing a splendid work. The 24,000,000 of men in the different armies afford a grand opportunity for the spread of the Gospel. The 2,400,000 prisoners in Germany, most of whom are Russians, open a great field for the evangelization of Russia. In the camps, in the hospitals, in the prison camps, is opened a door of hope, tremendous and mighty, that will affect every Church in Europe. The third feature of the religious situation is Personalness, that is piety more than ever has become a personal thing. The war is making Europe learn that religion is a personal matter rather than a formal one. The lines between denominations are largely broken down in the armies and camps. "Faith is being purified, sham and unreality are burning out." Men are thinking straight and centering themselves on Jesus Christ.

These characteristics are not going to pass entirely away, for Europe has been too deeply stirred. She is never going back to what she was before the war.

The following resolution was adopted by the Section:

Resolved, That the Churches of this Western Section desire to express to the Churches of our faith and order on the Continent of Europe our sincere and profound sympathy with them in their sufferings, and assure them that our prayers are being offered that these sufferings may be lessened and that they may be overruled of God to their spiritual growth. We congratulate them on their faithful testimony for the faith of Christ, which reminds us that the old martyr spirit, peculiar to the Reformed and Presbyterian Churches, is not dead. We also invoke the divine blessing upon them in their labors for evangelization among the soldiers in the trenches and camps, and also in the prison camps and hospitals. We join with them in the prayer that this dreadful war may soon cease, and be ultimately overruled for the glory of our common Lord. The hope of the Churches of America is that this great war will bring to the Continent a widespread revival of religion and a great forward movement for Christ's Kingdom and the world's salvation.

V. Church History.—The attention of the Churches of the Alliance is called to certain anniversaries which occur during this year and the year 1917. They are: the one hundreth anniversary of the American Bible Society, from the 8th to the 11th of May; the 500th anniversary of the burning of Jerome of Prague, on the 30th of May; and the 400th anniversary of the posting of Luther's theses, on the 31st of October, 1917. In connection with the last, it is recommended that two representatives be chosen from the supreme judicatories of each of the Churches of the Alliance, to frame and submit to the Churches a programme of celebration befitting such a decisive event in the history of the Kingdom of God.

Steps have been taken toward the publication of a volume adapted to popular use, containing the origin, history and distinctive genius of each Presbyterian and Reformed Church represented in the Western Section, and also the publication, in an English translation, of the Latin works and the correspondence of Huldreich Zwingli, together with selections from his German works.

It is to be noted for the purpose of information that the Committee on Historical Records of the United Presbyterian Church of North America is erecting a massive granite monument on the site of the "Service Theological Seminary" of the Associate Presbyterian Church, the second divinity school established in America, the first session being held in the winter of 1794–1795.

VI. Evangelistic Work.—The stimulus given to evangelism during the last few years, through the Forward Movement of the Twentieth Century, has been great, through the work of the Committee on Evangelistic Work of the Presbyterian Church in the U. S. A. and of the Commission on Evangelism of the Federal Council of the Churches of Christ in America. The latter body, through its Chairman, the Rev. William H. Roberts, D.D., and its Secretary, Rev. William E. Biederwolf, D.D., has done a great deal of work in the way of preparedness, by securing the organization of National Denominational Committees. This has been done, up to date, by 25 out of the 30 denominations in the Federal Council. At the annual meeting of the Executive Committee of that body, held in Columbus, Ohio, in December, 1915, the following resolutions were approved:

"1. That the various National Denominational Committees endeavor to provide some definite method of financing their own work, and that these Committees make at least some small contribution toward the support of the work of the Commission on Evangelism of the Federal Council.

"2. That the National Denominational Committees lend themselves to the organization of evangelistic committees in the various districts, Conferences and Synods, with a view both to furthering the work of their own denomination and to the federation of the forces for concerted evangelistic work in their own territory.

"3. That the various National Denominational Committees seriously and prayerfully consider whether the hour is not about upon us, for the inauguration and promotion of a country-wide movement of evangelistic endeavor, of such a character as will meet with the approval and appreciation of the united ministry of our land. The recommendation is also made that the whole subject of such a movement be referred to the Executive Committee of the Council, with the suggestion that it be referred back to the Executive Committee of the Commission on Evangelism with power to act."

The results of the new emphasis placed upon evangelism in the various Churches have been noteworthy. Especially is this true of the Presbyterian Church in the U. S. A. and the Presbyterian Church in the U. S., which reported, last May, larger accessions by confession of faith than ever before in their history, the former reporting 116,064, an increase of 22,597 over 1914, and the latter 20,156, an increase over the preceding year of 4,000. The other General Assemblies and General Synods, through their evangelistic agencies, submit highly encouraging reports, so that it is evident that the Churches of the Presbyterian family in North America are all, without exception, aroused to earnest effort in evangelistic work in the spirit of Him who came to earth "to seek and to save that which was lost."

VII. Home Missions.—Despite the peculiar trials and perplexities due to the great and terrible war in Europe, the Lord has crowned the year with His goodness and the labors of His servants with success. The Reports of the various Boards and Executive Committees reveal a growing sense of the magnitude of the task to which they have been called. City problems, immigrant, industrial, and other problems are frankly faced and their gravity is fully recognized; yet, to the eye of faith and the heart of hope, the outlook, beyond the intervening clouds and darkness, appears bright and inspiring. The following financial table indicates the Home Mission conditions during the past year:

Denomination.	Receipts.
Presbyterian Church in Canada	$455,000
Presbyterian Church in the U. S. A.	2,477,738
Presbyterian Church in the U. S.	543,599
Reformed Church in America	215,794
Reformed Church in the U. S.	154,737
United Presbyterian Church	431,943
Associate Reformed Presbyterian Synod	16,000
Synod of Reformed Presbyterian Church	63,964
General Synod of Reformed Presbyterian Church	6,782
Welsh Presbyterian Church	8,001

The most encouraging feature of Home Mission work is the growing recognition that there must be a better understanding among the denominations, with greater care in the practice of Christian comity, and a more cordial coöperation in the prosecution of the work. The Home Missions Council, now in its ninth year, is one of the chief agencies through which this spirit of comity is being enforced, and, together with the Missionary Education Movement, is exerting a quiet and conquering influence for a larger growth in coöperation. With these and other influences working in the same direction, the day may not be far distant when all branches of the Church of Christ shall have made such progress in Christian comity and coöperation, that, without losing their denominational individuality, they shall attain to the concert of action so suggestive of a mighty army moving together in a continental, interdenominational campaign, for the conquest of America and of the world for Christ our Saviour and King.

VIII. American and European Residents in Foreign Seaports.—The Inter-denominational Committee representing the Annual Conference of Mission Boards in the United States and Canada, which has charge of the conduct of religious work for American and European residents in foreign seaports, reports that the work has been very satisfactory during the past year, in spite of the many disheartening elements that the war has introduced into the problem. Grants aggregating $5,620 have been made toward the support of the work. Especially encouraging are the reports from the churches at Kobe and Yokohama, Japan, and Rio de Janeiro, Brazil. The work at Mexico City has been carried on, through all the trials and difficulties incident to the various revolutions in that city, by Mr. Conger, who has, however, temporarily retired from his work. It is hoped that when peace is restored in Mexico the foreign community will be able to take up this work again with renewed vigor.

IX. The Hungarian Churches.—The immigration from Hungary to the United States has largely decreased during the past year, owing to the war. The largest numbers of Magyars in our country are found in the States of Pennsylvania, Ohio, New Jersey, Illinois, and Connecticut. But a small proportion of these have become citizens, and during the last eighteen months a large number have returned to their native land at the call of the empire for service in the army. The American denominational Churches most largely interested in work among these people are the Presbyterian Church in the U. S. A., the Reformed Church in the U. S., and the Baptist Church, North. The Presbyterian Church now has twenty Hungarian-speaking pastors and missionaries, with thirty-five congregations, twenty-four of which are fully organized as churches. These churches reported in May, 1915, a membership of 3,173, and a Sunday-school enrollment of 1,115. The Reformed Church in the U. S. reported fourteen congregations, with a membership of 1,900, while the Baptists have twenty-six congregations, with a membership of 740.

The Board of Home Missions of the Presbyterian Church in the U. S. A. held a conference at Kingston, Pa., February 1–3, 1916, for the adoption of a programme and policy in reference to the needs of these people, and also to consider the question of comity with the Reformed Church of Hungary and certain Churches in the United States.

X. Sabbath-school and Young People's Work.—The Reports of the several Churches represented in the Alliance indicate that in the Sabbath-school and Young People's Work there has been an advance all along the line. Thoroughly organized activity is manifested everywhere. A brief summary of the several Reports will reveal the situation.

Presbyterian Church in Canada.—By means of well-planned and wisely conducted Presbyterial Institutes, the programmes of the Assembly in regard to Religious Education have been brought to the attention of the workers throughout the Church, for consideration and adoption. The programmes deal with the home, the public school, recreation, reading, church attendance, missions and educational evangelism. The Church of Canada has 3,785 schools, with a total enrollment of 294,868. There are 1,973 Young People's Societies, with 26,448 male members and 36,261 female members.

Presbyterian Church in the U. S. A.—In many respects, last year was the best in the history of the Board, greater results being accomplished and more contributions received than during any previous year. A new Department of Religious Education was organized. The total membership of the Sabbath-schools is 1,387,114, with total contributions of $1,335,101.

Presbyterian Church in the U. S.—A definite proposal to correlate the work of the Sabbath-school and the Young People's Societies has been made. There is a Sabbath-school membership for 1915 of 310,278, with total contributions of $292,315. A complete revolution in method of grading and instruction has been brought about in all schools, and more than 3,700 teachers have fitted themselves for more efficient service by taking the Teacher Training Course.

United Presbyterian Church.—The total number of schools is 994, with an enrollment of 175,252; while the contributions amount to $233,422. The Young People's Societies are 747 in number, with a membership of 27,811, and total contributions of $33,000.

The Reformed Church in America.—A decided advance has been made in establishing the Bible School Work Department, in choosing an educational secretary to devote all his time to the work, in establishing "A Standard of Efficiency," in the preparation of leaflets and literature concerning the various departments for Bible-school work, and in editorial work for Sunday-school periodicals. There are approximately 400 Young People's Societies.

Associate Reformed Presbyterian Synod.—This Church reports 13,478 scholars, with total contributions of $8,957. In the Young People's Societies there are 2,413, who contributed $1,268.

Reformed Church in the U. S.—The year has been a prosperous one in Sabbath-school work. The membership is 336,991, an increase of 20,938 over last year. The Young People's Society work has grown encouragingly.

Welsh Presbyterian Church.—The membership in the Sabbath-schools is approximately 14,000.

XI. Quarterly Register.—*The Quarterly Register*, the organ of the Alliance, continues, as in former years, to supply the various constituent Churches of the Alliance with information relative to their varied interests. Steps are being taken to enlarge the sphere and scope of the publication. Persons desiring to subscribe should write to Rev. R. Dykes Shaw, D.D., General Secretary, 122 George Street, Edinburgh, Scotland.

XII. Finances.—The receipts from the apportionment of the Churches during the year ending February 1, 1916, amounted to $4,685. To this was added $89.53 in refunds, and interest to the amount of $73.51, making a total of $4,848.04. The disbursements were as follows: Alliance expenses, general office, $2,099.28; annual meeting, Western Section, Cincinnati, Ohio, $1,503.43; printing and miscellaneous expenses, $254.05; total, $3,856.76.

It is respectfully requested that the apportionment from your Church be forwarded, not later than October 1, 1916, to the American Treasurer, Mr. Philip E. Howard, 1031 Walnut Street, Philadelphia, Pa. The financial provisions of the Alliance include the salary and expenses of the General Secretary, Rev. R. Dykes Shaw, D.D., of Edinburgh, Scotland, and the current expenses of the Western Section. The American Secretary continues to serve without pay.

XIII. The Eleventh Council.—Arrangements for the Eleventh General Council, to be held at Pittsburgh, Pa., are progressing satisfactorily. The Local Committee of Arrangements, Rev. John McNaugher, D.D., Chairman, together with the Committee on the Programme of the Eleventh Council of the Western Section, General R. E. Prime, Chairman, have been in consultation as to the details of the meeting. At the last meeting of the Section, a tentative programme was adopted, and sent to the Eastern Section for its consideration. According to this programme, the opening session of the Council was to be held on Tuesday, September 18, 1917. The meeting has been postponed for one year, owing to the war. The Supreme Judicatories are respectfully requested to appoint their delegates to the Eleventh Council, however, at an early date, and to report the names to the Rev. William H. Roberts, D.D., American Secretary, 512 Witherspoon Building, Philadelphia, Pa.

XIV. Apportionments for Expenses and Representatives in the Eleventh Council.—The Eleventh Council of the Alliance will consist of 350 members, 150 from the Eastern and 200 from the Western Section. The distribution of members to the constituent Churches, and the annual apportionment of the Churches for the expenses of the Alliance are as given below. The rate of apportionment is $20 per representative per annum.

Presbyterian Church in the U. S. A.—Rev. W. H. Roberts, D.D.
Presbyterian Church in the U. S.—Rev. R. H. Fleming, D.D.
United Presbyterian Church.—Rev. W. I. Wishart, D.D.
Reformed Church in America.—Rev. J. G. Fagg, D.D.
Reformed Church in the U. S.—Rev. G. W. Richards, D.D.
Associate Reformed Presbyterian Synod.—Rev. F. Y. Pressly, D.D.
Synod, Reformed Presbyterian Church.—Rev. S. G. Shaw.
General Synod, Reformed Presbyterian Church.—*Rev. J. H. Kendall, D.D.
Welsh Presbyterian Church.—Rev. W. Owen Williams.
Presbyterian Church of Brazil.—Rev. J. B. Kolb.

XVI. Foreign Missionaries.—The following resolution of sympathy for the foreign missionaries affected by the war was adopted by the Western Section:

Resolved, That this Western Section conveys to the missionaries in the field especially affected by the adverse and deplorable world strife of to-day, the assurance that in their fine conduct in the midst of the awful pressures of this adversity, in the patience and heroism of their endurance, in their wise, successful and great achievement by the new sacrifice and service required of them, as well as in the loyalty of those among whom they have labored, we find that which compels in us and in the whole Christian world, not only the profoundest sympathy and constant prayerful remembrance, but also a new appreciation of the power of the grace of God, and the deepest gratitude to Him for the manifestation of this grace made through them and in them.

* Deceased

XVII. Next Place of Meeting.—The Western Section will meet in February, 1917, subject to the following conditions: that if the General Council does not meet in Pittsburgh, Pa., in 1917, the meeting of the Section be held in Columbia, S. C.; that if the General Council does meet in Pittsburgh in 1917, then the Western Section shall meet in Princeton, N. J.

XVIII. Duty.—The duty of the hour is faith in God. The strife- and sorrow-laden present should bring us closer to Him who is "the same, yesterday, to-day, and forever." Above all the storm of war, He appears who hath on His vesture and on His thigh written, "King of kings and Lord of lords." While the Church of Christ was weak and persecuted and numbered less than one hundred thousand believers in all the world, Paul declared concerning this King of Redemption, "God hath given Him a name which is above every name: that at the name of Jesus every knee should bow, of things in Heaven, and things in earth, and things under the earth; and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father." Cherishing with the Apostle this faith in the King immortal and eternal, the divine and almighty Saviour of all who come to God by Him, let us go forward in all Christian work, showing sympathy and benevolence towards all who are suffering and burdened, but above all instant in season and out of season in preaching the Gospel of the "Kingdom in all the world for a witness unto all nations."

JOHN McNAUGHER, *Chairman;*
WM. H. ROBERTS, *American Secretary.*

II. REPORT OF THE COUNCIL OF THE REFORMED CHURCHES IN AMERICA HOLDING THE PRESBYTERIAN SYSTEM.

To the General Assembly of the Presbyterian Church in the U. S. A.:

Dear Brethren:—The Council of the Reformed Churches in America holding the Presbyterian System respectfully reports to its constituent Churches, for the year ending April 30, 1916.

The constituent Churches in the Council are the same as heretofore reported, and their names appear in this Report.

1. Meeting.—The Council held its regular biennial session in the Witherspoon Building, Philadelphia, Pa., on March 21 and 22, 1916. There were present official delegates from all the Churches, in number 47; and in addition 33 representatives of 30 Boards and Executive Committees, of whom 24 were not delegates; a total of 71 persons.

2. Courtesies.—Admirable provisions for the business sessions of the Council and the meetings of its Committees were made by the Presbyterian Historical Society and the Presbyterian Board of Publication and Sabbath School Work. For these courtesies appropriate acknowledgment was made. A luncheon was served to the Council on the afternoon of March 21 at the Hotel Walton.

3. Necrology.—During the past ecclesiastical year the following members departed this life; The Rev. Samuel J. Niccolls, D.D., LL.D., Mr. E. R. Perkins, and John E. Parsons, Esq., of the Presbyterian Church in the U. S. A.; Mr. J. S. Mundy, of the Reformed Church in America; with the Rev. John H. Prugh, D.D., and the Rev. John S. Stahr, D.D., of the Reformed Church in the U. S.

4. Officers.—The President of the Council for the last two years was the Rev. George Alexander, D.D., LL.D. With him was associated, as Vice-President, T. H. Somerville, LL.D. The officers elected for the present term

of two years were: President, Rev. Charles S. Cleland, D.D.; Vice-President, Rev. A. S. Weber, D.D.; Stated Clerk, Rev. William H. Roberts, D.D.; Permanent Clerk, Rev. Rufus W. Miller, D.D., and Treasurer, Rev. David F. McGill, D.D.

5. Conferences.—The Conferences of the Council with representatives of the Boards and Agencies were held on the afternoon of Tuesday, March 21, and the morning of Wednesday, March 22. The several Committees of Council met with the representatives of the Agencies directly related to the work of each, and the results are stated under the following heads:

6. Foreign Missions.—In the work of Foreign Missions, coöperation and union among the Churches constituting the Council of the Reformed Churches holding the Presbyterian System has proceeded about as far as possible, as long as the Churches are not organically one. In our own land, the various Mission Boards are working in an ever-increasing and closer sympathy of mutual helpfulness, through annual conferences and coöperation in the student volunteer movement. In the foreign field itself, the greatest progress in the direction of union has been made by the bodies professing the Presbyterian polity. In Japan, Korea, China, India, Mexico, and Brazil, those Communions represented in the Council that have missions are working in coöperation and unity. In lands other than these, there is no occasion for union effort, since only one of the constituent bodies is there at work, or, as in the case of Africa, the missions are too widely separated for any concert of action. In the light of these facts, we cannot but recognize the leading of the Divine Spirit, and would, therefore, urge upon all the supreme judicatories the desirability of stimulating a similar unity along all other lines of Church activity.

7. Home Missions.—The Home Mission Committee reported the statistics for the year 1914–15 of the Churches composing the Council: Expenditures, $3,839,810; churches and missions aided, 4,618; members added to mission churches, 44,920. The subject of comity in work was carefully considered, the Stated Clerk having gathered together all the actions and principles of comity that have been approved by the constituent Churches. In order to make effective the principles of comity at previous meetings of the Council, the following resolutions were ordered transmitted to the supreme judicatories of the Constituent Churches for reaffirmation or action:

(1) That the supreme judicatories direct their Synods each to appoint three representatives and that the Synods direct the Presbyteries and Classes also to appoint three representatives to act with representatives of other Presbyterian and Reformed bodies in constituting joint advisory Committees of Comity, for the purpose of effecting a fair exchange of churches, to discourage overlapping of Home Mission forces, to settle cases of friction, and to promote other phases of coöperation in Home Mission work, the joint Advisory Committees to report to each of the appointing bodies.

Before definite action is taken on any specific matter a conference between the interested bodies shall be had.

(2) That in cities with less than one hundred thousand population, where one Presbyterian or Reformed Church is operating among the foreign population, all other Presbyterian and Reformed Churches are instructed to coöperate in said work through the denomination already in charge.

(3) That the various constituent bodies engaged in work among foreigners of the same nationality be encouraged to coöperate in the matter of providing suitable literature for these people, in the education of young men for the ministry, and in the possible exchange of congregations where such action would advance the work among such people.

(4) That the supreme judicatories instruct their Stated Clerks to send printed copies of this action to the Stated Clerks of all their Synods, Presbyteries and Classes, together with a letter calling special attention to the significance of this action, and asking that immediate attention be given it and that the Committees provided for be appointed.

8. Ministerial Relief.—A Committee on Ministerial Relief was appointed by the Council to investigate conditions as they exist in the various constituent Churches. It found that the work of Ministerial Relief and Sustentation has been organized in all the Churches of the Council except one, namely,

the Cumberland Presbyterian (Colored), in which it has been referred to a committee of three. At present there is no coöperation between these Boards and Agencies, and in their present organized form there seems no way open toward effective coöperation except in three directions: (1) The standardization in all the Boards or Agencies of the conditions of relief and pensions, and of amounts given; (2) the free transfer of ministers and all claimants for relief or pensions from one denomination to another among the Churches of the Council; (3) the organization of a common representative commission on Ministerial Relief looking toward final consolidation of all the Boards or Agencies of the Council.

The following resolutions are submitted for action by the supreme judicatories:

Resolved, 1. That in the transfer of ministers from one denomination to another among the Churches of the Council due consideration should be given, in the granting of relief and pensions, to the time of service in the denomination from which they come.

Resolved, 2. That the Council rejoices in the forward movement which is taking place in our Churches for the more adequate care of the disabled ministers, missionaries, widows and orphans, and especially approves the emphasis which is to-day being placed upon the idea of service, rather than of need, as the basis of such care, and that the Council commends to such of its constituent Churches as have not adopted such a plan, the consideration of a contributory pension or deferred annuity plan, as one already adopted by the progressive commercial and industrial institutions of the day, and, at the same time, approved by the most enlightened Christian sentiment.

Resolved, 3. That the Council commends to the several Boards the creation of a permanent Commission on the adequate care of the disabled ministers, missionaries, widows and orphans of the Church, to be composed of representatives from each of the Boards of the constituent Churches of the Council. The times and places of meeting of such Commission and the fixing of the number and personnel of the representatives of each Board upon such Commission being left to the Boards individually and jointly, and all expenses of the Commission to be borne by the Boards in such manner as they may determine, and the Commission to report biennially to the Council or to any special meeting of the Council.

9. COLORED WORK.—In the work done by the respective agencies for work among the colored people under control of the constituent Churches, nothing of marked interest has occurred since the meeting of the Council two years ago. Due comity, with almost no overlapping, characterizes the work. The interdenominational work at Louisville, Ky., has received generous aid from the U. S. A. and U. S. Churches, and from the Reformed Church in the U. S. This work is industrial, practical and evangelistic. The educational, missionary and other needs of colored Cumberland Presbyterians located in Tennessee, Alabama, and Texas are worthy of special consideration by the respective agencies. They offer an inviting field for coöperative work.

The Sub-Committee of the Committee of Eleven appointed to make report on the status of Freedmen's Work among the constituent members of the Council after careful consideration would make the following suggestions:

(*a*) That it is highly desirable and advisable that the various agencies conducting the work among the colored people, as represented in the Council, should have an early conference by suitable representatives for the discussion of the various phases of Freedmen's activities, looking to coöperation, and will seek to have such a conference.

(*b*) That this would be both stimulating and helpful as to the right kind of education, as to how methods in Sabbath-school activities may be improved, and whether there is not some plan or system of coöperation which would be economical and efficient.

(*c*) That this field of the Church's activities, we are persuaded, offers an opportunity for advanced coöperation, such as that for which this Council stands.

10. CHRISTIAN EDUCATION AND LITERATURE.—A joint conference of the Committee on Christian Education and Literature was held with the representatives of publishing boards and agencies, and of the boards and agencies of education of the constituent Churches of the Council, in the Witherspoon

Building, Philadelphia, Pa., March 21, 1916. After careful consideration, matters under the following heads were unanimously recommended to the Council for reference to the supreme judicatories of the Churches:

(*a*) *Publishing Boards and Agencies.*—

(1) That where publishing boards and agencies of the constituent Churches have no conflicting interests, they be recommended to act as depositories for the publications of each other on conditions mutually agreeable.

(2) That the Council recommends, after conference with the representatives of the publishing agencies, that it is desirable in the interests of unity, efficiency and economy, for the Boards having book stores in the same cities, as in New York and Pittsburgh, to effect coöperative relations.

(3) That approval be given to the principle of coöperation in the purchasing and marketing of books, and request be made of the several boards and agencies to have the book buyers of the same to have a conference to formulate a practical plan.

(4) That the boards and agencies of the constituent Churches create a Joint Advisory Committee of Coöperation, Editorial and Business Relations and Syndication.

(*b*) *Protestant Reformation.*—

WHEREAS, The four hundredth anniversary of the Protestant Reformation occurs in 1917; and

WHEREAS, The Churches constituting the Council of the Reformed Churches holding the Presbyterian System represent historically one great branch of the Christian Church of the Reformation. Therefore,

Resolved, That the Council recommends to the several supreme judicatories the holding of suitable anniversary services for the purpose of emphasizing the great principles of the Reformation of the sixteenth century.

(*c*) *Public Schools.*—

(1) That the Council appoint a Committee to consider, formulate and report to the Council plans for the introduction of moral and religious training in our public schools, plans which, without violating any phase of the great and cherished principle of government by which Church and State are separated in our land, may yet be systematic and competent.

(2) That the Council request each of the judicatories to appoint a committee to coöperate with the committee of the Council, both in securing facts and formulating plans.

The additional resolution we would suggest is:

That the officers of the Council be requested, in the report of our proceedings which they make to the judicatories, to call definite attention to the above resolutions. Action, therefore, thereon is respectfully requested.

11. FINANCES.—The Report of the Treasurer is as follows: Receipts, $750.00; balance from previous year, $1,317.62; total, $2,067.62. Expenditures, $755.67; balance, $1,311.95; total, $2,067.62. This report does not include the expenses of the recent meeting of the Council.

12. PERMANENT COMMITTEES AND JOINT CONFERENCES.—The relation of these bodies to the Council has been approved by the supreme judicatories through the following resolutions:

Resolved, 1. That the Permanent Committees and Joint Conferences on the coöperative work of the constituent Churches, established on the recommendation of the Council, are Committees of the Council, and are hereby directed to report to the Council, as well as severally to the Boards and Agencies represented.

Resolved, 2. That the Permanent Committees be and are hereby authorized and directed to confer with the regular Committees of the Council, which latter shall represent the Council at the joint meetings.

13. REPRESENTATIVES OF AGENCIES, ETC.—The Council asks the consent of the supreme judicatories to the following resolutions:

Resolved, 1. That the supreme judicatories authorize their Executive Agencies to appoint representatives to be present at future meetings of the Council.

Resolved, 2. That each of the supreme judicatories appoint Standing Committees to report upon the minutes and recommendations of the Council.

14. THE SCHAFF CHURCH UNITY FUND.—The attention of the supreme judicatories is again respectfully requested to the movement to honor the memory of the Rev. Philip Schaff, D.D., one of the chief advocates in the past of Church Unity, by creating a Philip Schaff Unity Fund to be invested in the Schaff Memorial Building. The income from the building it is stated is to be used for the purpose of promoting closer coöperation and eventually union between the Presbyterian and Reformed Churches in the United States. At the meeting of the Council a special committee of seven was appointed to coöperate with the Philip Schaff Memorial Committee in establishing this Philip Schaff Church Unity Fund.

15. CLOSER RELATIONS.—The matter of closer relations between the constituent Churches, in accordance with previous resolutions of the Council, and affirmative actions by the supreme judicatories, was referred to the Executive Committee of the Council.

16. ELECTIONS.—The Supreme Judicatories are also respectfully requested to elect at their next meetings the members to represent them in the Council for the next two years, or for such other periods as to the Judicatories may seem proper. The total membership of the Council is as follows:

United Presbyterian Church	8
Presbyterian Church in the U. S	12

III. REPORT OF THE EXECUTIVE COMMITTEE OF THE FEDERAL COUNCIL OF THE CHURCHES OF CHRIST IN AMERICA.

To the Constituent Bodies:

In behalf of the Executive Committee and its Administrative Committee, I hereby convey the volume of the Annual Reports of the Council for the year 1915 for the consideration of the constituent bodies.

In order to facilitate the consideration of this volume of something over two hundred pages, I will call especial attention to the more significant actions of the Council during the year.

1. Through the Commission on Evangelism, a call was issued for a World-wide Revival, and printed subjects accompanied by a letter were sent to the churches for the observance of the Week of Prayer.

2. Through the Committee of One Hundred, appointed by the Council, a continuous religious campaign was conducted at the Panama-Pacific Exposition, with evangelistic meetings daily and many conferences and congresses.

Measures were prosecuted relative to the moral tone of the Exposition.

A Religious Exhibit was promoted in the Hall of Education of the Exposition.

3. The Commission on Peace and Arbitration issued a handbook for church classes, conducted a great field campaign of education, assisted the World Alliance for the Promotion of International Friendship through the Churches, sent out 400,000 books and pamphlets and 170,000 letters to the churches.

The Peace Centenary was observed by the churches.

4. A Christian Embassy, sent to Japan, created a profound impression in the interest of International Good-will. An investigation was conducted on the Pacific coast, entitled, "The Japanese Problem in the United States," and delegates were brought from Japan for fraternal conference with the American workers.

5. The Social Service Commission united the denominational Secretaries in their work, organized new denominational committees, and issued a Year Book of the Church and Social Service.

6. The Commission on Church and Country Life directed a State-wide survey of Ohio and held a Rural Life Conference with about 500 delegates.

7. The Commission on Evangelism organized and brought into coöperation the denominational committees.

8. The Commission on Christian Education secured the publication of Lessons on Peace and International Good-will in over two million Sunday-school quarterlies, prepared two courses of such lessons, issued a handbook for Sunday-school teachers, promoted a third series of lessons for adult classes and a book of Peace Songs for Sunday-schools, in addition to its regular educational work.

9. The Commission on Temperance instituted a nation-wide Temperance and Pledge Campaign, enlisting public men, labor leaders and employers, and held great meetings in Philadelphia and New York, besides its regular work of coöperation between the denominational committees.

10. The Home Missions Council, the coöperating body of the Federal Council, held several important field conferences and conducted a general work of unity to eliminate duplication, prevent rivalry and bring about effective distribution of religious forces.

11. A Committee on the Special Interests of the Colored Denominations was projected.

12. The Book Department published five important books and distributed 13,000 books, 11,000 reports and 460,000 pamphlets.

13. A movement for a General Bureau of Religious Publicity was initiated.

14. At the Washington office, new Navy chaplains were secured, a movement for the Religious Welfare of the Army and Navy promoted, a Federal Council Church Year Book was prepared for publication, a Bulletin of Church Statistics issued, several investigations made by the Associate Secretary, and the general interests of the Churches constantly cared for.

15. The work of organizing and developing local federations of churches was earnestly prosecuted and through the Commission on Federated Movements the great interdenominational movements were brought into coöperation in this work.

16. International relations of the Churches were furthered by constant correspondence, by assistance rendered churches in foreign countries, regular correspondents were secured in all countries, and in December the General Secretary visited Holland, Germany, Switzerland, France and England on a spiritual mission.

17. Relief in foreign countries was secured for Persia, for the Armenians in Turkey, and other causes, the response of the churches being remarkable for generosity.

18. The annual meeting of the Executive Committee at Columbus marked great progress, was attended by about 250 regular and corresponding members

of the Executive Committee, by about 500 Rural Life delegates, and closed with an address by the President of the United States. The General Secretary left immediately upon his mission of spiritual fellowship among the churches of Europe.

19. The Administrative Committee was in constant correspondence with the churches of the warring nations of Europe, keeping in the closest touch with them, looking toward future opportunity for reconciliation, a delegation being in readiness to go to Europe at the earliest opportunity.

The Administrative Committee of the Executive Committee has endeavored in all these movements to assure themselves of the approval of the constituent bodies through constant consultation with their officially elected representatives.

In conveying the full volume of the annual reports, attention should be called to the fact that the Commission reports contain much matter of a purely informational nature, and the actions of the Council, through its Executive Committee, are confined to the specific recommendations of the Commissions and the various secretaries, which were voted as approved by the Committee at Columbus. Upon these actions, the approval of the constituent bodies is requested.

Respectfully submitted,
FRANK MASON NORTH, *Chairman;*
CHARLES S. MACFARLAND, *General Secretary.*

MESSAGE FROM THE EXECUTIVE COMMITTEE OF THE FEDERAL COUNCIL.

To the Constituent Bodies:

The Executive Committee, at its session in Columbus, December, 1915, voted that the following message be sent to the constituent bodies:

"The Executive Committee of the Federal Council of the Churches of Christ in America, in session at Columbus, Ohio, December 8–10, 1915, sends greeting to the constituent denominations which it represents, congratulating them upon the evident signs of the growth of the spirit of fraternal coöperation to be seen on every hand and upon the encouraging progress of their effort to express their essential oneness of spirit through the creation and maintenance of the Federal Council.

"During the three years which have passed since the last quadrennial meeting of the Council, the Executive Committee and its Administrative Committee have felt a constant and growing pressure of desire for coöperative effort which has taken the form of manifold proposals. Many of these were of necessity put aside as not germane to the purposes of the Council. Others seemed imperatively to call for action. The Committee has, therefore, increased in marked degree the sum of the Council's activities and has been enabled by the blessing of God to secure the funds and enlist the leadership needed for such expansion.

"Throughout this development it has been diligent in its effort to understand and reflect the will of the Churches which it serves and has kept steadily in view the fundamental purpose of the Council as expressed in the following section of the constitution:

" 'The object of this Council shall be:

" 'To express the fellowship and catholic unity of the Christian Church.

" 'To bring the Christian bodies of America into united service for Christ and the world.

" 'To encourage devotional fellowship and mutual counsel concerning the spiritual life and religious activities of the Churches.

" 'To secure a larger combined influence for the churches of Christ in all matters affecting the moral and social condition of the people, so as to promote the application of the law of Christ in every relation of human life.

" 'To assist in the organization of local branches of the Federal Council to promote its aims in their communities.' "

Because of the magnitude and importance which the work of the Federal Council is assuming, the Committee is preparing to gather up in orderly form and present to the constituent bodies a review of the existing agencies and plans of the Council, and a statement of their purposes and methods, an account of the administrative principles and regulations by which they are guided and an estimate of the possibilities and boundaries of coöperative endeavor which are thus in the possession of the Churches of Christ in America. A large special committee, widely representative in character, has been appointed to prepare such a review and transmit it to the proper officials of all denominations allied in the Federal Council, in order that it may be in the hands of the delegates of those denominations well in advance of the quadrennial meeting of December, 1916, to the end that this meeting, in the wisest possible way, may formulate such constructive plans as shall best accomplish the ends to which our prayers and efforts are dedicated.

The future is bright with promise for the Church of Christ. Great tasks await her and great power, human and divine, is hers to meet them. If she shall be true to her Master, shall seek humbly to know God's will, shall depend on His power, shall use His gifts and labor for His Kingdom in fraternal coöperation, there are no bounds to the service she may render to our sinful and sorrowing world.

May the abundant presence of the Holy Spirit be given to the Churches which constitute the Federal Council, that they may be true to their task and equal to their opportunity.

Sincerely yours,
CHARLES S. MACFARLAND, *General Secretary.*

IV. LETTER FROM THE GENERAL SYNOD OF THE REFORMED CHURCH IN AMERICA.

To the General Assembly of the Presbyterian Church North:

Fathers and Brethren:—It is with sincere regret that I must absent myself from your meeting at Atlantic City, owing to a long illness, from which I am now recovering. As the corresponding delegate from the Reformed Church in America, I bring you the heartiest greetings of our denomination. We recognize what a great and growing force the Presbyterian Church is in the life of our nation. We congratulate you on your splendid institutions of learning. We hail with joy the eminence of your ministers and laymen in the high places of influence in our land. We rejoice in your aggressive evangelism and its abundant fruit. We appreciate your great home missionary work, covering all parts of our land, stretching out to Alaska, Porto Rico and the Philippines. We look with unfeigned admiration and constant inspiration upon your world-wide work in the spread of the Gospel. How we honor your missionary statesmen at home and your devoted and efficient missionary staff abroad!

God speed and prosper you in all your mighty work at home and abroad through the coming year is our prayer.

Very cordially and respectfully yours,
JOHN G. FAGG.

V. MESSAGE FROM THE HUNGARIAN CALVIN LEAGUE.

[Printed in Part.]

Beloved Brethren:—The sufferings of the world-war, which has cast its shadow over the cradle of Western culture and of Christianity, do not reach your happy shores. A happy people, indeed, you who must not witness the misery, who need not endure the woes, who must not wear the mourning garb of those directly engaged in this titanic struggle! And yet, we doubt not that the ties of brotherly affection uniting all Christendom cause you too to follow with sorrowful suspense the course of this embittered strife, and its effect on the intellectual, moral and religious development of the nations of Europe.

Certainly you know of and are acquainted with the diplomatic correspondence that has passed between the Austro-Hungarian Foreign Office and the State Department at Washington regarding the rights and duties of neutral states. Without a doubt you know, further, that the notes exchanged between Washington and Vienna represent fairly the respective points of view of the United States Government and the political leaders of Austria-Hungary. However, no agreement has been arrived at, with a view to smoothing over the differences of opinion and paving the way to further discussion: it would seem as if diplomacy at present lacked the means requisite for a reconcilement of conflicting interests and for an alleviation of the conditions of the war now being waged by the nations of Europe.

We venture to attribute this regrettable circumstance to the fact that the great human interests based on the fundamental principles of our faith are unable to enforce their power over human hearts. Our reason for appealing to you is our belief that only by insisting on the authority of Christian principles shall we be able to anticipate and prevent such struggles in the future, and to put an end to present bloodshed, as well as to restore the unity of nations. At the same time we are fully aware of the fact that the power of religious traditions is far stronger in many of the States of North America than it is in the countries from which the ancestors of their present inhabitants derived that holy inheritance.

The liberty-loving nations of the Old World, and in particular the Magyars, will never forget the hearty welcome accorded to Louis Kossuth and his companions by the people of the United States of North America. Nor can we forget that in those States there are living hundreds of thousands of men whose cradles were rocked within sound of the waters of the Danube and the Tisza, who were lulled to sleep by the songs of Hungarian mothers beneath the shadow of Transylvania's rocky mountains. We are sincerely conscious of the deep debt of gratitude we owe to present-day America for her hospitality, at the same time the thoughts of many of us revert with feelings of piety to the time, some three hundred years ago, when the founders of the United States landed on the then uncultivated shores of America, and became the progenitors of the mighty Republic which has developed with such rapid strides and has increased in power to an extent paralleled in history by only one other republic.

Our Christian brethren working in the Presbyterian organizations of the great Union certainly know that in the East of Europe the Hungarian Presbyterian (Reformed) Church formed the most advanced outpost of those doctrines of Calvin which were so dear to the inhabitants of New England, and which are still held in such high esteem by a great part of the present generation. The Hungarian Reformed Church, upholding the Presbyterian system, may still boast of the largest membership among the churches organized on the basis of Calvin's principles. Many who profess this faith are living to-day in the United States, true to the religion of their fathers, and are materially supported by you.

There are many men who regard the division of Christendom into sects as a detrimental or at least superfluous dismemberment. We, however, venture to believe that this dismemberment is an irrefutable postulate of Nature; that it is a really efficacious means of evolution; and that the religious life of the United States is indebted to it for no small part of its vitality and power. We therefore regard the work of the Presbyterian Church as precious and of significance: and we are proud of the close ties binding us to those who have had the glorious task of building up the great Union and of furthering the moral development and preservation of the glorious nation inhabiting the same. And we are convinced that it was no mere coincidence that the greatest of all institutions for mitigating the horrors of war—viz., that of the Red Cross—was established in and its work still directed from the city the greatest glory and pride of which must be that its walls gave Calvin the asylum and retreat he desired and enabled him to lay the foundations of his religious principles.

In reliance on the common origin of our faith and the conformity of our moral and religious endeavors, we take the liberty of appealing to you, brethren, we who are working to strengthen, by social means, religious life within the Hungarian Reformed Church.

We would not suggest ways and means, brethren: we do not feel justified in doing so. We would purely and simply beg you to make this complicated and difficult problem the subject of earnest consideration. We would ask you to endeavor to eliminate the conflict in a manner suggested to you by your conscience and your convictions. For our part, we cannot but think that it is feasible to find a way to solve the problem, rendering the realization of the Christian ideal of mutual love possible without prejudicing national pride or lawful interests.

We are perhaps not wrong in believing that the question here referred to involves and is intimately connected with the other, that, namely, of the possibility of realizing those ideals of Christianity for the sake of which—though with an aching heart—the Puritan fathers abandoned the old country to which they were attached by a thousand ties of affection and love. It was these ideals that enabled them to fertilize an uncultivated wilderness with the results of wise human work and endeavor, and to lay the foundations of that splendid evolution which so exceedingly astonishes and excites the admiration of the foreigner on his arrival in the United States. This all must, of course, be taken into account in preparing for the future.

We cannot imagine any more worthy and valuable result of the great war now raging in Europe—and affecting indirectly many non-European states—than that out of the struggle and sufferings involved and of the conflict of interests, there should arise a mighty and omnipotent consensus of Christian love and mutual equity which, setting material interests aside, should eliminate any possibility of such conflicts in the future. By restoring, in their ancient splendor and dignity, the ideals of simplicity and resignation, such a consensus would enable the nations of the world to establish a system of policy by virtue of which the controversies of the moral world and of political life would be smoothed over, thus achieving a result beyond the capacity of all the instruments of jurisprudence and diplomacy.

Done in this city of Budapest the thirtieth day of November in the year of our Lord one thousand nine hundred and fifteen.

In the name and by authority of the Calvin League of Hungary.

BELA N. KENESSEY, *President.*
STEPHEN BERNAT, *Co-President.*
FOLTAN THORWÂTHY, LL.D., *Secretary.*

VI. Curricula.

In order to maintain and advance the scholarly standards of the Seminary, two new measures have been instituted by the Faculty:

Irregular students, that is, those who cannot present as an entrance credential a certificate of the completion of a college course, are required hereafter to pass an entrance examination in Latin, Biblical History, Ancient History, Modern English Literature and Philosophy, as well as to present a letter from Presbytery or other ecclesiastical body, approving of their entrance upon theological study without further literary preparation.

The Faculty has devised and put into operation a new plan for the grading of students in scholarship, whereby each student will be reported as in the first, second and third group, or as conditioned in each study. These will be combined to give him an average grouping for the year. The detailed record of his work will be sent to the student and the names of those making first, and of those making second group will be posted.

The Newberry Scholarship of the Board of Education has been assigned by the Board for this year to Princeton Seminary, to be competed for by the members of the Middle Class. The Scholarship provides the recipient with $1,200, of which $400 is paid to him during his Senior year and $800 during a year of graduate study. The award has been made by the Board to Mr. David R. Van Dyck, of the Middle Class.

Five Special Graduate Scholarships of three hundred dollars each, and four Undergraduate Scholarships of three hundred dollars each, have been established, to be awarded by the Faculty upon proper recommendation and ascertained merit.

VII. Needs.

The Faculty would again call the attention of the Directors to the need of an adequate dining hall. The clubs are finding it increasingly difficult to maintain themselves. The judgment of the students, in spite of their sentimental attachment to their clubs, is generally for a dining hall. The effort of the University to purchase property between the University Campus and the Graduate College is making it harder to secure housing for the clubs. Because it seems impossible longer to supply board at the old rate of $4.00 a week, the inter-club committee is recommending that all the clubs raise the rate to $4.50 next year. Anxiety in regard to the financing of the seminary course is much in evidence in the correspondence of prospective students. That the seminaries having dining halls offer board at a lower rate than is obtainable at Princeton, is an item that cannot be ignored by financially-straitened men in the choice of a seminary. The increase in rate will put this Seminary at a further disadvantage in drawing students.

One thousand dollars ($1,000), appropriated by the Trustees of the Seminary for the purpose, have been expended in securing plans and specifications for a suitable dining hall. The Committee of the Board, in coöperation with the Board of Trustees and the Faculty, are soon to inaugurate an active campaign to raise at least $150,000 to erect, furnish and partially endow the dining hall.

An extension to the Library is greatly needed, and the President includes this among the objects for which he is soliciting funds for the Seminary.

It is also proposed to build a Missionary Home on the Seminary Campus for the use of furloughed missionaries. A considerable part of the money necessary is already in hand.

The present historic Miller Chapel is no longer adequate to the needs of the Seminary, and an effort will be made to obtain funds for a new chapel or a suitable enlargement of the present building.

VIII. Scholarships.

The Scholarships are as follows:

1. Le Roy Scholarship, } both founded by Mrs. Martha Le Roy, of New York.

The Board of Directors, at its recent meeting, on May 11, 1916, took the following action:

"1. That the Board of Directors of Auburn Theological Seminary hereby accepts the interpretation and decision of the General Assembly of the Presbyterian Church of the U. S. A., meeting in Rochester, May, 1915, that the 'Compact of 1870 is legally unenforceable.'

"2. That the Board of Directors hereby bears testimony to the unbroken fellowship between the Seminary and the Assemblies in the past, and takes this occasion to reaffirm its declaration of the loyalty of this Seminary to the Presbyterian Church, with which it is in ecclesiastical relation through its organic connection with the Presbyteries in Central and Western New York, maintained now as from the first; which, through its ninety-eight years of history, the Seminary has sought to serve with all fidelity, and which it intends to serve in coming years with fullest service and devotion.

"3. That the Board of Directors instruct the Faculty to report, annually, matters of interest to the Assembly, for its information."

Respectfully submitted on behalf of the Faculty,

VI. CURRICULA.

The enlargement of the courses in the New Testament Department was made possible by the election of Mr. Frank Eakin as instructor. He has made special research in the field of Papyri.

The Seminary faculty have continued to carry on Extension Lecture courses. Dr. Kelso gave a course on "The Theology of the Psalter," at the First Church of Wilkinsburg. Dr. Snowden gave a course on "The Psychology of Religion," at Coe College Bible School, at the Rural Week of the Ohio State University, and in the Oakmont and Sharpsburg Presbyterian Churches.

In addition to the usual lectures on Foreign Missions, the Faculty of the Seminary, at the unanimous request of the student body, gave a course on Foreign Missions.

VII. GENERAL.

In connection with the exercises of Commencement Week, an Institute on the Country Church was held in the Assembly Hall of the new Seminary building, under the joint auspices of the Board of Home Missions and the Seminary faculty. The speakers were Warren H. Wilson, Alva Agee, W. L. Mudge, Henry A. Riddle, Jr., and Matthew B. McNutt. The faculty was represented by Dr. Breed and Dr. Snowden. The attendance was large and the discussions earnest and profitable.

On May 4, in connection with the graduating exercises, two wings of the new group of buildings were dedicated. The dedicatory address was given by

President William O. Thompson, D.D., LL.D., of Ohio State University, an alumnus of the class of 1882, and the prayer was offered by the Rev. Robert Christie, D.D. The Boards of Directors and Trustees, by formal resolution, have named the front wing "Herron Hall," after the Rev. Francis Herron, D.D., and the rear wing, "Swift Hall," after the Rev. Elisha P. Swift, D.D., two of the founders of the Seminary, the latter being one of the first instructors.

At the Commencement exercises, the President of the Seminary announced that an anonymous donor had made a contribution of fifty thousand dollars for the erection of a chapel; and also announced the gift of a library by Mrs. James Warrington, of Philadelphia, to be known as "The James Warrington Memorial Library—History of Psalmody," and consisting of 9,000 volumes and manuscripts; one of the most complete libraries on this subject in the world, including volumes not found in either the British Museum Library or the Congressional Library.

V. Report of the Examiners to the Lane Theological Seminary.

To the Trustees of the Lane Seminary:

The Board of Public Examiners, consisting of (representatives of the Synod of Ohio) Ministers Walter H. Houston, D.D., John H. Hatfield, Ph.D., and Elder Irving Drew, and (ministers from the following Presbyteries) S. C. Bates, Ph.D., of Athens Presbytery; D. T. Neely, D.D., George W. Shields, D.D., and Frank L. Freet, of Cincinnati Presbytery; C. A. Hunter, of Dayton Presbytery, J. B. Foster, of Lima Presbytery; Daniel Nicholson and Vernon P. Martin, of Portsmouth Presbytery; H. G. Gaunt, of Steubenville Presbytery; D. I. Lambert, D.D., of Whitewater Presbytery, and D. A. Green, of Zanesville Presbytery, submits the following report:

We are heartily glad to commend the splendid work done by the faculty and students during the past year, as demonstrated in the various examinations. The instruction given is highly spiritual, scholarly and practical. We especially endorse the emphasis given to the great fundamental realities of the faith as held by the Presbyterian Church, U. S. A. This is observed in that the Sovereign Authority of God is taught, the Bible is upheld as the Word of God, and the Supremacy of Jesus Christ as the God-man is exalted. This instruction is not merely in orthodox expressions or technical phrases, but is emphasized as an integral and vital part of the life and success of the students and the Church.

(Signed) THE BOARD OF PUBLIC EXAMINERS,
JOHN H. HATFIELD, D.D., *Chairman;*
FRANK L. FREET, *Secretary.*

Cincinnati, Ohio, May 10, 1916.

VI. Petition to the General Assembly.

"Inasmuch as the Lane Theological Seminary is a party to what is known as the Compact of 1870, and at the meeting of the General Assembly of 1915 certain action was taken thereon which may affect this Seminary;

"*Now, therefore, be it resolved,* That we do hereby petition the General Assembly to hear Doctor William McKibbin, President of the Board of Trustees of this Seminary, on the relation of this Seminary to this Compact."

VII.

The year has been one of great encouragement. The spiritual tone of the student body has been high, and their interest in the work of the Church abroad, and in the new and needy fields of our own country, which was stimulated by mission meetings conducted by the students themselves as a part of the regular curriculum and by lectures and addresses by active workers and representatives of many fields. Our students are largely seeking settlement in pastorates where pioneer and constructive work is to be done. Our southern students, with few exceptions, are returning to the vast opportunities of the home land; in some cases turning from openings offering larger salaries and more attractive surroundings, to become founders and builders of Christ's Kingdom "in the regions beyond" in their own fair land.

We have been saddened by the death of those who were friends and co-laborers in the upbuilding of the Seminary. Rev. E. D. Morris, Professor Emeritus, passed, in his 91st year, at his home in Columbus, Ohio. His interest in the Seminary and his loving and prayerful watch and care over its interests were unflagging to the last. Thirty years of his life, as Trustee and Professor, had been spent in the service of the institution. We have lost a counselor whose place cannot be filled. Dr. James T. Black, a member of our Board and an alumnus of the Seminary, died in Detroit, Mich., where he had rendered effective service as pastor of Bethany Presbyterian Church. His life and service in his earthly ministry were an honor to his Alma Mater and a benediction to the Church and the world.

Mr. W. H. Landis, of Memphis, Tenn., died shortly after his election to membership in the Board. A Confederate veteran, who had lost an arm in the Civil War, he was heart and soul in sympathy with every effort to make a Church and a nation in which there would be no North, no South, no East, no West.

The Library has been enriched by generous gifts from the widow and son of the late Professor Llewelyn J. Evans, for nearly thirty years professor in the Seminary, and a scholar and teacher of rare brilliancy and power.

Dr. Morris left his library to the Seminary, containing many volumes of more than ordinary value. These two professors, who together for so many years worked as co-laborers and friends to make the Seminary a power for Christ and the Church and the world, now, though being dead, continue their joint ministry in the field of their earthly service.

Respectfully submitted,

WILLIAM McKIBBIN, *President;*
LEWIS EARLE LEE, *Secretary.*

VI.

On invitation of the Executive Committee of the Board, the Synod of Appalachia, organized in November, 1915, by the General Assembly of the Presbyterian Church in the United States, was invited to become associated with the Synods controlling the Seminary, and to be represented on the Board by two members, elected by the Synod.

The invitation was cordially accepted by the Synod, and the Rev. J. V. Logan, of Middlesboro, Ky., and General John M. Brooks, of Knoxville, Tenn., were elected as the representatives of the Synod. The Board of Directors has taken steps to make amendments to the Charter and Constitution, necessary to consummate this arrangement and to put it into effect.

During the past year the financial resources of the Seminary have been largely increased. In May, 1915, a campaign for an increase in endowment was made in Louisville and vicinity, with the result that the amount of $66,000 was subscribed, payable within two and a half years. These subscriptions, unless otherwise indicated by a donor, were to constitute the Charles R. Hemphill Foundation. By the successful issue of this campaign, the Seminary also secured the sum of $50,000 from Mrs. John S. Kennedy, of New York, who had offered this generous gift on condition that the Seminary should obtain an equal amount. Other additions have also been made to the Scholarship and Library Funds. In January of this year, it was arranged to bring the Seminary and its needs before the churches of the controlling Synods, and Mr. John J. Cornelison was appointed Financial Secretary. The churches that have been visited up to this time have made a cordial and liberal response to the cause of the Seminary, and the Directors have every reason to hope that the institution will ultimately receive an endowment adequate to its immediate necessities, and providing for an expansion of its work.

The following resolution was adopted by the Board:

"The General Assembly is respectfully asked to take notice of the difficulties and possible abuses in the administration of scholarship funds, and to request a conference of all our Seminaries to consider and, if possible, find a just and satisfactory method of securing the best results from funds given for student aid."

VI. CURRICULA.

When Rev. H. H. Bell, D.D., was elected to the Chair of Practical Theology, he entered at once upon the duties of that department. This relieved President Landon, who had been carrying the work of that department, thus enabling him to give larger attention to the duties of administration and to the work of his own chair.

The curriculum has been enriched by an increase in Elective Courses. Notable among these are Detailed Studies of the English Bible, New Testament Personalities, American Presbyterianism, Modern Substitutes for Christianity, Homiletical Value of Great Literature, Individual Training in the Delivery of Sermons and the Theory of Music.

VII. Needs.

The most urgent need is increased endowment, as the Seminary is unable, with its present means, to maintain such a theological training school as the Presbyterian Church ought to have on the Pacific coast.

The Board of Trustees, at the annual meeting, held April 26, 1916, resolved to enter at once upon a campaign to secure $500,000 additional endowment for the following purposes:

$50,000 for the Chair of New Testament Interpretation, which has no endowment and has long been a heavy burden upon the funds of the Seminary.

$100,000 for the General Endowment Fund, to enable the Seminary to maintain and prosecute its general work as it should.

$50,000 for the Scholarship Funds, the present number of Scholarships being entirely inadequate to care for the present growing number of students.

$50,000 for the Library, which has at present an endowment of only $1,000.

$50,000 for endowment of the Chair of English Bible. The need of this is increasingly felt in the Church.

$200,000 for a School of Missions to be affiliated with our Seminary and to be conducted under its auspices. It is quite time such a school was established in the western half of the United States.

It is hoped the General Assembly will heartily approve of the effort of the Board of Trustees to secure this additional $500,000, and commend the Seminary to the liberality of the Church.

VIII. General.

The past year has been one of the best in the history of the Seminary; the attendance of students having increased 25 per cent. over the highest previous enrollment.

A *Quarterly Bulletin* has been inaugurated, the first issue of which appeared in January. It is intended to serve as a medium of communication between the trustees, faculty, students, alumni and friends of the Seminary.

The first Summer School of the Seminary is to be held from July 11 to 21, inclusive, the Board of Home Missions coöperating in the effort. It is principally for the benefit of home missionaries and rural pastors, though open to all ministers and Christian workers of all denominations. The forenoons will be given to class instruction, the afternoons to conferences, and the evenings to inspirational addresses.

LECTURES.

Valuable addition to the curriculum is made by the lecture courses. Among the lecturers, this year, special mention must be made of a week's course of lectures and addresses by the Rev. Henry H. Stebbins, D.D., of Rochester, N. Y., in which he freely gave the results of a rich pastoral experience of the greatest practical value for our theological students, and in his chapel addresses made a spiritual impression which time cannot efface. Rev. Cleland B. McAfee, D.D., Ph.D., of McCormick Theological Seminary, spent a couple of days in lectures and conferences, which proved exceedingly helpful to the students. Mr. J. Ernest McAfee, Secretary of the Board of Home Missions, presented the Home Mission cause in his usual eloquent way, dealing especially with the new problems confronting the missionary cause of the Church. Prof. Eliot R. D. Downing, Ph.D., of Chicago University, gave a course of lectures on scientific subjects, which were of great interest. A number of other lectures have been planned.

VI. CURRICULA.

Attention is called to the enrichment of instruction. The curriculum gives a standard theological course, founded upon the requirements for ordination in the Presbyterian Church. Many elective courses have been introduced, so that the graduate of the Seminary may equip himself in the most thorough manner.

The degree of Bachelor of Divinity is conferred upon those who have attained the scholarly requirements. The conditions upon which this degree is granted are as follows:

1. Graduation from a standard college.
2. Advanced theological work.
3. A meritorious thesis.
4. High scholarship in all studies.
5. Residence during final year.
6. Approval of Faculty of electives.

VII. NEEDS.

The first and pressing need is endowment. The General Assembly has heretofore approved this position to the extent of recommending an additional endowment of $500,000. The Executive Commission of the General Assembly was instructed to take the matter of the endowment "into earnest consideration, and if, after conferences with the Trustees of Dubuque Seminary, it seems wise to do so, appoint a committee of five to coöperate with the Trustees in an effort to secure $500,000 for endowment and the expansion of the work." As a result of the conference held under this resolution, the following committee was appointed: Rev. C. M. Steffens, D.D., Dr. John P. Munn, William Albert Harbison and C. N. Payne. This committee has sent out a printed booklet and thousands of letters. Dr. Steffens has also made personal appeals in various parts of America. It is earnestly anticipated that the Church will respond to these appeals. Some encouraging pledges have been made.

VI. NEEDS.

There are now 95 students in this Institution:

11 German,
18 Italian,
27 Hungarian,
9 Ruthenian,
8 Polish,
16 Russian,
1 Bohemian,
3 American,
1 Lithuanian,
1 Roumanian.

For a polyglot body of students we must have a competent faculty. The larger number of students requires a greater amount of funds adequately to meet the requirements. For this reason we hope the General Assembly will find some method of helping us to increase our endowment by at least two hundred thousand dollars.

VII. General.

We report with great sorrow the death of the Rev. David R. Frazer, D.D., who served for twenty-nine years as a member of this Board. He was elected Vice-President June 10, 1891, but really acted as President until May 29, 1901, when he was elected to the Presidency. On December 16, 1913, his relation to the Institution became still more intimate and important by his election as President of the Seminary, from which position he was called to his reward, on Sunday, January 23, 1916.

JULIUS H. WOLFF, *Secretary.*

Approved by the Presbytery of Newark, April 11, 1916.

Attest: JULIUS H. WOLFF, *Stated Clerk.*

VI. NEEDS.

The two most pressing needs are the Y. M. C. A. building mentioned in our last report, and $30,000 endowment for the only unendowed chair in the Seminary.

VII. GENERAL.

At our request, the joint Evangelistic Committee and the Board of Education, they paying the expenses of one and we of the other, sent two of our former graduates for the week's evangelistic campaign, in the midst of which was the Day of Prayer for Colleges. The two messengers were Rev. A. B. McCoy D.D., of Georgia, and Rev. J. J. Wilson, D.D., of North Carolina. Each supplemented the other. It would be difficult to find a better personal worker than Dr. McCoy, and Dr. Wilson has the directness and fire of the true evangelist. Drawing from his own experience and observation, he devoted one service to the threefold menace, among his people, to religious growth and progress, namely the social glass, the social card, and the social dance. If eyes had been closed we could have believed that it was Billy Sunday giving one of his fiery philippics. It created a profound impression. It is worth a good deal to have such an evangelist going to and fro in the Presbyterian Church.

It is worth while to have such men as these two go from Lincoln University, and of like character and quality are some in this year's graduating class.

Showing the loyalty of the graduate body, it is gratifying to report that the alumni, this year, completed the I. N. Rendall Alumni Memorial Scholarship of $2,500.

Respectfully submitted,

W. COURTLAND ROBINSON, *Secretary.*

J. B. RENDALL, *President.*

IV. GENERAL REMARKS.

The enrollment shows the largest attendance of students in the history of the Seminary. They represent twenty different States and countries and thirty-five different colleges and universities.

During the year the students have supplied a number of vacant churches and assisted in several evangelistic movements in the region about Omaha, and as a result more than two hundred members have been added to the churches they have been able to serve. The outlook for the next year is very encouraging.

Abstract of the One Hundred and Fourteenth Annual Report.

General Scope of the Work.—The opening paragraphs of the Report of last year supply a sketch of the scope and field of Presbyterian home mission activities, viz.:

"The Presbyterian Church in the U. S. A. shares with the other Evangelical bodies of the United States the Home Mission task of bringing the Gospel, through the churches, to men, women and children in America, for individual and community salvation.

"Of the 12 Presbyterian bodies in the United States, the U. S. A. Church is by far the largest, having a communicant membership about double that of the other 11 combined. It covers the territory of the entire national domain, having churches in each of the States of the Union and each of the dependencies except Hawaii. In the Hawaiian Islands, Presbyterians have recognized the peculiar responsibility of the Congregationalists, and have not prosecuted missionary work in that field.

"Not only do Presbyterian Home Missions cover the entire national territory, but they enter into the great spiritual and social problems of the national life. They have been foremost among Evangelical agencies in several fields, undertaking new work with new methods or adjusting old methods to new conditions."

Lumber Camps.—In the lumber camps, where Presbyterian opportunity and responsibility are unique, the year has brought forth an effort which promises a far more adequate discharge of our responsibility. Other denominations have directly or tacitly recognized this unique demand upon Presbyterian forces, and no other organized denominational work is projected in this field. At the last meeting of the Board in the year here reported, action was taken which put into the field Rev. Thomas D. Whittles, long and sympathetically associated with Mr. Higgins in the movement for evangelism among the lumberjacks, and Mr. John Sornberger, converted and brought into the lumber-camp service under Mr. Higgins' influence, who are deepening still further interest throughout the Church, created by the thrilling message and labors of Mr. Higgins. Out of this effort the Board contemplates not alone the completion of the Frank E. Higgins Memorial Fund ($50,000), whose income is to be used for the lumber-camp work, but also the higher and wider organization of this service so greatly needed in wide sections of the country.

Alaska.—In Alaska the developments of the year have been particularly noteworthy. Under the eloquent appeals of the veteran missionary, Dr. S. Hall Young, a special fund of $10,000 for advance work has been raised. This will be used in sending additional missionaries to the interior during the coming open season, and will otherwise strengthen our Presbyterian force. Presbyterian responsibility is peculiar, our work being of a volume equal to that of all other religious forces combined. Further extensions still are imperative, and the opportunity is afforded during the formative years of Alaska's development to avoid the serious mistakes which have marked the extensions of the Church in other pioneer territory.

The Varied Fields of Activity.—In such fields as rural life, immigrant and industrial communities, city extension, and general social service, Presbyterian Home Mission agencies have made and are making contributions recognized by all American Evangelical agencies as of peculiar importance. Of peculiar interest is the work in Latin America, in view of the increasing discussion, in all our American press, of the commercial and social problems involved, and particularly in view of the Panama Congress on Christian Work in Latin America, held in February on the Canal Zone. This Board conducts work and makes large investments annually in Porto Rico, Cuba and on our Mexican border.

The Board's Centennial.—This year is given peculiar distinction as the centennial of the organization of the Board of Home Missions. While this is the one hundred and fourteenth annual Report of the Assembly's Home Mission agency, the organization which prevailed up to 1816 was not given the dignity and responsibility of a Board.

The full history of Presbyterian Home Missions has never been written and can never be written. Its record is on high. Among those who have borne its commissions have been numbered some of the strongest, bravest and most sacrificing servants of the Master that the universal Church has ever produced. Most of the largest churches in the country were once Home Mission churches, from the First Church of New York to the First Church of Seattle. In eight of the Western States, every one of the Presbyterian churches has at some time in its history been aided by the Board of Home Missions. In some five or six others, all but one or two have been aided. It is within the truth to say that fully 9,000 of our 10,000 or more churches began their career, or were helped towards self-support, by the Board of Home Missions. The devotion of our entire Church, during all of the 211 years of our history, to the patriotic and supreme cause of Home Missions has made us the strong denomination we are to-day. While we address ourselves to the responsibilities before us, which are larger, more difficult and, if possible, more imperative than any of the past, we are encouraged to go forward by the splendid achievements of those noble men and women who counted not their lives dear unto them, but went forth to labor, to suffer, to sacrifice, that our land might be evangelized.

Abstract of the Thirty-seventh Annual Report.

The Woman's Board of Home Missions of the Presbyterian Church in the U. S. A. has the honor of presenting herewith its Thirty-seventh Annual Report. Three important occurrences have made the year unique in the history of the Board.

1. Reorganization.—The final actions in the incorporation of the Woman's Board. The Charter was signed by Governor Whitman on April 28 and the General Assembly gave its approval on May 27, thus placing the Woman's Board of Home Missions on a new plane of operating, with authority to hold its own property and to disburse its own funds.

2. The Chicago Conference.—The holding of a conference in Chicago, November 11 to 18, 1915, attended by representatives of the six Woman's Foreign Boards and of the Woman's Home Board, to seek a common viewpoint and, so far as possible, uniform methods of service, for the sake of the work at large, of the officers in all the woman's missionary organizations and of the individual woman in each local society. The range of discussion reached from office to organization and to field, from technical detail to devotional development.

3. The North Pacific Board.—The Woman's North Pacific Board, organized in 1887 as a Home and Foreign Board, had continued so to operate ever since. In the Chicago Conference their representatives discovered that a condition they had felt to be ideal caused complications of which they had not been so aware. Therefore, the women of the North Pacific Board, laying aside the traditions of a generation and relinquishing what they had held as an ideal—that there should be only one Board for "missions"—on March 21 authorized a reorganization of their Board, bringing it into line with the other Woman's Foreign Boards of the Church, and placing in the hands of the Woman's Board of Home Missions the home mission responsibility which the North Pacific Board has hitherto held.

In accepting this new trust the Woman's Board of Home Missions took the following action:

"The Woman's Board of Home Missions places itself on record as expressing its deep appreciation of the attitude of the members of the Woman's North Pacific Presbyterian Board of Missions and its full realization of the sacrifice and unselfishness and high Christian ideals shown in this action.

"The Woman's Board of Home Missions accepts this added responsibility in the same spirit of helpfulness in Christian service, and assures the Woman's North Pacific Presbyterian Board of Missions that no effort will be spared to have the details satisfactorily carried out by the officers to whom they are committed."

From Headquarters.—The record of the year's work as measured by figures has been possible only because of careful voluntary service by hundreds of officers throughout the entire country. Many are women busy in homes and schools and other lines of service. To each of these warmest thanks are due. Some societies have not yet reported, but, including their statistics of a year ago, the grand totals are as follows:

No. of Women's Societies.	No. of Y. W. and Bands.	No. of W. G. Chaps. and Circles.	No. of L'gt Bearers and L. L. B.	No. of Y. P. S. C. E. and Juniors.
5,182	524	1,250	1,900	6,200

The work of missionary education has gone forward. It includes constant itineraries for 4 field secretaries; special speakers for 30 Synodical meetings and 203 Presbyterial meetings; with a study class record showing programme meetings, 361; reading circles, 105; mission study classes, 982.

Young People's work includes Young Women's Societies, Young People's Societies, Light Bearers and Little Light Bearers, together with Westminster Guild Chapters and Circles—a total of 9,848 organizations. From these contributions have been received amounting to $59,202.46.

Both organization and mission field interests have been furthered by *The Home Mission Monthly*, with 37,362 subscribers, and by the Literature Department, which averages over 200 visitors a month, with mail orders numbering over $16,000.

MISSION FIELD.—The Woman's Board operates in seven distinct fields, which offer great opportunities. The work is outlined in the following statistical tables:

Abstract of the Seventy-ninth Annual Report of the Board of Foreign Missions.

I. General Statements.

It is not possible to obtain a correct view of the work of the Foreign Mission Board of the Presbyterian Church during the past year without calling attention, in one or two particulars, to the world situation as related to the progress of the Kingdom of God.

1. The work has been carried on in a world torn by war, bruised by brutality, spiritually sensitized by suffering, thrown into chaos financially, and confused spiritually and intellectually by attempts to understand life's mysteries. We must not shut our eyes to the fact that the war has created new situations which will eventually change the environment and affect either for good or ill the conditions in which mission work must be done. One has only to read the daily papers to grasp the fact that we have never again to argue for the unity of world interests. Thoughtful men will not deny this. Men have been forced to think in world terms.

2. The Church must carry on its work of Christian missions in a world where there will probably be great national readjustments. When one stops to think of Russia and Japan, formerly at swords' points, now working together as allies; England and Russia, for years rivals and living in suspicion of each other, now welded together by a common purpose and common suffering; Protestant Germany, Roman Catholic Austria and Mohammedan Turkey, fighting in a common cause, and when one thinks of East Indians laying down their lives in the trenches of Europe, side by side with the English and French, he must recognize that the nations will never be able to return to their old relationships after this war is over. All this means that there will be need of a far greater Christian statesmanship and more unselfish action than has ever been demanded before.

3. The work of missions must be carried on in a world where the weakness of all existing religions has been vividly exposed. Shintoism and Buddhism in Japan, Hinduism in India, Mohammedanism in Turkey, the Greek Church in Russia, the Roman Catholic Church in Austria, the Protestant Church in Germany and England, have not been able to stay this strife, nor in many cases have they lifted their voices against the tragedy of war. The Church can speak now, if it will, to a world prepared by its suffering and disappointment for the Evangel of Jesus Christ as never before.

4. The sorrow of the world, as represented in the millions of lives that have been sacrificed, the still larger number that must drag out their existence, scarred and crippled, and the homes in which people must dwell under the shadow of sorrow, will make an opportunity for the preaching of the Gospel which ministers to the spirit and brings comfort in sorrow such as never existed before.

II. Outstanding Events of the Past Year.

Among the outstanding events of the past year in missionary history, the following should be mentioned as of the greatest significance:

1. *The Panama Conference.*—This Conference, planned for over a year, subjected to scrutiny and criticism by the Roman Catholics and an influential

section of the Protestant Episcopal Church, was held in Panama, from February 10th to the 20th, 1916. In the discussion of the reports of the eight Commissions, which will appear in print, there will be a review of the work in Latin America, and suggestions as to its future conduct that will reveal not only an enlarged opportunity, but a tremendous responsibility for the Church. The Conference consisted of 304 delegates, representing 21 nations and practically all Protestant missionary societies having work in Latin America. The unity of the Church was illustrated in its representative character, there being present men of most of the Protestant Churches, including twelve bishops from the Protestant Episcopal and the Methodist Churches.

2. *The Movement Toward Church Unity.*—On January 4 to 6, 1916, there was held, at Garden City, New York, the long-talked-of World Conference, for the consideration of questions touching faith and order, called by the representatives of the Protestant Episcopal Church. The spirit of the conference appears in its declaration:

"Five years ago the plan of a World Conference of Christian Churches was first proposed. We did not dream then that nation was about to rise against nation, that there would be the present great tribulation, such as hath not been from the beginning of the world until now. The catastrophe which has fallen upon modern civilization may be hastening the time for a united Church to come forth as one power and with one obedience to make the rule of Christianity the law of the nations.

"For this end, we may devoutly trust that beyond all foresight of men a higher leading may prove to have been in the call for a gathering of representatives of Christian Churches of every name and from all lands as the next step toward unity. Its appointed hour shall come when the war shall have burnt itself out. In the new age, born of the travail of the nations, shall be found the new occasion for the Christian reconstruction of society. The vastness of the opportunity is the measure of the obligation of the Church of Christ. For the American Churches this supreme obligation begins at home. To do our full part we must study seriously, as we never have done before, the things that make for peace."

3. *The Armenian Persecutions.*—The tragedy of Armenia has resulted in bringing together in coöperative service the religious forces of America in a very significant way. A committee was formed in New York which has on it representatives of the Jewish faith, the various Mission Boards, and independent societies, and which has been instrumental in gathering and transmitting to Armenia, Syria and Persia, to the present date, approximately $530,973; $205,000 of this has been contributed by the Rockefeller Foundation and the rest by public subscription and gift. The distribution of this money has been rendered possible by the sympathetic coöperation of our Government, and especially of the Ambassador at Constantinople, the Hon. Henry Morgenthau.

4. *Visit of the Deputation to the Far East.*—From April to November, a deputation consisting of Secretary Robert E. Speer, Mr. Dwight H. Day, Treasurer of the Board, Dr. David Bovaird, its medical adviser, Mrs. Bovaird, and Mr. T. Guthrie Speers, visited the Missions of the Presbyterian Church in Siam, the Philippines, Japan, Chosen and China. Mr. Speer made this visit in accord with the Board's plan, determined several years ago, which recognized that changed and changing conditions on the foreign field required the more frequent visiting of the work by its Secretaries, and which resulted in the adoption of the plan that one of the Secretaries should visit the field for a part of every year. The association of a deputation with a visiting Secretary had not been tried before because of the expense. It was made possible at this time through the generosity either of the members of the deputation themselves or the friends who believed that it was an experiment well worth trying. A report of the deputation has been published by the Board which will well merit careful reading.

5. *Laymen's Missionary Movement Conferences.*—During the past year there has been carried on under the leadership of the Laymen's Missionary Movement a series of conferences in over 70 cities throughout the United States. The registration has been beyond expectation. These conferences have revealed the deepening interest of laymen in the work of Foreign Missions and the accumulating power which they possess in the upbuilding of the Kingdom of God.

6. *Financial Story of the Board.*—The detailed statement of the finances of the Board for 1915–16 is reported by the Treasurer of the Board at the close of this abstract.

The Board has felt it necessary, in making its appropriations for the coming year, to reduce the amount set apart for new missionaries from $80,000 to $50,000. The denial of the appeals for money for property might subject the work to hardship, but the denial of the appeal for men is far more critical. The missionary is the chief asset of the work and the instrumentality through which Christ's Gospel can be incarnated. In the files of the Board of Foreign Missions at the present time there are recorded 222 applicants for foreign mission service. In addition to these, there are over a thousand names on the correspondence list. The Board is constantly raising its standard for its appointees, and yet there are now waiting large numbers of young men and young women who are destined to disappointment unless special funds are in the hands of the Board.

7. *Emergency Development Funds.*—One of the results of the interest awakened by the Panama Conference and by the visit of the deputation to the Far East has been the recognition that both in Latin America and in Siam it will be necessary for a special effort to be inaugurated looking to the raising of funds, if we would enable these fields to meet the obligations which are pressing hard upon them. The Board has voted to instruct the Treasurer of the Board to open a fund to be known as the Latin American Development Fund, and that a special effort be made to raise a sum of $100,000 gold for this fund.

It was voted to establish also a fund to be known as the *Siam Extension Fund*, and to endeavor to secure for this fund the sum of $50,000 gold in special gifts, the whole fund to be devoted primarily to the development of the evangelistic work and the more adequate occupation of the entire field of the North and South Siam Missions.

III. Outstanding Events on the Mission Fields.

Chinese, Japanese and Koreans in the U. S.—As in previous years, the work among the Orientals in the United States has been carried on among the Chinese, Japanese and Koreans on the Pacific coast and among the Chinese in New York City, the work in Portland and New York City being under the care of the respective Presbyteries, the Board making an annual grant toward its support. The *Chinese Stations* are nine in number, the *Japanese* ten, the *Korean* nine.

Mexico.—The desperate condition in the Mexican Republic, as stated in the last Annual Report of the Board, continued through the entire year. Early in the new fiscal year, yielding to the repeated entreaties of the missionaries at home, the Board permitted the return of some of the members of the mission to Aguascalientes and Saltillo. During the later months of 1915 practically all of the missionaries had returned to Mexico and were at work. The conditions which met these workers were appalling.

The most successful evangelistic work was carried on in the southern tier of states. Mr. and Mrs. Molloy, who went early in the year to Yucatan, found an open door for the preaching of the Gospel in *Tioul* and *Muna.* Meetings conducted by Mr. Molloy and three of the native preachers resulted in a revival among the believers.

The Rev. W. E. Vanderbilt, accompanied by the Rev. R. R. Gregory, made a tour of the State of Michoacan. As a result of his observations, he writes:

"We face the future with the strong conviction that the present is Mexico's hour. Her people have shaken off the shackles that bound her to feudalism and baptized paganism with her offspring of superstition and ignorance, and are looking forward with their faces illumined by the expectation of better conditions. They are beginning to realize that they are human beings with immortal souls, and not mere things subject to the whim of their masters. Will America meet her responsibility as a kind and loving neighbor, in giving her not bullets but Bibles, not rifles but true religion, not gatling guns but the Gospel of Jesus?"

South America.—One result of the European war will inevitably be the inauguration of a closer relationship between North and South America. The Pan-American Union Conference, held recently in Washington, and the various commissions, financial and otherwise, that have been sent by this Government to South America, make this clear.

The stability of the work in Latin America is clearly indicated in the plans which are now being inaugurated for strengthening the native Church, both on its educational and on its financial side. The purpose of mission work is to magnify the indigenous churches and as soon as possible to make them self-supporting, self-governing and self-sustaining. In all our mission fields the same problem is being faced.

Chile and Guatemala.—The last year has been one of financial readjustment, and, while conditions are still trying and uncertain, they have been in a measure relieved. The reports from these Missions might be crystallized around the word evangelization. From both Guatemala and Chile the appeal is urgent for the raising up of native evangelists. It has become increasingly evident that until there is a sufficient force of native preachers the work must lag.

Colombia and Venezuela.—The missionaries in Colombia and Venezuela feel greatly encouraged by the developments of the year. The Colombia missionaries in particular received substantial reinforcements, although the stations of both missions are still inadequately manned. The outstanding event of the year was the Regional Conference at Barranquilla, which followed the Panama Congress for Christian Work in Latin America. The Board appointed as its representatives the Rev. Charles C. Millar, D.D., pastor of the First Presbyterian Church of Tamaqua, Pa., and Miss Margaret Hodge, President of the Philadelphia Woman's Board. The Conference was held February 28 to March 4. It was the most largely attended and widely represented missionary gathering that has ever been held in Colombia and Venezuela, having been attended by twenty missionaries and a number of visitors, besides the deputation from the United States. The Conference was characterized in a high degree by the spirit of prayer and by the intelligence and earnestness with which the great problems of these two extensive fields were studied.

India.—The outstanding features of the work in India for the past year are:

(1) The growth and development of the mass movement. From all three of the missions there are indications that the tide of those seeking admission into the Christian Church is gathering strength.

(2) The opening of the new wing of the American Presbyterian Hospital at Miraj. At that time a notable company was gathered at the hospital and addresses were made, among others, by several leading Hindus.

(3) The effect of the European war upon the India Missions, which has largely expressed itself in the more complete carrying out of orders for the interning of all German missionaries. This was deemed a military necessity and has been carried on with as little hardship as was possible, under the existing conditions. The German missionaries, as a whole, have acted with discretion.

(4) The problem in India at the present time lies in the fact that there is danger that her material development will outstrip her spiritual growth, a situation which always results in calamity. Intellectual, industrial and social movements are sweeping over Asia. India is now sixth in trade in the whole world, and first in Asia. With a population of 315,000,000, India's wealth is distributed in only 300 rupees per capita. One-third of her population receive no medical treatment. Nine men out of ten and 99 women out of every 100 cannot read and write. These figures indicate the enormous problem facing the missionary in offering the Gospel of Jesus Christ as a solution of the problem of suffering and ignorance and materialism.

Persia.—The outstanding feature of the past year has been the war and its relation to Persia. There has been throughout a large part of Persia a great deal of unrest and a considerable amount of disorder, even in places where neither the Russians nor Turks have gone. It is a source of gratification that in the midst of this disorder our missionaries have been able to stay at their posts and that no station has at any time been abandoned. Urumia, Tabriz, Hamadan and Kermanshah have been occupied by both of the contending armies. It is most remarkable that in such a time of confusion and of appeals to Mohammedan zeal there have been no serious attacks upon the mission work.

It is too soon to forecast a future in Persia. Changes will certainly come when the war closes and a new status is established.

Syria.—During the entire year the Syria Mission has had to carry on its work behind the barrier raised by the blockade of its coasts by the allied fleets.

We learn from information in the few letters that have come through that the work in the schools is going on, although it has suffered various interruptions and has been affected by the conditions created by the war, both financial and military.

In connection with the opening of the schools, the Mission has been forced, because of the new Turkish regulations, to yield under protest to the demand for voluntary religious instruction and for the teaching of Turkish in the entering class of our school.

One of the most startling stories of the past year, and which has in it suggestions of opportunity that cannot be measured, is in the work which the Board has been able to do in transmitting funds from Syrians in the United States, Canada, South America and elsewhere to their relatives in Syria. Immediately upon hearing that the Board could transmit funds, the office was thronged with people filled with anxiety for their Syrian relatives. Pleas in behalf of aged parents and children left in Syria were made with tears streaming down the faces of those who made them. The Board opened a separate department to deal with this problem, and up to the present time has received for transmission $1,112,354.43, and has not been notified of the failure of any funds to reach the persons for whom they were intended.

An event of no small importance to which the Syria Mission is looking forward is the coming in 1923 of the hundredth anniversary of the founding of the American Press.

Siam.—The outstanding event in our Siam Mission for this year, as also in our Philippine Mission, was the visit of the deputation from New York. This was only the second time that any of the Secretaries of the Board now in office had been able to go to Siam. As a result of the visit, the Mission is looking forward to the future with new and revived hope. The various phases of the work in Siam were thoroughly gone over by the Commission.

The most vital problem of all has to do with the revival of Buddhism as a national religion.

Feeling that religion is a necessity in the life of a nation, the king has definitely and clearly attempted to restore Buddhism as a state religion.

China.—While the work in our China Missions has been pushed with vigor and energy, it is very evident that it must be carried on in the future in circumstances that have greatly changed from the past.

The missionaries must, on the one hand, maintain neutrality toward the government and, on the other, sympathy with the people. It will take wise minds and cautious conduct to enable them to keep free from entanglement in such circumstances as are now developing.

Together with the political changes, there are corresponding movements which indicate the restlessness accompanying progress in the social, industrial, educational and religious life of China. In religion the danger in China lies not so much in the fact that it may return to its old Confucianism as a religion, but that it will abandon loyalty to any religion. Christianity in itself is not likely to be challenged as a false religion, but there is grave danger that, together with all other religions, it may be set aside as a thing apart from life.

If the problems in China are large, they are also inspiring. If readjustments must be made, it is because progress demands it. The opportunity to serve these ancient people as they emerge from their conservatism into the tingling life of the twentieth century will lie in the fact that their greatest need will be one which can best be supplied by the Christian Church. It is not possible to emphasize sufficiently the responsibility which rests upon the followers of Jesus Christ to incarnate the life of Christ in this great empire. To fail at the present time is to miss an opportunity which may never return.

Japan.—Turning now to the story of mission work in Japan, one would speak, first, of the changing attitude of the Japanese people toward Christianity. In the report of the deputation which visited the East, Mr. Speer writes:

"The workers in the towns and villages, where the great mass of the Japanese people will be found, testify to an open door and an unprecedented intellectual accessibility, and we had occasion to see how ripe the field is for widespread moral and religious movements in the great cities.

"Everywhere, through Japanese life, great changes are taking place, some of them subtle and scarcely discerned, but taking effect slowly and resistlessly, others of them quite obvious. Among these we rejoice most, of course, in the evidence of the steady gain of Christianity and the altered attitude of the nation toward it. Everybody notes the ease with which Christianity can secure a hearing anywhere, in churches, or schools, or public halls or even in Buddhist monasteries. The secular newspapers are reporting now not only religious meetings where the discussions have had a semi-political cast, but purely evangelistic services as well. Never were Japanese Christians bolder in telling their nation what it needs and where what it needs can be found."

Chosen.—The work in Chosen during the past year has been affected in almost all its branches by the influence of Japanese occupancy. It is in connection with the plans of the Japanese for Chosen's uplift that one of the most intricate and difficult problems which our Missions have had to face on any of the mission fields has arisen. In the development of her educational system Japan has made a sharp distinction between education and evangelization. She holds that the former is a function of the State, and the latter of the Church through its various religious agencies. Taking her suggestions largely from the public school systems of our own country, she has drawn her laws in such way as would eliminate all Biblical teaching and religious exercises from the school curriculum. This will bring the Mission face to face with the alternative of obedience to the law or closing the schools, unless some readjustments can be obtained. The schools which have charters under the old law can continue as they are for ten years. No new ones can obtain charters unless they are ready to conform.

The reports from Chosen indicate that the spiritual fruit of the past year has been abundant and real. There is no evidence of any diminution of the opportunity for evangelistic work or the willingness of the people to hear the Gospel message. It may be that growth is not as rapid as it was a few years ago, but it is continuing steadily and in all parts of the country. Along with this the organization of the native church is being worked out more thoroughly, and native pastorates are being established not rapidly, but steadily.

Philippine Islands.—In addition to the visit of the Board's deputation, a most significant movement is that which looks to the closer union of all denominations. Almost from the founding of mission work in the Philippine Islands there has been an organization known as the Evangelical Union, whose purpose was "to unite all the Evangelical forces in the Philippine Islands, for the purpose of securing comity and effectiveness in their missionary operations."

Another great achievement of the mission work in the Philippines centers in the Silliman Institute at Dumaguete. This is a noble institution, regarded with greatest favor not only by the Missions, but by the Philippine Bureau of Education as well. It has over 700 students, of which 101 are in the college department, 226 of the students working their way through.

West Africa.—The work in the West Africa Mission has been carried on under the shadow of war, which has rendered a normal service almost impossible.

In spite of war conditions, however, the evangelistic activities of both missionary and native Christians in Kamerun have been most remarkable. The combined average attendance at Sunday services at the three churches at Lolodorf, for the fiscal year, was 3,641. The total attendance at Elat, the main station, and the 12 out-stations, at the July Communion, was 19,266. The out-station of Fulasi, less than two years old, averaged at the station church and regular preaching points, 1,500 every Sunday in the year. At Lolodorf and its outposts, the total number of confessors was 3,525. At Elat 6,500 are reported, and at other stations large numbers. There are services held regularly in at least 100 villages out from Elat, besides contribution centres in 23 villages, where once a month the people come from other villages with their monthly offerings.

The religious spirit dominates the entire industrial work. The chapel which was built last year became a source of mutual benefit to workmen, apprentices and the people in general.

In closing this Report, recognition should be made of the guidance of God in granting His protective care to the missionaries during the past year. It has been inevitable that all interested in the missionaries should have carried an unseen and undefined burden of anxiety during these months. World situations were such that at any moment and in almost any place our missionaries might have found themselves in the midst of a storm centre. As a matter of fact, these fears have not been realized, and while there have been hardships there has been practically no imminent danger to anyone. For this we are profoundly thankful to God.

TREASURER'S REPORT.

The total cost of the work under the Board of Foreign Missions for the fiscal year ending March 31, 1916, was $2,255,918.29.

The total amount of contributions and credits for the work was $2,287,398.81.

The accounts for the year show, therefore, a surplus of $31,480.52.

The figures are almost identical with the totals of the Report for the year 1915.

We are still obliged, however, to report on the amount remaining of the old deficit, which, for the year 1914, aggregated $292,150.16. In the Report for 1915 the net deficit stood at $101,013.49, a very strenuous campaign having materially reduced it to that figure. After the year closed, and during the weeks following, it was further reduced to approximately $82,000, and applying the surplus of the year's account it stands at the opening of the new fiscal year at $50,058.

The receipts from churches, Women's Boards and Sabbath-schools show some falling off from their receipts of a year ago, from individuals an increase, so that the total receipts show a net decrease of $25,752.

The securities owned by the Board, and which secure its various funds, amount to $3,166,274.17.

Special Gift Agreements written by the Board during the year amount to $41,754.03, and Agreements which have lapsed during the same period amount to $2,500. The total of Special Gift Agreements now in force, and on which the Board is paying an annual rate to beneficiaries, aggregates $398,677.14. A considerable gain has been made during the year in the matter of adding to these Special Gift Agreements by making their advantages known more publicly through careful and discriminate advertising.

The Endowment Funds of the Board have increased during the year by $360,473.84; the Permanent Endowment Fund, the interest upon which is credited into the general receipts for the year, standing at $1,762,824.09. The Special Endowment Funds stand at $763,800.38, the interest from these moneys being used for certain specific work almost exclusively within the budget of the year.

The funds sent to the Board to be transferred to Syria, for the relief of people in distress in that country, have reached the enormous total of $1,112,354.43 for the year. This money has come from thousands of people, and not only from those in the United States, but from practically all over the world.

The Board has rendered a similar service for those desiring to send relief funds to relatives and friends in Persia and the full time of three or more assistants in the Treasurer's office has been given over to this relief work.

Abstract of Ninety-seventh Annual Report.

Financial.—It was the hope of the Board that, in view of special efforts put forth by the Committee on the Every-member Plan and the Executive Commission, in addition to the constant appeals from the Board itself to churches and individuals, there would be a substantial increase in offerings to meet its budget of $150,000 recommended by the last Assembly, especially during this year of financial prosperity throughout the nation.

Notwithstanding all these efforts, there has been an increase of only $8,486.26 from churches, Sabbath-schools and societies, the total amount from these sources being $99,235.37, the increase being about 9 per cent. over that of last year. The Board has received $43,198.10 from individuals, an increase of $26,491.04 over last year; $27,183.51 from legacies, $41,362.17 from interest and other items, $1,755.75 from refunds, $4,846.69 from the Tappan Association for an Endowment Fund, making a total of $217,581.59. We have reduced the $52,000 indebtedness, carried over from last year, by $7,000, leaving an indebtedness of $45,000, which will be canceled by using that amount from an unrestricted legacy heretofore remaining as a part of the Permanent Fund.

The Board carries on its books as assets $11,509 advanced to the Synod of

Indiana for the purchase of residential headquarters at the University of Indiana, Bloomington; $4,476, to the Synod of Iowa for a like purpose; and $9,322 to the Synod of Pennsylvania for the building of the Presbyterian Church at Pennsylvania State College. We expect the respective Synods to recoup the Board in full for these advances, according to their contracts.

Ministerial Candidates.—The total number of candidates for the ministry in our Church in 1915–16 was 1,498. Of these, 831 men were recommended for aid to this Board and accepted; 247 "New Men" and 584 Renewals. Of these, 88 are preparatory students, 412 are college students, and 331 are in theological seminaries. There have been 63 colored men under the care of the Board, 30 studying at Biddle University and 33 at Lincoln University.

Grants.—Lump sums of $1,500 each were granted to Bloomfield and Dubuque, for the maintenance of foreign-speaking candidates.

Prize Scholarships.—The "Newberry Scholarship," the most valuable offered by the Board, was awarded to Mr. David B. Van Dyck, of Princeton Seminary, netting $1,200. The "Secretary's Prize Scholarship" was awarded to Mr. Christopher H. Gaskell, of San Francisco Seminary, netting $600.

Students for Medical Missions and Lay Work.—Eighteen medical mission students have been aided. Thirty-two students in our Presbyterian Training Schools for Lay Workers have been assisted, to the amount of about $100 each.

College Visitation.—The Board of Education and the Assembly's Permanent Committee on Evangelism, through their Joint Committee on College Visitation, provided, during the year, evangelistic and life-work campaigns in 45 institutions. Most of these colleges are directly or indirectly related to the Presbyterian Church, but the services of the Committee are beginning to be appreciated by institutions which acknowledge no such relation. In one private preparatory school, which has been visited for three successive years by the same leader, under the Committee's auspices, there were found, the first year, 75 unconverted boys, the majority of whom were brought to Christ. The second year there were 50, most of whom were converted. The third year, when the visitor arrived, only 25 were not professing Christians, and 18 of these united with the Church by Eastertime. One of the masters of this school writes: "The results of the work abide. Last year's converts were this year's workers." In another institution a member of the faculty was converted from avowed agnosticism, and his confession thrilled the student body. The president of another institution writes that the whole atmosphere of the college was changed by the brief campaign. In another college, 39 students united with the Presbyterian Church on the Sabbath that closed the campaign, while the leader was still present. This service has been given largely by busy pastors, and always without any honorarium from the Committee. Besides, a majority of these leaders came to Chicago for a few days, in October, for a conference on the various aspects of this critically important work. The entire Church owes a debt to the strong men who give themselves so freely to this service.

Candidate Enlistment.—Among the 100,000,000 of unevangelized for whom the Presbyterian Church is responsible, there are but 369 ordained missionaries. In view of this and of the added responsibility that is coming upon American churches for the evangelization of the world, the Board has felt that special attention should be given to the subject of Candidate Enlistment. A new approach to the problem was planned, and the Elders' Association of Philadelphia North Presbytery was enlisted. Choice high-school boys from the churches were invited by their respective Sessions to a central supper and conference; 75 boys assembled and were addressed by a representative of the Board, 4 elders and the Moderator of the Presbytery. The ministry was held before them as furnishing the supreme opportunity for service to God and man, as a life demanding heroism and sacrifice, but offering a fellowship with God in service that gave the truest satisfaction. Many Presbyteries throughout the country were planning a similar measure at the close of the year. It is believed that there has been discovered the *right way* to present the ministry, to the *right boys*, at the *right time*.

VOCATION DAY.—More churches than ever before have used the Board's material for the observance of Vocation Day, presented this year in an attractive exercise entitled "First the Kingdom." A second edition of these supplies was made necessary.

SCHOLARSHIP AID.—The Board calls attention to this honorable record, that nearly 14,000 ministers have been supervised in their ministerial education and aided technically, at an expense to the Church of over $7,000,000. During the ten-year period, from 1907 to 1916, inclusive, the number of yearly scholarships was 8,265, an increase of 1,330, and the total amount paid them was $789,200, an increase over the preceding ten years of $240,700.

NEW WORK OF THE BOARD.—This Board is more than a distributing agency for poor but worthy candidates. The Church we believe, never expected the Board to confine itself to one method of raising up an efficient ministry. Its constitution directs it "to do whatever may be proper and necessary to develop an active interest in education." The founders of the Board inserted this paragraph, we believe, because they were assured that the problem of ministerial supply could be solved only by a larger consecration and a stronger stimulus than the granting of aid could achieve. We are sure that the Church's great pressing obligation is to face the rising generations not with an offer of funds, but with the greatness of the Christ motive and the Christian task. Therefore, the newer work of our Board within the past ten years has taken into account the need of challenging our youth with propaganda of missionary promotion, placing before them a definite task and a clearer vision, until eyes are filled with it and hearts burn with a longing to serve the Master in the ripened harvest field.

Within the past ten years, the Board of Education was forced to inquire whether its charter and constitution permitted it to undertake any work except that which directly bore upon the problem of ministerial supply. It found that the scope of its legal powers was sufficiently broad to enable it to undertake the work pressed upon it by the Assembly of 1906, after the College Board had not found the way clear to undertake it. This was the promotion of the religious needs of students in State universities. The pressure for the Board's support of this cause came from earnest champions of this needy work in the Middle West. In 1907 the Board began investigating the needs of the State universities, and gradually caught the vision of a larger task. Upon legal advice, it began to spend a portion of its income in cultivating the root sources of supply for Christian leadership, and, as the years have passed, has taken on a number of special tasks connected with the newer phases of Christian education. Among these has been the aiding of lay workers in our training schools and in medical colleges, preparing them for Christian work at home and abroad, College Visitation and Candidate Enlistment, by which students might be aroused to the needs of the Church, both on the home field and in non-Christian lands. In connection with this latter project, the Board instituted the observance of Vocation Day, which is now a fixed day in the calendar of a number of Christian Communions.

It may be of interest to the Assembly to know how the Board has increased in usefulness during the past ten years. There has been an increase of 1,560 in the number of contributing churches, and an increase of $1,030,000 in receipts from all sources during the past ten years over the preceding ten-year period.

UNIVERSITY WORK.—By this agency the Church seeks to meet her responsibility for the evangelization and Christian training of students in the State and independent colleges and universities. The increase in the number of students in these institutions is one of the most remarkable facts in the recent history of American education. The total number of students in all State universities and colleges in the United States in 1870 was 6,694. In 1900 it had risen to 45,417. In 1910 it was 101,285, and in 1915 it was 182,564. The majority are taking technical, professional and special scientific courses not given in the Church colleges, so that there is no need for competition or rivalry between the State and Church institutions, but rather a great need for active coöperation between the Churches and the State.

Under direction of the Assembly, this work was begun by the Board in 1907. Its aims are to bring the claims of Christ to bear upon students and teachers;

to organize the evangelical forces of churches and student associations into a unified Church agency for the evangelization of the university and community; to provide instruction in the Bible and Christian missions, and to train the students for effective service in the Church. The Board has fostered this enterprise in 23 institutions, where the total student enrollment last year was 107,926. In no centre are the available forces equal to the needs, but the effects are cumulative, each Christian student brought into action reaches others, and we have many reasons to believe we are soon to see a great spiritual awakening in these important centres of learning.

CHURCH ERECTION.—The local community is seldom able to provide adequate church buildings for a large number of students. It is the duty of the Church at large to provide the buildings needed for the students that come from a widely scattered area. The Board is now completing a beautiful building at Iowa State College, similar to the one provided at Pennsylvania State College. The need in other centres is immediate, and the Board of Church Erection, under direction of the General Assembly, now assumes responsibility for this great task, the Board of Education coöperating wherever necessary.

NATION-WIDE CAMPAIGN FOR CHRISTIAN EDUCATION.—This campaign, inaugurated by eighteen educational Boards, has begun with the opening of an office in New York City and the election of a Secretary, the cost being defrayed by the coöperating Boards. Plans are being outlined, literature prepared, and the first exhibit of Christian Education under the auspices of the Council will be made at Wilkes-Barre, Pa., June 8 to 12.

LITERATURE.—Over 407,000 pieces of printed matter have been issued and distributed by the Board during the year. A number of new booklets and leaflets have been published and are at the call of the Church.

DAY OF PRAYER FOR COLLEGES AND EDUCATION WEEK.—We respectfully recommend that the Assembly name Thursday, February 15, 1917, as the Day of Prayer for Colleges, and that the previous Sunday be celebrated as Vocation Day, the beginning of Education Week, a week to be observed in all our churches and institutions as a special season of prayer for the arousal of the religious life in all institutions of higher learning, both at home and abroad.

Respectfully submitted,

JOSEPH W. COCHRAN, *Secretary.*

CHARLES WADSWORTH, JR., *President.*

ABSTRACT OF THE SEVENTY-EIGHTH ANNUAL REPORT.

I. GENERAL.

We begin our Report by calling attention to certain outstanding features of the year's work, which are presented more fully hereinafter.

BUSINESS PROFITS.—Unremitting attention has been given to methods and accounts and to measures of economical administration. The good results are already apparent in the year's business. Profits were $55,156.79.

MISSIONARY DEPARTMENT.—Contributions to the missionary work show, as a whole, an increase; the slight diminution in church offerings being more than offset by an increase in the offerings of schools and individuals. A year ago the receipts, for the first time, exceeded $200,000 ($200,979.24). The past year they reached $211,993.88, an increase of $11,014.64.

DEPARTMENT OF RELIGIOUS EDUCATION.—The Board has been able to make decided progress in the development of the work of Religious Education, by the election of the Rev. Robert Wells Veach, D.D., as Secretary of Religious Education. Dr. Veach entered upon his duties early in December, 1915. The establishment of this Department, distinct from the Missionary Department, necessitated the formulation of a plan for its proper support. Hitherto, the work of Religious Education has not been separated from the missionary work and has been supported by the Missionary Fund; but henceforth it will be maintained by a special fund, known as the Educational Fund, appropriations from which are to be made by the Committee on Religious Education. This fund, in accordance with recent action of the Board, is to receive such proportion of the profits of the Business Department as has heretofore been used for the missionary work of the Board—at present one-half—or such proportion as may hereafter be determined, the Missionary Department relinquishing all claims to such profits. The Educational Fund will also receive any contributions for Young People's Work and all contributions specially designated for the work of religious education.

Policy for Educational Field Work.—The assembling of the educational work of the Board in one department calls for a rearrangement and a new adjustment of its field force. It is proposed that the Board hereafter conduct its educational field work through District Educational Superintendents, with headquarters at convenient centres—these superintendents to be responsible to and under the supervision of the Committee on Religious Education. The office of Synodical Educational Superintendent will be discontinued.

The Editorial Department.—The periodicals and lesson helps show a substantial increase in circulation; and attention is again called to the new papers for boys and girls; *Kings' Treasuries* and *Queens' Gardens,* which the schools have already received with favor. The Departmental Graded Lessons, issued for the first time last year, are becoming better known and are used in an increasing number of schools. Special attention is called to "*Alleluia,*" the Board's new Sabbath-school hymnal, published in December, 1915.

II. THE SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.

The small debt with which we began the year has been paid, and the largest budget of any year in our history has been fully met, leaving a balance of $8,705.21 to be applied toward the work of the year 1916–1917. Total amount of contributions received, $211,993.88, an increase of $11,014.64 over the preceding year.

Cost of Administration.—The amount expended last year for all office salaries, printing, stationery, etc., in conducting the work at the Board's headquarters, was $9,682.50, or 4.02 per cent. of the total budget. It should be noted that every dollar contributed was expended upon the actual missionary operations of the Board, and that the administrative expenses were fully provided out of funds derived from the profits of the Business Department, Witherspoon Building rentals, and interest upon other invested funds, amounting to $42,496.77, leaving a balance of $32,814.27, which was added to the contributions received and applied toward missionary support.

Missionaries.—During the year, 123 missionaries have been under commission from the Board, of whom 16 are District and Synodical workers. These men have been distributed over 107 Presbyteries.

Sabbath-school Extension.—During the year, 843 new Sabbath-schools have been organized and 360 revived, a total of 1,203. The membership of these schools, at organization, consisted of 4,083 officers and teachers and 37,587 pupils, a total of 41,670.

Sabbath-schools Aided.—The Board has always made generous use of its missionary funds in aiding mission schools, by donating the necessary supplies, until the schools become self-supporting. Last year more than 2,000 such schools received aid of this character, the amount expended being $8,118.53.

Sabbath-school Development.—Our Sabbath-school development work includes all the efforts we are putting forth to bring the mission schools up to the highest possible efficiency, besides the visitation of Sabbath-schools connected with the home mission churches, which in many cases are quite as primitive in their methods as the small unattached schools in the outlying parts. In connection with these efforts, 1,978 workers' conferences have been held. These efforts have borne fruit in the formation of 358 Cradle Rolls, 344 Home Departments, and 605 Teacher-training Classes. Adult and teen-age Bible classes have been encouraged, resulting in the organization of 760 such classes.

Fostering the Work.—The missionaries report 2,777 mission schools directly under their care. These schools have a membership of 11,850 officers and teachers and 103,381 pupils.

Churches Developed.—A further development of the work of these mission schools is the organization of churches. Some of our strongest churches in the West are the outgrowth of mission Sabbath-school work. The Sabbath-school missionary, when confronted with a demand for a church organization, is instructed to furnish a full report to the Home Mission Committee of the Presbytery, placing the field under its care, to take such action as the Presbytery may direct. During the past year, 58 Presbyterian churches have been organized in this manner, besides 15 churches of other denominations. The total number of churches developed during the past twenty-nine years is 2,444, of which 1,773 are Presbyterian. These new church organizations, besides a number of mission Sabbath-schools, have erected houses of worship, in many of which the missionaries of the Board have given substantial aid. They report 54 such buildings erected, valued at $190,600.

Distributing Religious Literature.—An important factor is the distribution of evangelical literature. Bibles and Testaments, to the number of 2,856, were sold and given away, besides 13,574 volumes and 1,660,602 pages of tracts.

Children's Day and Rally Day.—That the Board's efforts to furnish attractive Children's Day exercises have been appreciated, is evidenced by the fact that 5,463 Sabbath-schools used these programmes last year. The Children's Day appeal met a generous response, although the amount of such contributions is still below the $100,000 mark which the Sabbath-schools are being encouraged to reach. The Rally Day programme was ordered by 2,156 schools. The offerings of Rally Day are devoted to our work among people of foreign speech.

Support of Missionaries.—Many churches, Sabbath-schools and individuals have been enlisted, during the past year, in the plan of assuming shares in the support of particular fields.

Year of Increase Campaign.—At the meetings of Presbyteries last fall, the "Year of Increase Campaign" was presented for endorsement, and all the Sabbath-schools throughout the Church were urged to make special efforts toward the reaching of the goal which had been set for each Synod. The plan called for an increase of 200,000 in Sabbath-school membership, 1,000 new Cradle Rolls, and 1,000 additional Home Departments. In class organization, 1,000 new adult and 2,000 teen-age classes were to be organized and registered. At least 1,000 more teacher-training classes were desired, and 100,000 additions to church membership from the ranks of the Sabbath-school pupils.

Catechism Memory Awards.—The number of Bibles given last year to Sabbath-school pupils who memorized the Shorter or Intermediate Catechism was 990.

Work among Immigrants.—During the past year, 28 colporteurs have been engaged, for longer or shorter periods, in 11 Synods. They have visited 51,059 families, representing many different languages, and have distributed by sale and gift 6,791 Bibles, Testaments and gospels, besides 14,887 religious books and 296,030 pages of evangelical tracts. Their total sales amounted to $2,018.55.

Foreign Periodicals.—The weekly visits of our periodicals in foreign languages are acknowledged as a most effectual means of promoting a higher standard of life and conduct among our immigrant population, encouraging them to become good American citizens. Our two weekly papers in the Bohemian language continue to prosper and grow. *Krestanske Listy* (*The Christian Journal*) is published for adults, and *Besidka* (*Story Hour*) for the children. The former has 2,800 subscribers and the latter 3,000. *Sojuz* (*Union*), published for the Ruthenians, is doing excellent work among the people of that nationality. Our weekly Magyar paper, *Reformatusok Lapja* (*The Reformed Sentinel*), continues to make encouraging progress. Its present circulation is 1,250 copies. During the year, we have begun the publication of a monthly Hungarian Sabbath-school journal, entitled *Bibliai Tanito* (*Bible Teacher*), for use in the Sabbath-schools connected with various Hungarian missions. The circulation is 1,500 copies. In the support of both publications, the Sunday School Board of the Reformed (German) Church is coöperating with us. The Italian weekly paper *L'Araldo* (*The Herald*) has a circulation of 2,500 copies weekly. We have continued to make an annual appropriation toward the support of *Slowa Zywota* (*Words of Life*), published by the United Presbyterian Board of Publication.

Bible Picture Cards.—These cards, containing a picture (in colors), illustrating the weekly Sabbath-school lesson on one side, with the lesson story printed on the reverse side, are published in six different languages—Bohemian, Polish, Hungarian, Ruthenian, Italian and Spanish. We are now printing 18,500 sets of these cards for each quarter, distributing 962,000 cards per year.

Churches Without Sunday-schools.—In its report to the General Assembly of 1915, the Assembly's Committee on Christian Life and Work called attention to the fact that in the *Minutes* of the General Assembly of 1914 the reports of 1,700 churches gave no figure in the column "Sabbath-school Membership." The Board of Publication and Sabbath School Work was requested to study this situation and adopt measures to remedy it. After correspondence with Stated Clerks, committees on the Board of Publication and Sabbath School Work in the several Presbyteries, and the Sabbath-school missionaries, we find that, in at least 50 per cent. of the cases, the difficulty is largely due to the failure of churches to report their Sabbath-school membership or to inaccuracies in the preparation of reports. It is encouraging to note, however, that our churches everywhere appreciate the value of the Sabbath-school, and except in cases where the church has been abandoned or other local conditions render it impracticable, Sabbath-schools are being faithfully conducted throughout the denomination. Our investigations have been based upon the reports appearing in the *Minutes* of the General Assembly of 1915, and they reveal the fact that very few, if any, living churches are without Sabbath-schools, excepting in certain Southern Synods in which a peculiar situation exists. In other cases, upon the failure of the church to make any report to the Stated Clerk of the Presbytery, the report of church membership only for the previous year was inserted, but all other figures, including that of Sabbath-school membership, were omitted, leading to the impression that a Sabbath-school was not being maintained. In some of the Indian, Mexican and immigrant churches it was found that no attempt is made to conduct Sabbath-schools, the children being enrolled in the English-speaking schools. In the Synods of Alabama, Missouri and Texas, a large number of churches which were formerly connected with the Cumberland Presbyterian Church are being retained on the rolls of Presbyteries for "property reasons," although no services are held and the work is practically abandoned. Nearly one-half of the total number of churches reported as "closed" are found in these three Synods. In such cases the Sabbath-school membership has been absorbed by the schools of churches of other denominations, or, as is the custom in districts in which but little emphasis has been placed upon the Sabbath-school, all denominations in a given community unite in conducting what is known as a "union school." We have learned that in a number of the other churches in which services have been discontinued, they have only a few members, who, however, are unwilling to transfer their membership; therefore the Presbytery continues to carry the name of the church on its roll in order to retain control of the property. It has been well worth the effort to make this investigation and an analysis of the situation in order to remove the impression that so large a percentage of our churches are without Sabbath-schools. In view of the emphasis that our Church is placing upon Sabbath-school work in all its phases, and considering the activity of our field workers, it would be difficult for any church to exist very long without a Sabbath-school. Our Sabbath-school missionaries, as well as Presbyterial Committees, may be depended upon to put forth every effort to maintain a Sabbath-school in every organized church, as well as in the outlying neighborhoods. The following summary of the results of our investigations will be of interest: Churches failing to report Sabbath-school membership in *Minutes* of General Assembly, 1915, 1,531; churches closed or services temporarily discontinued, 733; churches having Sabbath-schools, but neglecting to report, 748; churches giving incomplete information, 50.

III. DEPARTMENT OF RELIGIOUS EDUCATION.

The past year has been very largely one of readjustment and organization. Notwithstanding this fact, some constructive work has been accomplished and important plans for the future have been decided upon. A pamphlet entitled, "The Challenge of Religious Education," has been issued, in which the general principles and plans of the department are presented. This pamphlet has met with general favor and will be given wide distribution during the coming year. Preparations are being made, in conjunction with the Editorial Department, to issue a new periodical to be entitled, *The Christian Educator*, which will serve as a medium of communication between the department and the educational leaders of the local church and assist them in the solution of their peculiar educational problems.

RELIGION IN THE HOME.—To the Department of Religious Education has been committed the important task of promoting Bible-reading and religious training in the home. We are now ready to offer to the Church a definite plan. The Board has prepared "A Book of Family Worship," composed of a collection of appropriate prayers and a morning and evening Bible-reading for every day in the year. The department has also prepared a "Manual on Bible Reading and Religious Training in the Home," which, in addition to a course of Bible-reading, will contain suggestions for religious training and for conducting family worship. As a means for promoting the use of one or both of these books, we hope to be able to organize in every congregation a Home Circle.

TEACHER-TRAINING.—Perhaps the most important recent action on the part of the Sunday-school Council is that which calls for a new course in teacher-training. The action provides for a three-year course of 120 lessons, and is to take effect as soon after January, 1917, as the text-books can be had. The outlines for the first-year book have been prepared and the writers secured, and the Board has made arrangements to syndicate the same with the Presbterian and Reformed bodies. Until the several new books are ready, the present standard course will be used. The necessity of providing adequate training for Sabbath-school teachers is now fully recognized. Reports from the various Synodical Superintendents, together with the records in the home office of the department, show the following: Teacher-training classes enrolled, 873; members in these classes, 7,887; diplomas granted, 773.

ORGANIZED BIBLE CLASSES.—The movement to organize and enroll all Bible classes in the Secondary and Adult divisions of the Sunday-school has gathered strength during the past year. Through the Synodical Superintendents, the State Sunday-school Associations and other sources, we now have enrolled 1,811 Adult Bible Classes and 1,145 Secondary Classes.

CORRELATION IN RELIGIOUS EDUCATION.—The correlation of the work done in the Sabbath-school with that of the public school is receiving increased attention. The most successful plan as yet devised is that of giving academic credit in the high-school course for work done in the Senior department of the Sabbath-school whenever this work is of a sufficiently high quality. In May, 1915, the General Assembly committed this phase of religious education to the Board of Publication and Sabbath School Work. The Secretary of Religious Education has conducted an extensive and careful investigation of this phase of the work, and will soon begin the preparation of the proposed graded courses.

Another important phase of religious education needing immediate attention is the correlation of the work done in the Sabbath-school with that of the home. The department has prepared a new leaflet, entitled "First Things," which recommends supplementary memory work as a requirement for promotion in the Sabbath-school. This work should be done in the home and is the same as the work suggested in the Manual on Bible Reading and Religious Training in the Home.

THE PROBLEM OF TIME.—One-half hour a week for Bible instruction is wholly inadequate. The Church can never properly promote religious education without more time in which to do its work. Some way should be devised by which more time can be given to religious instruction on the Lord's Day.

YOUNG PEOPLE'S WORK.—To help the Presbyterian Church meet its whole responsibility toward the young people, is the task of Young People's Work. This task is promoted in the following ways:

(1) By giving assistance to the Church in launching expressional organizations for the Juniors, the Intermediates and Young People. The organizations include Christian Endeavor and similar societies of other names—Intermediate Societies, Boys' Clubs and Girls' Clubs of various names, and Junior Christian Endeavor Societies and Clubs. (2) By helping to raise up a trained leadership for these societies from the volunteer workers of the church. (3) By promoting definite religious education in all the organizations for young people. (4) By assisting organizations to achieve greater efficiency in the service for the church.

DENOMINATIONAL ORGANIZATION.—The organization scheme for the young people of the denomination is complete. (1) We have the different organizations of the local church under the care of the session. (2) We have in each Presbytery a committee, usually called "Committee on Religious Education" or "Committee on Young People's Work." This committee supervises, encourages and promotes the Young People's Work of the Presbytery. (3) We have a committee in each Synod similar in name to Presbytery's committee and assuming similar tasks for the Synod. (4) We have the whole denominational task centering in Young People's Work of the Board under the care of the General Assembly.

CONFERENCES AND INSTITUTES.—Six Summer Conferences were held in 1915, as follows: Ovoca (Tullahoma), Tenn., June 22–30; Pocono Pines, Pa., June 30 to July 6; Winona Lake, Ind., July 13–20; Storm Lake, Iowa, July 13–22; Hastings, Neb., July 27 to August 3; Hollister, Mo., August 12–19.

The purpose of each conference was to broaden the vision of the young people, deepen their spiritual lives, and equip them for better service in the church. Study classes on the Bible, Church History, Missions, Teacher Training, Temperance, etc., were included in the programme.

SPECIAL DAYS.—The first Sunday of February was Young People's Day throughout the denomination. The programme presented to the whole congregation a definite vision of the work of organized young people. It also brought the young people more vitally in contact with denominational headquarters. An offering was requested for the support of Young People's Work.

STUDY COURSES.—Constantly increasing emphasis is being put upon the foundation work for Young People's Societies. Much stress will be put upon the development of study classes in the coming year. Text-books will be prepared to meet peculiar needs. Special attention will centre on knowledge of our Church and the training for leadership in Young People's Society Work.

IV. EDITORIAL DEPARTMENT.

THE FOURTH-YEAR SENIOR GRADED LESSONS.—The outline for the Fourth-year Senior Graded Lessons, on *The Bible and Social Living*, was released by the International Lesson Committee in 1915. *The Bible and Social Living* will be treated in six divisions, as follows: The Family, The Community, The State, The Church, The Industrial Order, and Prophets of the Social Life.

Completion of the Westminster Graded Lessons.—The publication of the Fourth-year Senior Graded Lessons marks the completion of the task set before the Board by the General Assembly of 1913. The Westminster Graded Lessons for the four years of the Intermediate Department and for the Second, Third and Fourth Years of the Senior Department are now on sale, or will be on sale in October next. For eighteen months past, the Westminster Departmental Graded Lessons for the Beginners, Primary and Junior Departments have been offered to our schools. During the first quarter of 1916, the Departmental Lessons were used by 90,262 pupils and 14,159 teachers. Nearly twice as many pupils used these during the first quarter of 1916 as in the first quarter of 1915. The picture rolls offered with the Beginners Lessons and the Primary Lessons, and the Primary Handwork Envelope have been a great help in extending the usefulness of the lessons.

The New Home Department Quarterly.—The steady growth of the circulation of *The Home Department Quarterly* has made possible an increase of one-third in the size of the *Quarterly*, without an increase in the price. The first number of the enlarged quarterly is to be issued January 1, 1917.

The Christian Educator.—The first number of *The Christian Educator*, a periodical for pastors, elders, Sunday-school superintendents, teachers and other educational leaders in the Church, is to be issued October 1, 1916.

Other Periodicals.—The circulation of *Kings' Treasuries* and *Queens' Gardens* is increasing steadily. The schools have welcomed these periodicals. The *Senior Quarterly* and the *Intermediate Quarterly* were combined on January 1, 1916.

A Book of Family Worship.—The Assembly of 1913 asked that the Board prepare a convenient manual of family worship, and that this be "offered through the Church for use in the home." Such a book will be issued soon.

New Series of Tracts.—Special attention has been paid this year to the preparation of tracts for the use of the Board's Sabbath-school missionaries and others. There is now on our list a complete series of modern tracts which have been received with favor.

V. BUSINESS DEPARTMENT.

Sales.—The total sales for the past year aggregate $1,107,670.45, an increase of $60,405.49 over those of the previous year.

The declared net profit is $55,156.79. One-half of this will revert to the Business Department to strengthen its capital; the remaining half will be devoted to the extension of the educational work of the Board.

The Notable Book of the Year.—"Alleluia," the new hymn book for Sunday-schools, Young People's Societies and mid-week services, has sprung into instant favor. Though published as late as December 1, 1915, in the four months succeeding, its sale has reached a total of 25,000 copies, an average of over 6,000 copies a month.

The Hymnal Revised in 1911.—"The Hymnal Revised in 1911" has already reached an aggregate sale of 141,529 copies. "The Hymnal" (1895), its predecessor, which is still used in many of our churches, sold 327,000 copies; and "The Chapel Hymnal," the hymnal par-excellence for devotional meetings, has attained a sale of 283,000 copies.

Nashville Annuities.—When the Publishing House at Nashville eventually came into possession of the Board, it was found heavily encumbered; and in order to liquidate the affairs of the former Cumberland Presbyterian Board, it was found necessary to create a new mortgage of $60,000. This liquidation has been practically completed, and we are now devoting our attention to the cancellation of this mortgage at the earliest possible date. A new series of Annuity Bonds has been issued, limited in extent to the amount of the mortgage. Of these bonds, $45,500 have already been sold, leaving only $14,500 to be disposed of.

Abstract of the Forty-sixth Annual Report.

During the past year the Board has made appropriations aggregating $332,578.25. The churches have qualified to receive $323,986.99, and these appropriations have been paid. The unpaid balance of the Board is larger than usual, but this is explained by the fact that churches have not qualified to receive the appropriations made by the Board, possibly on account of the unsettled financial conditions in several parts of the country.

The recommendations of the last Assembly have been faithfully carried out by Committees on Church Erection in the various Presbyteries, and practically all of the applications have been signed by all the members of the Committee or by a majority. It has been found necessary to send back to Committees of Presbyteries only a limited number of applications for additional signatures. In more cases than usual, churches applying to the Board have conferred with the Board before adopting plans or giving out contracts. Many churches have asked for suggestions in regard to building plans, and advice and assistance have been given to the best of the Board's ability. An architect has been added to the membership of the Board and a Committee on Architecture has been appointed. More Presbyteries than usual have reported to the Board the action of the Presbyteries in dissolving churches. This is a matter of great importance, and we express the hope that the Assembly will again urge Presbyteries and Synods to report promptly the dissolution of churches in order that the Board may recover the money on these abandoned properties.

The resignation of Mr. Adam Campbell, who had served the Board faithfully as Treasurer for thirty years, was received and accepted by the Board, and the Rev. George R. Brauer was elected Treasurer.

Mr. George R. Valentine was called to his reward, and his place was filled by the election of Mr. William K. Gilchrist.

This Board is the oldest of church and manse building denominational agencies. Reviewing the work of twenty-nine of our great denominational building agencies, the Committee on Church Building, in a recent report to the Home Missions Council, says: "Perhaps the most successful organization, in most respects, is the Presbyterian Board of Church Erection, which is a separate Board for this particular service, and has helped to build more than 10,866 churches and manses." Such a conclusion, reached by a Committee representing the Congregational, Methodist Church North, Christian, Methodist Church South, and the Presbyterian denominations will, we are sure, be received with peculiar pleasure by our people.

The first church aided by the Board was the church at Bristol, Pa. The old edifice still stands, but the congregation worships in a new building and has provided a well-equipped edifice for the use of the Italian congregation of Bristol.

The field in which the Board operates is vast, for the work of the Board covers the United States, Cuba, Porto Rico and Alaska. In such a field it follows that the Board must deal with varied conditions. In many States the laws regulating mortgages and insurance differ. In some sections of the country it is almost impossible to get a warranty deed for property, and this is true especially in sections of the country where there are irrigation projects and in mining communities. These matters involve much correspondence, and require patience both on the part of the churches applying and the Board itself. We beg to assure the Assembly that the Board does its very best to meet the peculiar needs of all such communities.

The Board received applications from several Presbyteries asking aid in the erection of edifices in order to provide for the spiritual needs of non-English-speaking people. The Board responded to these calls and four properties have been secured. In view of the fact that in many parts of our country, East and West, there are colonies of foreign-speaking people, it is certain that other applications will reach the Board, for there exists a strong conviction in the minds of thoughtful Christians that the Church must supply religious privileges to the vast numbers of people that have come to our shores from other parts of the world.

Carrying out the action of the last two Assemblies, the Boards of Education and Church Erection, through a Joint Committee, have given careful consideration to the needs of churches at university centres. Many of these institutions, especially in the far West, are located in small towns where the churches are inadequate to meet the spiritual needs of the student population. There are twelve or fifteen centres practically unable to meet the needs of their Presbyterian constituency. Many of these State universities have superb buildings and excellent material equipment, and this makes the church often appear small and insignificant. Thousands of young men and women are deprived of their right to have religious privileges extended to them. The Joint Committee inaugurated a plan to secure a fund of at least two hundred thousand dollars. The Joint Committee, at a meeting held on March 22, passed the following resolutions, to be presented to the Boards of Education and Church Erection: "*Resolved*, That the Board of Church Erection take over and administer the entire work of this Joint Committee." The Board of Education, March 28, approved this action of the Joint Committee, and now recommends to the Assembly that it authorize the taking over of this work by the Board of Church Erection, when the way be clear. On April 20, the Board of Church Erection concurred in the above resolution.

The Board has extended aid to two churches at State universities; to Davis, the seat of the Agricultural College of California, and to the Agricultural College of Oregon, located at Corvallis. There are more than 1,000 students at Corvallis, many of whom are Presbyterian.

The Presbyterian Church has always stood for education. Presbyterians take great pride in their schools, academies and colleges, and the Church at large should provide adequate church accommodations and facilities for students attending these institutions. Local congregations often find great difficulty in providing adequate church buildings for their own people and for college students; besides, many churches in Presbyterian college towns have been compelled to rebuild their churches. The past year the Board has assisted two churches in college towns—First Church of Jamestown, N. D., and the New Providence Church of Maryville, Tenn.

Conferences have been held with representatives of the Board of Home Missions in regard to the need of churches in Mormon communities, and the Board has coöperated with the Home Board in providing churches and manses for congregations in Porto Rico, Cuba and Alaska. The Board has also coöperated with the Board of Missions for Freedmen, rendering aid to several churches. A large number of difficult local problems, the accumulation of years when the Board had no representative to make visitation, but had to depend upon correspondence, have been settled, to the mutual advantage of the churches and the Board, by the aid of the Field Secretary. These activities have resulted in clearing up considerable unfinished business, in supplementing certain defects of administration necessarily incident to handling things by correspondence alone, and in paving the way to making administration by correspondence more efficient.

The financial operations of the Board during the year are set forth in the following Statements of Receipts and Disbursements:

The members of the Board realize the greatness of the task, and that coming years will demand that things be conducted on a larger scale. New communities are springing up and must have church edifices; many parishes are still without manses for their ministers; mission stations are to be provided for; provision must be made for Presbyterian students at university centres; churches in the vicinity of Presbyterian institutions must be built large enough to provide not only for the congregations, but for the students; more work must be done in the Mormon kingdom in order to counteract the growing influence of a false system of religion; and chapels and churches must be built to provide for the large number of non-English speaking people in many part of the country. The city problem also confronts us. To supply these great needs the Board must look to the Church for adequate funds. The Board is anxious to do its work in a missionary spirit and not in a formal manner.

Abstract of Fifty-first Annual Report.

We are thankful to be able to say once more, and for the sixteenth time in annual succession, that we have closed our fiscal year with enough funds on hand to meet all outstanding obligations.

During the past year the annual contributions from churches amounted to $89,309.31, as compared with $83,626.82 the year before, making a difference in the right direction of $5,682.49.

The contributions from Sunday-schools show a decrease of $1,823.33; but the Women's Societies went ahead of the year before to the amount of $3,821.51, and the Young People's Societies made a gain of $930.15. The Sunday-schools decreased from $13,736.60 to $11,913.27. The Women's Societies advanced from $72,176.09 to $75,997.60. The Young People's Societies advanced from $9,876.71 to $10,808.86.

Receipts from Miscellaneous Sources, including mainly individual gifts, and interest on invested funds, increased from $40,800.04 to $48,289.49.

Legacies, from year to year, go up and down by a law of their own, which no man knoweth nor can discern. Three years ago they amounted to $26,001.81; two years ago, to $16,031.05; and one year ago, to $68,172.43; and this year, to $26,401.69.

The number of churches that helped us in any one way, by congregational collections, or through Sunday-schools, or Young People's Societies, or through the Woman's Board, was 6,234, an increase of 118 churches—still leaving 3,762 churches that gave us nothing whatever.

The number of Sunday-schools that contributed to the Board directly was 575. The number that gave through the Woman's Board was 486, making a total this year of 1,061, as against 1,296 last year, showing a decrease of 235 schools.

The number of Young People's Societies contributing directly to the Board was 49, an increase of 6. The number contributing through the Woman's Board was 1,291, an increase of 128. The whole number contributing being 1,340, a total increase of 134.

The total receipts from all sources for the year was $262,719.72, being a decrease of $25,760.97.

It will be noticed that while our receipts from legacies fell off this year, to the amount of $41,770.00, our total receipts were only $25,760 less than last year. Our receipts last year, less legacies, were $220,308, while our receipts this year, less legacies, were $236,318, being $16,010 more than the year before, from all sources other than legacies.

According to the provisions of the John C. Martin Estate, we have maintained this year a John C. Martin Bible Chair in our Haines Normal and Industrial School, at Augusta, Ga., having appointed Rev. A. C. Grigg as the incumbent. We have also appointed Rev. L. B. Ellerson, D.D., of Birmingham, Ala., as Professor of Bible Instruction in Biddle University. Both of these instructors receiving their entire support from the proceeds of the John C. Martin Fund, in accordance with the wish and desire of the generous donor, who in his last will and testament wrote: "It is my wish and desire that each of these bodies, the Freedmen's Board, the Board of Home Missions and College Board, shall create and install, in such colleges, schools and places of learning under its supervision and control, a regular course of instruction for Bible-teaching, each of which shall be designated and known as 'The Bible Training Department of the John C. Martin Foundation.'"

The colored people under our care gave to their own church work, including church buildings, repairs, contingent expenses and ministerial support, as reported to us by their ministers in their annual reports to the Board, this year, $88,315.38.

The amount given on the field to our school work by patrons and friends, as reported to us this year by our teachers, was $80,671.76.

In addition to this, the churches under our care, not including those that are now self-supporting, gave through their annual collections $1,118.13 to the Freedmen's Board, and to the other Boards and Agencies of our Church $2,751.41. Adding the amount raised on the field for church and school purposes, to the amount given by these churches to the benevolent agencies of the Church, we have a sum total passing through the hands of the ministers, elders and teachers, directly or indirectly for their own good in their own communities, and for the good of others in other parts of our land and other lands, amounting to $172,856.68, the largest amount ever reported to us in this way.

York, S. C.

Pursuant to the action of the last General Assembly, in adopting the Report of the Executive Commission, to which the matter was referred by the previous Assembly, the limitations under which the Freedmen's Board, by order of the Assembly, had been confining its activities only to the colored people in the South, were removed, to the end that the Board might hereafter engage in evangelistic work among the colored people in the Northern States.

We agreed with the Home Board to take over the whole evangelistic work they had been doing among the colored churches, and on the same terms that they had agreed upon, and for one year from the time we began, when recommended by the Presbyteries to which they belonged. The list of Presbyteries in which we labor, on their recommendation, and the number of churches so related to them, are as follows:

In Brooklyn Presbytery, 1; Philadelphia, North, 1; Jersey City, 2; Carlisle, 2; Westminster, 2; Cincinnati, 1; St. Paul, 1; Denver, 2; Seattle, 1; Cheyenne, 1; Chester, 2.

During the past year, two of our ministers in charge of churches were called to lay down their work and enter into the rest that remaineth to the people of God—Rev. T. K. Blue and Rev. W. P. Donnell.

Rev. Graham C. Campbell, for twenty-five years at the head of our seminary for girls, at Ingleside, Burkeville, Va., lost his life by an acetylene explosion, as did one of the two seminary girls who went with him to the gas-house to examine into the trouble with the lights.

A fire at Lumberton, N. C., totally destroyed the three buildings in which Rev. J. H. Hayswood was superintending the interests of Redstone Academy. The Board, with the money obtained from the insurance and from sympathizing friends, has been able to assure Mr. Hayswood that by the opening of his fall term he may be put into possession of accommodations as good, and perhaps better than he had before.

Miss Bertha L. Ahrens, who taught for many years under the Board, and is now being kept at home in care of her aged and invalid mother, donated a piece of land, containing twenty-one and a half acres, to the Board, to become part of the Oak Hill Farm, on which we maintain the Alice Lee Elliott Memorial School, under the care of Rev. W. H. Carroll. She could have sold the land at quite an advance over the original cost. Most people would have preferred to do this. She preferred to deed it to the Freedmen's Board, and has done so, to the intent that by its cultivation, as part of our farm, she will be constantly giving some help to the good work that has for years been so near her heart.

Two daughters of Dr. Stephen Mattoon, first President of Biddle University, Miss Mary L. Mattoon and Mrs. Welling E. Thomas, wife of Rev. Dr. Thomas, of Lewisburg, Pa., having held for many years a plot of ground in the immediate neighborhood of the university, containing some fifteen acres, have recently made known their intention to deed this land to the Freedmen's Board, for the benefit of the university, leaving to our judgment the problem as to what use the land can be put, so as best to serve the interest of the school. The Board accepts this liberal gift in the same spirit in which it is given, in memory of Dr. Mattoon, their father, and proposes to divide the same into building lots, to be sold to prospective home-builders at reasonable rates, regulating the style and cost of the buildings, in the hope of building up a model settlement, in close proximity to the university, using the proceeds of the sales in some way or other for the benefit of the institution. The ground is estimated as worth $500 an acre or more, and should easily yield to the institution from seven to eight thousand dollars.

Mrs. William M. McKelvy, daughter of Rev. J. P. E. Kumler, D.D., in memory of her father, has agreed to erect a new dormitory for boys at Brainerd Institute, Chester, S. C., at a cost of $11,000 or more, as needed. The building is to be finished and furnished in a thoroughly first-class way and up to date in every respect, and will more than take the place of Centennial Hall, which we had the misfortune to lose several years ago. The expectation is that the building will be completed and ready for occupancy on or before the time for the opening of the school this fall.

The members of the family of the late Samuel P. Harbison, through the agency of the "Harbison Estate," have promised us a new building at Harbison College, Irmo, S. C., which is to furnish additional dormitory accommodations for the boys. The Main Building is to have extensive repairs, and the heating plant substantially enlarged, so that it will take care of the new dormitory, along with the other present buildings, and also serve such buildings as may in the future be added from time to time. This whole important improvement will call for an outlay of about $28,000.

A new school building has been erected at Palatka, Fla., through the generosity of Mr. Thomas W. Mellon, Jr., of Pittsburgh, who gave us $1,000 for this purpose.

A new Boys' Dormitory has been erected by the Board in connection with the Alice Lee Elliott Memorial School, at Oak Hill Farm, near Valliant, Okla.

An old building at Camp Nelson, Ky., has been remodeled, at a cost of $600, for the better accommodation of the boys, and at Walterboro, S. C., we have just completed a new school building, at a cost of $1,200.

During the past year we have helped in the erection of seven new church buildings, and we have helped in the repairing of sixteen church buildings.

The Woman's Department, under the faithful and skillful management of Mrs. W. T. Larimer, General Secretary, and Miss Robert C. Barr, Field Representative, has looked and longed for the time when they could report $100,000 as the total amount of their receipts. In this their Thirty-second Annual Report they have at last reached the coveted goal, and are able to report $101,925.21. They are to be congratulated over this fine result of their untiring efforts. Mr. Charles H. Riggs, a member of our Board and a ruling elder in the East Liberty Presbyterian Church and for many years a clerk of the Session of that church, departed this life on January 1 of this year—a man of strong convictions and deep piety, who found heart-felt satisfaction in honoring God and helping his fellow-men.

As we look forward to the duties and responsibilities of another year, we have every reason to believe that "He who brought us safe thus far, will safely lead us on."

On behalf of the Board,

J. M. GASTON, *Associate Secretary.*

ABSTRACT OF THIRTY-THIRD ANNUAL REPORT.

CONTRIBUTIONS.—The Board's records show that, during the year, 5,413 Presbyterian churches sent contributions which aggregated $126,197.22, all of which was appropriated for the current expenses of our colleges. This sum was supplemented from the Board's funds and from individual gifts, so that it reached a total of $322,972.55 for the current expenses of the colleges. It appears also that the colleges received over $500,000 for buildings and endowment. Besides the amounts just mentioned, the Board received into its own treasury over $500,000 in trust for school purposes. In round numbers, receipts, for the year, for the Board and the colleges are known to be not less than one and a half million dollars. In addition to the actual receipts, endowment campaigns brought to the colleges subscriptions for buildings and endowment amounting to $1,500,000 more, making thus a grand total of more than $3,000,000 given by the Church during the year for the benefit of Christian education.

EXTENSION OF WORK.—During the past five years, the growth of the Board's work has brought a very greatly increased burden of work upon the office. During this period the Board has received in legacies over $1,000,000. Using round numbers, on January 1, 1911, the total Permanent and Designated Trust Funds of the Board amounted to only $140,000; now they total over $1,315,000, together with property held in trust for school purposes, valued at $400,000. In addition, the Board's contingent assets now amount to over $780,000. These consist of securities on the college properties and of real estate held in trust for college purposes. Much time must be given to the administration of these contingent assets in order that the Board may conserve the interests of the Church as it is directed to do by the General Assembly. Adding these large items together, it will be seen that one function of the Board is to act as trustee for the Church and that in this capacity alone it has a constant duty which corresponds to the administration of an estate of approximately two and a half million dollars. Until five years ago, the kind of work just described could be done by a comparatively small force, but every business man would understand that, with the large increase in the volume of business to be cared for, additional assistance became necessary. It should be said, however, that the additional expense incurred by the Board for this purpose is small in itself, and negligible in view of the importance of the interests involved.

BIBLE CHAIR ENDOWMENT.—The number of institutions maintaining regular professors of Bible and allied subjects, has almost doubled during the past two years, and several colleges have made substantial progress toward the permanent endowment of such professorships. The Board has assigned $85,000 of the John C. Martin Foundation Trust Fund to certain colleges, on condition that they actively engage in a campaign for Bible Chair endowment and strive to complete the campaign within two years, and the Board has been able to assist in the maintenance of Bible instruction in eleven colleges not yet ready to enter upon a campaign for endowment. It is hoped that the present year will manifest a more prompt and generous response on the part of Presbyterians, for this particular task should be completed within the shortest possible time.

The Bible Foundation League Fund, made up from contributions of Sunday-schools which have joined the League, has enabled the Board to render special assistance in the maintenance of Bible teaching in some of the weaker colleges, and this League is a valuable means of impressing upon children and youth the importance of a knowledge of the Word of God as essential to a complete education. A total of 249 Sunday-schools are now enrolled as members of the League, an increase of 45 over last year.

In connection with the work of Bible Chair endowment, the General Assembly requests the churches to make the raising of a fund for this purpose a special feature of the Luther anniversary next year, and to take a special offering on Sunday, October 28, 1917, which shall be sent to the College Board for the endowment of chairs of English Bible in Presbyterian colleges.

INTERDENOMINATIONAL COÖPERATION.—During the year, decided progress has been made in the coöperative movement under the auspices of the Council of Church Boards of Education. Plans have been worked out by which seventeen denominations, working together, are undertaking to secure and to give to the public much valuable information concerning the college situation. Many facts, as valuable to one Church as to another, are being worked out through this interdenominational agency, and, when more complete, will be given to the public in various ways. Arrangements will be made so that from time to time interested persons in various parts of our country may be gathered at selected centres and given the benefit of all this information through exhibits, lectures and conferences. The first of these gatherings was held at Wilkes-Barre, Pa., June 8–11.

ABSTRACT OF THIRTY-FIFTH ANNUAL REPORT.

The Thirty-fifth Annual Report to the General Assembly records the most helpful year in the temperance reform. Since the last Assembly, prohibition has become effective in Alabama, Arkansas, Colorado, Idaho, Iowa, Oregon, South Carolina and Washington, and will go into effect in Virginia, November 1, 1916. Including the nineteen States already having prohibitory laws, it is possible that half the States of the Union will have adopted that policy before next Thanksgiving.

STILL LARGER GAINS.—The elevation of public sentiment on this question is shown in many ways, not the least of which is the large and rapidly increasing number of daily papers and other periodicals which exclude all liquor advertisements, and the prohibition, in a number of States, of advertising liquor on bill-boards. The list of magazines which exclude liquor advertisements comprises most of the leading ones published in the United States.

A MONTH IN THE OFFICE.—During the month of March, 1916, there were handled, in the general office of the Board of Temperance, 23,712 pieces of mail, an average of 800 separate pieces for each working day. The letters received numbered 4,170; and those sent out, 3,910, making a total of 8,080, or an average of 299 for each working day.

OUR WORKERS.—All of the workers of last year have been continued, and Rev. William M. Woodfin added to the list. While the field work is being enlarged, it has not been practicable to keep pace with the growing demand for the representatives of the Board.

THE AMETHYST.—*The Amethyst,* the official organ of the Board, has a circulation of 180,000 monthly, in round numbers, and is rapidly increasing.

PRIZES FOR COLLEGES.—The policy of offering a prize of $25 to each of our Presbyterian colleges and theological seminaries, for a prohibition oratorical contest, is increasingly popular and valuable.

POSTER DAY.—The observance of what was called "Poster Day" in New York State and other places has created even an increased demand for the posters furnished by the Board. The practice is commended as a valuable educational influence.

THE STEREOPTICON.—The Board has increased the sets of slides which are loaned to Presbyterian organizations for the promotion of temperance sentiment, which can be accelerated by an appeal to the eye as well as the ear.

STATE CAMPAIGNS.—California, Michigan, Montana, Nebraska and South Dakota vote on State-wide prohibition, November 7. Idaho, which has statutory prohibition, will seek to embed it in the Constitution on the same date. Other States may also vote on the question.

NATIONAL PROHIBITION.—A bill was introduced into both houses of the National Congress, submitting a prohibitory amendment to the Federal Constitution, but has not received favorable action. That this subject will be pressed is manifest from the inability of the several prohibition States to protect themselves adequately against liquor from outside.

CURRENT TOPICS.—Hon. Charles R. Randall, of Los Angeles, Calif., is the first man to be elected to Congress on the Prohibition ticket. A majority of the provinces of Canada have adopted prohibition, and others seem likely to follow at an early date.

Prohibition, adopted by Russia as a war measure, has become an established policy.

During the past year the consumption of beer decreased about 10 per cent., as compared with the preceding year. The per capita consumption of all kinds of liquor decreased 2.7 gallons during the year.

Measures are pending in Congress, forbidding the use of the United States mails for liquor advertisements and excluding persons from employment in the civil service who use intoxicating beverages.

An appeal for prohibition is being made for Hawaii and Alaska, and the Internal Revenue Department is asked to discontinue the issuance of tax receipts to persons who have no local license.

EPOCHS IN HISTORY.—The temperance reform, when fully accomplished, will not be unworthy to rank as the fifth of the great epochs in history which historians point out.

SOME QUESTIONS.—Many questions concerning the nature and effect of alcohol are only beginning to be understood, and even yet many of them are unsolved. Only patient, profound, intelligent and intensive study can give these facts to the future.

CHURCH AND STATE.—Few subjects so often occasion a discussion of the relation of Church and State as the temperance reform. The Church aims to make men good; the State tries to prevent them from doing wrong. The weapon of the Church is love; that of the State is force. The Church cannot enact civil laws, but she can influence law-makers; she cannot directly transform politics, but she can transform politicians; she cannot change business methods, but she can change business men. The 39,380,670 church members in the United States, led by 178,888 ministers, cannot be indifferent to or innocent of the existence of the legalized liquor traffic in this nation. We must think not in counties, but in continents.

Perseverance Is Power.—Any attempt to reform a wide-spread, long-established evil like the alcohol habit requires time and determination. The fall of the Roman Empire, while immediately preceded by barbarian invasions, was really due to changes which had been going on for generations. The temperance revolution in Russia is no exception. For many years men and women have been demanding not simply the restriction, but the prohibition of the entire traffic in that empire. Final victory in our country is only to be expected when the conditions have been fulfilled which have accomplished great reforms in other lands.

Abstract of the Fifteenth Annual Report.

Your Committee presents its Fifteenth Annual Report to the General Assembly, with a profound sense of gratitude to Almighty God for the spiritual life and power which have come upon so many of our churches, and for the consecration and success with which they have prosecuted their evangelistic labors during the year. The spell of uncertainty with reference to the work of evangelism which seemed to hinder the churches a few years ago has been displaced by an unmistakable increase of evangelistic activity.

In 1912 your Committee presented, in its Report to the General Assembly, a table of accessions to the churches on confession of faith, prepared by the Stated Clerk, and in connection with this table the Committee stated that it considered the totals therein shown "to be an urgent reason why the Assembly should send to the whole Church an emphatic summons to a more definite and consecrated evangelism and should commission us, as your representatives, with such power and instructions as will enable us effectively to present your action to all the churches. We reproduce the table presented in 1912, in comparison with the corresponding figures for 1915, and we are happy in the assurance that if the complete figures for 1916 had been available for tabulation at the time this Report was written, they would be indicative of equal fruitfulness.

In the latter part of March we sent to all pastors and stated supplies questions concerning their attitude and activities with reference to special forms of evangelistic work supplementing the stated work and worship of the Church. The replies to these questions and the reports of Presbyterial chairmen indicate that more than five thousand of our churches have supplemented their regular work by special evangelistic services. The practice of individual churches, with reference to this work, varies with their conditions:

(1) Very few of the churches are indifferent to the work of evangelism, although some express their disapproval of various evangelistic methods, which they would like to see eliminated.

(2) A somewhat larger group of churches, while thoroughly evangelistic in spirit, are so efficiently organized that they are able to maintain a fairly steady rate of progress and to report a considerable annual increase to their membership on confession of faith, without recourse to extra evangelistic services.

(3) The great body of the churches, however, are frankly evangelistic. They believe not only in permeating their whole work and worship with the evangelistic spirit, but they believe also in special, intensive, evangelistic efforts.

Evangelistic campaigns in which the churches have been engaged are of three kinds: (1) Interdenominational union evangelistic meetings—tabernacle meetings for the most part—led by evangelists and their co-workers; (2) Interdenominational union evangelistic meetings, under the direction of ministerial associations, led by the pastors themselves. It is a hopeful sign that this method of work is growing in favor and that meetings thus held are becoming increasingly efficient; (3) Individual church evangelistic meetings, sometimes led by the pastor himself, sometimes by fellow-pastors and sometimes by an invited evangelist.

I. Committee Meetings, Office and Correspondence.—The members of your Committee have taken a keen interest in every detail of the year's work. The Executive Committee has met frequently during the year, and the General Committee has held three meetings; so that every step in the programme of the Committee's work has been kept under constant supervision. The office has been maintained in the Witherspoon Building, in Philadelphia, and has been extensively used by the churches as a bureau of information concerning the problems connected with their evangelistic work, and particularly as a centre of inspiration and help to the chairmen and members of Committees on Evangelism of Synods and Presbyteries.

II. Institutes and Conferences.—The Committee presents the following Report, in part, of its Evangelistic Institutes and Conferences, as prepared by the sub-Committee on Conferences, under the direction of its Chairman, Rev. John R. Davies, D.D.:

"Two general Evangelistic Institutes have been held since the preparation of our last Report. The first was held in Rochester, preceding the Assembly, and was in session for two days. This meeting was attended by 322 delegates, both ministerial and lay commissioners to the General Assembly, and by many visitors. Most of those present were not only aroused to a new sense of the vital importance of the evangelistic work of the Church, but before the Institute closed confessed that they had experienced a deep spiritual awakening in their own lives, the reality of which was seen in the spiritual atmosphere of the Assembly, and afterwards in the efficient service that they have been able to render in their own churches and Presbyteries.

"The second Institute was held in January of this year, in Washington, D. C. This meeting was attended by members of the Evangelistic Committees of 39 Presbyteries from the Eastern Synods and by a very large representation from the Presbytery of Washington City and contiguous Presbyteries. The Program of this Institute had special bearing upon the evangelistic problems of our eastern churches. The discussions were practical and helpful, and have already resulted in a greater definiteness in the evangelistic work of many Presbyteries.

"It should be noted that the Institutes conducted by the Committee are not general gatherings of men carelessly brought together, but are carefully selected, representing for the most part, as already indicated, the membership of the Evangelistic Committees of our Presbyteries; and that the programmes which are prepared for these Institutes are designed to give these committeemen of the Presbyteries not only a new encouragement and inspiration, but a better understanding of the work which they are appointed to do in their Presbyterial fields.

"The Conference feature of the Committee's work is being greatly extended by reason of the fact that the men who have been in attendance at the Committee's Institutes, and have caught the idea and ideals of Presbyterial and pastoral evangelism there presented, have been enabled to take the initiative in their own fields, with the result that last year arrangements were made for the conduct of Evangelistic Conferences in 24 Synods; four of these were under the immediate leadership of our secretary, Dr. Mahy, three of them under the leadership of members of the Assembly's Committee, and all of them aided in a quite definite way by correspondence and printed suggestions sent to the Synodical Committees from the office in Philadelphia. Encouraging results have followed these meetings for prayer and quiet consideration of the evangelistic problems of the churches, resulting in some instances in the organization of a Synodical work which has rendered definite assistance to all the churches in their bounds.

"In at least 160 Presbyteries, either in their fall or spring meetings, Evangelistic Conferences have been held. A marked feature of these Conferences, particularly in the past two years, has been the general desire manifested by the Presbyteries to carry the work a step further than mere Conference discussions, and to initiate definite evangelistic work, under Presbyterial direction, in the several churches. As an outcome of this desire and a result of the experience gained, 85 Presbyteries were enabled last year to prosecute such plans, with the result that 2,300 churches received definite assistance in their evangelistic work. A summary of this work among the Presbyteries reveals a striking fact, *i.e.*, that at least 1,000 ministers were able to give an average of two weeks each to the work of evangelistic preaching for other churches than their own. This is a total of 2,000 weeks, or 40 working years; a greater volume of such preaching than one man could do effectively in a lifetime.

"As to the influence of the work of the Committee, in its coöperation with the Synods and Presbyteries of our Church, there can be only one opinion. It not only marks a new era in the history of evangelism in our Church, but also has been attended with such success as to draw to it both the attention and the imitation of other denominations. For various reasons not necessary to enumerate, much of the energy of the Church had been diverted from this primary work of leading a lost world to Jesus Christ; and if to-day our ministers and office-bearers are feeling anew the burden for souls, some measure of credit, under God, is due to the wide-spread work of your Evangelistic Committee.

III. College Evangelism.—This Joint Committee on College Evangelism is composed of six members: three appointed by the Assembly's Committee on Evangelism and three by the Board of Education. The expense of its work is shared equally by the two agencies. The Secretary is the Rev. William H. Crothers.

"No more inviting or strategic field of evangelism could be desired than is constituted by the sixty-two institutions of learning listed by The College Board, reporting a total of over twenty-five thousand students, mostly, of course, from Presbyterian homes. In this field the Committee has been at work for eight years and has for six years coöperated, by the Assembly's direction, with the Board of Education. The great majority of students in these institutions have already united with the Church on profession of their faith in Christ, but, by their own confession, the Christian life of many has too often lacked vitality. They are in a period when life is being given its 'set.' They are away from the restraints of home, surrounded by immature minds, and they need, as never before, the message of Christ.

"The Christian college was founded to provide the proper environment and help during this period of development, but the college itself needs the constant help of the Church to fulfill its function. This help is being given acceptably through the program of college visitation.

"From every point of view, it has been found profitable to bring to the college, for a week, one or more of the ablest of the Church's ministers, that they may, in chapel and other services and by personal conference, direct the thought and worship of students and faculty and lead them into the presence of God. In such an effort the religious influences of the year are gathered up and brought to a focus, and while the academic activities are not suspended nor the pursuit of scientific truth given over, supreme emphasis is given to the reality and presence of Him who is the Truth. Where there has been thorough preparation by the faculty and student organizations, this week is a harvest time which brings a deepening of religious life to those already Christian, and sees many unconverted students brought to Christ. Between three and four hundred students are reported as having yielded their lives to Christ during the College Visitation Campaigns this year.

"To accomplish for a faculty and student body, in five or six days, all that is designed by this work of college visitation, is a stupendous undertaking. The keenest problems are met and supreme demand is made on the tact and energy and spiritual force of a visitor.

"A desire had been expressed by some of those most experienced for an opportunity to confer about the various phases of this task. The Committee, accordingly, assembled at the Presbyterian Training School, in Chicago, in October, twenty-eight of those who were to participate in this year's campaigns. These men sat in conference for an aggregate of eleven hours, giving intent consideration to such topics as the following: 'Past Experiences in College Visitation,' 'The Need of Evangelism in Church Colleges,' 'What the College Expects from the Committee's Work,' 'Our Service to the College Faculty,' 'The Message for Students,' 'The Program for a Campaign,' 'Setting the Student at Personal Work,' 'Securing Decisions,' 'Is the Church's Recruiting Program Sufficient?' 'The Young Men Needed and How to Secure Them,' etc.

"In its ultimate effect college visitation reaches far beyond college walls. Thousands of letters sent to the students' parents, requesting prayers, have a reflex as well as a direct effect. In some instances there has been a marked influence produced upon a non-Christian parent by such a letter. The young men in these colleges, who are to be the ministers of the future, are absorbing an evangelistic spirit which they will inevitably carry into their ministry. Three students from one college held meetings in a neighboring town during a Thanksgiving recess and reported 102 decisions. No surer way to project a strong evangelism into the next generation could be found than to demonstrate its power among the college students of to-day."

IV. World-wide Work.—The sub-Committee on Coöperation with other denominations reports, through its chairman, Rev. Wm. H. Roberts, D.D., as follows:

"The Committee on Coöperation with other Churches draws attention again to the fact that the first movement for Inter-Church work in evangelism was initiated by the Committee on Evangelistic Work of this General Assembly, during the second year of its operation, 1902–03. This coöperation was participated in from the first by the Methodist Episcopal Church and then by several other denominations. This interdenominational work extended, under the leadership of Dr. Chapman and Mr. Alexander, not only to the United States and to Canada, but to Great Britain, Eastern Asia and Australia.

"The stimulus thus given to evangelism had a decided influence upon the Federal Council of the Churches of Christ in America, established in 1905, with a membership of thirty Christian denominations. At the quadrennial meeting of this Federal Council, in Chicago, in 1912, a Commission on Evangelism, with the Rev. William H. Roberts, D.D., as chairman, and the Rev. William E. Biederwolf, D.D., as secretary, was established. This Commission has done a great deal of work in the way of organization. Its purpose has not been, thus far, to conduct any evangelistic campaigns, but to get the denominations, as denominations, to take action that may lead to far-reaching results. One of the principal steps taken has been that of securing the organization of denominational evangelistic committees, with national jurisdiction, and up to date twenty-four of the thirty denominations in the Federal Council have appointed such Committees. The last report of this Commission on Evangelism was made to the Executive Committee of the Federal Council, at Columbus, Ohio, in December, 1915, and two of the recommendations were the following:

"1. The organization of evangelistic committees in the various denominational districts, Presbyteries, Conferences, and Synods, with a view to the federation of forces for concerted evangelistic work.

"2. The promotion of a country-wide movement of evangelistic endeavor, of such character as will meet with the approval and appreciation of the united ministers of our land.

"It will interest the Assembly to know how far the organized evangelistic work has progressed to this date in the Churches of the Presbyterian family located in the United States and in Canada.

"The Presbyterian Church in Canada has a Committee on Social Service and Evangelism, thus obtaining, under one management, two important branches of Church work. The Reformed (German) Church in the U. S. and the United Presbyterian Church have entrusted evangelistic work to their Boards of Home Missions, and the Presbyterian Church in the U. S. has a Department of Evangelism in connection with its Executive Committee of Home Missions. The following Churches have Permanent Committees on Evangelism: The Presbyterian Church in the United States of America, the Synod of the Reformed Presbyterian Church, and the Associate Reformed Presbyterian Church. The Reformed (Dutch) Church, in America, has placed evangelism in charge of its Board of Publication. These organizations are all now conducting their work, in large part, on the basis of Presbyterial action, in line with the plans of our own Committee, as well as by special services, and the results thus far have been noteworthy. The Churches, especially the Presbyterian Church in the U. S. A. and the Presbyterian Church in the U. S., reported, last May, larger accessions than ever before in their history.

"It is further to be noted that the supreme judicatories of the Churches of the Presbyterian family on the North American continent have taken advanced action on their own evangelistic work, and also for coöperation with the other evangelical Churches. All of them place emphasis upon the value of Presbytery or Classis as the directing force in evangelism, and recommend that the Presbyteries or Classes appoint committees on evangelism, to make effective the work of the denominational Church of which they are a part, and also to render more efficient all coöperative work."

V. Finance.—The Report of the Finance Committee, as prepared by the chairman, Mr. J. H. Jefferis, and the audited report of the treasurer are herewith presented:

"The Finance Committee reports that all the obligations of the Assembly's Committee on Evangelism have been met as they have accrued during the year, and that there is a balance on hand, at the end of the Church year, of $3,278.65. This amount must be very largely depended upon to carry the work through until next fall, as very little comes to the treasurer between now and that time. We should really have a larger balance than this in hand, at the beginning of the Church year, in order to care properly for the important preparatory work of the summer and the field work in the autumn.

"One of the encouraging features to which we call your attention is that there has been a considerable increase in the number of churches contributing during the past year, and that the sum total of the contributions from the churches has increased almost 33 per cent.—an evidence that the churches also realize the value of the work.

ANNUAL REPORT.

To the General Assembly:

Since the last Assembly, your Committee has held four meetings and the Executive Committee has had several meetings besides. Careful consideration has been given to the great and difficult work that is committed to us by the Assembly.

As the year progressed, it became more apparent that it was not possible for the members of the Committee, each one of whom is burdened with the exacting demands of his own work, to give sufficient time to the interests of the Men's Work to care for it in any adequate way. The work is to be carried on in forty Synods and in their Presbyteries with the purpose of reaching our ten thousand local churches. It is an anomalous situation that such a work would be attempted at all by the voluntary services of a Committee of very busy men. Women's work and Young People's Work in our churches have been promoted by the employment of many agencies. There have long been used in these departments many secretaries, editors and other specialists. An immense literature has been developed and many agencies for promoting the work in these departments have been established.

We believe proportionate results will be obtained in organized Men's Work by a proportionate employment of agencies. During the past year, up to March 1, not one person was employed in this vast field of organized men's work. A small amount of literature has been produced. Some Synods and Presbyteries have no committees and a much larger number do not have active committees. The work that has been undertaken lacks unity, for want of a central leadership. Some Synod committees have carried on progressive work, but have had a severe handicap from a lack of means and coöperation through the Assembly's Committee.

Pastors are occupied with many lines of work and are usually inadequately supplied with help in their pastorates and are not able, with few exceptions, to specialize in Men's Work. Many pastors regard Men's Work as their most important and most difficult problem. The pastor who solves the problems of his own pastorate is the successful pastor. Younger pastors especially are asking earnestly for help in their Men's Work. They feel that a great Church like ours should sustain an agency for helping them in this neglected, difficult and important work. The Assembly owes to pastors, Sessions, Synod and Presbytery Committees and men's organizations a well-equipped agency for giving needed coöperation to all the leaders in this greatly neglected work.

Your Committee believes that the day has come when this Presbyterian Men's Movement is passing out of the experimental stage into permanent and progressive lines of development. The new Secretary has conducted upwards of twenty conferences in important centres in ten Synods. The counsel obtained in these conferences and through an extended correspondence makes clear that the Church is ready to coöperate in this forward movement. These conferences have been attended by members of Synod and Presbytery Committees, pastors and other leaders in Men's Work. There have been definite expressions in all of them in approval of the progressive movement which the Assembly's Committee now undertakes to promote.

Much has been accomplished in Men's Work through interdenominational men's movements, but these do not nearly meet the need in all the diversified aspects of Men's Work in local churches. The marvelous achievements that have been accomplished in women's work have been largely within the denominations. Many are saying that the large, undeveloped department in the Church to-day is the organization of the men in the local churches. Most of the difficult problems in the local churches are problems the men must solve. The weak points in the churches which are strikingly uniform are to be strengthened by organizing the men. The world situation calls loudly for the services of Christian men. Because of the world situation, responsibilities and opportunities such as have not been known before confront the American Protestant Churches. The large advance must be made by the men who are now in the Churches and the quick relief must come from them.

Two things are fundamental in this Men's Movement:

(1) The men must be called to a new consecration of themselves to our Lord so as to have a new experience in Him. The Christian man who is filled with Christ's Spirit will give a testimony of value and will not be seeking a job.

(2) The men must be organized. The great work of the Church is done by united effort. Its members are dependent upon one another in great measure for spiritual life. The unity for which Christ prayed in His great Intercessory Prayer is sadly wanting among the men of our churches. The secret of power in the church is its unity. The men of our churches are not of one accord, in one place, as they should be.

The usual forms of organization are, a Brotherhood or a Men's Organized Bible Class. In either case there should be the promotion of unity of life among the men, a men's class for the study of the Bible and meetings for business and for the discussion of subjects of importance to the men and to the church.

The work to be undertaken by a men's organization is diversified. The men should discover the weak points in their own church and strengthen them; they should win men to Christ; they should care for the interests of the boys; they should raise the standard of missionary giving. Through the discussion of timely subjects in men's meetings, the Christian men should be intelligent on religious, social, political and economic questions and should be leaders of thought and should determine the public sentiment of the community; they should engage in social service, this being done most effectively by the federation of men's organizations.

The Assembly's Committee will undertake to promote efficient agencies in the Synods and Presbyteries; to unify the work through conferences of committees, pastors and other key men; to promote publicity through the religious papers; to provide a literature on Men's Work; to make an inventory of Men's Work in Presbyterian churches; to be a clearing-house for the dissemination of knowledge that has been obtained through experience; to coöperate with other denominational and interdenominational agencies in building up the Kingdom of God.

The following action was taken by the last Assembly: "That a General Secretary be secured as soon as available funds are in sight." In view of the demands of the situation and inasmuch as the members of the Committee have for the present year underwritten a generous portion of the required budget, and as there is much evidence that there is readiness on the part of the churches to coöperate in Men's Work, a General Secretary has been employed, who began his work March 1. We are trusting to the churches and generous individuals for funds to carry on the work.

Attention is called to the following resolution adopted by the Assembly last year: "We urge Brotherhoods, Bible classes, churches and generous individuals to contribute generously, that this great work may be pushed speedily and with vigor."

The following action has been taken by the Assembly's Executive Commission: "The Executive Commission adopted unanimously, February 16, 1916, the following Minute, with reference to the Permanent Committee on Men's Work:

"Whereas, The Executive Commission, through its Budget Committee, after due consideration given to the Permanent Committee on Men's Work, and in recognition of the vital importance of its work to the whole Church, as carried on among the Presbyterian churches, has recommended a budget of $15,000 for the year 1916–'17; we call upon the churches to make due provision for the Committee's support in the distribution of their benevolent funds."

Attest: WM. H. ROBERTS,
Secretary of the Executive Commission.

Philadelphia, Pa., February 28, 1916.

Your Committee believes that these resolutions of the Assembly and its Executive Commission have warranted them in the employment of a General Secretary to carry on organized Men's Work.

A small balance remains in the Treasury, all expenses of the year having been met.

The following resolutions are submitted:

(1) That Mr. Henry P. Crowell, John M. Coulter, Ph.D., and Mr. Ralph W. Harbison be reëlected as members of the Committee, for the class of 1916–'19; that the Rev. Raymond M. Houston, of Detroit, be elected a member of the class of 1916–'19, and that the Hon. Henry B. F. Macfarland, of Washington, be elected a member of the class of 1914–'17.

(2) That in view of the Assembly's instructions that this Committee represents all organized activities among men in the Presbyterian Church, it be known as the Assembly's Permanent Committee on Men's Work, instead of The Committee on the Brotherhood.

(3) That the Assembly urge upon Sessions, men's organizations and generous individuals the urgent need for making annual contributions to the budget of this Committee.

(4) That Synods and Presbyteries be urged to appoint Committees on Men's Work which will coöperate with the Assembly's Committee in their

bounds; and that men who have succeeded in Men's Work in their own churches be chosen for these Committees.

(5) That the pastors and elders in all our churches consider carefully their responsibility and opportunity to make their churches much more efficient by organizing the men in their churches.

Respectfully submitted, for the Committee,
WILLIAM F. WEIR, *General Secretary.*

Abstract of Fourth Annual Report.

The Task of this Permanent Committee.—It was not a very inviting task to which the Permanent Committee was called by the Assembly of 1912. The first review of the situation indicated large numbers of pastorless churches in all parts of the country. The methods employed in Presbyteries and Synods had for the most part proved entirely inadequate. The Permanent Committee, therefore, soon reached the conclusion that conditions would not be permanently improved without a radical change in method. The Form of Government had definitely laid the responsibility just where it belongs—"Every Presbytery shall arrange for the supply of the vacant pulpits within its bounds either by direct action at a meeting or through a committee." This requirement was almost wholly ignored by the Presbyteries. It is true that a limited number of Presbyteries had committees appointed to look after the vacant fields, but these committees in most sections of the Church had simply become "ecclesiastical ornaments." A loose and irresponsible Congregationalism had been allowed to enter and take the place of Presbyterianism. In view of such conditions, it is not strange that a prominent representative of one of the Episcopal branches of the Church should recently have remarked to a representative of the Assembly's Committee: "To me it has always been an astounding thing that a Church of the strength and ability of the Presbyterian Church should not have formulated much earlier in its history some definite and effective system for handling its vacant fields."

Presbyterial Supervision.—When the Permanent Committee entered upon its work it was under the necessity of pointing out some practical remedy for existing conditions. The Committee could not turn far in the direction of Episcopacy, because ours is a representative government. It could hope for nothing from Congregationalism, for, as a Congregational pastor stated recently, "Whatever may be said about Congregationalism, it has proved a dismal failure in dealing with the problem of the pastorless church." The Permanent Committee, therefore, strong in its confidence in the cardinal principles of Presbyterianism, formulated a plan for dealing with the vacancy and supply problem.

The new Vacancy and Supply Plan prepared by the Permanent Committee, approved by the last two General Assemblies and by these Assemblies recommended to all of the Presbyteries for consideration and adoption, has for its primary aim the bringing about of a revival and reëstablishment of definite Presbyterial oversight of any and all vacant fields. Under our Form of Government, this is the one pathway to success. The judgment of the Permanent Committee and of the last two Assemblies has received wide and increasing indorsement throughout the Church. Up to the close of the Ecclesiastical Year, about 200 Presbyteries had adopted the new Plan and provided for its operation by the election of appropriate committees.

Of course, no plan can be self-operative. Even after a Presbytery votes to adopt the plan, its success must be determined by the character of the committee chosen. If the Presbytery will select a wise, careful and faithful committee, the results will be increasingly gratifying. During the past year the Assembly's Committee has carefully noted the work of many Presbyterial Committees, and without hesitation records its conviction that the Plan is both practical and effective when operated just as was intended by its authors. We have not found a single case where the reverse was true, and therefore we can join very heartily in the sentiments expressed recently by the chairman of a Presbyterial Committee which has been specially successful: "The Plan is proving its worth every day. Where it has not helped, it is because committees do not get on the job. The Plan itself is very practical, and churches that at first were against it now fall in line and are delighted with the men secured."

A Comparison of Conditions.—Early in 1913 the investigations of the Permanent Committee showed that in order to provide for the vacant fields able to support men, there would be required, on the average, 3 additional pastors to the Presbytery. A similar inquiry in January, 1914, indicated that this average was 2¼ to the Presbytery. A year later, in January, 1915, the average need was about 1⅔ to the Presbytery. Early in 1916 conditions throughout the Church were again studied. Carefully prepared reports received from 213 Presbyteries during the month of January indicated a total need for these Presbyteries of 288 additional pastors, or an average need of slightly above 1⅓ to the Presbytery. In other words, in January, 1913, on the average, each 100 Presbyteries required a total of 300 additional pastors in order to care for the vacant fields able to furnish at least a reasonable support. In January, 1916, on the average, each 100 Presbyteries required a total of 135 additional pastors in order to care properly for the same class of fields.

In January, 1913, only 8% of the Presbyteries reported no vacancies. In January, 1916, nearly 36% of the Presbyteries reported no vacancies, while less than 23% of the Presbyteries reported more than two vacancies each. Very few Presbyteries now have extended lists of vacant fields, and comparatively few of the vacancies are of long standing. The past year has not been the most favorable for greatly diminishing the total number of vacancies, because in certain sections of the country the reduced Home Mission aid available has proved a retarding factor. The Permanent Committee believes that under normal conditions and with increased activity and efficiency on the part of Presbyterial Committees the number of the vacant fields can be still further reduced.

Supporting the Minister.—One does not need to proceed far in his investigations to reach the conclusion that there is a vital relation between Ministerial Support and the vacant church. A very large majority of our pastors labor on comparatively small support. Nor is it so much to be wondered at that the opportunity to secure some additional support should to the average minister prove attractive. Many churches will never be successful in retaining pastors for extended periods until they come to recognize their obligation to furnish at least a reasonable support. This Committee regards it as the bounden duty of each Presbytery to examine carefully conditions within its bounds and see that the support furnished by the churches is in each case sufficient to enable the pastor and his family to experience at least something of the peace and contentment suggested by our oft-repeated phrase, "free from worldly cares and avocations."

Of 278 pastorates recently reported vacant, the average support proposed was $1,217, and 64% of these fields have manses. These pastorates, however, include a total of 402 churches, these figures indicating that a large number of the men are expected to serve two or more churches. Among these 278 vacancies, were 37 churches, each furnishing a support of $1500 or more. The average support furnished by these 37 churches is $2154, and 54% of these larger fields furnish manses. Omitting these 37 larger fields from the whole number, we find that the remaining 241 fields, many of them being combinations, furnish an average support of $1073, and 68% of these fields have manses. However, there is still some encouragement here, because the average for this class of churches in 1913 was $898; in 1914 it was $930, and in 1915 the average was $966.

While it is hardly possible to erect any standard which would be uniformly equitable and adapted to the conditions existing in every section of the Church, yet the Committee felt that in considering average conditions some definite suggestions might be made. Copies of the action taken by the Presbytery of Columbus and later indorsed by the Synodical Home Mission Committee of Ohio were therefore furnished to all of the Presbyteries. This action includes the following, which was intended to be a declaration of the minimum support which a church existing under average conditions or under conditions approaching those in Ohio, ought to furnish:

(1) Churches located in the country or village when served by single men should furnish a support at least equal to $1000.

(2) Churches located in the country or village when served by married men should furnish a support at least equal to $1000 and manse.

(3) Churches located in the larger towns and cities when served by single men should furnish a support at least equal to $1200.

(4) Churches located in the larger towns and cities when served by married men should furnish a support at least equal to $1200 and manse.

In the light of the present-day cost of living, these suggestions are exceedingly modest, but it is nevertheless true that even such a minimum standard realized uniformly throughout our Church would be a distinct assistance in seeking to adjust satisfactorily and render more permanent the relations existing between the minister and the church.

THE MINISTER AND THE FIELD.—In past years repeated reference has been made, in our ecclesiastical meetings and in resolutions, to the "unemployed minister." It is exceedingly unfortunate that there are men qualified for service and yet not regularly engaged in ministerial work. But how can all of the available ministers be constantly retained in active service? "Our Church ought to have a system that would guarantee to every man a field as good as the one he now serves, whenever he desires to move." This, in effect, was the language used by a minister who some time ago wrote our office. But can the mind of man devise any such system? The most rigid Episcopacy has never been able to furnish such a guarantee, much less an ecclesiastical system which accords to each congregation the right to call its own pastor. But all proper efforts should be put forth by Presbyterial representatives, so that, if possible, each and every minister competent and available shall be regularly employed. Much has already been accomplished in this direction.

But, after all, the ministers who are temporarily out of work constitute only a small percentage of the total number of men seeking for information and assistance in finding new fields of labor. It is a well-known fact that in these modern days the average pastorate covers only a comparatively brief period and the number of men desirous of changing fields is correspondingly large. In our last report we referred to this feature of modern church life, and expressed the conviction that "the work of our Church would be greatly profited if the length of the average pastorate could at least be doubled." We are still decidedly of this opinion.

During the past year a very large number of men registered with our office as desiring new fields of labor. Omitting all of those who were located during the year, our active list at the close of the year contained the names of about 600 men. This condition is not new. It has prevailed not only in our own, but in other branches of the Church for years past. The general conditions are probably no worse now than formerly. Indeed, there seem to be indications of decided improvement. Under the better methods now operating in many of the Presbyteries, the minister is more likely to find a field to which he is better adapted, and this, in turn, will result in greater permanency as characterizing the pastoral relation.

As ministers come seeking for new fields of labor, this Committee is always glad to render whatever service is possible. While not always able to do for each man everything which he may desire, yet in all of our labors we endeavor to keep in mind the highest interest of the Church as a whole and to discharge the duties incident to this work with an impartial and unprejudiced mind. During the past year the outgoing mail from our office has at times included more than 2500 letters monthly. To organize a new system throughout the Presbyteries to take the place of the haphazard methods of the past; to assist a considerable number of Presbyteries unable of themselves to find suitable men; to deal with 600 different ministers desirous of finding new fields—surely, no one who has any intelligent conception of this problem can underestimate the dimensions of the task delegated to us by the Assembly.

Considering the character of our present Form of Government, this Committee never was more certain than now that it is traveling in the right direction. It can lead the way, but it can only lead the way. The Church must follow if she would deliver herself from the intolerable conditions to which her work has been subjected in past years by the ever-present and perplexing problem of vacancy and supply. With full acknowledgment of the assistance rendered from many quarters, this Committee solicits the hearty coöperation of every Presbytery, every church and every minister.

Resolutions.—(1) The General Assembly approves of the efforts of its Permanent Committee on Vacancy and Supply, to bring about a revival and reëstablishment of definite Presbyterial supervision of all vacant fields, and reaffirms the resolutions passed by the Assemblies of 1914 and 1915, in approval of the Vacancy and Supply Plan as well as the activities of the Committee in behalf of a proper standard of ministerial support.

(2) The General Assembly appreciates the assistance rendered its Permanent Committee on Vacancy and Supply by representatives of the Church in many sections, and urges that in the further prosecution of this difficult and much-needed work, the Permanent Committee have the cordial coöperation of all Presbyteries, churches and ministers.

GEORGE N. LUCCOCK, *Chairman.*

The above statement shows, in general, the financial condition of the General Assembly from year to year for thirty-two Assemblies. The management which began with 1884 resulted in such economies that a surplus was accumulated, which enabled the Assembly to meet in Portland, Ore., in 1892, and Los Angeles, Cal., in 1903, without calling for additional funds from the Presbyteries, and also to reduce the apportionments from 1896 to 1905. The interest earned during the period amounted to $36,965.77.

The Trustees of the General Assembly of the Presbyterian Church in the U. S. A., in accordance with the ninth section of its Charter, respectfully report to the General Assembly the state of the accounts of the Corporation for the year ending March 31, 1916.

These accounts are herewith presented and made part of this Report, and consist of the Treasurer's annual account of the principal and income, showing the receipts and disbursements of both funds and the balance of cash on hand at the end of the fiscal year, together with the investment of the principal.

These accounts are accompanied by the Report of the Committee of the Board on Finance, with the usual certificate of this Committee, and the Report of the Committee on Accounts as to the conditions of the finances and the investment of the funds as shown by the account, and the audit of the Treasurer's account. The certificate of Vollum, Fernley, Vollum & Rorer, certified public accountants, as to the examination of the accounts, cash and securities of the Corporation, is also appended.

The disposition of the income received upon the various trusts appears in the Treasurer's accounts.

During the year the Corporation has received two legacies for investment amounting to $1,384.42, in addition to which there was the Palethorp legacy referred to later on amounting with interest to $77,657.19.

The Trustees are now administering the following trusts:

Princeton Theological Seminary:	
" 29 Scholarships	$46,575 83
" 4 Professorships	34,284 60
" Permanent Fund	10,661 80
" Students' Fund	10,794 10
37 Miscellaneous Funds	995,389 92
Principal Palethorp Legacy	71,250 00
	$1,168,956 25

Many of the miscellaneous funds are subdivided, thus largely increasing the number of beneficiaries.

The funds in the hands of the Trustees are invested as follows:

85 separate loans on real estate, secured by first mortgage	$439,450 00
1 ground rent, 6%	700 00
48 separate investments in securities	630,182 81
Real estate devised to Trustees	8,750 00
Real estate bought under foreclosure, carried on books at (appraised value $8,500)	7,797 04
Advances made to secure bequests	700 58
Balance uninvested	81,375 82
Total	$1,168,956 25

Of the balance uninvested $71,250 is the amount of principal ($75,000 less 5% State of Pennsylvania Collateral Inheritance Tax) received from the estate of Henry B. Palethorp for the purpose of erecting a church in Philadelphia. This amount, together with $6,407.19 accrued interest, it is expected will be expended at an early date for the purpose for which it was devised to the Trustees.

The figures in the column marked Assessed Amount in the values placed upon real estate upon which mortgages are held are those of the official assessment of the properties. Those in the column marked Appraised Amount are the valuation of the expert appraiser of the Philadelphia Trust Company, Treasurer of the Board.

The average rate of net income for the year on investments was slightly in excess of 4¾% per annum.

The Trustees are restricted in their investments to the highest class of securities.

All the stocks owned by the Trustees were received as legacies; also real estate to the value of $8,750.

At the date of this report, no interest is in default on either the bonds, stocks, mortgages or real estate, excepting on $20,000 Chicago & Eastern Illinois R. R. Company's General and First Mortgage bonds. This company was forced into the hands of a receiver by the failure of the St. Louis & San Francisco R. R. Company, lessee of the road. The bonds are a first mortgage on a considerable portion of the C. & E. I. R. R. Company and are followed in lien by some $20,000,000. It is reported that the road is earning more than its fixed charges on these bonds, and the Trustees look for a satisfactory settlement.

The entire expense of administering the various trusts was $2,480. This includes the salaries of the Treasurer and Secretary, the compensation of the Solicitor, certified public accountants, the bookkeeping and all other expenses of every kind.

In addition to acting as Treasurer, the Philadelphia Trust Company supplies to the Board, free of charge, a safe in its burglar-proof vaults under two separate sets of keys, for the safekeeping of the securities, and also provides storage facilities for the large number of title papers, insurance policies, etc., that accompany the mortgages, and also allowed $3,812.85 interest on current balances in their hands.

It is with great regret that the President announces the resignation of George V. Massey, Esq., one of the most valued members of the Board, on account of the pressure of numerous other duties, many of them in the service of the Church. It will be necessary for the General Assembly to elect a new Trustee to fill this vacancy.

The indemnity bond of the Treasurer for $25,000 has been renewed for another year.

GEORGE STEVENSON, *President.*

E. R. STERRETT, *Secretary.*

PHILADELPHIA TRUST COMPANY, *Treasurer,*
by THOMAS S. GATES, *President.*

The undersigned, in accordance with the direction of the General Assembly of 1899, have caused the securities, bonds and mortgages, and other evidences of property belonging to the Trustees of the General Assembly of the Presbyterian Church in the United States of America, as set forth in the foregoing statement of the Treasurer, to be examined by Messrs. Vollum, Fernley, Vollum & Rorer, certified public accountants, whose certificate hereto annexed shows that the same are in proper order, and amounting at their cost value in the aggregate, at the close of the fiscal year, March 31, 1916, to one million, eighty-seven thousand, five hundred and eighty and $\frac{43}{100}$ dollars, adding to which eighty-one thousand, three hundred and seventy-five and $\frac{82}{100}$ dollars, cash balance of Principal, makes total fund on hand at close of fiscal year, as shown on books, one million, one hundred sixty-eight thousand, nine hundred and fifty-six and $\frac{25}{100}$ dollars.

All the securities are deposited in the vaults of the Philadelphia Trust Company, Philadelphia, and are all registered in the name of the corporation, with the exception of ten thousand (10,000) dollars Cincinnati, Indianapolis, St. Louis and Chicago Railway Company General 4's and twenty thousand (20,000) dollars Chicago and Eastern Illinois Railroad Company General Consolidated and First Mortgage 5's, which are coupon bonds, with no provision for registration. (Said Chicago and Eastern Illinois R. R. Co. bonds were deposited on June 2, 1915, with the United States Mortgage and Trust Co., N. Y., under a protective bondholders' agreement, and are at the present time represented by a certificate of deposit.)

Part of the securities mentioned in said statement were specifically bequeathed to the corporation.

The Committee further reports that all investments have been made and are maintained in carefully selected high-class securities strictly within the category and classes prescribed by Article IV of the By-Laws. All real estate securities are based upon values of the specific properties not exceeding an average of sixty per cent. thereof as ascertained by both official assessment and appraisement of competent experts, and all of highest class, and, while under the exceptional monetary and financial conditions just now existent the present market price of some of the securities, other than mortgages, may be somewhat less than their cost price, their real value is, in the judgment of the Committee, not diminished; the interest and income therefrom being regularly paid with one exception, namely, that on the Chicago & Eastern Illinois Railroad Company General Consolidated and First Mortgage 5% bonds. Default was made in the payment of interest due May and November 1, 1915, the road having passed into the hands of a receiver. A competent Committee has been formed to look after the interests of the bondholders.

No definite plan of reorganization has as yet been published, but the bonds held by the Trustees occupy such a very high position, they should not suffer under any plan of reorganization that might be formulated or put into operation.

George V. Massey, *Chairman;*
William H. Scott,
Charles H. Mathews,
William L. Austin,
W. Austin Obdyke,
Committee on Finance.

V. Miscellaneous.

I. THE MILEAGE AND CONTINGENT FUNDS.

Special attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended, it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chapter xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly.*

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage. N.B.—It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that Commissioners asking compensation for sleeping car fare attach receipts to their claims for Mileage for all sleeping car fares. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

---

* See also Sec. 8, p. 448^{24}.

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills, and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every Minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from and to their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three cents* for Mileage, and *three cents* for Contingent Expenses, or in all *six cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *two cents* per church member, and to forward it, with the Mileage and Contingent Funds, to the Stated Clerk of the Assembly.

The bills for entertainment the Stated Clerk and the Treasurer are authorized to pay, subject to the provisions of the Plan of Financial Administration of the Assembly. See also Standing Rule No. 26, p. 448^{37}.

☞See, *Minutes* of 1916, p. 250.

II. THE ANNUAL MINUTES.

The *Minutes* for 1916 will be supplied at *One Dollar* per copy, carriage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery which has paid its full apportionment to the Mileage and Contingent Funds of the Assembly) to every ordained Minister, and to the Session of each contributing *vacant* church, *whose address is known;* also to every ordained missionary of the foreign Presbyteries.

III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up and forwarded, without delay, to the Stated Clerk of the Assembly.

IV. PRESBYTERIAL REPORTS.

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 448^{28} of the present Appendix; a printed blank for which will be furnished in due season

by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31st. A blank for the Narrative was adopted by the General Assembly of 1906 (*Minutes*, p. 223), and a copy will be forwarded to every Stated Clerk. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Standing Committee of the Assembly in preparing their Annual General Narrative of the State of Religion within the bounds of the Church. The blanks for the *Congregational* Narratives are also furnished by the Stated Clerk of the Assembly.

3. *A Tabulated Statement.* By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly, together with the Narrative, at least ten days before the meeting of that body.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations; organizations and dissolutions of churches; receptions and dismissions of Ministers and churches; together with the number of deaths of Ministers since the last Annual Report, are to be inserted in the proper places in the Tabulated Statement.

V. STATED CLERKS OF PRESBYTERIES.

In preparing the Statistical Report, let the following RULES be strictly observed:*

(1) Fill up the *Statistical Report Blank* in every detail. (See above, §1.)

If the Church uses in worship a language other than English, indicate the fact by words, such as German, Welsh, Spanish, Indian, Bohemian, etc. ☜

Stated Supply; V., for one that is vacant, and also add "m" for each church with a manse.

(7) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

(8) *Additions.*—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll, or by action of Session in restoration after full judicial process.

(9) *Losses.*—In the losses, distinguish between those dismissed by letter, those placed upon the Suspended Roll, and those deceased. The column headed "Dismissed, etc.," is to include the members dismissed to other churches, also those erased from the roll under Sections 49 and 53, Book of Discipline, and also those excommunicated. The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon, *during the year*, by the Session under Sections 50 and 51, Book of Discipline (not the total number on the Roll); also those suspended after full judicial process.

(10) *Baptisms.*—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

(11) *Balancing of Returns.*—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example· Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

(12) *Sabbath-school Membership.*—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [*Note.*—A separate statement of the details of Sabbath-school work is to be made, on its special blank, for the use of the Board of Publication and Sabbath School Work.]

Funds.—The columns for the Funds Contributed are to be filled as follows:

1. *Home Missions.*—To include all moneys paid to the Board, all moneys paid for Presbyterial and Synodical Home Missions and Church Extension, also all moneys paid to any general Home Mission object; including contributions of societies, value of boxes, etc.

7. *Freedmen.*—To include all moneys paid for the evangelization and education of Freedmen, whether through the Board or otherwise; including contributions of societies, etc., and gifts to institutions connected with the Board.

8. *Colleges.*—To include all moneys paid to Colleges, Academies and Schools, whether to the Board or otherwise. Contributions to the institutions connected with Foreign Missions and Freedmen are to be placed under those heads.

9. *Temperance.*—To include all moneys given to the Board of Temperance or to other Temperance agencies.

10. *General Assembly, etc.*—To include all moneys given for ecclesiastical expenses, whether for Presbytery, Synod or General Assembly. Give both dollars and cents in this column.

11. *Congregational.*—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices,

the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

12. *Miscellaneous.*—To include all moneys paid to the Assembly's Permanent Committee on Evangelism and other evangelistic agencies, also to Tract Societies, Christian Endeavor, Young Men's Christian Associations, Hospitals, and general benevolence.

Bible Society.—To include all moneys paid to the American Bible Society, or to other Bible agencies. A blank is sent for these contributions, which are reported separately (see p. 437), in addition to being included in the "*Miscellaneous*" column.

Individual Gifts.—If the donors do not object, the direct gifts of individuals to any of the Boards, or to the causes they represent, should be reported with other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

Be sure to omit the fractions of the dollar, except in the General Assembly column.

(13) The *Names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Addresses* in the next column; next give the *Names* and *Addresses* of the Local Evangelists; these are *not* ordained ministers. Of the Candidates—including all who are studying for the ministry under the care of the churches of the Presbytery—the *Number* only is to be given.

(14) ☞**ADD UP**☜ and **verify** every column of figures, and *Authenticate* the Report with your signature, together with the date.

(15) Avoid erasures and interlineations, **make names and numbers distinctly legible,** and punctuate properly.

(16) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed *Minutes* of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

Revise your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* names of every Minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible and arranged in strict accordance with the established form.

☞Forward the Statistical Report by April 24, or if this cannot be done, let it be sent at the earliest date possible to the office of the Rev. W. H. Roberts, D.D., the STATED CLERK OF THE GENERAL ASSEMBLY, Witherspoon Building, Philadelphia, Pa.

IX. STANDING ORDERS AND RULES.

1. The General Assembly shall meet annually, on the third Thursday of May, beginning at 10.30 A.M.; the afternoon session shall be held at 2.30 P.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows:

The evening of Friday, the second day, to the Board of Publication and Sabbath School Work and the Sabbath-school interests of the Church.

The evening of Saturday, the third day, to the Presbyterian Brotherhood and to the Board of Education.

The afternoon of the first Sunday, to Home Missions and the Board of Temperance; the evening to the College Board.

The evening of Monday, the fourth day, to Missions among the Freedmen.

The evening of Tuesday, the fifth day, to the Home Mission Work.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

5. The whole territory of the Church shall be divided into twenty-two Electing Districts, composed of Presbyteries, so arranged, by combining the smaller Synods, and dividing the larger by Presbyteries, as to make nearly equal delegations, as follows, *e.g.:*

6. (*a*) The General Assembly shall be divided into twenty-two Electing Sections, composed of Commissioners, so arranged as to make the Sections of nearly equal delegations. The Electing Sections shall be numbered the same as the Electing Districts.

(*b*) The members of each Electing Section shall be seated together in a compact body. Accordingly, each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly, by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day.

(*c*) The organization of the Electing Sections shall be effected in the following manner, to wit:

Immediately after the roll call, and before the nominating and seconding speeches for Moderator shall be made, the Stated Clerk shall announce one Commissioner in each Electing Section as the Convener thereof, and the receiver of any necessary papers for the Section. Under the supervision of such Convener, each Electing Section shall then elect a Chairman and a Secretary. The quorum of an Electing Section shall be a majority of its members.

7. (*a*) The roll shall be called immediately after the opening prayer at the afternoon session of the first day, in the following manner, unless there be a motion to the contrary, to wit: only the names of absentees as they appear on the roll of the Permanent Committee on Commissions shall be called, at which time any needed corrections may be made.

(*b*) After the election of the Moderator, the Permanent Clerk shall report absentees from the first roll-call. Vacancies in the Electing Sections may then be filled by the Assembly. Whenever additional members take their seats, the Permanent Clerk shall add their names to the roll.

(*c*) No Commissioner failing to enroll shall be allowed to vote in his Electing Section.

8. The election of the Moderator shall be effected immediately after the roll-call and the organization of the Electing Sections, in the following manner, to wit:

(*a*) Only one speech nominating a candidate for Moderator shall be made, limited to ten minutes; and only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

(*b*) Where there is only one nominee for Moderator, the election may be made by acclamation. Where there are more than one, the election may be made by ballot, in the following manner, to wit:

After the nominations are made (the organization of the Electing Sections having been effected (see Rule 6, (*c*)), the Chairman of each Electing Section shall appoint two tellers. Each Commissioner shall write the name of his choice on a blank, to be provided in advance by the Stated Clerk. The tellers shall collect the ballots and count them, under the supervision of the Chairman. The result shall be recorded by the Secretary on blanks in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereupon. The other shall be retained by the Secretary.

(*c*) When the reports of the ballots have been handed in from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator shall then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one shall have received a majority, the Moderator shall announce the result, and declare him to be elected.

9. The election of the Standing Committees, by the Electing Sections, shall be effected immediately after the election of the Moderator, in the following manner, to wit:

(*a*) The Electing Sections shall meet, at the places assigned them, for the purpose of electing the Standing Committees, toward the close of the second session of the first day; but if not at that time, then at 9.30 A.M. of the second day.

(*b*) The Standing Committees shall be numbered consecutively, and shall each consist of twenty-three members, including the Chairman and eleven ministers and eleven elders. The Committees shall be chosen from the Electing Sections as herein provided. The quorum shall be a majority of the members. Each Presbytery shall be represented on some Standing Committee.

(*c*) On odd-numbered years, each odd-numbered Section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee.

On the same year, each even-numbered Section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee.

On the even-numbered years this order shall be reversed.

(*d*) The Stated Clerk shall furnish to each Electing Section properly printed Election Return Blanks, for the election of the Standing Committees, which shall be filled in by the Secretary of the Electing Section, and returned forthwith to the Stated Clerk, and the Stated Clerk shall, if possible, furnish to each Chairman, before the close of the first day, a list of the members of his Committee, and shall also announce, at the close of the evening session, the names of the Committees on Bills and Overtures and on Judicial Business.

(*e*) As soon as possible after his election, the Moderator shall appoint an additional member of each Standing Committee, who shall be the Chairman thereof, provided that he shall not appoint more than one member, as Chairman, from the same Electing Section, except in the case of the Committees on Mileage and on Finance, and the Chairmen of these two Committees shall be Ruling Elders.

If the Moderator shall appoint, as a member and Chairman of any Standing Committee, any one chosen by any Electing Section, as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee, caused by the Moderator's appointment.

10. The Stated Clerk shall give notices to the Commissioners as to their places in the Electing Sections and as to the Committeemen to be chosen. He shall also assign their places, in the Electing Districts, to new Presbyteries that may be erected during the intervals of the meetings of the Assembly, and he shall attend to other details connected with the operation of the Plan.

Only one formal address in explanation of a Report shall be made. It shall be the duty of the Stated Clerk to communicate these Rules to the Chairmen of the Standing Committees, upon their appointment.

13. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them, for distribution or reference, to the Standing Committee on Bills and Overtures. All complaints and appeals, however, shall be transmitted by the Stated Clerk directly to the Judicial Committee. (See p. 448^{12}.)

14. All Special Committees appointed by one General Assembly to report to the next Assembly shall be ready to present their Reports on the second day of the session. Only one formal address in explanation of a Report shall be made. (See Rule 27.)

15. The Stated Clerk shall have printed and ready for distribution, so far as practicable, on the morning of the day fixed for their consideration, the resolutions appended to the Reports of Standing Committees.

16. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

17. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

18. Each Board and Permanent Committee is instructed to send up its minutes with its Report, that these minutes may be reviewed by the Assembly, on the Report of the appropriate Standing Committee [1885, p. 690].

19. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

20. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized, as such, under our Board of Foreign Missions, may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile, in this country, to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247]. This rule shall also apply to Home Mission Presbyteries whose members are so located as to prevent regular meetings, and in the discretion of the Assembly. The names of the Advisory members shall be called at the first Roll-Call, and seats shall be assigned them by the Stated Clerk. [1907, p. 88; 1908, p. 130.]

21. No person shall serve as a member of a Board who is a salaried executive officer or employé of said Board, or a member of any other benevolent Board

of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

22. Any vacancy occurring in the membership of any of the Boards of the Church, during the interval between Assemblies, may be filled, until the next succeeding meeting of the Assembly, by the Board in which such vacancy may occur [1887, p. 128].

23. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

24. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee, before action by the Assembly [1892, p. 199].

25. The recommendation of any particular congregation to the benevolence of the denomination, by the General Assembly, is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

26. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

27. All reports of Special and other Committees shall be delivered to the Stated Clerk on or before April 1, in each year, shall be printed by him, and copies shall be sent, in bound form, to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of the sessions.

28. Upon the original appointment of any salaried executive officer of any of the Benevolent and Missionary Boards of the Church, such appointment shall be subject to the approval of the General Assembly [1898, p. 132].

29. The Moderator, with the Stated and Permanent Clerks, should an emergency requiring action at any time arise, are authorized to provide a new place of meeting for the General Assembly.

30. Hereafter, all Overtures from Presbyteries and Synods, which are to come before the General Assembly, shall be, so far as practicable, in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the Assembly, such distribution to be made not later than the second day of the Assembly.

31. All Overtures, memorials and miscellaneous papers, connected with the business of the Assembly, must be presented to the Assembly not later than the close of the second day of its session.

32. The election of members of Judicial Commissions of the General Assembly shall take place on the morning of Tuesday, the fifth day, as the first Order of the Day, in the following manner:

It shall be the duty of the Judicial Committee of the General Assembly to report to the Assembly, on Tuesday, the fifth day, suitable nominations to fill the vacancies on the Permanent Judicial Commission of the General Assembly, from which nominations, together with any others regularly made by the Commissioners at the same time as those made by the Judicial Committee, the necessary number of persons shall be elected, on Thursday, the seventh day, as the first Order of the Day.

33. The Permanent Judicial Commission of the General Assembly shall have authority to adopt rules pertaining to its own method of procedure, and shall report the same to the General Assembly; *provided*, that such rules shall not be inconsistent with the Constitution of the Church or the rules adopted by the General Assembly.*

34. When members of Committees do not attend for two successive meetings, and their absence is unexcused, then their places become automatically vacant, and the Moderator of the Assembly is authorized to appoint their successors. [1915, p. 31.]

* See Rules for Judicatories, No. XLIV. See also p. 448^{41}.

35. The Standing Orders and Rules may be suspended by a two-thirds vote of the Assembly, upon motion duly made.

GENERAL RULES FOR JUDICATORIES.

[The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. Subsequent Assemblies have modified them from time to time.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present *being a Commissioner*, or, if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the Standing Committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members: but he shall not vote in any other case, unless the judicatory be equally divided; when, if he do not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the Clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the Clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the Clerk immediately to file all papers, in the order in which they have been read, with proper endorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to orders of business or reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it, as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory. (See Standing Rule, No. 13, p. 448^{36}.)

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its sessions, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate, but it shall not be in order for any one debating another motion to propose the motion to lay on the table or the previous question, at the close of his remarks, unless he shall obtain the floor again for that purpose. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment, shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, viz.: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall be admitted only when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and, lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule, the "yeas and nays" shall not be called except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If, on such a rising vote, the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles, and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order, or for the purpose of correcting mistakes or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely, in their speeches, to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business which, in their judgment, ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called "interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. It is expedient that Judicatories appoint a Standing Committee, to be known as the "Judicial Committee," to whom shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions, and orders of procedure in all judicial cases.

In the General Assembly, the province of the Judicial Committee shall be to pass upon the question of the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Judicial Committee are not debarred by their appointment from sitting and voting as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

XLIV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.

XLV. These Rules may be suspended by a two-thirds vote of the judicatory, upon motion duly made.

RULES OF THE PERMANENT JUDICIAL COMMISSION.

In accordance with the requirements of the Constitution, the Permanent Judicial Commission respectfully reports to the General Assembly the following Rules of Procedure:

1. The General Rules for Judicatories, as far as applicable.

2. *Vice-Moderator.*—In addition to a Moderator and Clerk, the Commission shall elect, annually, a Vice-Moderator, who shall act as Moderator in the event of the death, disability, resignation or absence of the Moderator, or of the termination of his commissionership; and he shall hold office until the election of his successor.

The Vice-Moderator shall be a member of the Commission, whose term expires at a period not less than two years from the date of his election.

3. *Clerk.*—In the event of the death, disability, resignation or absence of the Clerk, or the termination of his commissionership, the Moderator shall appoint a Clerk *pro tem.*, to serve in the interim of the meetings of the Commission.

4. When the Moderator receives notice from the Stated Clerk of the General Assembly that the services of the Commission will be needed at any time or place, he shall forthwith notify each member of the Commission that the services of the Commission will be required at such meeting

5. The Commission, when so ordered, shall meet at the same time and place with the General Assembly, and shall convene for organization at 5 o'clock P.M. of the first day of the meeting of the General Assembly. The time and place of all other meetings shall be determined by the Moderator and the Clerk of the Commission, unless otherwise ordered by the Commission or the General Assembly.

6. Immediately after the organization of the Commission, at any meeting of the General Assembly, the fact shall be reported to the General Assembly, and at the same time a report shall be made as to vacancies existing or about to occur, caused either by the expiration of the term for which members were elected or by death or resignation, for reference to the Judicial Committee, according to the Constitution.

7. The officers of this Commission shall be elected, annually, on Tuesday, the fifth day of the meeting of the General Assembly, at 3 o'clock P.M., and such officers shall assume the duties of their several offices upon the final adjournment of the General Assembly, serving in the interim between meetings of the General Assembly and until final adjournment of the next succeeding General Assembly.

8. It shall be the duty of the Moderator, or some one designated by him, to appear before the General Assembly to present the findings of the Commission in cases referred to it by the General Assembly.

9. The Commission shall designate a member or members to represent it in the General Assembly to defend any action or finding of the Commission.

10. The Commission shall set a time limit for arguments of such litigants and their counsel as may appear before the Commission in any case, and shall so notify them prior to the hearing of the same.

NOTE.—See also Rules on Complaints and Appeals, *Minutes*, 1914, pp. 256–258.

RULE AS TO JUDICIAL PAPERS.

Resolved, That immediately after the organization of the Assembly and the election of the Moderator, all papers of a judicial character in the hands of the Stated Clerk, which in his opinion are in order, be placed by him in the hands of the Permanent Judicial Commission, and that all judicial papers thereafter arriving be transmitted to the Judicial Committee, and that the Judicial Commission shall report that cases in its hands are in order, before proceeding to trial.
